ACADEMIC OLYMPICS INVOLVES VILLAGERS

By William Himstreet

Gifts from the Women's Club, Village Players, and Variety Guild enabled Leisure Village to sponsor the Creative Writing Competition in the recently completed Camarillo Academic Olympics. At the awards ceremony on April 26, Leisure Village president Lou Okun presented gold medals to City winners Nick Shuit in the elementary school competition and Sheri Hyman in the junior high category.

The following Villagers served as judges for the Creative Writing program: Janette Andresen, Jeanne Carlson, Henry Dorff, Blanche Follen, Frances Gold, Esther Gollub, George Gross, Maxine and Bill Himstreet, Herb and Gerry Leveille, Al Levinson, Betty Murray, Edie Pederson, Herman and Jessica Reischel, Sol Robin, Lillian Skellenger, Nancy and Walt Whitaker, Eloise and Harold Wickham.

In three rounds of competition, over 1600 essays were evaluated and represented the work of 1100 students. This was the second annual Academic Olympics, and winners' names are engraved on a plaque in the foyer of the City Council chambers. Villagers also served as individual school test monitors, speech judges, and oral examination judges.

CANDIDATES NIGHT...

Will be Wednesday, June 5, 7:30 p.m. in AR.

It's A Must

The State law which governs our C.C.&R.'s mandates that we have an annual meeting to elect our Board of Directors. This meeting MUST comprise a quorum which is defined as 50% of homeowners of record, plus one. Each household is allowed ONE vote for each office to be filled.*

The law further states that failure to obtain a quorum, a second meeting must be held. This is not only time-consuming but an additional expense to each of us.

Therefore, YOUR presence and vote, or YOUR PROXY VOTE is imperative on June 26.

*Since there are three offices open, the voter may place one for each of three choices or all of his votes for a specific candidate, or any other combination.

(Please see guest editorial by Dick Van Horn, Board member and Chairman of Nominating Committee).

Women's Club Celebrates Anniversary

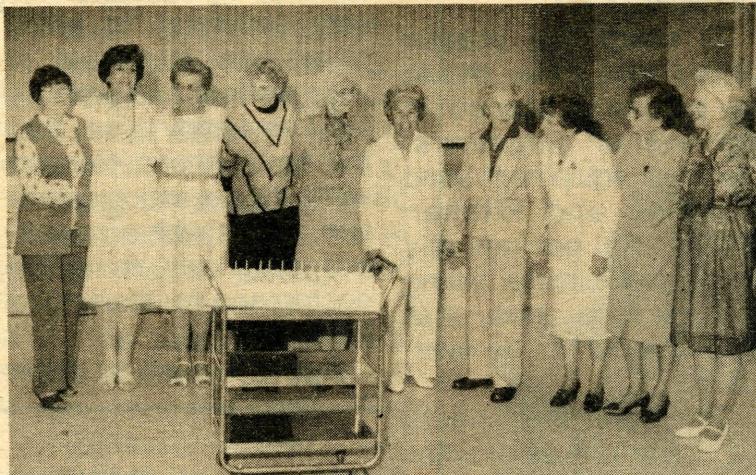

Photo by Mireanu

Past Presidents of Women's Club (Rae Sohr Treasurer, 1979, is standing in for Dorothy Fencel who was away).

Women's Club is celebrating its eleventh birthday throughout the month of May. Although the actual beginning was in a planning meeting held May 25, 1974, the first real meeting was May 31 of the same year.

Thirty-one attended the planning meeting, according to Piff DeSimone; eighteen of these are still in the Village. The purpose of the club was "fun and service". Stan Ber-

man, General Manager, helped the organization get off the ground.

At the May 31 meeting, Piff was elected President, and dues were set at \$6, (\$5 now), and fundraising was immediately planned. A weekly workshop for crafts was also set up. A luncheon and fashion show (clothes made by the ladies themselves), were planned for July. (This affair later

ADDITIONAL RENOVATIONS SCHEDULED

The next areas slated for renovations for the Recreation Center will be the Multi-Purpose Room and the Library, and work will probably commence in September. Skip Roberts, General Manager, invites your suggestions regarding furnishings, color, lighting, carpenter work or whatever. So if you have any fantastic ideas you have been harboring, (or some prosaic but practical reminders), you have until the end of June to respond.

Speak now or forever hold your peace ... (Skip did not really say that.)

NEW CLASS!

By Netti Armstrong

Oxnard College Community Services is offering a special 3-week class in June. "Tax Advantage Investment" will meet for 3 consecutive Wednesdays: June 5, 12, and 19, in the Lanai Room at the Rec. Center. Class will meet 3:00-6:00 p.m. and the fee is \$15.00 per person. For registration and additional information, please contact Doris McTague at Oxnard College, 488-0911.

Bus Stop Connection

By Harry Becker

The bus story may well be entitled, "The Unsinkable Mollie Silversher."

On May 6, the Camarillo city bus scheduled new stops in Leisure Village, resulting in a better connection with the inter-city bus on Alta Colina Road.

After picking up passengers waiting on Mountain View Drive and Leisure Village Drive, the bus will arrive at the Alta Colina stop at 10:23 a.m., about nine minutes before the bus bound for Thousand Oaks.

(Copies of the new schedule may be obtained in the Recreation Office.)

The route deviation was requested by Mollie Silversher (V. 23) and endorsed by the Association's Board of Directors. President Lou Okun transmitted the Silversher proposal to John Bressan, Director of Community Services of the City of Camarillo, stressing that "the distance from our easternmost village to the bus stop at Alta Colina and Encanto is about two miles — a rather long walk for most seniors."

Each Qualified Homeowner Has Obligation To Vote At Annual Meeting

By Dick Van Horn

June 26, just a month away, is the most important day of the year for those of us in Leisure Village. This is the day of our Annual Meeting when we review the past year and elect a Board of Directors which will guide our operations for the coming year.

Circle June 26 on your calendar for participation by a majority of owners is necessary for a legal meeting, and we owe it to ourselves and each other to participate.

All owners will shortly receive a packet by mail which will contain:

1. A copy of the report of the financial audit made by our outside auditors. Study this — see where your money was spent.

2. Resumes of the four villagers who have volunteered to serve on the Board for the next two years. Three will be elected, and you do the electing.

3. A proxy. You have two ways of participating in the Annual Meeting. One is to attend the meeting and to cast your vote for the nominees of your choice. The other is to be represented at the meeting by your proxy.

Please use your proxy if you cannot attend the meeting. You may drop your signed proxy in a special proxy box at the Rec Center, or you may give it to a friend who is attending the meeting who will vote your proxy.

Your proxy gives you the choice of indicating the nominees you wish a vote cast for, or you may leave it blank and your friend (or Proxy Committee) will cast a vote for you.

If you choose to return your proxy, please do so as early as possible so that it may be recorded. Proxy envelopes will not be opened until the day of the meeting.

Your attendance or your proxy is important, for if we do not have 50.1% of the owners represented, we will have to schedule another meeting within thirty days. This will cost us more than \$500 in mailing charges alone.

This is an obligation for every owner — attend the meeting or be represented by your proxy.

CORRECTION

Re: RESUME of V. Herbert Marks

The ninth paragraph in Mr. Marks' resume was carried incorrectly in our April issue. It should have read:

"Served for eight terms as president of the Biscaya Condominium Associations in Florida."

"Served for five years as Executive Vice President of the Joint Council of Aventura, Florida. This organization consists of 12 separate condominium associations within the Aventura complex."

ILV regrets this error.

Senior Concerns

By Joe Gaynes

Safety is a major problem and concern for all of our people, and one of the most dangerous places can be found in our homes. More than 600,000 seniors require treatment in hospital emergency rooms each year for injuries received in their homes.

A major cleanup effort should be made twice a year to go through the house and garage to correct or eliminate substances, obstructions, or pileups of unnecessary materials that could create an injury or poisoning. All poisons, insecticides, bleaches, gasoline, etc., should be properly contained and locked up.

All labels should be large, clear, and properly placed on containers; all inflammables in proper containers and protective-ly isolated, with water outlet or extinguisher available.

All sharp and pointed cutlery and tools should be properly placed in drawers or containers. Electrical equipment used in home and kitchen should be periodically checked for loose wiring and exposed lines. Wall plugs should not be overloaded.

