I am not going to give a sociology lecture on where the Hispanic community is today, and where it will be ten years from now, because, as we all know, social problems transcend race. But a thing to say is that we need to come together to combat racism. There is no room for shyness anymore. Nothing is going to happen unless we are willing to do it.

00:28:29:29 - 00:28:32:24

Sometimes you have to sacrifice.

Emiliano Zapata and Henry Escalante realized this. The media is perhaps the most powerful.

00:28:39:17 - 00:28:40:21

Speaker 2

Tool we have.

00:28:40:23 - 00:28:57:13

Unknown

To cultivate healthy attitudes. Talented people who care about our community like Rita moreno, Sally Jessy Raphael, Edward James Olmos and our own role model, Secretary Gonzalez do their part to bring about awareness. I'm not going to pretend.

00:28:57:16 - 00:29:20:22

Speaker 2

That there is no racism, but if we teach our children that the opinions of the ignorant should never affect their self-esteem, if we teach them to accept themselves and others, regardless of appearance, and if we teach them to be strong in their convictions, perhaps they can take us someday to a point where racism is a thing of the past.

00:29:20:24 - 00:29:34:11

Speaker 2

And there's only one race the human race. And it includes men, women, blacks, Asians, Hispanics, Anglo-Saxons, even Republicans and Democrats. Because the human race includes people.

00:29:34:13 - 00:29:41:03

Regardless of age, color and shape. We are entitled to the dignity that's a part of our humanity.

00:29:41:06 - 00:29:51:28

Speaker 2

From the moment we are conceived. I chose to compete here tonight for this respected position, with this organization that has done so much good for Hispanics, even though I have been battling.

Much we are willing to give, and then give it again.

00:30:26:25 - 00:30:38:19

I was flexible, yes, I got that. Yes.

I served as vice president for her freshman class and feels the greatest accomplishment has been the change in their attitude towards her education, which has led to improved race. Their hobbies include sports, especially softball and volleyball.

00:31:07:24 - 00:31:13:14

When. That's not this. Good evening, ladies and gentlemen, distinguished judges, members of the Piano Forum and our national. Welcome to the 1990 We are forum Queen quintet. It is an honor for me to be before you tonight to speak on an issue which I believe is very important. A proper education is vital to our Hispanic culture in order to ensure a successful life.

00:32:29:14 - 00:32:32:20

Unknown

With the presence of the computer X today, the youth face.

00:32:32:20 - 00:32:34:15

Speaker 2

A great challenge.

00:32:34:17 - 00:32:42:17

Unknown

Along with this challenge to many golden opportunities, especially for Hispanic youth. How can we prepare ourselves to.

00:32:42:17 - 00:32:49:26

Speaker 2

Compete with our peers for this much needed jobs? What must we do to impress potential employers?

00:32:49:28 - 00:33:12:24

Unknown

The answers to all these questions lie in our education, but there is something I believe we must look at. An educational system is not composed only of students and teachers, but the participation of parents. Also, an important component of their participation always seem to be a drawback for statics due to language barriers.

00:33:12:26 - 00:33:20:20

Speaker 2

Many times parents rely too much on school, primarily because they do not understand the system. Many times.

00:33:20:23 - 00:33:35:22

Unknown

Asking questions often becomes embarrassing, so we remain silent. That's becoming the invisible crowd. Because of this ignorance of our culture, our sense. Not here. This we all know is not true.

00:33:35:24 - 00:33:36:14

Speaker 2

It is true.

00:33:36:14 - 00:33:44:12

Unknown

However, that the time has come for parents to recognize the importance of their presence in an educational system.

00:33:44:15 - 00:33:45:23

Speaker 2

We as students.

00:33:45:25 - 00:33:50:07

Unknown

Need the support that our parents can give us at times, need strength.

00:33:50:09 - 00:33:51:04

Speaker 2

And direction.

00:33:51:04 - 00:34:26:14

Unknown

To carry on by taking advantage of programs like especially for parents, for example, assisting parent meetings, assisting parent meetings, workshops, we can you can enter, introduce yourself to the school system and make this the school where you parents do not allow yourself to become a part of the invisible crowd. Together, you, our parents and us, your children can make a difference in a future that only promise of success.

