## We're back!

By Sandy Okum

Over 23 years ago, the newspaper ILV was created by me, Sandy Okum, The Writers Club and The Camarillo Daily News.

Prior to that time, Leisure Tech Builders of Leisure Village published a monthly newsletter called "The Village Voice." They invited me to write an article about happenings in the Village. In one article I mentioned that someone had died in the Village. Leisure Tech immediately called me and said that they did not want this kind of news published. They said that "nobody dies in Leisure Village. We are here to sell property!" Upon hearing this, I contacted the Writers Club and the Editor of the Camarillo Daily News.

By our joint efforts, our first edition was published in March 1979. The then-Board of Directors of Leisure Village strongly opposed the idea of another publication in the Village. I even suggested incorporating the "Voice" with our paper to save the Association money. The paper was well received by the Residents and has since become a tradition in the Village.

A list of the people involved with the paper

can be found under the copy of the "First Issue" on this page. However, I want to give credit to two outstanding people who kept the paper going for a long time: Betty Murray, 20 years, and Lois Atz who co-edited for 10 years. When they retired, a new group continued the paper until a Final Edition was published March 30, 2001.

A friend of mine was asked by the Scripps Howard Corporation to advertise his business in their daily paper. He said "No, but I know someone who is very upset by the termination of the LV paper and would probably want to get it started again. Call Sandy Okum." Their Representative did, and here we are! When word got out that I wanted to start the paper again, many people volunteered to help.

This is our First Edition. We hope you like it, and we want you to help keep it going by writing interesting articles for us to publish. Give us your Club News, Want Ads, and join our group to proofread, etc. All this to keep Leisure Village the best place to live in. Let's hear your comments. All the rules and regulations concerning this paper are on Page 2. Please abide by them. The future looks

### Introducing our new newspaper, INSIDE LEISURE VILLAGE

#### What is Inside Leisure Village?

It is a newspaper written by and for LV residents which will be delivered exclusively to each occupied home at no cost on the last Thursday of each month. It has been made feasible by the Camarillo Daily News which will publish and distribute it. Advertisements will cover the costs. It is not a publication of the LV Association and they bear no responsibility for the paper and its contents.

#### What is its purpose?

Its purpose is to enhance and brighten our quality of life by broadening the news of our residents, activities, activities and actions of the Board and Committees as well as classified ads.

#### What is its editorial policy?

Its policy requires that all items be factual, fair and as complete as possible. Items shall be beneficial to the community with no editorializing in the news columns. Items which the Editorial Staff deems to be personally embarrassing, inflammatory or otherwise unsuitable will not be printed. Personal complaints and grievances should be resolved with the appropriate LV committee.

#### Who prepares Inside Leisure Village?

The group of residents listed inside volunteered. All residents, experienced or would-be editors, writers, illustrators, photographers and typists are urged to participate.

## LETTERS

The LVA library contains our LVA Architectural Standard Specifications. Among those spec sheets is Sheet No. 235, dealing with encroachment. It was first initiated immediately after the revision of 7.2(b) on March 23, 2000.

Said sheet graphically indicates where structures may be placed on common ground and specifically within the "exclusive right to use area." The authority for said sheet comes from the Architectural Committee with the approval of the Board and the Camarillo Planning Dept. It is a legal and lawful specification which is now under contention by a homeowner.

You may hear much about this issue in the days ahead, and in order to understand the issue you need to know something of procedures and the laws.

Article 6 and Article

7.2(b) are the two CC&R articles involved.

Involved also is a copy of a letter from the Director of Planning of Camarillo to Leisure Tech concerning placement of buildings. Your Leisure Village Assoc. has complied with all applicable laws, including the anti-discrimination laws set forth by the Calif. Dept. of Real Estate. The Village has historically complied in the past and at the present.

These are the facts. You may hear counter-arguments which may tend to confuse. But remember, until someone can produce evidence of a court decision which differs from the Village position, the Village position has and will prevail.

