Mrs. Dan Tolmach  
Trustee, Camarillo State Hospital  
  
Oxnard, California

Dear Mrs. Tolmach:

I have written to Winston Wilson, who is in charge of the Trustees' meeting on January 18. I told him that I believe the Camarillo State Hospital has the most adequate system for informing its trustees completely on the operations of the hospital. I suggested to Mr. Wilson that it would be a useful part of the day's program if you would give a report on what is done at Camarillo.

I hope that you will follow through on this, because I believe you are best qualified among the trustees to tell about the visits made during the inspection trips.

Yours sincerely,

George Grimes, Chairman  
Board of Trustees  
Camarillo State Hospital