Our medicine chests are horror stories of what we have that we should not keep after an expired date. Mixing these drugs will create unusual symptoms. The doctor can only help us by asking what you are now taking before prescribing a new drug. If you are not sure what should be thrown out, take a bagful to your doctor at the next visit and ask him to eliminate those that have no medical value.

For your safety, good health, and long life, start today by going through your whole house for a safety cleanup!

LETTERS

Please put all letters and notices on a full sheet of paper double spaced, even though they are very short and/or handwritten.

Many, many thanks to all my kind friends and neighbors for the multitude of get-well wishes, visits, cards, flowers, strawberries and delicious food and other help you so generously have given me. All your kind deeds and sharing are deeply appreciated and are a big factor in my continuing recuperation from my recent surgery. I am truly grateful for having such caring and wonderful friends.

Connie Andrews, V.16

To our many friends in Leisure Village a very heartfelt thank you for the many cards, calls and gifts during the surgery and recuperating at home of my husband. It is very satisfying to know others are interested in your welfare and well-being. I am happy to say that tho my husband Norman went thru a major operation, it was with an excellent prognosis from the doctor, and we thank God for that.

Again, I want to thank

all for your kind wishes.
Teddy Schneider, V.39

My family and I wish to thank all our wonderful friends and neighbors for all their help and support during the recent death of my husband Guy. Thanks for all the phone calls, food, loving cards, contributions and the beautiful flowers that we have received during this difficult time in our lives. I feel very grateful to live in Leisure Village and to have such support and love from everyone.

Kay LaPrell, V.34

We are convinced Leisure Village does have the nicest people in the world. Accept our thanks from the heart for your concern shown by cards, food, telephone calls, etc. during Velma's recent surgery. It was unbelievable. God bless you all.

Velma and Earl Edwards, V.34

We wish to thank all of those villagers who sent cards and other expressions of sympathy on the death of our beloved wife and mother, Maggie Van Burkley.

F. L. (Van) Van Burkley and Family, V.11

To all our friends and especially to those I have not been able to reach by phone, as well as the officials of clubs and organizations who expressed their concern for me during and after my surgery, my heartfelt thanks.

I am recovering nicely and hope to resume my customary activities in the near future.

Ben Kossack, V.17

Oscar joins me in thanking all our friends and neighbors in Leisure Village for all the cards, phone calls, inquiries and gifts I received during my recent surgery and recovery. We really appreciate your thoughtfulness.

Wilma and Oscar Graves, V.1

My heartfelt thanks to all my friends for their prayers, cards and calls of sympathy at the time of my bereavement at the loss of my husband Morris.

Romaine Cinaman, V.40

Once again I have received that intangible quality of Leisure Village — the loving and caring of my friends and neighbors upon my recent surgery. Their prayers, support and good wishes carried me forward like a ship at full sail! My sincerest thank you's to all.

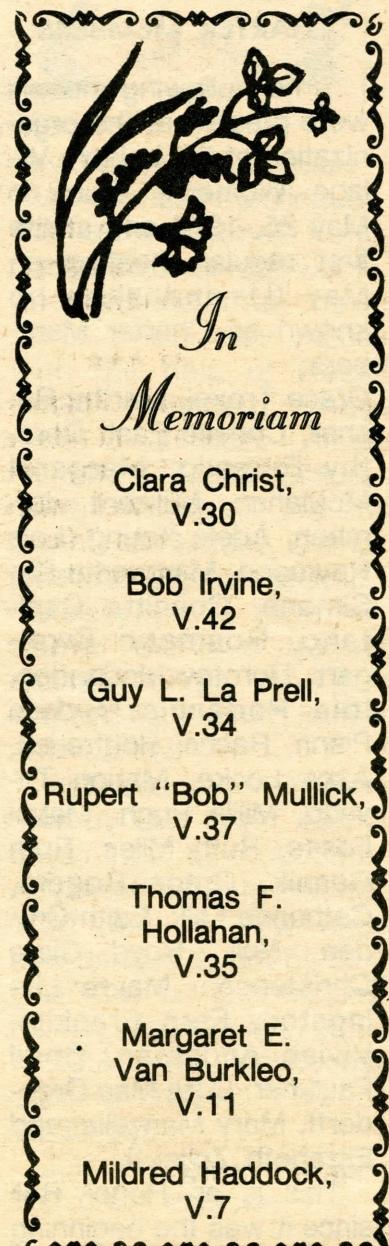

Dorothy Konecko, V.37

Many, many thanks to all of my good friends and neighbors for their good wishes, beautiful cards and tributes to charity, and for the delicious food, during my recent surgery and convalescence at home.

I am most grateful to be living in Leisure Village.

Say "fashion show", and women are instantly alert. Announce the May date for one in LV, by the Women's Club and all are drawn like bees to flower gardens. None were disappointed.

Ruth Ellis of the Ladi Bug Style Shop, with helpers Maryanne and Benji, presented a display of twenty garments, from sporty to street wear, to semi-formal. Modeling them beautifully, were the Club's Piff De Simone, Gladys Eriksen, Kathryn Ford, Evelyn Faulkner and Dorothy Barrus.

Ellis's commentary was bright and informative. Tips on coordinating colors and interchanging parts of outfits were welcome. The city suit looked ultra smart despite being pronounced, "faded denim". Pastel gauze looked cool, and a jumpsuit looked smart on slender Evelyn who wore it. Fuller skirts were featured, with few pants. Polished cotton, chiffon, georgette and much more: pastels, blues, greens, fuschias and various attractive prints, with the always-smart black and white.

Good choices in accessories were stressed. Costume jewelry in colored pearls, and bulky beads of wood and glass, as well as huge pendants are obviously "in". Meanwhile, those of us who gave up hats long ago, are assured that those we

see worn occasionally are a sure sign they are making a comeback. Gloves too! Our thanks to Isabelle Malcolm for the appropriate background piano music during the show.

The business meeting was short, for a second special feature was coming up. Brief reports revealed the financial balance looks healthy; the day's take by the Trading Post was \$240; membership had risen to 478. Then Petunia, the Passionate Pink—Crocheted Pig was introduced as an addition to the growing inventory for the upcoming bazaar. She is the product of Margaret Eckerson's bright mind and deft hands. The workshop meets every Tuesday morning, members. More help is needed.

Thank-you's, in the form of pretty African violets, went to three diligent Trading Post faithfuls: Irene Helmstead, Doris LaPrell and Helen Thompson. Then it was Birthday Party Time.

Time for celebrating the tenth year of the existence of Leisure Village Women's Club. Time, too, to honor previous presidents; most of whom were present. There was a huge cake, and poses for pictures by the honorees, with the cake and the Maypole; a creation by Perry Horodas, that gave it seasonal ambiance. (Coffee and cake followed, with talk of fashions and of years and how they fly.)

Fashion Models

proved to be a financial success, as a profit of \$22.07 was reported.

So, Women's Club was off and running. The following are being honored this month as Past Presidents: Piff DeSimone, Rosemarie Swiegert, Dorothy Kelly, Helen Orr Dennis, (two terms), Dorothy Fencl, Ethel Beyer, Lillian Skellenger, Beverly Peck, Dorothy Barrus, and Edna McCormick. The club at present, has over 450 members. Each year, substantial funds (over \$3,000), are donated to the Village for various projects. County institutions such as Girls' and Boys' Club, Camarillo State Hospital, Ventura School, Hospice, and Visiting Nurses, all receive generous gifts yearly. A special donation is sent to Senior Citizens Survival Fund, under the leadership of Tony Lamb. All of this grew from that first meeting.

Women's Club recognizes that none of this would have been accomplished without the strong support of the Village. Members are indeed grateful and pledge to carry on — with the help of Leisure Village.

This is an Honor Roll since it was the beginning of the club.

CURRENT ISSUES' ANNIVERSARY

By Herbert Swartz

Mayor Tad Bowen gave a slide talk on the organization of Camarillo city government at the Current Issues Forum, 6th Anniversary luncheon at Mercury Savings & Loan on May 7. After his presentation, he answered many questions from the audience. Door prizes were dinner for two at Antonio's and Ben's Deli and a year's subscription to the Camarillo Daily News.

NEW VISTAS

By Tia Perlman

What is New Vistas? New Vistas is comprised of a facilitator, Tia Perlman, and a group of individuals who, working together in a synergistic way, learn to maximize the benefits life has to offer.

