New energy in Leisure Village — and it's clean

By Patty Ecker

A group of Village volunteers is intent on looking into the future for all of us. However, you won't find crystal balls on their meeting table.

Rather, the new Clean Energy Committee is exploring ways to significantly reduce the cost of electricity for the

Village. Members are studying graphs, photos, silicon panels and reports explaining how Leisure Village – its common buildings and eventually its residences – could become energy independent.

"It's not future science. Solar, wind and biomass power are real, and we want to find ways to lower energy

costs permanently," explains Committee Chair Bob Ellis.

Committee members emphasize that they are investigating and learning.

"We are not committing to anything. Nor are we on a timetable," explains Don Marquardt, who proposed the committee and serves as its liaison with the Village

Board of Directors. "This is not about political things like global warming. This is simple: Are there alternative ways to produce electricity that would reduce our electric bill?"

Exploring green energy for the Recreation Center is the initial focus of the committee. Currently, the electric bill for

How to catch the shutter bug

By Betty Murray

Have I always been interested in photography?

As a small child, my family lived in South Dakota, half a continent away from grandparents, aunts, uncles and cousins. Therefore, family pictures were a way of teaching me that I was a member of an extended group of people, my relations.

I cherished those images. My mother had a Brownie camera, the easiest little magic box, available to everybody, to record the things that seemed important to her. So, in a way, I have always been interested in photography.

During World War II as a young war bride, I was eager to keep my husband Kay informed of the birth and growth of our first child. An aunt had a Kodak camera that opened up to disclose the lens. It took size 616 film. She graciously gave it to me. Through the Navy's PX, Kay was able to buy a good supply of film, and the pictorial history of our first child was

Camrosa honored for water stewardship

By Al Fox

I am very proud to announce that the Camrosa Water District has been recognized for the second year in a row for our efforts in water stewardship.

Last year, Leisure Village's recycled water project received a WaterReuse Association Award of Merit for replacing approximately 70 percent of Leisure Village's potable water with recycled water for irrigation.

Last month, Camrosa received the John Flynn Groundwater Steward Award. This award is given each year to one individual or entity that contributes the most to the preservation and improvement of the quality and/or quantity of groundwater in the Fox Canyon Groundwater

Al Fox is one of five members of the Camrosa Board of Directors..

Management Agency, which monitors and protects aquifers underlying the southern portion of Ventura County.

Both awards underscore the district's long-term efforts to increase water self-reliance and keep water rates affordable.

There has been a letter addressed to many residents that has recently been circulating throughout Leisure Village from one of the recent candidates for the LV Board of Directors.

My first reaction to seeing this letter was to ignore it, as I have with previous communications from this person, and to remain outside the politics of the Village.

However, this latest tirade reaches an all-time low in hateful vitriol. Disseminating an unsubstantiated claim from the Internet for the purpose of character assassination of one of our respected homeowners cries out for an appropriate response.

I have to go back in time to 1954 in order to find such a response. And so I quote the great lawyer Joseph Welch and ask Mr. Kulick, "Have you no sense of decency, sir, at long last? Have you left no sense of decency?"

Next safe-driving class Sept. 16

Enrollment is now open for the next AARP-sponsored Safety Driving Program to be presented on Thursday, Sept. 16, from 1 to 5 p.m. in the MPR.

This is an accelerated four-hour class for Leisure Village residents who have previously taken the AARP Safety Driving Class. A list of classes given locally is available upon request.

If you want to improve defensive driving habits and learn how to adjust to age-related changes in vision, hearing and reaction time, this class is for you.

The cost is \$12 for members of AARP and \$14 for non-members. Each successful attendee will receive current DMV booklets and a certificate which, when presented to your insurance agency, should provide you with a discount on your driver's insurance for three years.

Pre-registration is required with a check. Your check will not be deposited until after the class.

For more information, contact Claudia Roberts at 482-9904.

VILLAGE HAPPENINGS

LV starts up CERT program

By Marianne Keitel

What a summer! BP's oil gusher, Lakers becoming NBA champs, World Cup soccer and Leisure Village organizing its own CERT program.

Our first LV class graduated in June, assisted by Villagers who had trained elsewhere.

Hanna Huber is now arranging for a new seven-week class for the fall, and I urge you to consider attending it.

Why?

To prepare you to help yourself, your family and your neighbors in case of a catastrophic disaster. I thought, having been involved in several disasters already, I was fairly well prepared and had a pretty good idea of how to proceed in the aftermath, but I learned more in the CERT class. You will not be obligated to help anyone or participate in anything! Even if you haven't the time or inclination to get involved in one more thing, please consider this class for your own well-being.

Our instructor, Capt. Steve Lazenby of the Santa Paula Fire

Department, gave us many little tips to enhance our safety at home, in our cars and even while traveling.

Do you know what floor in a hotel or office building is the highest a fire ladder can reach?

Did you know that you should not store your plastic water bottles directly on concrete because the chemicals in the concrete leach into the plastic bottle. I had been storing plastic water bottles on my garage floor, but now I know to place them in a container raised off the floor or on top of a little platform made from scrap wood.

The Homeland Security-sponsored free program of once-a-week classes for seven weeks covers disaster preparedness, fire safety, disaster medical operations, light search and rescue operations, disaster psychology, terrorism and CERT and ends with a disaster simulation.

Hanna Huber is compiling a list of people who are interested and will be happy to answer any questions you have. You may contact her at hhlv@verizon.net

Meet The Stoners, new LV club

By Fil Barton

The Stoners was started by a group of lapidary students who wanted to do more creative work with rocks. The purpose of our group is to exchange and enhance ideas in the utilization of rocks and gem stones.