Dan Davis, V. 33

Why is the Architectural Committee being blamed for encroachments into the Common Area? The Association Attorney prepared the Amendment to

the CC&Rs, AND the Board of Directors approved that Amendment AND the Homeowners adopted it. The Board also approved the Specifications that were turned in by the Architectural Committee.

If the attorney didn't prepare the Amendment correctly, LVA should hire one that will.

Donna M. Duke, V. 7

At the July Open Board Meeting, the Secretary of the Board said qualifications for LVA Committee Chairs were broader than skills or expertise alone. He said, hypothetically, that Employers would take into consideration the following when hiring an employee: if the applicant could not relate to others, if the applicant was dishonest, confrontational, an alcoholic, tardy, etc. He said skills actually take a backseat, and that's why he voted against the former Finance Committee

Chair's recommendation and that of the Assistant Chair in not appointing the person they recommended. The Chair (now a Director) and Assistant Chair worked with Donna Duke and viewed first-hand her ability to relate with co-workers. Donna DOES NOT possess ANY of the negatives that Director Miller pronounced. In fact, six members of the Finance Committee left a meeting to protest her non-appointment as Temporary Committee Chair. (Donna is also a past Board President and Director for four years.)

I have had the pleasure to work with Donna for several years on two different Insurance Committees, and I know about her qualifications and demeanor. Ben Miller's comments were derogatory and without merit. He blatantly attacked a volunteer who had already served two years on the Finance Committee and who had proved her value on that Committee. By his comments made at the July Open Board Meeting, Ben Miller proved that he is not qualified to serve on the Board of Directors.

Ed Evans, V. 3  
(Former Chair of the dissolved Insurance Committee.)

The following matters, which are continually scheduled for Executive Sessions, have no place in Executive

Sessions: Liaison Reports, Committee Reports and Recommendations, Board Recommendations, personalities of Homeowners, Insurance Matters, and Legal Bills. Litigation is a matter for Executive Session only until the litigation is resolved. Then that information should be released to Homeowners. Legal bills should be discussed in OPEN MEETINGS. (Please refer to The Davis-Stirling Act.)

If the above-stated matters were discussed in Executive Session under The Brown Act, the penalty could be a prison sentence, along with a monetary fine of \$1,000 levied against each Board Member. Although LVA is not governed by The Brown Act, it is governed by the Common Interest Development Open Meeting Act (Calif. Civ. Code Section 1363.05) which also has penalties for unlawful conduct. Discussing matters in Executive Sessions that should be heard in Open Board Meetings are a clear violation for which penalties can be imposed.

This selective secrecy must stop. The Homeowners have a right to be kept informed. Not to do so is a breach of a fiduciary duty that Directors owe to each Homeowner.

Ethel Ann Pemberton,  
V.37

## MEMORIALS AND ACKNOWLEDGEMENTS

Many thanks to all my Village Friends for their support in my recent surgery. The Physical Therapy was the secret to success. I expect to return to normal real soon.

Jean Thomson,  
V. 38

I want to thank you all for the many cards you sent and for the many

phone calls Fay and I received during my recent encounter with a heart problem. I know it has been said many, many times, but now we know it's true. We have never encountered such a vast number of caring people in our lives.

Thank you and hope you have a healthy, long life.

Al Zelmon,  
V. 8

Thank you, thank you, to all my friends and neighbors in the Village. Your cards, contributions, hugs and many wishes of sympathy helped my family and especially myself through a very trying time. Bless you all.

## Bingo

By Marion Tavano

With the help of volunteers June Few, Mary De La Garrigue, Marge Robinson, Ted Byles, Chuck Donnel and 13 callers, our Wednesday night Bingo has been playing paper games since March, 2000. In the past year we have collected a total of \$30,767. Total payouts for the past year have equaled \$28,369 or an average of \$465 per week. Total attendance for the past year has been 5,090 persons or an average of 105 per week, with the highest attendance of 132 persons and the lowest of 73 persons.

The monies collected have been able to pay for all paper supplies for the games, bought a new drape covering the flash-board in the AR, as well as purchase new square tables which are used by the Bingo Staff.