Specific Objectives:

- To gain a clear insight into ourselves and our true feelings.
- To learn to accept that which we are unable to change.
- To learn techniques which will enable us to change those things which are possible to change.
- To help us identify those learned processes which prevent us from realizing our true potential.
- To learn the art of Self Preservation.
- To participate in new experiences.

Benefits to be derived:

- Better acceptance of self and others.
- Greater tolerance and understanding and love for self and others.
- Accepting responsibility for own actions and reactions.
- Becoming truthful with self and others.
- Becoming less defensive and less fearful.
- Learning how to express feelings.

The New Vistas group meets every Tuesday at 7:00 p.m. in the Lanai room. All are welcome.

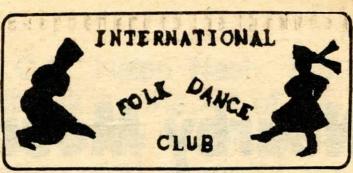

TRADING POST

Trading Post always needs new merchandise and can sell anything! If you have something to contribute (no matter how unusual), just call: Helen, 987-1215; Betty, 484-5606; or Gertie, 484-5509. All proceeds go to village and community projects.

VILLAGE FOLK DANCERS

By Alice Gelfand

At the April meeting of the Village Folk Dancers, it was voted, unanimously, to participate in the Dance Jamboree on May 19. It is to be hoped that others in the Village will come and see how much fun and enthusiasm can be enjoyed by learning ethnic dancing.

Because beginners in folk dancing need a little extra attention, the basic steps will be taught from 7:00 to 7:30 p.m. before the more experienced start. We hope this will encourage fledgling dancers to join us. This arrangement will also serve to prevent the more advanced dancers from having to repeat already learned dances. Dancing and advanced instructions by Harry Castaline will be from 7:30 to 9:00 p.m., every Wednesday in the MPR.

By Florence Friedman

At the last meeting of the International Folk Dance Club, several women modeled their new skirts which they made with the help of Raza Kates, President. They were: Lillian Bein, Laurel Flemming, Esther Gollub, Tillie Kaplan, Helen Leinow, Bela Levy, Selma Lick and Virginia Pacewic.

Everyone is excited about having a guest teacher Monday, May 27, who will be teaching some new dances.

Instructions for beginners by May Sheff, Mondays, 1:00 to 2:00 p.m. Advanced dancing 2:00 to 3:00 p.m. Review and new dances taught by Virginia Calihan and Miriam Natter, Wednesdays, 9:00 to 10:30 a.m. Continuous dancing Fridays, 9:00 to 10:30 a.m.

Join the group for fun and great exercise.

On Monday, June 17 at 7:30 p.m. in the A.R., Y.N.C.G. will have three doctors speak on the new developments in medicine in their particular fields. All three are internists:

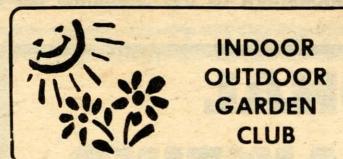

Robert Gonzalez, M.D. specializes in Arthritis and rheumatic diseases;

Edward B. Portnoy, M.D., in nephrology (diseases of the kidneys); and

Harvey G. Schneir, M.D., in endocrinology.

L.V. is fortunate, indeed, to have three dedicated doctors close by.

A question and answer period will follow.

Plan to attend the Garden Club meeting Thursday, June 13, 9:30 a.m. in the W.C.R. Come early, so you can enjoy a time of relaxation and refreshments before getting down to business.

Summer is in the air, which means our patios and gardens need extra care because of the elements in our area. Mary Hale will begin a three-part series on how to combat the winds, heat, bugs and soil. Instead of becoming discouraged with these problems, Mary will impart ideas on how to overcome them. If you have a question, ask; the answers could benefit all of us.

Our next outing will be Thursday, June 27; visiting two estates with gardens and greenhouses; the Klinger and the Alex-

Hiking In Nearby Mountains

By Ginny Leffingwell

Everyone knows that walking is healthful. Hiking in nearby mountains can be more fun and healthful, too.

Point Mugu State Park has many trails; some for leisurely walking, and others difficult and steep. There are two main entry points. They are from Highway One at Point Mugu State Park. There are trailheads at Sycamore Canyon Campground and at the park headquarters, (pick up map there); and at La Jolla Beach Campground. A third, from Highway 101, is in Newbury Park. This trailhead is off Potrero Road near Pinehill Street (Borchard off-ramp). Along these trails there are flowers everywhere, and the canyons abound in birds.

The easiest, shadiest and most beautiful trail is

Sycamore Canyon. This canyon also has more birds — the beautiful red-shafted flicker, song sparrows, Audubon's warbler, jays and many more. This trail eventually connects with others that lead to the Potrero Road trailhead in Newbury Park.

La Jolla Valley trailhead is steeper (classified medium), and leads to a lovely valley. There are beautiful vistas overlooking the ocean, and on clear days, perhaps the Channel Islands. The trail meanders through a stand of ceanothus (California lilac). There are many wildflowers in the meadows, including the rare chocolate lily.

The Potrero Road trailhead offers places to explore and a variety of hiking trails. There is a small stream with a shady spot for rest and lunch. The wild peony may be

found in this area if you look carefully — also the giant bush lupine. Old Bony Mountain looms in the background as a challenge to anyone with lots of stamina.

There are at least two groups in the Village that enjoy hiking, so put on your sturdy hiking shoes and get going!

MISSION OAKS CHIROPRACTIC

WHAT IS OSTEOPOROSIS??

Of the many metabolic causes of low back pain, the most common is Osteoporosis.

This condition can best be defined as a decrease in bone mass per unit volume of bone. Simply put, the bone becomes thinner and less dense. Since the Vertebral bodies in the spine are made up mostly of Cancellous bone and have a rich blood supply, they often are the first bones to reflect Osteoporotic changes.

The primary metabolic disorders that cause Osteoporosis can be divided into three major categories.

1. Inadequate intake of proteins (eg. poor eating habits, starvation, or fad diets.)
2. Hormonal changes (eg. Menopause)
3. Vascular abnormalities (eg. resulting from disease of a body part, or inflammation.)

The effects of Osteoporosis can be lessened in several different ways.

1. Eating properly; good balanced diet.
2. Supplementing the diet with Calcium and Vitamin D.
3. Regular exercise is vital to good healthy bones.

Walking is one of the best.

We here at Mission Oaks Chiropractic, counsel patients with many different muscle and bone disorders.

THE
CERAMIC
CLUB

By Don Holmes

The Ceramic Club has had a nice display in the Atrium this month. Look at it soon, as it will have to go at the end of May.

The April meeting was held in the Ceramic Shop instead of the usual MCR, so that Al Pachter, V.27, could demonstrate the use of the "Potter's Wheel", and give some "hands on" instruction in its use. It looks so easy when an expert does it. Al makes cups and vases and similar items just by throwing a handful of mud on the wheel and then working it up with both hands while the wheel turns. Sounds simple — come in and try it. Workshops are every Thursday morning, from 9:00 until you get tired.

The May meeting will be on Thursday, May 23 at 10:30 a.m. in the

M.C.R. Helen Nash V.8, will talk on the Art of Tissue Collage, a very interesting and graceful art form, and will show some of her work. Visitors are welcome.

VILLAGE CHORALE

By Eva Sugg

After a successful presentation of "All About Love" by the dual and multi-talented members of the Chorale, we are once again at work with rehearsals for the June concert. This program, besides having several beautiful and unusual musical numbers by the "vocalizing villagers", will be bolstered by dance and instrument. Subtle changes in rendering the

music more suited to our capabilities are made by our accompanist, Pauline Delmonte, who is a composer of no mean renown in her own right. Her patience in following the direction of Lois Bello; in guiding us through the intricacies of new music; in repeating a tricky musical phrase until our ears and voices are in accord; in recognizing an off-pitch in a section and tapping out the correction, is helping us on to perfection more than we realize.

With the dedication and perseverance of these two talented people, our coming concert should not be missed by music-loving villagers. The date is Saturday, June 15, at 7:30 p.m. in the A.R. Tickets will be on sale Wednesdays, 1:00 to 4:00 p.m., starting May 15, and Mondays and Fridays, 9:00 a.m. to noon, as long thereafter as they will last. Do get your tickets early!

