

COUNTY OF VENTURA  
J. K. (KEN) MAC DONALD  
County Supervisor

1/3/79

MEMORANDUM

Dear Yana:

As I move into my two final years of public service I regret the action of the Democratic County Comm. - The Assembly leadership will attest to my party loyalty during the 10 years in Sacramento. Working as County Supervisor I am very dependent upon our state and national legislators to serve our needs (particularly since prop. #13) - You can well understand why I endorsed Ramis, Imbroscio & Lago while at the same time I was pushing them on County issues.
