During the four years that I have served as a member of the Oxnard Union High School Board, I have carefully studied the issues, keeping in mind the educational goals of our district. I believe this experience would help me as I continue to seek the following for our fast growing district:

1. The best educational program for all students in our huge district.
2. A realistic budget.
3. A sound tax rate.
4. To attract and retain highly qualified teachers and other employees.
5. Expanded vocational programs.
6. Increased community participation.
7. Broader financial support for the district.

My husband, Daniel M. Tolmach, M.D., and I have lived in the district since 1948. We live at 656 Douglas Avenue, Oxnard, with our five children: James, 21, a senior at Yale; Richard, 19, a junior at U.C. Berkeley; Eve, 17, a senior at Oxnard High; Adam, 14, a freshman at Oxnard High; and Jonathan, 10, a fifth grader at Driffill.
