Dear Jimmie;
Here with Special Program for the
"Farewell" Party to our Hollywood Hotel.
Time was the dramatic factor.
As IFLA City at night "Duke's" had
sold out the wanted time - for 26th
There was program it was a case of
taking each piece, or being unable to
have the "Farewell" party, as Hotel closes
its doors end of April. So I had to fly.
to get things done. & Thanks for your
Arrangement in the Hotel so many
of the old times showed up it was a
delight. Everyone was overjoyed & happy.
Jimmie I have a beautiful number
intitled "You Always a Pinner to me" ded's
to our very own Grace Kelly. When asked
as to Luf on to here that this number
it should be marketed immediately as
she could hear it on her honeymoon return.
(One of my many) but timely & so fitting -
Sincerely
Joy Milane
wife of Paul Burman.

P.S. - you could hear it over
the telephone, if you care to.

CF/JM.

Beethoven is the Hero of the Society, so named after history's outstanding case of a child of genius, born in poverty, overcoming every social obstacle and finally leaving a most beneficial contribution to the world's enlightenment. It endeavors to maintain his esthetic integrity and to discover, develop, and present unusual talent in music and art, functioning by means of concerts, musicales, exhibitions, and lectures. It is operated on a non-profit basis to create a fund for scholarships. A Beethoven and Contemporary work is presented on every musical program.
