Dan and Jane Tolmach

Oxnard, California 93003

Dear Dan and Jane:

With the property tax bill and some of the other urgent legislative items now behind me, I finally have a chance to catch up on my personal correspondence--and to once again thank you for your help at my various campaign events last fall and this spring.

I am particularly grateful for your generous donations to my reelection effort. I look forward to seeing you both soon. Please call or write whenever I can be of assistance.

Warmest personal regards,

Omer

OMER L. RAINS

P.S. Am working on the gubernatorial appointment, Jane. However, as you know, it's hard to get the Governor to concentrate - especially now that the campaign is under way - on such matters. Will keep you advised. OK
