

Dear Patricia: "urgently"
Doris wants
you to phone her today -
preferably as soon as it is
convenient. It's about her
writing and she says she
needs help to go ahead.

Also I had a phone call
from Sandra, my niece in

Indiana, this morning.
She says 'they'd like me to
come visit them on the 5th
to 10 as tentatively proposed,
the reason being she's buy-
ing tickets to an opera to be
given at the University & wants
to get one for me too. That means
I'll not be able to take you to the
clinic on Friday ^{or on May 29} May 6th though
I'll still take you this Friday -
Tomorrow April 22. OK? Love Carl.