BOCCE CLUB

By Ruth Resnick

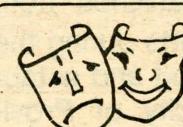

Bocce is certainly alive in 1985!!! An outstanding meeting was held Thursday, April 25 in the A.R., including a wonderful program. Emil Sitka, actor of many years; most notably part of the Three Stooges, gave a portrayal of his role as the Old Professor. Two Guys and a Doll, a take-off of Las Vegas: Bill Marvel, at the organ, Larry Killeen at the guitar and Carol Fellman, vocalist. Their wonderful music brought back many happy memories for all of us. Refreshments and dancing completed the evening.

Next general meeting will be Thursday, May 30 at 7:30 p.m. Prompt!! Another super program: Suzuki Sophisticated Strings, an ensemble of twenty-two violins, will en-

tertain.

In June, our Semi-annual Dinner Dance will be held. Watch for details.

Everyone come out and play Bocce. Good fun, good exercise, great people! See you on the courts.

VILLAGE PLAYERS WORKSHOP

By Jack Fosdick

Village Players will elect new officers for 1985-86 at the May 16 meeting. Installation is planned for June 20 meeting. Special program has been planned including skits and refreshments.

New officers will announce the Fall play production under direction of John Zoller. All members are encouraged to try out for parts. The many stage and off-stage volunteers will make sure our Fall production matches the

successful plays produced in the past.

VARIETY GUILD

By Amy Puro

The cast, chorus, dancers, producers and all involved in the forthcoming presentation of Variety Guild's annual show, "A Salute to Entertainment" are deeply involved in rehearsals. Under the direction of Joan Johnson and her assistants, this promises to be the best yet. Weekly rehearsals of various segments are taking place and moving right along. The performances will be presented to the Village, July 11, 12, 13, 14. Watch Channel 12 for announcement of ticket sales.

Meetings for May and June will feature refreshments and a program. The June meeting will be June 13, at 7:30 p.m.

CURRENT ISSUES FORUM

By Herbert Swartz

Should religious groups involve themselves in government — Yes or No? There was a divergence of opinion among the speakers at the Current Issues Forum discussion of the "Separation of Church and State" on April 22.

Michael Abramson, attorney for the Anti-Defamation League of B'nai B'rith, discussed the legal basis for the separation of church and state as contained in the First Amendment to the Constitution. "Congress shall make no law respecting the establishment of a religion or the free exercise thereof". Mr. Abramson remarked that the "establishment clause" seems simple, but in practice has been difficult to interpret. Public schools have been a battleground. Prayer in

schools was declared unconstitutional because it was seen as advancing religion. The proposal that a moment of silence be allowed in schools in lieu of a formal prayer has been opposed by the A.D.L. as an opening wedge for prayer in schools. The A.D.L. believes that religious observance is best practiced in a place of worship or at home. Tuition credit is opposed by the A.D.L., because it would erode the viability of the public school system. In conclusion, he said it is important to keep the wall strong for the protection of all religions.

Father Frank Colborn, teacher at St. John's Seminary and a pastor of an East Los Angeles church, said that religion should have an impact on society. He took issue with Abramson's statement that religion is a matter of private life. He said religious convictions should have their expres-

sion and their impact on the life of society of which we are all members. He gave as an example, the debate over Social Security benefits, an obviously political subject, but since the welfare of people is a moral issue, religious leaders can voice their opinions. That this is perfectly legal is shown by the fact that the IRS allows religious denominations to speak out on political issues without losing their tax exempt status. However, the Church cannot endorse candidates or get involved in partisan politics. Father Colborn discussed the Catholic Bishops' statement on nuclear war, opposing the doctrines of "mutual assured destruction" and limited nuclear war. This is a difficult moral problem, he said, but the Church cannot be silent on the most important moral issue of our time. On a local issue, the Catholic Church met with other

religious groups and public officials to discuss ways of decreasing crime in the cities.

Boyd Baker, Pastor of the Pleasant Valley Baptist Church, traced the history of the Baptist church to Roger Williams, who was banished from Massachusetts during the colonial period and established the city of Providence, R.I., giving the free exercise of religion to all settlers. Baker said that the separation of church and state does not mean withdrawal from affairs of state. There is a need for checks and balances, he said, to protect religion from overzealous public officials. Also, we should avoid the general paranoia that fears that one religion is getting the advantage over another. In his opinion, schools should be exposed to religious thought and it can be done in a way that is fair.

CURRENT ISSUES FORUM

(Program May 31)

By Herbert Swartz

"Social Security — 50th Anniversary — Past and Future", will be discussed at the Current Issues Forum on Friday, May 31, 7:30 p.m. in the AR. Speakers will be Tony Lamb, Senior Legislator; and Tony Perez, Social Security Administrator. Leisure Village residents and their guests are welcome.

A Program Committee meeting will be held on Monday, June 10 at 3:00 p.m. in the Lanai Room. Interested Villagers are urged to attend and offer their input for future programs.

SWING
DISCO
JAZZ

By Marguerite
Abdelnour

Swing Disco Jazz Dance Group hosted its fourth Annual Golden Anniversary Dance, April 13, emceed by Max and Dora Polley. The special people celebrating fifty years of marriage were: Ben and Dottie Feinstein, Larry and Bernice Jenkins, James and Ann Joseph, Larry and Esther Sawyer, Walter and Heartha Klinger; and visitors of the Klings, Mayor Irwin A. and Ann Shane of Westlake Village.

Speaker of the evening, Charles Sheff called on all

past honorees of Golden Anniversary Dances to form an Honor Guard: Gabriel and Suzanne Cataigne, Roy and Beulah Lester, Max and Dora Polley, Joe and Jane Selber, Charles and Dorthea Ward, Ed and Marguerite Abdelnour. The current honorees were congratulated as they walked through the lines into their golden years. Each couple received a Scroll to commemorate the happy occasion.

On April 27, the Rhythmettes joined forces with Swing Disco Jazz Dance Group, which proved to be a good combination for a fun evening of entertainment and dancing. Thank you Rhythmettes; it's always a pleasure when

you're around to lift our spirits with you enthusiasm.

On May 4, Joe and Charlotte Romero emceed and entertained at the Cinco De Mayo Dance. They wore traditional Mexican costumes when they danced the Jarabe Tapatio (Hat Dance). Irene Marstella and Marguerite Abdelnour did a lively line dance originating from the North of the Mexican States of Mexico.

June 1, will be a Polynesian Dance. Dave and Ruby Teasdale will emcee. Come in costume or in casual attire and have a good time. Dance 8:00 to 11:00 p.m. AR. Ice, Beverages provided - Admission 50¢ - B.Y.O.B.

**The difference
between hearing
sounds
and

to them.**

There's a big difference between hearing sounds and being able to really listen to them.

Take the sounds of music, for example. Unfortunately, most of the great classics and many of today's favorites were written for persons with perfect hearing - people who can hear and appreciate the difference between a violin and a cello.

So, if you've you need to turn up the stereo a bit more than you used to, and your favorite stanza isn't as loud and clear as it used to be, now's the time to have your hearing tested professionally.

With the technology available today there's probably no reason for you to miss a single sound.

Better hearing is a sound investment

Birds Of Leisure Village: THE LINNET

The ubiquitous linnet was one of the first birds to move into Leisure Village. Commonly called the house finch, like its cousin the English sparrow, it can become a nuisance. However, because of its bright plumage and musical song, most people consider it pleasurable to have near them.

The linnet is a permanent resident of the Southwestern United States, its boundaries extending roughly from western Texas in a large arc north and west to the coast north of the mouth of the Columbia River, anywhere near people and water.

It eats weed seeds and plant lice along with other insects. It will quickly drain a hummingbird feeder if the design is not a special one, but because he likes weed seeds and plant lice, I, for one, for-

give him a little sugar water.

The male linnet is brownish with dark stripes along his sides and belly, but his forehead, breast and patch over his eye are bright red, sometimes almost orange. His wife is duller — brownish with a whitish breast streaked with brown.

(These should not be confused with the purple finch which overlaps range, but is not so brilliant a red but more rosy, not really purple.)

The linnet has probably been as celebrated in literature as any other bird. Robert Bridges, poet laureate of England, devoted a whole lyric poem to it, "I Heard a Linnet Courting." Richard Lovelace in the 1600's in his "To Althea, From Prison" (remember having to memorize "Stone walls do not a prison make"?")

writes in the stanza before that
"When (like committed
linnets) I
With shriller throat
sing"

Tennyson, Wordsworth, Yeats and Samuel Johnson among others mention the linnet in their works. It has been caged, the darling of fashionable ladies in other centuries.

Do make his acquaintance; you'll love him.