Thus far, we have been learning wire wrapping and beading, creating individual, one-of-a-kind pieces of jewelry, including necklaces, bracelets

and earrings.

In June, our group had its first field trip to the beach looking for whale bone and coquina agate. A great time was had by all who participated.

Drop by anytime, everyone is welcome. We meet every Tuesday in the Sun Room from 3 to 5:30 p.m. In the future we plan to have more field trips as well as guest speakers.

Better Breathing comes up for air

By Lorraine Comer

The Better Breathing group will be taking the summer off. Remember to practice all the good breathing techniques we worked on during the year.

See you again Sept. 12 at 10 a.m. in the Sun Room.

Free concert slated

The U.S. Air Force Band of the Golden West will perform a free concert on Monday, Aug. 16, at 7 p.m. Hosted by the Oceanview Pavilion's Performing Arts Theater by the Beach, the band will feature a variety of styles, including traditional, patriotic, marches and a soloist.

This event will be held at 575 E. Surfside Drive in Port Hueneme. There is free parking in lots B and E.

BEREAVEMENT SUPPORT

By **Zelda Greentree**

Senior Peer Counselors of Leisure Village are announcing a change in day and time for their Bereavement Support Group.

Starting on August 13, we will be meeting on the second, third and fourth Friday mornings of each month from 10 to 11:30 a.m. in the Sun Room.

This is a support group for the bereaved, to provide a safe, non-judgmental and confidential outlet for sharing with peers who have gone through a similar experience. For those of you who are looking for such a group at this time in your life, we welcome you. For further information, please call Zelda at 389-9694.

Thanks to all our wonderful friends and neighbors for wishing me well while in the Pleasant Valley Hospital and the Camarillo Health Care Center. Also, a special thanks to the bridge hands that kept our Monday night game going — the game has been going for 15 years. The especially thoughtful cards and phone calls kept our spirits very high. It's great to be home to recover with my pacemaker, hopefully in a few weeks.

— **Harry Lampert, V. 42**

Twenty-eight birthday cards — wow! Where but in Leisure Village could you find so many caring and wonderful friends who would remember my 95th birthday. These cards, tributes and phone calls were so deeply appreciated. Thank you, thank you.

— **Herb Roberts, V. 39**

Charles and I want to thank all our wonderful Leisure Village neighbors for their phone calls and e-mails about our

story in Inside Leisure Village. We were happy to share our history with you, as we do with schools, organizations and military. Charles is living history, and we know we are imparting the right message to our future generations so that another Holocaust never happens again. We also want to thank ILV for publishing our granddaughter's "Recipe For Peace."

— **Libby & Charles Pierce, V. 44**

To my old friends at the East Gate and my newer friends at the West Gate: You've probably noticed that I am not there to greet you. I have been transferred to the Main Gate.

TV probably said it best: "I'm so glad we had this time together. Thank you for being my friends."

I send you blessings from myself and Santa.

— **Phil Archambault, V. 32**

MPR gets projector

At right, Jack Caldwell and Jerry Spector take some time on Wednesday, July 7, to test the new overhead projector in the Multi-Purpose Room.

This is a great addition to the Village, as many clubs and residents will now have a wonderful projector to use for club events and resident parties.

The \$1,015 projector was paid for by the Inside Leisure Village newspaper, and the installation, which cost \$1,100, was paid for by the Booster Club. To date, this projector has been used by the Camera and Computer clubs with great success.

Thanks to everyone who was responsible for this addition to the Village and its residents.

Realtors Corner: Update on flood insurance issue

By Sharron Parker
Troop Real Estate, Inc.

The Leisure Village Association may get a reprieve from the updated Flood Insurance Rate Maps, which were effective Jan. 20. The House recently approved a bill that reauthorizes the National Flood Insurance Program for five years. This bill was sent to the Senate. One of the most significant changes postpones the requirement that homeowners in newly mapped areas buy insurance.

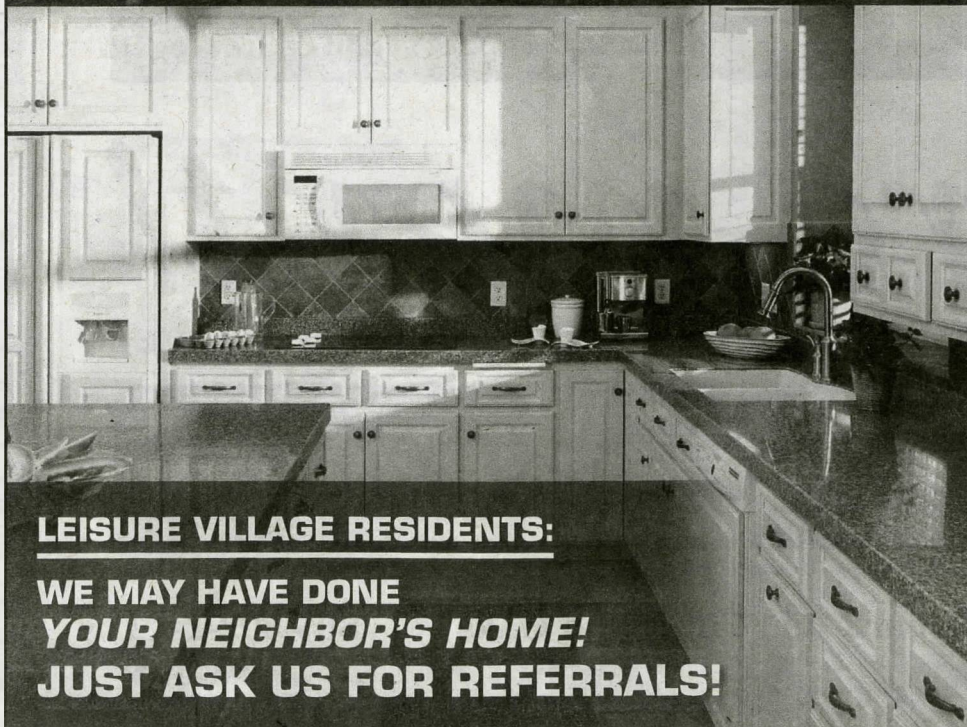

Because of remapping, many Leisure Village homes were placed in a flood zone. Mortgage lenders have continued to contact homeowners regarding obtaining flood insurance. Some lenders have threatened to place flood insurance on homes in the

