Vote Nov. 2

JANE McCORMICK TOLMACH
Member Oxnard City Council

Dear Fellow Democrat:

"Many of the problems dealt with in the State Legislature are closely related to problems which I have already had to deal with both as a Member of a City Council and as a School District Trustee. I am confident that I can begin immediately to provide Ventura County with the kind of representation in Sacramento which it deserves and needs."

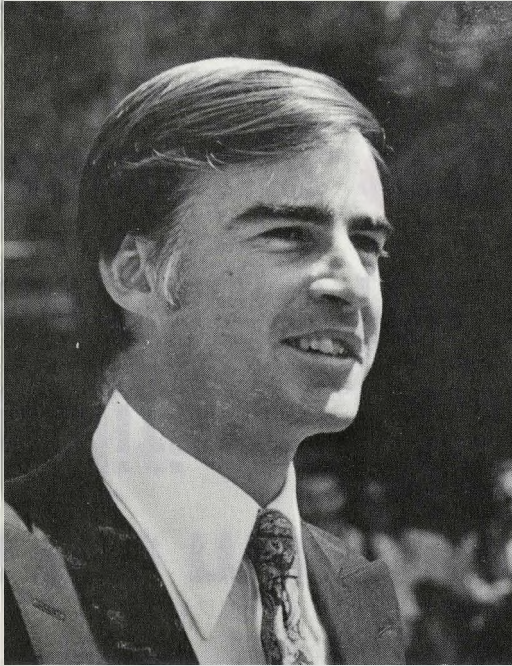

As a member of the State Assembly, I intend to be a hard worker. I intend to fight for political and tax reform. I also intend to spend a good deal of time in Ventura County listening to your concerns. In short, I intend to be the kind of tireless, effective, and honest representative our County needs and deserves.

Thank you for your confidence and your support.

Governor Edmund G. Brown Jr. says:

"I've know Jane Tolmach for a long time, and I think she'll make an excellent representative to the State Assembly.

She's independent, she knows local government, she understands the needs and concerns of this area, and she has the wisdom and maturity to make tough choices.

We need more people like her in Sacramento."

Assemblyman J. K. "Ken" MacDonald says:

"Jane Tolmach and I have worked together for many years and I truly feel that she is the candidate I would like to take my seat in the State Assembly.

She has demonstrated her qualifications to hold this office with a background of 11 years of public service in local government.

I recommend her as being worthy of the public trust and she deserves to be elected to the State Assembly."