Everyone who enjoys Bingo is welcome to come every Wednesday night. The doors open at 5:45 p.m., and for a full set of 16 games at a low \$5.00 buy-in cost, you can enjoy approximately three hours of fun with the possibility of taking home some money or a door prize. Due to limited seating, attendance is restricted to players only. All Villagers are welcome to join us and try your luck.

## L.V. Mens Golf Association

By Mannie Abbate

LVMGA welcomes our resurrected newspaper back to publication. Without Inside Leisure Village, there was no way for the Clubs in the Village to communicate with their membership or to let potential members become aware of their activities.

The Men's Golf Club will have the next meeting on August 14 at 2 p.m. in the MPR. Come around 1:30 p.m., enjoy the refreshments and chat with the boys. Last month we had a full house with over 65 new and old members in attendance.

Our President, Bill Byrnes, promises to have a special drawing for a useful device that any golfer can use when he plays in the Village. It doesn't matter whether you are left- or right-handed or whether you are tall or short. The only requirement is that you must be a paid-up member of the Club. Non-members can participate after they pay the \$8 dues required to join the Club. Our Membership Chairman, Ted Rose, is making great strides in re-activating old members and wants to invite all resident golfers to join the Club.

Golf is our primary function but the social aspects of life are also important and the different events we conduct off the golf course are enjoyable even if you can't play anymore.

## L.V. Womens Golf Association

By Evelyn Lacy

Meeting days are the 2nd Wednesday of the month at 3 p.m.; social hour is at 2:30 p.m. Coffee, tea and cookies are served for refreshments.

The month end mixed tournament will be August 29. Come join in the fun of playing golf with your neighbors and then attend the 19th Hole party at 3:30 p.m. in the AR.

September will be the Annual Ringer tournament of 4 consecutive weeks at the cost of \$2.00.

Regulation Golf will be at Buenaventura Golf Course on Thursday, September 20.

## Computer Club

By Winifred M. Singleton

A new Board of Directors has taken office since the last report in March 2001.

- President: Mort Marcovitz.
- Vice President: June Hirsh.

• Secretary: Helen Myerson.

• Treasurer: Duane Wain.

Also since the last report, there have been many valuable additions to the equipment in the Computer Center. Two new i-Macs bring the total of Mac computers to six. Seven new monitors have replaced older models, and as funds allow, the oldest of the computers will gradually be replaced.

A full schedule of classes is continuing. The most recent of these are the self-instruction lab sessions which are available now for both Mac and PC users. Sign-up sheets for classes are available at the Club General Meetings held on the second Friday of each month at 10 a.m. in the AR. There is always a very informative program of general interest at these monthly meetings in addition to a Q&A ses-

sion and refreshments.

Also available are printed schedules of all classes and Special Interest Group meetings. The Club Library is located outside the Computer Center, where there is also a rack containing copies of Class Schedules, Mentor Lists etc.

For more information call Mort Marcovitz at 384-1945 or access the

Club Web Site at <http://home1.gte.net/lvcc1/index.html>.

## Amateur Radio Club

By Paul Kelwin

To old-timers as well as you newcomers, welcome back! We're a group of "HAMS" utilizing both the new and the old in voice and CW (Continuous Wave, Morse code) communication, not relying on Southern California Edison power. We've purchased a printer, scanner, and a copier combination equipment. This helps us to meet most crisis demands placed on us. We're much more versatile and modernized.

Every Thursday evening beginning at 7 p.m., we HAMS have a radio net on 147.150 NHz. Then at 7:30 p.m., our "Cobra" net is exercised on their Channel 2 462.5875 Mhz. The net (named after the manufacturer) operators are not required to be licensed by the FCC (Federal Communications Commission) as the HAM people are. The Village coordinators and a few specialized groups are those equipped with the Cobra radios. Naturally, this facilitates reporting of any situation requiring help from medical or fire, etc. The Coordinator does not have to physically run (or try to) to

**RINGERS:** Players at a recent horseshoe game include, from left, Al Schuster, Ernie Ohmstedt, Ken Lorraine, Dean McNulty, George Nolte, Craig Tynan, Dick Downey and Myron Lind.