designated Special Flood Hazard areas. Some lenders have declined to fund new loans due to their perception of insufficient flood coverage.

It is important for homeowners to understand that the Association is legally obligated to repair and replace any structures that may be damaged by flood, irrespective of any insurance policies. According to the Leisure Village Association's law firm, homeowners should not purchase flood insurance for the structure, as they have no insurable interest in the structure. Homeowners can purchase flood contents coverage, but they should be aware of the probable high deductible.

The Wry Eye

By Joseph Benti

We came to our Village from many places,
From lives as varied as the lines on our faces.
Though most know the value of feeling,
That's not so for scars kept from healing.
Some are hostages to a past they refuse to lose,
A past that mutes their lives in shadows and blues.
So for them, I offer this curative toast:

Gone with the wind

By Betty Murray, V. 4

It fell with a loud thump. The 35-year-old pine tree gave in to the pressure of the wind and broke in two, landing on the roof of my Village 4 home, but causing no damage to the structure.

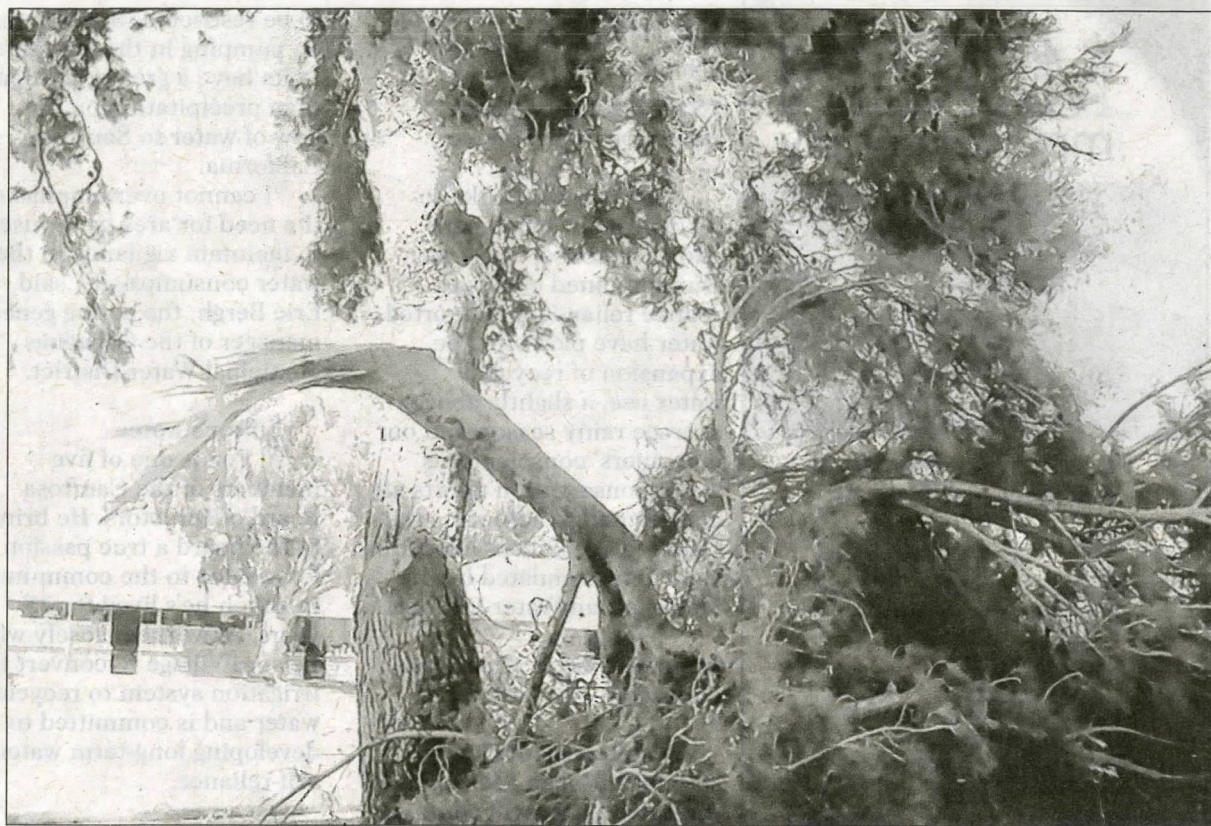

In less than an hour, the arborists — or tree crew — had cut down the broken and weakened branches and cleared the debris from the building.

Two days later, there was nothing left but a flat, round, brown patch of ground after the tree crew gouged out the 36-inch diameter stump and filled the hole with soil.

That tree had resisted the constant pressure of the wind for 35 years. It had received several trims and tweaks during its lifetime while growing more than 50 feet tall and providing my roof with shade and protection from hot summer blasts.

I liked that tree, even though, thanks to the wind, I had to regularly sweep pine needles and the yellow catkins it produced in the Spring from my driveway.

