Dear Ms. Tolmach:

Congratulations on your recent victory at the polls!
I know all too well how demanding a campaign can be, and I commend
you for the time and effort you devoted toward this goal.

You can be assured of my support for your candidacy.
If I can be of any assistance to you before the November election,
please do not hesitate to call.

The enthusiasm, talent and new ideas you will be bringing
into office with you will be of tremendous benefit to you and
your constituents. Best wishes for a very successful future.

Warm personal regards,