It's new. It's fun. It's here: Horseshoes for men and women.

Competition is at all levels. Beginner or expert, you are sure to have a ball.

## Tuesday Evening Horseshoes

Cameraderie and exercise are fringe benefits. Meetings are Tuesday

evenings at 7 p.m. in the horseshoe pits, adjacent to the picnic area.

For information, call Dean McNulty at 484-9494.

## Billiard Club

By Milan Weiss

The usual monthly Billiard Club meeting was not held in July and will not be held this month. Meetings will resume September 25 at 7:30 p.m. in the MPR. Even though there are no meetings, this is still a good time to play and maintain your skills.

For those interested in the game of Snooker, Reggie Topping gave lessons in June. To make the finale to the lessons interesting, there was a limited contest with Betty Hermann winning highest break, and both Betty Hermann and Barbara Pardue won the team category.

We all look forward to the upcoming fall tournament, which should be hotly contested as it brings out our best players and some new highly improved players. And, due to past lessons and lots of practice, some of these new players will

probably surprise some of the experienced "sharks!"

There's lots to learn in the Billiard Room and lots of fun to be shared with others. Show up at the September meeting, express your interest in 8-Ball, 9-Ball, Snooker, 3-Cushion Billiards, or Darts. This input will give your club officers some indication of how to plan future lessons, events and tournaments. Let's all participate to make this growing club even better!

## Solo Club

By Marion Jayne

The Leisure Village Solo Club was started in the late '70s to help new Residents meet and make friends. Alone is not meant to be lonesome. So today we continue on that idea. Eating by oneself can get boring, so our monthly meetings include carpool dining-out at the better restaurants, potluck dinners,

picnics, and catered dinners.

Monthly business meetings are Brown Bag lunches followed by cards or whatever. All residents, men and women, are welcome.

Information: Marion Jayne 484-5112.

## Live Band Dance

On the 5th Saturday of the month, we are combining Live Band Dance and the Yom Kippur Maccabees Dance on Saturday, Sept. 29, from 8 p.m. to 11 p.m. in the Assembly Room. We have a great Band, Tunes-R-Us. A \$4.00 donation is requested. Refreshments are BYOB.

Come and join us. We all enjoy. For tickets and information: Jean Aird, 482-6660.