Originally there were six pine trees in the green space around my house. Now there is only one left. Like most of the mature trees along Leisure Village Drive West, the survivor is bent toward the East, away from the relentless wind. Some people might call it “artistic,” I think it is handsome, and I hope it is resistant to that force of nature, the wind, which is also our gift, as well as the legacy of trees.

This 35-year-old pine succumbed to Mother Nature during a windstorm earlier this year.

A Better Life.

CAMROSA

Continued from 1

**15 percent allocation
reduction achieved**

Camrosa would like to recognize our customers' efforts in conserving water. Our combined efforts to reduce reliance on imported water have paid off! The expansion of recycled water use, a slightly above-average rainy season and our customers' conscientious water conservation efforts all contributed to achieving the required 15 percent allocation reduction mandated by the Metropolitan Water District.

**Imported water allocations
continue**

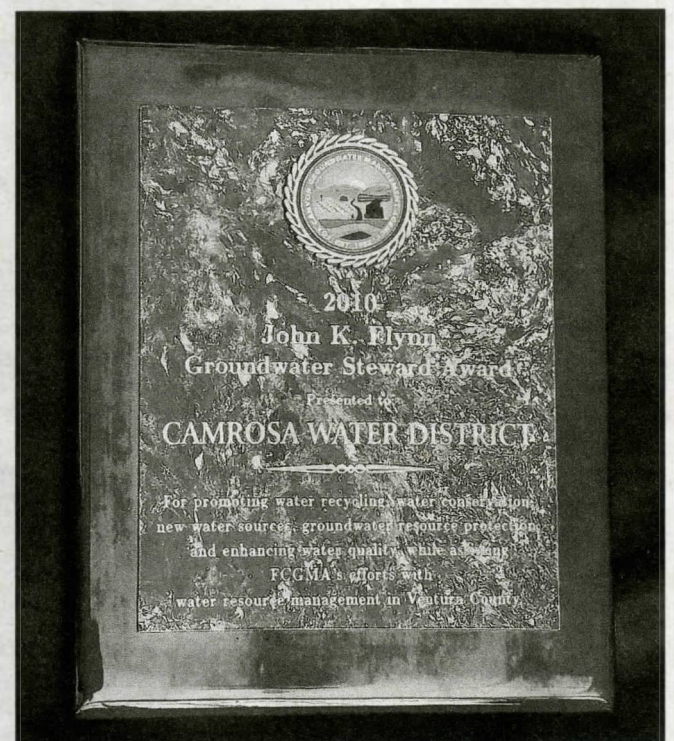

Despite a wetter rainy season this year, the supply of imported water will continue

to be restricted. Regulations on pumping in the Sacramento Delta have a greater influence than precipitation on the flow of water to Southern California.

"I cannot over-emphasize the need for area water users to maintain vigilance in their water consumption," said Eric Bergh, the acting general manager of the Calleguas Municipal Water District.

Editor's note:

Al Fox is one of five members of the Camrosa Board of Directors. He brings to the board a true passion for service to the community in which he's lived for 35 years. Al worked closely with Leisure Village to convert their irrigation system to recycled water and is committed to developing long-term water self-reliance.

ENERGY

that complex is \$6,000 a month. Is the building suitable for solar panels that transform sun power into electricity for a fraction of the cost? A representative of a solar design company recently told the committee that it is and presented information about government incentives and rebates that could pay for most of the installation. Villagers asked questions about how much a system would cost, what it would look like and how long it would last.

Inspiration for the Clean Energy Committee came from the successful reclaimed water project that transformed the Village's irrigation system into an award-winning environmental model. Also led by Bob Ellis, that process from investigation to approval and installation took years. It made Leisure Village a leader in California water conservation and has already

dramatically cut costs.

"Clean energy also could bring value to the Village," says committee member and retired engineer Frank Seiden. "But no decisions can be made until all options – including wind and biomass — are explored."

Villager Ross Edmonds, who retired from GTE, adds, "I don't have a sense of urgency. I want to be sure we make the right choices at the right time for the right reasons."

Companies with expertise in all forms of clean energy production are being invited to make presentations to the committee. Eventually, members will produce reports and recommendations but will not make any energy decisions. That's the job of the Board of Directors.

Research will take time. But some committee members can't help looking ahead.

"I can visualize a display in the Rec Center," says Ivan Bjel, "that shows in real time just how much energy we're using and how much money we're saving."

assured.

I used that old camera, almost an antique when I obtained it, until 1959. I remember, because we had planned a Christmas vacation trip to Cuba, and Kay felt we should have a bit more modern equipment. He came home with a small, used 35 millimeter camera, which launched us into the slide era. Our trip to Havana was the last tourist trip allowed into Cuba after Fidel Castro took over and the United States closed borders between our countries.

Incidentally, that first little camera was just plain used up; the lens developed a hole in the center which leaked light, so it had to be discarded.

We were always "water people" and took many photos of swimming, surfing and water skiing. In the 1950s, we also took up snow skiing. I could never get my fill of magnificent snow-clad mountains, bracing cold air and high altitudes. I bought a tiny slide

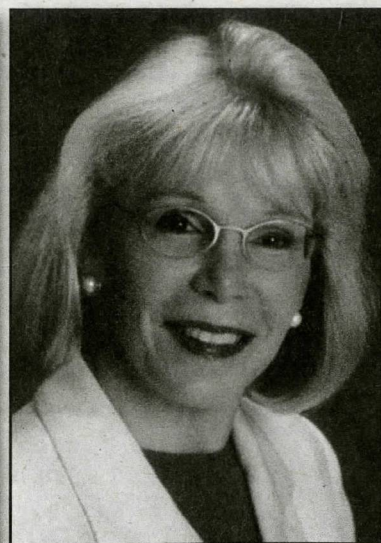

camera that would fit in my parka pocket and took it on every trip.

