Dear Miss Morgan :

I would like a polo field made on the lower part
of the ranch near San Simeon. *done ✓*

2. I think this could be combined with a flying field. I
want these made very LARGE and very GOOD and with a small stand for
spectators. ✓

The stand need not be grand

3. I would like a house built at the-Burnett, and one at
Sanco Pojo-- possibly one at the Burnett.

Shall we prepare economical plans?

Sincerely,

W R Travis
