- B—Above average.
- C—Average.
- D—Below average
- E—Conditioned, to be changed to D when condition is removed.

GRADE POINTS

For each unit of credit the student receives grade points as follows:

- A—Four grade points per unit of credit.
- B—Three grade points per unit of credit.
- C or P—Two grade points per unit of credit.
- D—One grade point per unit of credit.
- E, F, FW, Inc.—No grade points.

The above grade-point system was effective September 20, 1956. Prior to the above date grade points were computed as follows: A, 3 grade points; B, 2; C or P, 1; D, E, F, FW, Inc., 0. Prior to September, 1948, grades E, F, FW, and Inc. carried minus one grade point per unit.

An "Incomplete," when properly made up, will receive the grade points appropriate to the mark finally earned.

Since September, 1941, a student may repeat any course in which a mark lower than "C" was received. Degree credit will be allowed only once for any course. Effective September 19, 1957, a repeated course will be counted as units attempted and will be credited with the appropriate grade points earned by the repetition. Prior to the fall semester, 1957, the grade made upon repetition was accepted in place of that established earlier and units attempted were not charged. Occasionally a student wishes to repeat a course in which he earns a "C." Such repetition is recorded on the transcript but is not figured in unit or grade-point totals.

SCHOLARSHIP STATUS

SATISFACTORY SCHOLARSHIP

Satisfactory scholarship means at least a "C" average (2.0 grade-point average or twice as many grade points as units attempted). A student is considered in good standing if he is not on probation or disqualified.

For specific scholarship requirements for degrees and credentials, see page 64.

PROBATION

A student will be placed upon probation if either his grade-point average based on total units attempted at all colleges is below a 2.0* (C) average or his grade-point average based on all units attempted at Fresno State College is below a "C" average. A student will be continued on probation until his overall and his Fresno State College grade-point average is 2.0 or better, or until he is disqualified under one of the provisions of the disqualification regulations.

DISQUALIFICATION

A student will be disqualified, except a limited student who has attempted less than 12 units at Fresno State College, under any one of the following provisions: (a) if he is on probation and has a cumulative grade-point deficiency of 13 or