Fast forward to Leisure Village, where we moved in 1976. We felt frisky enough to learn to square dance and round dance, and we spent several weeks each winter going to Mesa, Ariz., Northern California and several other resorts to visit and dance. Skiing was given up, reluctantly.

I visited the Camera Club to ascertain whether or not I would be interested, and I returned to challenge myself. My first entry in the Camera Club monthly competition, a slide of Mammoth Mountain's skiing expanse, won first prize! I was hooked.

I had a backlog of hundreds of slides to enter in competition, but rules changed. Pictures had to be more current, and then they had to be entered by computer. So, after dragging my feet, so to speak, I entered the computer age and learned to e-mail my (new) images to the club.

Showtyme

By Phil Kamens

Showtyme presents Ronnie Jayne on Friday, Aug. 13, at 7:30 p.m. in the AR. She has done it all — she sings, plays the piano and is quite a comic. She had a seven-year run playing the main showrooms in Las Vegas.

Ronnie was a featured performer with Bob Hope. She has been on seven international tours, and her television appearances include "Beverly Hills 90210," "Star Trek Deep Space Nine" and "The Jerry Lewis Telethon." I hope all our members will attend her performance.

Last month we had a fabulous show. I am happy to say we had more than 300 in attendance to see the fabulous Jimmy Chapel. He sang, joked and acted his way into everyone's heart. They loved him and gave him an almost full-house standing ovation, which he richly deserved.

If you have been planning on becoming a member but have just been putting it off, please bring a check and sign up at this August 13 meeting. Sharon Hahn, our very capable membership chairman, will be happy to help you.

Players Guild

By Joyce Belcher

This month's Players Guild meeting will be held on Aug. 19 at 7:30 p.m. in the AR. After a very short meeting, there will be a great workshop titled, "Broadway Potpourri." This is going to be a wonderful sampling of different Broadway shows. It will have singing, dancing and monologues of very famous shows. This workshop was directed and created by Belle Lorand, and I was honored to produce the show for her. So don't miss this upbeat and heartwarming show. As usual, there will be delicious refreshments afterwards.

LV Bowling League

By Marty Simons

Today, August 6, is important on two fronts. First, this newspaper is out. Second, this is Registration Day for the Bowling League. It takes place from 10:30 a.m. to 12:30 p.m. in the AR. You can register through Wednesday, Aug. 11, by calling Marty Simons at 987-9295.

If you are a new bowler to the league and do not have your bowler ID number and/or have not established an average, we can still get you in as a substitute. In fact, you can always join as a substitute throughout the year.

First, go to Harley's Camarillo Bowl and get an ID number. Just tell the person at the desk that you live in Leisure Village and they will take care of you. Next, you must bowl nine consecutive games (not in one day) and write down your scores. Turn in those scores and your ID number to

Marty Simons, pay your \$10 league dues, and you're in.

During open bowling a couple of weeks ago, one of our new bowlers had a pretty decent game. His name is Dennis Durand, and all he did was start out with 11 consecutive strikes. Unfortunately, his last ball only knocked down nine pins, so he had to "settle" for a 299. Wow!

On July 6, there was a Senior No-Tap Tournament at Harley's Camarillo Bowl. There were three Leisure Village bowlers participating. Bob McQuivey took second place, and Marty Simons was third.

For information regarding LV Bowling, call Marty Simons at 987-9295 or e-mail him at martys36@roadrunner.com.

Do not miss our 18-piece band that plays every Tuesday from 7 to 9 p.m. in the AR. They play some great music also.

Sing A Long

By Roy Badger

The August Sing-A-Long meetings will be on Aug. 9 and Aug. 30 from 7 to 8:30 p.m. in the AR. We have either Irene Olson or Stan Vansant play the piano. We always welcome new people and would love to have you join us. Please come, bring a friend and have an enjoyable evening singing some good old tunes. We have about 60 to 65 people who come to each meeting.

This past month we had about six new people join our group. We all get to sing, sometimes by microphone with everyone else singing as well. We

also get a group of men up to sing, and other times a group of women sings together. This group has a lot fun, so why not try it some evening? Come and bring a friend for our August meetings.

Mens Golf

By Mannie Abbate

Monthly meetings are held on the second Tuesday of each month in the MPR at 2 p.m. Pre-meeting refreshments are served at 1:30 p.m. Come early, have bagels, cookies, coffee wine or punch and chat with the members. Get 50/50 tickets for a drawing at the end of the meeting.

We will play at Elkins Ranch on August 26. Check the bulletin board at the course for all the future tournament dates.

Secretary Bob Riveles has created a newsletter called "Around the Greens." This is another source of LVMGA information for our membership. It will be e-mailed

to members who have given their addresses to Ernie Ohmstedt. Also, look for copies at the First Tee on Tuesdays. If you don't have e-mail or you don't play on Tuesdays, let Bob know and he will get a copy to you.

President John Wirtz was overwhelmed by the support the LVMGA received from our members and numerous LV residents for the "Veterans Stand Down." So many have expressed their gratitude to the young people who serve our country and protect us while we enjoy our lives here in Leisure Village. He received a truckload of clothes, new and experienced, as well as numerous food chits for meals at McDonald's and In & Out Burgers. Our contribution helped make the venture a huge success.