Frances

Club Presidents Meeting

By Jeanne Carlson

Presidents of all Village clubs attended a recent meeting held by the Recreation Dept. While the officers will no doubt cover all the material with the clubs, some items affect everyone and will be summarized here.

Because of the redecoration, some necessary changes have been made, as follows:

The bulletin boards by the east parking lot are for general club announcements. Each club should have a 7x8 card posted which gives the name of the club and regular meeting dates. Announcements for special events or meetings are to be posted in the atrium and the poolside bulletin board. Bridge scores will be posted in the atrium.

Key check-out. Kitchen

should be locked when left. Freezer and refrigerator must be empty. When taking food across the hall, use tile area of the hall. Do not leave keys under the Recreation Office door.

When filing a set-up sheet for a special event, be sure that all details are specified — time for set-up, time for event, number of tables and chairs, etc. If sound, lighting, or projector is needed, contact the Recreation Office.

When decorating, use masking tape only.

Only staff is to handle furniture or equipment. The new tables in the A.R. should not be handled by anyone else.

Following these rules will give better security, safety, and our center will be a more attractive place.

The June, Board of Directors meeting on Monday, June 3, will be telecast live at 10:00 a.m. and will be repeated on Saturday, June 8, also at 10:00 a.m.

Favorable comments are being received concerning our showing, on pages #10 and #11; the advance programs in the week ahead. Our schedule of events, which might be called pages, runs from #10 through about #60 and then repeats.

Our hours of showing taped programs continue to be Monday and Wednesday at 5:00 p.m. and Wednesday and Saturday at 10:00 a.m.

Our candidates have graciously responded to questions put to them by ILV.

Question Number 1.

Association fees have approximately doubled since the village was founded. What do you think of the idea that the Board should make every effort to limit increases in Association fees to Social Security increases?

Robert L. Chass

I. Association fees have increased 22½% in the past three years and 47% in the past six years. This is an average of 8% per year. Frankly, I believe that expenditures have been made far too freely. This must stop. My goal for the next year would be to adopt a budget calling for NO increase.

Until two major important items are resolved — obtaining insurance for fire, liability, flood and earthquake; and replacing Western Cable as the caretaker of our television system — we should not and cannot make any changes in the CC&R's which now permit the Board to raise the fees in any year a maximum of 7½%.

In the meantime, we must curtail all spending for non-essentials. As for limiting the increases in Association fees to Social Security increases, I believe we must wait for Congress and the President to act and to resolve their impasse. In any event, I feel that 7½% is too high a figure and should be reduced.

V. Herbert Marks

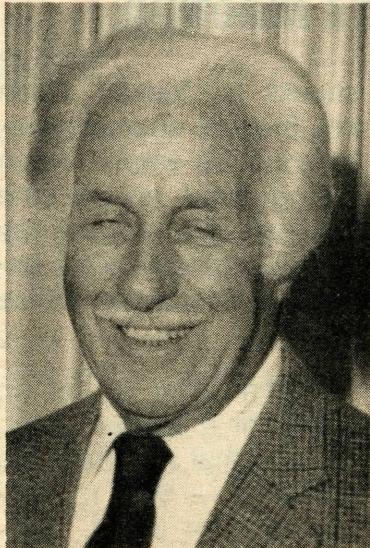

I. Needless to say, it is the Board's duty and responsibility each year to present a budget for current expenditures and reserves that is as low as practical, and below the present maximum percentage increase permitted.

Social Security increases were formerly made on a percentage basis in conformity with the Cost of Living Index, semi-annually.

In recent years, however, this practice was disregarded even to the extent of declaring moratoriums for the delay of payments of these increases for six-month periods.

At present, as we are aware through the media, reduction of Social Security increases, Medicare A increases, deductibles and Medicare B premium increases are being used by Congress as political footballs and are being adjusted at random, without rhyme or reason, in an attempt to decrease U.S. government budget deficits.

Therefore, at the present time, I cannot see that any mathematical relationship exists to tie Social Security increases to the creation of a Leisure Village budget.

By O.C. Marler

I. Under the CC & R's, Leisure Village Association is obligated to provide certain services in behalf of all Villagers. It is the duty of the Board of Directors to secure these services in the most efficient and economical manner possible, while, at the same time, maintaining the quality standard of living which attracted most of us to the village in the first place.

Many of us have retired, locked into a fixed income and any increase in living expense is painful. Considering these factors, some constitutional restraint is essential to prevent irresponsible increases in costs of service. Recognizing this fact the Association, in 1979, by consent of more than 75 percent of the villagers, adopted an amendment to the CC & R's, establishing a formula for computing and apportioning assessments and setting a limit of 7½ percent increase in any fiscal year.

I do not look upon this limitation as a goal for increased spending. My aim would be to constrain and in every way possible reduce costs, consistent with the quality of service required.

I do not think that indexing our budget to a Social Security Factor would be in the best interest of the majority of Villagers.

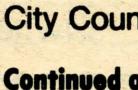

By Henry W. Obenchain

I. I do not think that it is practical to tie the Association fee increases to the Social Security increases because the Social Security payment increases are subject to the whims of the Politicians in Washington, and are not related to many factors that establish the Association's financial needs. I believe a better guide for the Association fee increase would be the nationally recognized inflation rate. Although it must be recognized that the inflation rate in our area may vary from the national average, i.e., the Association's major expenses are water and labor. The cost of water most likely will continue to increase at a rate above the national average because of the loss next year of Colorado River water and the rapid increase in the Ventura County population.

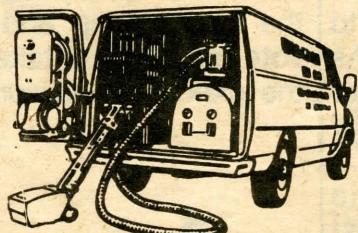

Although the Association's labor rates are well within the industry averages, our costs for employees' medical insurance including workmen's compensation have increased at a rate several times that of inflation.

There may be members in the Village who are on a limited fixed income that has not kept up with inflation. Whenever this causes a hardship, we must find a way to accommodate these persons and still cover our ever-increasing costs of operation.

Question Number 2 What would you do to present pros and cons of a consideration before a resolution is voted upon at Homeowner Association meetings?	<p>II. Before the Board acts on any major issue such as insurance, television, budget, or other large expenditure, it must get input from the homeowners, at the risk of being criticized for not being able to make a decision. There must be an interchange of ideas.</p> <p>For every Town Hall meeting, the Board should prepare, IN WRITING, the pros and cons of an issue to be distributed to all attending the meeting. In this way, there can be no misunderstanding of the issue confronting the homeowners.</p> <p>There are two easily arranged means for such an interchange. Leisure Village is a group of many fine and talented people, banded together in an effort to achieve and enjoy a pleasant and satisfying lifestyle. We have elected to manage our day-to-day Association affairs through a Board of Directors. This Board consists of Village residents who agree to donate two years of their time, effort and energy to do those necessary things which you and I are not able or willing to do for the Association. To do this at the monthly Homeowners' meeting would be too time consuming and in some cases improper. Question Number 3 How would you establish and conduct a more satisfactory relationship between the Board and Committees?	<p>III. The committee structure is an integral part of the administration of the Village. There are many, many competent and experienced people in the Village who must be convinced that service on a committee will be a rewarding one and that their time and effort will assist greatly in guiding the Village.</p> <p>Opportunities must be provided to allow proper interchange of ideas between committees and the Board. Question Number 4 When should the Board speak for the Village on public matters, if ever?	<p>IV. The Board represents the Village in all matters. On public issues that affect the Village in any way, the Board is obligated to voice its opinion. Issues such as air and water pollution, noise taxation, traffic and traffic control, flood control, zoning, jails, etc., are constantly arising. Since the villagers constitute a large segment of voters, the board would be remiss if it did not speak on all such issues.</p>	<p>IV. The Board is responsible for conducting the affairs of the Association and this should include taking whatever action regarding public matters that is in the best interest of the Village, the Association or the majority of its Members. Bus Stop from Pg. 1

Bressman ordered a ridership survey, during which it was discovered that in a five-week period, only one rider boarded the bus at the Lamplighter Mobile Home Park. Consequently, he recommended to the City Council that the 10:25 a.m. stop at the Lamplighter be eliminated and a route deviation through Leisure Village be provided "to use up the extra time."

On April 24, the Council unanimously accepted the proposal.