00:34:26:16 - 00:34:58:27

Unknown

But I know those who are confused. The normal speed limits will get us from a system with a thousand square cities. Crystal Palace here. The time has come for us, the Hispanic youth, to set our feet firmly in the soil of the future. To accomplish this, we need the help of all of you, our parents. I'd like to thank our distinguished panel of judges, members of the forum and parents for allowing me to share my thoughts with you.

00:34:59:00 - 00:35:09:17

Unknown

Thank you and have a good night. Rest the thoughts you've witnessed. What this.

My high school. Honestly, no more family help. friends. But my high school? No, actually, I had help from an English teacher just by reciting it to her. But, counselors are very helpful. I mean, but they. I see their support, though.

01:22:26:03 - 01:22:28:21

Speaker 4

And tell me, how did you find out about the San Jose Jr form pageant?

01:22:28:26 - 01:22:44:29

Speaker 5

Well, since I danced for such Lee, we used to dance it, at the pageant. We danced the last two years. That last two years, two years ago, we danced. And so it was always inside of me that when I was, when I was a senior in high school, I'd be in Spanish foreign. I, I wanted to do this.

01:22:44:29 - 01:22:48:17

Speaker 5

It was I stuck it in me that I do it when I was in high school.

01:22:48:22 - 01:22:52:21

Speaker 4

So this is something you thought of a long time ago when you actually first saw the pageant?

01:22:52:24 - 01:22:53:15

Speaker 5

yes it did.

01:22:53:17 - 01:22:56:10

Speaker 4

And tell me some more about your dancing. How long have you been in dancing?

01:22:56:10 - 01:22:57:15

Speaker 5

Eight years.

01:22:57:18 - 01:23:02:20

Speaker 4

And what has what have you gained most from being a ballet folklorico dancer, an instructor?

01:23:02:22 - 01:23:11:04

Speaker 5

I've gained just pride and pride in myself. Pride in my culture. Just for I appreciate it. Makes me appreciate it more.

01:23:11:07 - 01:23:16:04

Speaker 4

And how do you think being Miss San Jose GI form can contribute to this pride?

01:23:16:07 - 01:23:28:10

Speaker 5

Continuing to succeed to my goals, I know it will inspire me to continue educate myself, educate others. Like I said, I want to be a role model. I want to be looking up to.

01:23:28:13 - 01:23:34:04

Speaker 4

And for exactly what, attributes do you think you will be seen as a role model?

01:23:34:06 - 01:23:46:03

Speaker 5

Just my education, my success, what I, what I do, what I plan on doing in the future. I just, I want to lend it out to others, to.

01:23:46:05 - 01:23:47:25

Speaker 4

I looking forward to the state pageant.

01:23:48:02 - 01:23:54:22

Speaker 5

Yes I am, and it hasn't even hit me yet. I mean I know, yeah, next is state pageant, but it's not reality yet.

01:23:54:25 - 01:23:57:17

Speaker 4

How do you think you'll be preparing?

01:23:57:19 - 01:24:05:11

Speaker 5

I, I need support and I, I know I feel it already, I have a lot of support and I just, I want to keep that support with everybody else.

01:24:05:13 - 01:24:22:29

Speaker 4

Well that's true. The San Jose San Jose GI forum is indeed extremely supportive of their contestants, and they often do very well in the state pageant. So you have that going for you going on in there. The support never ends. And then assuming you win the state pageant, what do you think your role can be even at that level, representing the GI forum.

01:24:23:02 - 01:24:33:27

Speaker 5

That Mexicanos are able to do it. And I just that's that's my saying that we can do it, educate ourselves and just live up to our dreams. We are able to do it.

01:24:33:29 - 01:24:36:09

Speaker 4

And tell me what is your greatest dream?

01:24:36:11 - 01:24:42:11

Speaker 5

My greatest dream is to be a role model and ideal role model. That's my dream.

01:24:42:14 - 01:24:46:28

Speaker 4

That's wonderful. Thank you.

01:24:47:00 - 01:24:47:12

Speaker 4

Okay.