Second Vice President John Palmer announced the Tee Timers Golf and Luncheon on Wednesday, Aug. 18, in the AR. This year it is hosted by the LVWGA. Tickets are \$6.00 for lunch. Golf is \$1.00. All are welcome, family and friends included. Tee-off is at 8 a.m. Sign

up on Tuesdays at Men's Golf or Wednesdays at Women's Golf. Happy hour is at noon, and lunch is at 1 p.m. There will be a continental breakfast before golf. The menu includes baked potato, stuffed the way you want it, tossed green salad, coffee, punch and dessert. Call Howard Koehn or John Palmer for tickets and to sign up.

Every male resident is eligible for membership in the LVMGA. By joining our club, he can play in our home course tournaments, attend our social functions, attend our monthly meetings, participate in our handicap system and play in our regulation course tournaments at many of the public courses in an area from one to 30 miles around Leisure Village. Do some recruiting to get new members!

Camera Club winners for July

By Marion Green

The Camera Club held a very successful auction at their June mid-month meeting. Proceeds were in excess of \$450. The new overhead projector, generously donated by Inside Leisure Village with the installation paid for by The Boosters, was put to use successfully for the first time. This will be a wonderful asset and will benefit many of the Village clubs and their activities.

We welcomed Pat Baumstark as our judge for the evening.

The Assigned topic for the July meeting was Candid Camera. The winners were: first place, Betty

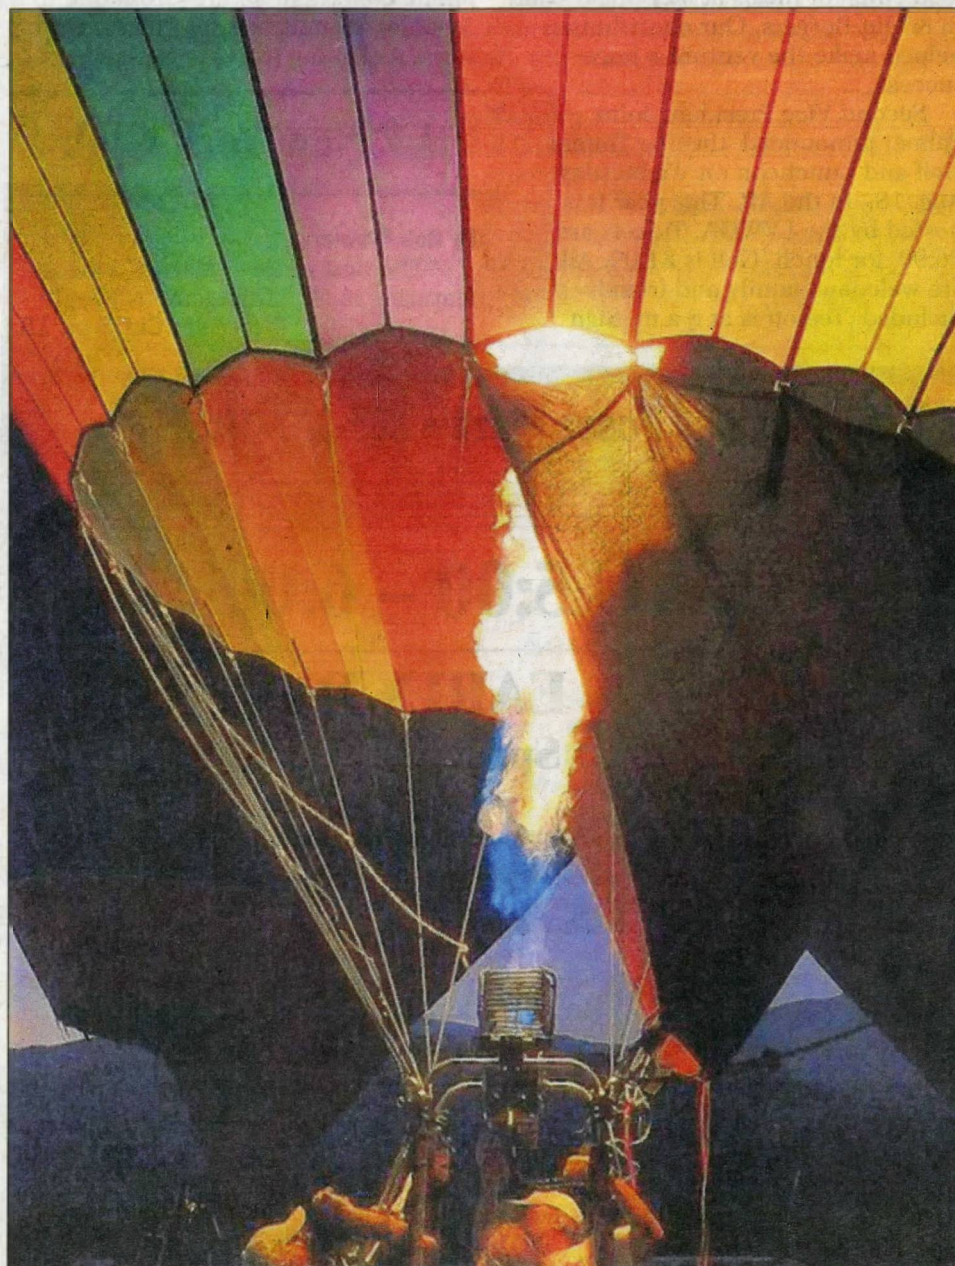

Murray; second place, Marlene Votion; third place, Margaret Peterson. Honorable Mentions were awarded to Don Treadwell and John Mayer.

In the Open category, first place was won by Jerry Cohen; second place was won by Florence Gillman; and third place was won by Don Treadwell. Verna Cryder and Vic Fledge won Honorable Mentions.