Mollie Silversher's petition drive initiated in July of 1984, to bring the intercity bus to the vicinity of Leisure Village and the eastern Camarillo community, has now been climaxed by a successful interface with the city bus in this area.

It would not be amiss to call the new service "The Silversher Connection."

Information and ideas from and to the Board and committees must be a two-way street. Unfortunately, in the past, information has traveled from the committees to the Board, but not the reverse.

**MARKS - Ans.

Previously, the main part of the monthly meeting was spent with the Standing Committee chairmen reporting on the activities of their committees. This report was then repeated by the chairmen at the monthly open Board meeting — definitely an unnecessary repetition.

The new format will permit the various committees to suggest subjects and recommendations to be discussed at the Advisory Board meetings.

I recommend that the agenda be made available in advance. This would permit the committee chairmen, and other members, an opportunity to study the matters to be discussed and truly act as an advisory group to the Board of Directors.

power of decision as authorized in the Articles of Incorporation and By-Laws. To maintain a smooth running organization, the Board must be the only channel of management.

Therefore, in accepting this trust and the burden of these voluntary duties, each Board Member assumes the moral obligation to manage Village affairs in an efficient, business like, unbiased and impartial manner; in such a way as to achieve the greatest good for the greatest number of Villagers. It is incumbent upon them to be open minded on all issues and give serious thought and full consideration to all sides of any issue before a decision is made, ever mindful of the needs and desires of each Villager.

If elected, I will assume these obligations. No decision on any substantive matter will be made by me until I have given full credence to the pertinent committee recommendation and heard all pros and cons.

port and assist the board in formulating, planning and implementing the many varied activities of the Village. They stand as a bridge of information between the individual Villager and the Board. They spend many hours of deliberation on going problems and in consultation with interested and affected Villagers.

This committee work is vital to the success of management and their recommendations and must not be ignored in the decision making process. A strong bond and working cooperation between Board and Committee must be maintained, strengthened and diligently pursued. Otherwise, our committee system of administration will be a farce, an idle gesture and a constant source of frustration.

OPEN LETTER TO LEISURE VILLAGE RESIDENTS FROM WESTERN CABLE SERVICES, INC.

We have received many calls regarding the status of Western Cable in LV. After the many years we have been involved in the service of the Cable/Master Antenna System at Leisure Village we felt we would like to comment.

Western Cable has been involved with LV in many ways during the past 7 years. We have laid the cable in the villages added during that time, worked untiringly to maintain the system for the 2300 plus homes and worked hard to gain permission to install the satellite dish and provide additional TV options to the residents.

Regarding the maintenance of the system, Western Cable has consistently responded immediately to system problems and promptly to individual calls. A system such as the LV Cable Network has inherent problems as the system is underground and watered continually, plus the fact that trouble shooting to locate the problem takes longer and many times the problems were outside LV, such as power outages to the equipment, surges and interference on the tower. We are not offering excuses, rather we want you to know why there were not always immediate solutions.

Leisure Village, due to it's size takes a lot of attention. We felt our maintenance program should be continued at it's present structure, plus the cable system needs to be rebuilt. The LV board did not agree.

Another point that has caused us to cancel the contract is the satellite service. When we gained approval to install the satellite service and offer pay TV, we anticipated about a 30-40% subscribership to the service -minimum. We invested a great deal to install all the equipment necessary and launched this new service with enthusiasm. However, much to our surprise, the rate of subscribership has been disappointingly low, never going over 15%. Add the fact that over the last 5 months 4 of the programs moved to another satellite and the results are devastating, with numerous cancellations.

All these conditions brought us to the point we are today. Western Cable in it's own interest can no longer provide the kind of service we believe the LV system demands for the financial return we receive, or less as the board has proposed.

We will be removing our equipment at the end of June and will contact our pay subscribers for return of their converters at that time. This also includes our "on" customers. Any amounts paid in advance, along with converter deposits will be refunded immediately by mail.

We have enjoyed our relationship with LV and came to many of you very well. It has been a pleasure to serve you.

Signed,

Western Cable Services, Inc.

SQUARE
DANCE
CLUB

By Al Siegel

Members of the Village Swingers Square Dance Club, please note: regarding nomination and installation — May 14 is the correct date for the nominating committee report and nominations from the floor; June 25 is the correct date for election and installation of officers. That event will be preceded by a potluck dinner at 6:00 p.m. Dancing will follow installation at 7:30, with guest, Clyde Drivere calling. Guest caller on May 28 will be Sam Atkinson.

When the Spring Fling caller, Jerry Schatzer, who is nationally respected and a member of the Callerlab Board of Governors, said that our annual dance this year was the "epitome of what square dancing is all about", he paid each of us Swingers a very high compliment. As chairman of the event, Ruth and I want to express our most heartfelt thanks for your cooperation in making this dance one that all of Ventura County will be talking about and trying to emulate. The accolades from our guests as to the decorating, food, cordiality and fun dancing to a great caller-cuer team are still coming in, and we and you can be proud to be Swingers.

On April 23, the Swingers heard the fine, fun caller, Bill Dean and on the 30th, our old friend Wyane Simpson was guest caller. President Dave Dominguez asks that the guest caller dances, which usually run a little higher for caller fees, be better attended to better defray expenses. Much effort has been expended in getting top-notch callers for our guest-caller dances on the 4th and 5th Tuesdays. In addition, we are enjoying

Dance to your heart's content at our Saturday Night Ballroom Dance on Saturday, May 25. A variety of good dance tunes to suit everyone's taste, recorded by top-name bands, provide the musical fare. Hosts will be Leo and Mary Kovach and Jack and Mary Whalen.

On June 8, hosts Will and Anne Janoff and Joe and Charlotte Romero will greet you. The following dance on June 22 will be our 9th Anniversary celebration.

Plan to attend this special evening with us. Ben and Evelyn Drasin, Elmer and Elise Eymann, Marie Whitney, and Maurice and Vi Kasner, our Executive Committee will host the event.

Remember, only 50¢ admission, 8:00-11:00 p.m. in the AR, coffee, tea, punch and ice are provided, BYOB.

GROUP

Book Review Group will meet Monday, June 10, at 10:00 a.m. in the W.C.R. Guest reviewer will be Irma Hopkins covering a biography of Agatha Christie, written by the niece of the writer. This review should be fun since there's a little scandal involved!

Please try to attend. Remember how much we enjoyed Irma before?

our club caller, Jon Hed. His fun personality, patience and easy workshopping are always present at his dances. The April 16 "After Taxes Dance" was one of the most fun-filled of the year. If you missed it, you can't blame the club and officers; they are doing a great job of giving you a full serving of what square dancing is all about — fun - every week.

LIBRARY

By Janine Blymer

The Honor System library is as busy as ever. There are a few DO's to remember: do use reference material in the library; do leave current magazines from the rack in the library; do leave the Wall Street Journal in the library; there are Villagers who can use the library only on weekends and are very disappointed when the Friday Journal is not there, just as many of us are disappointed when we cannot read the Consumer Reports, because someone has taken it home never to return it, or when a current magazine has had pages ripped out of it. If you read an interesting article and would like to have it, the office can make a copy of it (10¢ a page), or you can buy a copy of the magazine. Also do return the plastic magazine covers that you might have borrowed (four are missing from the rack).

The Rental Library has added many new titles in the past few weeks: Iacocca, Hotel du Lac by Brookner, Queenie (Korda), Crescent City (Plain), the Raj Quartet (Scott), several mystery stories. If we do not have a book you are interested in, ask: we might be able to find a loaner. And be sure to return those Rental books when the Rental Library is open: Monday mornings, Wednesday nights, and Friday afternoons (times are posted in the library). Do not leave books on the open Return shelf. As of now we do not have facilities for a drop box.

We are planning on purchasing Large Print books; if you have suggestions, please call us.

LIVE BAND DANCE

By Dene Dunn

The Live Band Dance Group had another successful evening on March 30.

The band leader, Tony Giaimo, said he enjoyed it so much that he did not mind the five hour travel time to get to entertain our Villagers.

Saturday, June 29, promises to be another very enjoyable evening. Jack Miller's band will be playing for us. A number of Villagers heard this band at a charity function and asked to have them here.

Our policy of no smoking in the A.R. still applies. One person who did smoke insisted she had this right because this policy was not noted on the tickets. They will be so marked for this dance.

There will be no assigned tables, so come early. Seats may be held only until fifteen minutes before the start of any performance. (Rules and Regulations).

