Transfer Students

Earning an A.A. or A.S. degree does not necessarily mean one has fulfilled CSU admission and/or General Education requirements.

After admission to California State University, Fresno, transfer students with 40 or more units will receive a copy of their advanced standing evaluation, indicating how previous college units have been applied toward requirements at Fresno State. Questions about one's evaluation should be directed to the student's advisor or the Evaluations Office.

It is recommended that transfer students bring with them an unofficial copy of all

previous college transcripts and their CSU General Education Certification when attending New Student Orientation and Advising Day to ensure accurate advising.

Transfer admission eligibility is based on **BACCALAUREATE TRANSFERABLE** college units, rather than on all college units. California community college transfers should consult their counselors for information on transferability of courses for admission purposes.

Applicants in good standing at the last institution attended may be admitted as *undergraduate transfer* if either of the following requirements are met:

1. Eligible for freshman admission (see *Freshman Requirements*) with a grade point average of C (2.0 on a scale where A = 4.0) or better in all transferable college units attempted.