## Music Appreciation

By John Callas

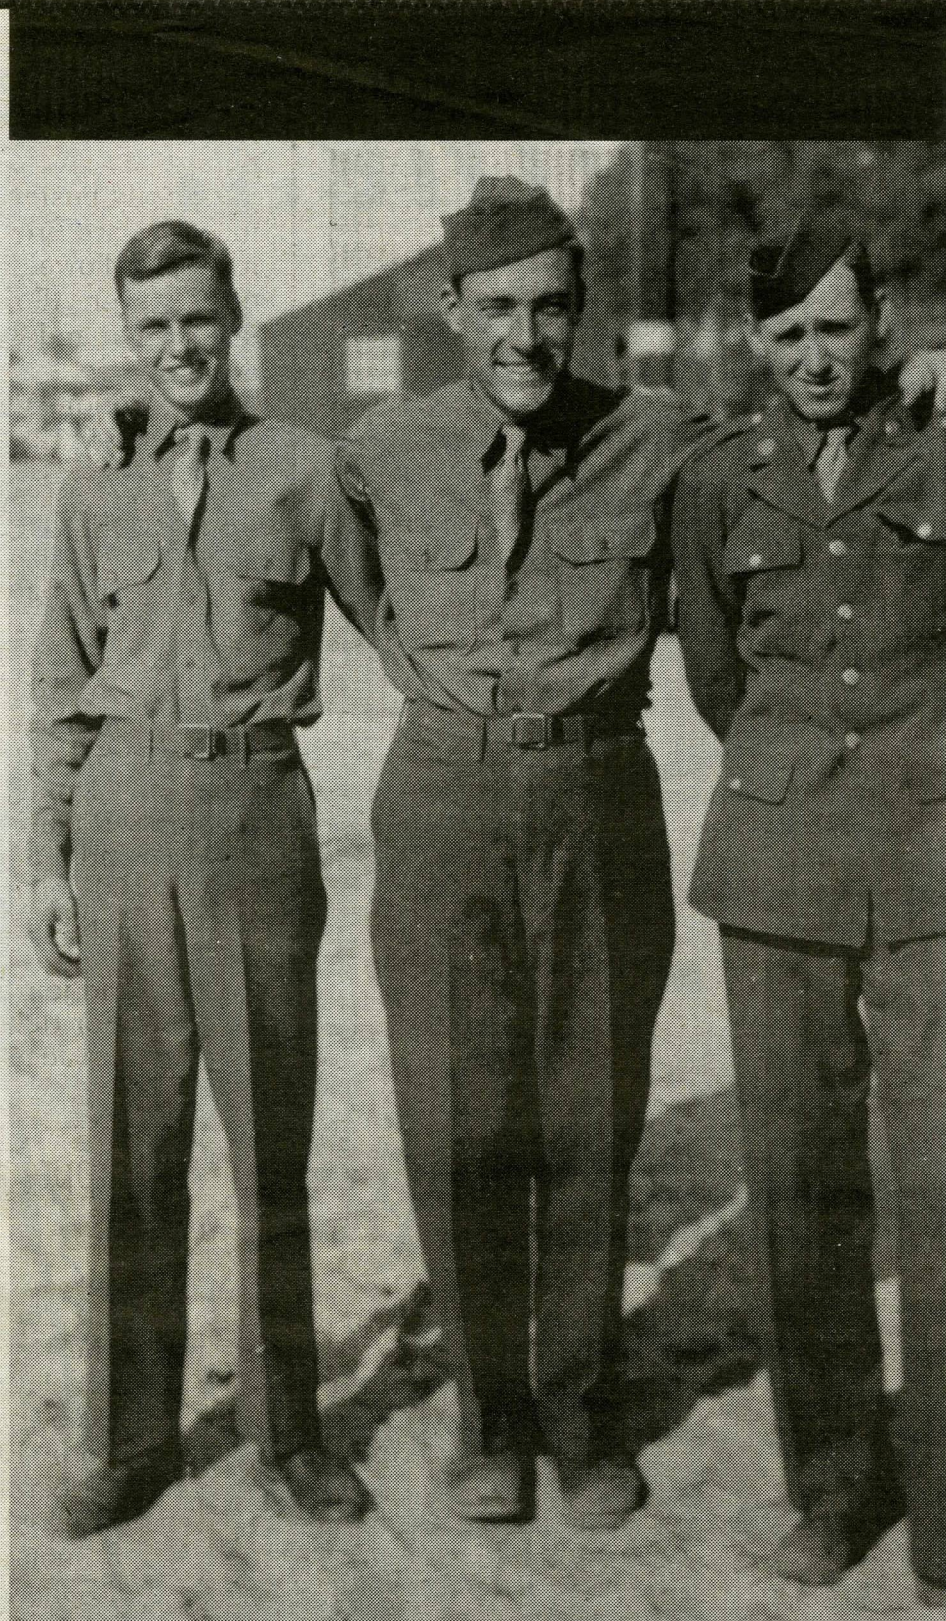

The Music Appreciation Club, also known as the MACS (Music Appreciation Club Seniors) was begun about 12 years ago by Kurt Godfrey. He lectured on the lives of the great composers, such as Mozart, and played their music on the piano or on a cassette player.

About five years ago, Kurt was joined by John Callas, who took over the lecturing and added CD music as part of the program. Kurt relegated himself to playing music on the piano, which required constant practice at home. In addition to Mozart, other composers included Beethoven, Brahms, Haydn, Bach, Vivaldi, Tchaikovsky, etc.

The program schedule ten months of the year from September to June on the 1st and 3rd Fridays from 10 a.m. to noon. Club membership