In the Creative category, first place went to Jerry Spector; second place went to Marlene Votion; and third place went to Jerry Cohen. Honorable Mentions were awarded to Margaret Peterson and Judy Spector.

Betty Murray's "Taking a Unique Shot," took first in the Assigned category of Candid Camera.

Jerry Spector's "She's Very Wicked" took first in the Creative category.

Among the 103 Leisure Village Camera Club photos hanging on the walls of the newly remodeled Camarillo Healthcare Center are, left, "Reflections at Balboa Park," by Judy Spector, and "The Candy Factory," by Jack Caldwell.

Camera Club donates photos to healthcare center

Early in February of this year, Judy and Jerry Spector were visiting his mother, Elizabeth Spector, formerly of Village 20, at the Camarillo Healthcare Center at 205 Granada Street in Camarillo. Judy was sitting outside talking to Matthew Huefner, the administrator of the facility, when he said that the center was in the midst of a major renovation. Judy asked Matthew what they were going to hang on the walls. Matthew said they were going to buy some pictures.

Later that afternoon, Jerry met with Matthew. Jerry explained that the Leisure Village Camera Club, of which he is president, had more than 6,000 digital images and that the club would love to donate pictures for the facility.

Jerry's mother was blind and very sick, but she knew about this project. She would ask about the progress every time Jerry and his wife and sisters visited.

Matt and Jerry met several times to review several hundred pictures. A decision was made as to the type of mattes to be used, and the facility purchased 103 frames — 60 large ones for the hallways and 43 smaller ones for the patient rooms. Each picture chosen was sized and printed, and by the middle of May, all the large pictures were hanging in the hallway.

Unfortunately, Elizabeth Spector died on May 23. She never lived

Grand opening

All Leisure Village residents are invited to a grand opening of the newly remodeled Camarillo Healthcare Center on Wednesday, Aug. 11, from 2 to 4 p.m., honoring the Leisure Village Camera Club for its donation. Hors d'oeuvres will be served.

to see the project completed, but the pictures are hanging as a final memorial in her honor, as a gift from her son and the Leisure Village Camera Club.

It is an honor to all of the Leisure Village Camera Club photographers, whose ages range from 55 to 101, to have their work permanently hanging in the Camarillo Healthcare Center.

The pictures are more than just beautiful; they bring back memories to some of the patients. Some have commented that they could remember being at the location where a certain picture was taken. Others use them for directions: "My room is right next to the duck picture" or "My room is right next to the beautiful waterfall."

The Leisure Village Camera Club is proud to be a part of this remarkable project. May the patients and staff feel like they are at home and always enjoy these pictures.

Marlene Votion's "Tadpole the Clown" hangs in the healthcare facility.

Whose photographs are on display

Camera Club members whose photographs are hanging in the Camarillo Healthcare Facility are: Jerry Spector, Shirley Williams, Don Treadwell, Margaret Falconer, Bill Robinson, Vic Fledge, Eduardo Bruzzone, Margaret Peterson, Jerry Cohen, Marlene Votion, Betty Murray, Florence Gillman, Judy Spector, Dick Berman, Jack Caldwell, Verna Cryder and Bob Sandusky.

It will be a good time to renew your yearly membership of \$7, well worth the price compared to \$3 for each show. New members are always welcome, and you don't have to be a New Yorker.

July's program, "Opera Kadabra" with the strong, baritone voice of Patrick Bell, combined opera and an audience participation magic show and delighted everyone. We can thank Harry Rosenberg for his wise selection of shows that we enjoy and look forward to seeing every month, and we give a special salute for his management of the 10th anniversary dinner starring the dynamic and captivating Tatjana.

The Booster Club

By Lin Grant

Your LV Booster Club is looking to provide interesting ways to bring Villagers together in fun and fellowship. Our charter is to also create fundraising opportunities that allow us to purchase items outside the budget to enhance life in our community.

The next event planned is for Veterans Day afternoon in the AR. We will present a USO event, free to all who attend (yes, I did say free!). We want to recreate the atmosphere of fun and relaxation that has been provided by the USO for all services during all conflicts — and during peacetime as well. The Booster Club wants to celebrate the service of all of our LV veterans with a special

afternoon. The free tickets will be distributed two to a household; stay tuned for details in the next months.

The Boosters are also looking for talent to appear in our version of the late 1970s famous "Gong Show." "Talent" acts should be no longer than a few minutes and can be of any type, serious or not. All potential participants should be prepared to be "gonged" as part of the fun. If you and/or friends want to audition, please e-mail (not phone) Lin Grant at grantlinnie@roadrunner.com. We hope to present the show mid-October.

The Boosters meet in the Garden Room the second Tuesday of every month, at 6:30 p.m. for social time with the meeting starting at 7 p.m. Please join us; we need your support. And besides, we are a really fun group!

Village Arts

By Rita Linsey

On July 7, more than 50 members and guests attended the Village Arts Luncheon & Art Auction. The event was a huge success. The auctioneer, Fred Vajda, was decked out in tuxedo, orchestrating artwork sales, where he delighted the audience. Twenty-five art pieces were presented, with 23 being sold.

On August 4, the Village Arts organized a docent-guided tour to the Studio Channel Islands Art Center, now located in Old Town Camarillo. The museum has numerous workshops, paintings, sculptures and photography, weaving and fabric-making displays.

Our active club is having its Second Annual Art Walk in the Gazebo Gardens on Saturday, Aug. 28, from 10 a.m. to 3 p.m. We invite Villagers and guests to stroll

through this lovely setting and enjoy outstanding artwork done by our own artists. Lemonade and cookies will be provided in the gazebo. There is no charge for this event.