Starting time is a little early again — at 7:30 p.m.

COMMUNITY RELATIONS COMMITTEE

By Ike Abrams

Community Relations Comm. will meet on Thursday, June 20, at 10:30 a.m. in the M.P.R. The speaker will be Dr. Kenneth Clark who has had 50 years' experience in the field of Safety with Industry, government and military organizations.

The School Guest Speaker sub-committee will meet on Monday, June 3 at 3:00 p.m. in the Lanai Room.

Last month the Gem and Mineral Club reported that Bill Marshall, V.15, had given his talk on Opals, but this was a bit premature. Bill was scheduled, but we had a chance to secure Lee Goodwin, gem dealer of Ventura, in between his trips to Brazil. So Bill, gave up his time and Les Goodwin showed us his latest gem imports from Brazil, some of them museum pieces. Dorothy Lyman, V.20, was scheduled for April, so Program Chairman Seymour Fisher put Bill on for the May 22 meeting. Dig out your March ILV and you'll read what he said.

Dorothy Lyman does rock paintings, and she talked on how she got started and how she does it.

She paints delightful little scenes onto suitable rocks, most of them "paper-weight" size. You have probably seen them in the Club's Atrium display this month. They will be there until the end of May. We hope she will have some for sale at the Club's "Show-and-Sell", which is always held during the Leisure Village Anniversary in September.

The club has had a display in the Atrium during May, through a set of curious circumstances. We were in the Recreation Office when Lillian Skeltoner cancelled her showcase reservation for the Rhythmettes. We promptly took it for the Club — and proceeded to install our display in the wrong showcase. We used the one which was reserved by Inside Leisure Village for their Anniversary Display. By the Luck of the Irish, I.L.V. was not in a position to install their display, and allowed us to keep it. This left the op-

posite showcase empty, and the Ceramic Club took it, so you have had two nice displays in the Atrium this month.

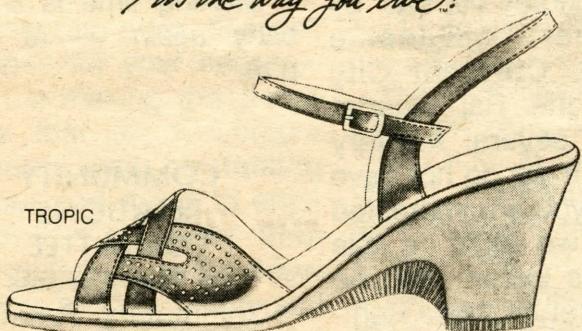

Watch Channel 12 for the June Program, to be held in the MCR on Wednesday, June 26 at 7:30 p.m. As always, visitors are welcome to come.

Congratulations to our 1985-86 officers who were elected at the May 8 meeting. They are: Pres., Lois Kissinger; 1st V.P., Betty Ford; 2nd V.P., Iolene Beach; 3rd V.P., Rozelle Weinberg; Rec. Secty., Tillie Boyd; Corr. Secty., Rae Sohr; Treas., Lindsey Merrill; Adviser, Kate Ward.

We will have the opportunity to bid farewell and thank our outgoing board members and give a warm welcome to the new board at our annual Installation Luncheon on June 13 at the beautiful Las Posas Country Club. Lois Killeen and her committee are busily preparing for the big event.

Our Association will be hosting the May 26 Month-End Tournament

and 19th-Hole Party, as well as the June 4 and 5 Mixed Couples, Scotch Twosome Tournament and Picnic.

Regulation golf will be played at Elkins Ranch on June 20.

At the April 10 meeting, a report on our "SPECIAL EVENTS DAY" was given by Al August and Bob Hassen, paddle tennis tournament chairmen, who informed us that LV scored 226 game points against 127 for Mission Viejo; so we retain the beautiful trophy for another year. Special thanks were offered to: Rose and Sam Woronow and Anne Wolfson for chairing the baked goods, coffee and cold drinks during the tournaments; Will Janoff

for making and installing the "Welcome Mission Viejo" banner displayed on the courts and later in the evening at the banquet; Woolf Phillips, the MC, and to Miriam Hasen, producter/director of the entertainment. General thanks were extended to all the helpers.

The annual LVRC picnic and tournament is to be on Saturday, July 20. Chairman Saul Miller and his committee have started making plans.

Refreshments for the April meeting were supplied by Draza Samuel and Shirley Miller, assisted by Helen Glassman.

April paddle tennis tournament winners were: Yvonne Morgan, Bill Morgan, Rosalie Miller, John Hawes, Jackie Solway, and Gene Bookwalter.

Tennis tournament winners were: Al Green, Jim Wolf, John Hawes, Al August, Ted Huntington, and Joe Morrison.

CLUB

By Charles Kaub

June, July, and August, the Stamp and Coin Club will meet only once a month — on the first Tuesday at 7:30 p.m. in the M.P.R. We started something new this year and we have a door prize at each meeting.

We had a fine talk by Gary Heath of Camarillo Stamp and Coin Shop here in Camarillo, on May 21. It is always good to hear the latest news on our hobby from a professional.

The June 4 regular meeting will feature an auction of good hobby material. July 2nd will be a bingo session, plus a swap session and door prize. Aug. 6th we will have another fine auction, plus door prize and we will hear some new plans for our fall season.

19th Hole Golf Party Features Golf Clinic

By Jack Whalen

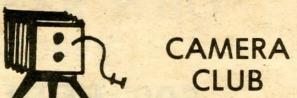

Members of the LV Men's and Women's Golf Clubs are looking forward to a return visit by Tom Flannagan, a PGA teaching professional, Sunday, May 26, following Mixed Couples play.

Tom's hour of golf tips, held last September indoors, proved so popular that many asked for a return engagement. His clinic will begin at about 4 p.m. on the first tee. He will hit a number of shots from tee to the green, following with shots from

about 50 yards out, then demonstrate chips from just off the green. The session will be completed with some putting tips.

Members will then go inside for presentation of awards from the day's play. Time permitting, additional instruction aids will be given from the stage.

Tom Flannagan is the manager of Van's of Ventura, a branch of the Roger Dunn Golf Shops. He also provides group and individual instruction as a good number of LV members will attest.

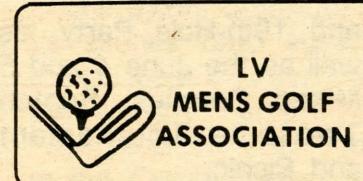

CAMERA
CLUB

By Imogene Gregory

On May 15, Gordon Cory from the Camarillo Camera Shop, conducted a session for the Camera

Club on how to take portraits. Members of the club will have a slide competition on June 5 of scenes from around Leisure Village, or its environs. On June 19, Stan Baird will give instructions on photographing still life. 7:30 p.m., MCR.

By Jack Whalen

Election of officers for the 1985-86 year will take place just after press time and it is fully expected that the following men will serve for the 12-month term, starting July 1: Pres., Jack Kassel; 1st V.P., Bob Bell; 2nd V.P., Charlie Bellante; Secty., Don Dance; and Treas., Charles Kent.

The new officers will be installed at our annual installation banquet, at noon on June 26, at the Pt. Mugu Officers' Club. Tickets for the event will be available at Sunday's 19th-Hole Party.

The annual Tournament of Champions will be held on June 6 at Camarillo Springs Golf Course, with trophies for low gross and winner and runner-up in each flight. Regulation play for the month will

conclude with play at Los Olivas on June 27.

By Bert Kunz

Spring is looking forward — like in Daylight Saving — so now Shuffleboard Club is looking forward to our annual June picnic. This year it will be Saturday, June 22 at 5 p.m. It's better this way as it's not too hot and you don't have to get supper. Afterwards there are always some who play shuffleboard, so it is a nice way to spend the evening.

Before that, we still play Monday, Tuesday and Wednesday mornings at 9:15 and soon, weather permitting, we will change Thursday play from afternoon to evening. Watch for notice of change and time.

Orchestral
Society

By Selma Simon

JUNE 2 — RESERVE THIS DATE for our next concert. Tickets are now on sale at the Recreation Center.

The program has been selected to cover a wide range of music, from classical to modern, that should appeal to all music lovers and the audience at large.

Mr. Kates has made an astonishing recovery enabling him to fill his role as Maestro once again. Don Holmes, a regular member of the orchestra, will also assist in conducting the program.

