

2006-07 CSUCI WASC Accreditation Sub-Committee Assignments

Here are the 2006-07 CSUCI WASC Accreditation Sub-Committee Assignments. I recommend that you search this document for your name to find your committee assignments. It is our intention that committee members serve on a minimum of two sub-committees. Those committee members whose names are in standard font have self-assigned to these committees. If your name is in italics, you were added to the sub-committee following the organizational meeting. If you have been assigned to a sub-committee, but will be unable to serve, please contact me so that I can have your name removed from the committee roster. You may also join additional sub-committees. If you would like to do so, please contact me so that I can add your name to the committee roster.

A convener has been designated for each sub-committee. It is the responsibility of the convener to call an initial meeting of the sub-committee. Please note that the convener need not serve as the sub-committee chair. Each sub-committee will select a chair at its initial meeting.
