Dear Democrat:

Congratulations on being selected a member of the 1991-92 California Democratic State Central Committee.

On behalf of the California Democratic Party, I encourage you to attend the 1991 State Convention.

At the Convention, you will make a number of important decisions. You will elect the Northern Vice-Chair and Regional Directors. You will also adopt 1991 Party Resolutions.

Enclosed you will find your registration packet which includes a tentative agenda, registration/meals forms, proxy materials, hotel and transportation information, Convention and Resolutions rules, and a signature card.

In addition, this convention will provide a preview of the upcoming election cycle. Prospective Presidential and U.S. Senate candidates are expected to attend. I look forward to a productive meeting that will help lead our Party to Victory in 1992.

If you have any questions regarding the 1990 Convention, contact the Party Services Department at Party headquarters, (415) 896-5503.

Warmest regards,

Edmund G. Brown Jr.
Chairman
