No peaceful tradition as love them.

00:17:56:14 - 00:18:33:00

Speaker 3

The Lord be with you and also with you. A reading from the Holy Gospel. According to Luke, right to on the Lord appointed a further 72 and sent them in pairs before him to every town in place. He intended to visit. He said to them the harvest this week, but the workers are too. Therefore pass the harvest maker to send workers to his harvest.

00:18:33:02 - 00:19:03:28

Speaker 3

Be on your way. And remember, I am sending you as lambs in the midst of wolves. Do not carry a walk and staff my traveling bag wearing no sandals and greeting no one along the way for an entry in any house. First, say peace to this house. If you there is a personal man, then your peers will rest on him.

00:19:04:00 - 00:19:39:01

Speaker 3

If not and will come back to you and stay in the one house eating and drinking. What they have for the neighbor is worth his wage. Do not move from house to house into whatever city you go after. They welcome you. It what they set before you, then cure the sick, then say to them The reign of God is at hand.

00:19:39:04 - 00:19:40:20

Speaker 3

This says the Gospel.

00:19:40:22 - 00:19:42:11

Speaker 1

Of the Lord.

00:19:42:14 - 00:19:56:20

Unknown

You, Jesus Christ.

00:19:56:23 - 00:20:52:14

Speaker 3

I'm the rooster is that I keep on a steady system. Anana He made I'm sure Rooster would have done to him 15 many immature rooster in Central baby the side of this, you know, to him. But I'll concierto you canto mutual concierto for the Frank I'm intimate Amazon's proverbial setlist the status at Easter manana meaning neglected by stay This is for Dante bassoonist in the stands right down the review Navidad winner Jesse said I mean the standard of time that it is not be that soon and eventually you and anybody else can have been the illustrative that determine the end for getting us down at the opportunity.

00:20:52:14 - 00:21:22:14

Speaker 3

Rather it makes you an out of seven with something to that instead of Latinos listen with consciousness and in the context of must be European was that we thought was very soon is medicinal China that I think again was that famous are you that Bambi and our Netflix you ad served in was to light that ABC on this we are gathered here to celebrate our culture, our traditions and our faith.

00:21:22:17 - 00:22:01:13

Speaker 3

And I think that culture and so are two things that are in constant dialog with our culture says a lot to our faith. And that also also helps us to understand our culture better. And sometimes our faith tells us to question certain aspects of our culture that maybe we need to change. But Amos was telling the people that some of the songs they were singing, God was rejected a way with your noisy songs, says Amos.

00:22:01:15 - 00:22:45:14

Speaker 3

I will not listen to the melodies of your hearts instead, Justice smells like a river and goodness like an unfailing stream. And I think that this calls on us to reflect and wonder as we this weekend have been

giving a homage to Mexican songs. I may not hit. I left on SEAL Mexicana over some songs that maybe we shouldn't sing sometimes in the presence of the mariachi, like my name has been has been a song and is really brought this to mind last night.

00:22:45:16 - 00:23:17:24

Speaker 3

Sometimes our songs put down women and I wonder if we should sing them for crying without us. But it's why every us. But that's not always true. Sometimes our songs maybe glorify going to a bar and drinking and alcoholism is a serious problem in our community. Yet how often do we sing a spirit and we do not cantina?

00:23:17:27 - 00:23:54:20

Speaker 3

We're not sure this a lot of my father around from the days of Matthew and city I mean in war, but shatter me. And then we glorify heroes like Juan Chavez, cattle rancher branded he who got oil. And I'm just wondering when alcoholism is such a serious problem in our community, these songs call us to reflect and and maybe to to challenge ourselves and to challenge our lives.

00:23:54:22 - 00:24:25:16

Speaker 3

Another thing that worries me is that many of our songs glorify violence, where we meet those loving ones wonder, where was that one? Sending with God doesn't give us vengeance. God is against vengeance. And then one of us and says, One will be slow, but we're going to spill out. Or my shepherd for me, swear if you ever got out today.

00:24:25:16 - 00:25:01:26

Speaker 3

Violence is a real problem in our community, and these songs maybe challenge us to reflect on these problems often times to our songs give us a negative view of life that we that no one may know the law violent not and never do that. But I mean, divas is not a road show even Sunday morning for dancing for the days when it's there for free does better makes you an artist listen with less concern.

00:25:01:26 - 00:25:47:17

Speaker 3

Is it an epidemic from was the city of yours that they start to see? Our best concern is we go to Twitter to see to come back and see consciousness. Yeah, this is mental space and I'm here. Consciousness. Yeah this and many second and also the I would call even without a single gunshot. Honestly, I remember that year welcome Daniel I was concerned is been was struck with due to the movement and especially to witness I mean one I set up as soon as the Latin station A.I.M. and as soon as that the wrong the amount.

00:25:47:20 - 00:26:38:06

Speaker 3

I'm not sure that the outlet will be happy against. Let me be that interesting to know that the two sources, the demons that matter, most famous for being shapeless said person at the same time songs that talk about a positive value of women in our society and as maybe should be the ones that we should sing or like the one that we heard last night when a man naked human female wants to see through, normally no matchup and so on.

00:26:38:09 - 00:27:08:06

Speaker 3

Sometimes to our songs talk about our condition in life. All of us suffer. All of us particularly, I think that we are an oppressed people that as economically well off as we may be sometimes to to other people, we are treated with prejudice and we are discriminated. And so sometimes we feel a rage inside of us because of what we suffer.

00:27:08:09 - 00:27:41:06

Speaker 3

And our songs help us to express that feel grandiose one to throw in that either, but not many skin avenue. It's a cry of someone who wants to to be a person worthwhile. And even some of our humanness songs go on Open sky to be better me, myself. And then, you know, this type of concern is to traumatic.

00:27:41:08 - 00:28:13:14

Speaker 3

We've seen these have been trained about a symbol Fandango can gwangwa. This isn't a sentiment that we need for ecosystem in that city that they must confess that women get molested and get all this done. Been Sun but may God and religious I will not be static. And I remember one person was putting this out on body, the seamless memory that maybe I got hope.

00:28:13:14 - 00:28:51:22

Speaker 3

But as simple as this is that Hamas, Hamas and the other model these songs call on us to to work on this very idea that Amos was talking about justice flowing like never. And they inspire us and they challenge us to make justice flow like a river. And our sands also. Tell us about the value of land given to an order, given that they would somehow get 1% and they necessarily need us for that be one.

00:28:51:22 - 00:29:19:09

Speaker 3

The security there, this could do at the end of our songs sometimes give a negative value to life. Some of them also give a very positive value of life, like the song We know more Female singer that I mean, I found a love. The girl who would like to find it is love either, but I'm not like that.

00:29:19:09 - 00:29:50:06

Speaker 3

I'm but like if that is maybe that and also our songs present to us. Positive value models for Susie Garcia martin at me into Buddhism. Is that a cynic in a society that talks about a man who gave his life for his community so that his town could survive? And most important, it seems to me all songs remind us of God.

00:29:50:08 - 00:30:20:26

Speaker 3

I do not believe that any other culture has so many popular songs that mention God, that talk about God in in the course of his songs all around this one person through a love event, he thought that, yes, Mr. Yamamoto is like him. I give you this can be here. Yes. Stop bothering him for sodomy. So does this.

00:30:20:28 - 00:30:56:20

Speaker 3

Less concern is must be applied to the minister's concern is to miss does mean to save your working to save Amos kissing videos. Neither did your sister apparently in Mississippi. And this is if you are in what is Mr. Masaki for? Chemical? No. Same as kissing the US neither yours Togo.