Soloists for the evening will be Arthur Kates and Carl Lowenthal; specially featured are Connie Andrews, Larry Perroni, Rawza Kates (President) and Selma Simon.

How about a smashing turnout in all its splendor

as a fitting tribute for the continued efforts of our musicians?

VILLAGE PAINTERS

ORGAN CLUB
E-X-P-A-N-D-S

By William B. Marvel

The Organ Club is issuing an invitation to all keyboard enthusiasts in Leisure Village (pianists, accordionists, electronic keyboard players, etc.) to join them.

Meetings will include times for performances at the L.V. Grand Piano, and will provide opportunities

for Keyboard Ensembles with organ, piano and other keyboard instruments.

New members are encouraged to perform or to enjoy listening to many talented musicians. Our primary project currently is fund-raising for a new L.V. Organ for the AR. Several concerts are planned, and meetings are often highlighted by special guest performers.

Meetings in the AR on the 4th Friday of each month, and Organ Workshops on the 2nd and 4th Mondays.

**ORGAN CLUB
NOTES**

The May 24 meeting will be unusual and exciting, as members and guests feast on HOT FUDGE SUNDAES and enjoy DANCING to the music of members, Bill Marvel and Arthur Litka. Theme of the day is "Country Music" and meeting time is 1:30 p.m. in the AR. All villagers are welcome!

ALL HART

By Ruth Hart

Had our annual Art Show Sunday, thanks to all who came and supported this group. Woody entered for the first time (4 pictures) and you thought he was just sitting around the house. The many different areas of talent in this village never ceases to amaze me.

Lots of news this month, Spring seems to bring everyone to life, so on with it.

Betty Murray, V.4, helped to celebrate her Mom's 90th birthday on Easter Sunday. Family members (4 generations), held a birthday party at the Lake Hughes ranch, home of Betty's sister Doris Vodon. They had a sort of "This is Your Life, Grace Lyle" program where her children, and grandchildren, nieces and nephews related stories which involved the honor-

ee. The very alert and still active lady responded with thanks to the family, which made her "feel very rich". Betty and husband Kay then took off on a TWA Get-Away tour of Egypt and Italy.

Gloria and Irv Bransky, V.44, and Bernice and Vic Epstein, also V.44, attended a reunion recently of the Santa Monica chapter of B'Nai B'Rith Girls and Boys, held in Marina del Rey. Vic's era was 1941-44, and Gloria's 1947-54. Members attending were from 1926-54. Gloria has many nice 'teen memories from then, and she also met husband Irv through B'Nai B'Rith. The Branskys recently entertained their son's in-laws who were visiting from Switzerland and they were really impressed with our village.

Florence and Mort Wilner, V.20, back from their trip. They boarded ship and went around the world in 64 days. A synopsis of their world cruise

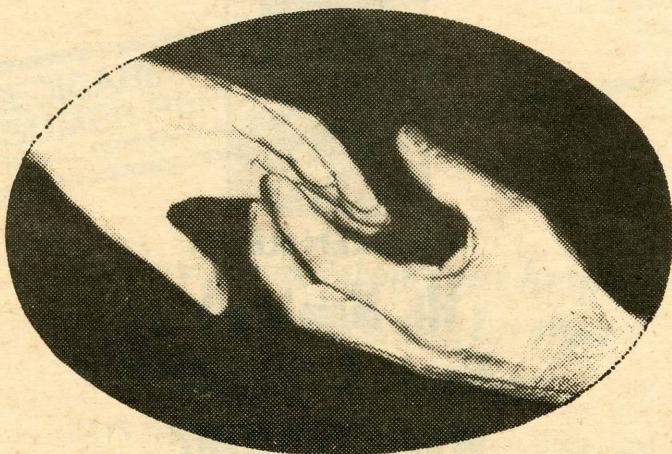

would write like this — Pago Pago, very exotic; Sydney, picturesque; Nagasaki, historic; Shanghai, hordes of mankind; Hong Kong and Singapore, intriguing; Bombay, swarming masses; Jordan, two thousand years old; City of Petra, access only by horseback to finally see a city carved out of stone and one of the wonders of the world; Cairo, Pyramids and Sphinx; and the Suez Canal; Naples and the ruins of Pompeii, wonderful and exciting but good to be home again.

Ruth and Gene Spangler, V.4, home from their trip to Florida, visiting relatives and attending a wedding. They were joined by daughter Nancy and husband Alan and their two grandchildren for a few days. They rented a car and babysat the children while Nancy and Alan went on a cruise.

Jack Fosdick, V.41,

WHEN INTIMACY ISN'T ENOUGH

When the excitement, warmth and affection of making love have turned to frustration.

When illness, injury, or surgery have left you feeling less of a man.

When hidden worries, anger and guilt, have replaced communication.

When you have considered relations with another partner, but realized it might only prove that the problem is yours.

Then it is time to call for a free pamphlet containing information about a new treatment for impotency.

flew to Europe to participate in the 40th anniversary celebration of V.E. Day, as he was very much a participant in the Army forty years ago.

Florence Weinberg, V.44, returned from her tour of China and the Orient.

Miriam and Nat Hockman, V.17, bragging about their 15 year-old grandson, Evan of Pacific Palisades. Seems he plays in the Junior Basketball League and they beat San Francisco in the Golden State Basketball Tournament for the State championship. The game was tied (I feel like Howard Cosell) and in the last few seconds Evan made a jump shot and won the game — hooray!!

Many of you know the Smiths; Clara and Wales are back in our Village, V.20. They are traveling

right now, attending a reunion of Wales' class at Yale, of which he was President. Then, they are off to Martinsville, Indiana, where Wales was ordained, and has been invited to preach as they celebrate Dr. Wales Smith Week — then home again in time to celebrate their Golden Wedding anniversary, June 12. Welcome back to our village.

Mac and Ethel Oshatz, V.42, had a nice visit with their children from Austin, Texas, and welcomed their new granddaughter, Melinda's first birthday.

Charles and Rose Sotile, V.7, proudly announcing that their grandson Mark Damiano has been selected for the Air Force Academy. He graduates in June and leaves for Colorado Springs in July.

David and Rosalie Feyer, V.17, enjoying the month of May by celebrating their 43rd anniversary, Mother's Day, and David's birthday in Hawaii.

Happy Anniversary to Marguerite and Ed Abdellour, V.13, 53 years, April 11. Lil and Bill Skellenger, V.15, 53 years April 23. Mary and Emil Farkas, V.13, 60 years May 9. Marion and Lou Tamkin, V.24, 13 years May 28. Joan and Woody Woudensche, V.24, 36 years May 7 (they spent a few days in Palm Springs). Hal and Anita Paisley, V.11, 50 years May 4 and they were thrilled to receive a card from President Reagan. They celebrated with a family party with the three children and five grandchildren.

Again — any news — 482-7390 — or mail slot in garage door at 4201, V.4.

Since many of you asked about why no proverb last month, due to a lack of space it was cut off, so we will try again.

'Til next time, "Most people do not plan to fail, they fail because they fail to plan."

TAX BREAK

It's an unpleasant surprise at the end of the year when you add up all the interest earned on your investments and find out you have to pay out a big chunk of it in taxes.

THINK ABOUT IT!!

10.75% Yield... Have you ever had a net investment return so high after paying commission and taxes on it?

It's A Great
Muni-Bond Alternative
Because...

- Pays higher rate of interest than most Muni's
- No market risk, principal & interest guaranteed
- Tax-free access to both principal & interest
- Liquidity
- No load, No costs, No fees
- Not taxed to heirs

It's An Appealing
CD and Money Market Alternative
Because...

- Interest earned compounds non-taxed
- High Yield
- Liquidity
- Tax-free income
- No load, No costs, No fees
- Passes tax free to heirs (is not tied up)

May I share this plan with you?

The Rhythmettes and the Swing, Disco, Jazz Dance Group joined in a "Spring Fling" April 27. Ed and Marguerite Abdennour arranged the event, taking over the date previously reserved for a Rhythmette performance. They were ably assisted by Roy and Beulah Lester and Lois Kissinger in making it a happy evening for everyone.

Spring is drifting into summer for the Rhythmettes and planned activities. The installation at Mercury Savings will be June 18. The officers to be installed are: Jean Silverstein, Pres.; Isabel Torchia, Vice-pres.; Sylvia Feldman, Secty.; Bess Davis, Treas.

Our last performance before our summer hiatus will be the July 4th picnic. Let's all be on hand for practice sessions.