Writers Club

By Lois Keeler

At our last meeting we had 23 people in attendance. The subject was "Remembering World War II." Several veterans, both men and women, wrote stories about their time in the service, and they were all very moving. Other people spoke about their feeling at the time and the camaraderie was overflowing.

I just want to express our feelings at this point about our joint meeting and our project with the Camera Club. It was a great success, and we all want to thank them for welcoming us so beautifully with a cake and friendship. We will definitely do it again.

We are now involved with two

new projects. The New York Club has asked us to submit stories about any experiences we may have had while living in New York. This should be a fun happening. Also, members are working on stories regarding life here in the Village, like its history, major improvements, clubs, trees and shrubs, travel club, trips and general information for residents. This should be interesting and informative and will be submitted to the editor of Inside Leisure Village for possible publication.

RV Club

By Fred Sass

Our next meeting will be Tuesday, Aug. 17, at 7:30 p.m. in the MPR. If you are new to Leisure Village and have an RV, come and be a guest at our meeting. We love to talk about RVs and trips and anything in between.

Camera Club

Our competition night was August 4, and the subject was Shadows and Reflections.

Our potluck dinner will be on August 11. Everyone is invited to view the judging process on the first Wednesday of the month. It is always interesting to hear a professional photographer critique our pictures. Refreshments will be served.

There will be no mid-month meeting in August. Our scheduled first and third Wednesday meetings will commence again in September.

Bring your own picnic lunch and, as always, BYOB. The club will provide water, and the barbecue will be available for any of those who wish to grill. At 2 p.m., the club will provide ice cream and toppings. This event is for paid-up members only. If you have not paid your dues for the May 2010 to May 2011 year, and you would like to attend, Sharon O'Connor will be collecting dues at the picnic. Dues are \$5 per person. Please come and enjoy a summer day in the park with friends.

We are planning a Casino Night on Friday, Sept. 24, from 7 to 10 p.m. in the AR. There will be four poker tables, eight blackjack tables, one roulette table and one craps table available for play. Tickets will be for sale at \$20 each and when presented at the door the night of the event,

will be exchanged for \$300 in "funny money" for play at the tables. There will be prizes awarded at the end of the evening, with the top prize a three-day, two-night stay at Sam's Town Resort in Las Vegas.

The club will provide snacks, coffee and wine. What a great night this will be, so get your tickets early from any board member and they will also be for sale at the Game Day in August. Tickets will be limited to 150 and sold on a first come, first served basis. More information will be in the September issue of Inside Leisure Village.

There's still time! The SAS annual picnic is this coming Tuesday, Aug. 10, in the picnic area starting at 5:30 p.m. You still have time to make

your reservation by calling Zelda at 389-9694. The catered dinner by DJ's is Santa Maria Barbecue with grilled chicken, tossed green salad, barbecue baked beans, fruit salad, Parmesan garlic bread, coffee and chocolate cake for dessert. There will be special door prizes and two (I said two) Charlie Chaplin movies to follow. We also supply cold drinks, wine and beer. Members pay only \$14 and guests \$16. Give me a call. You'll have fun.

On the next Tuesday evening, Aug. 17, our SAS Theater will present "Valentine's Day." This is a romantic comedy starring Jessica Alba, Kathy Bates, Bradley Cooper and Eric Dane. As usual, members come free and guests are welcome to join our SAS for a mere \$5 per year. The movies are shown in the Annex.

Every first and fourth Tuesday evenings our "Manipulators" will be playing cards in the Annex. We have other games for those who would like to play different games. Come and meet us. Look for our flyers, TV notices and listen for Della who

makes a "personal" telephone call to everyone on the list.

Wow! What a fantastic picnic on July 16. Our annual affair was attended by 68 members and guests, with live music played by the Sam, Stan and Bob Trio for more than two hours. Great food was catered by Country Harvest.

Tennis will be featured Wednesday, Aug. 11, at the 7:30 p.m. meeting with early footage of the nationally known Bryan Twins, Mike and Bob of Camarillo. The film will show tennis techniques and strokes by Wayne Bryan, the twins' father, to help your game.

Discussion and refreshments will follow.

The summer is passing fast and vacationers are returning to Leisure

Village activities. The Women's Club General Meeting's dark month is past and our entertainment planning is moving along, first with the Caravan Family Band. Appearing next month, in September, will be the engaging and lovely Tatjana, singing and commenting in her inimitable style. The meeting is Thursday, Sept. 2, at 1:30 p.m. in the AR.

The Tuesday Workshop is well attended with crafts and needlework projects continuing. Do come see the retro jewelry table; it's of real interest, a place where you can see and try on earrings, chains, bracelets and find some treasures. And the price is right. Sales and work projects are on Tuesdays in the MPR from 9 to 11 a.m. Have a coffee and browse.

Saturday Night Dance Party

By Howard Koehn

After a two-month "mental"

vacation, (can't remember deadlines) it's time to get back to writing a Saturday Nite Dance article.

Attendance has been growing, even though we had to raise the price of admission from \$5 to \$7. August should be another great month. The Rhythm Kings are back on Aug. 7, Jerry Dokken is on Aug. 14, the Dick Parent Trio is Aug. 21, and Moore Music is Aug. 28.

The dance floor has been busy, but there is plenty of room for more. You can always come just to listen to the good music, or people watch, and maybe even make some new friends. Hope to see you there!

Lapidary Group

By Bill McGeehon

Summer has finally arrived, but the Lapidary Shop is still a cool place to work on a hot afternoon. And some of the regulars have been busy on these afternoons, fashioning rocks as gems, jewelry and/or keepsakes.

The long-awaited diamond drills have arrived, so if you have cabachons that you wish to have drilled, please contact Bill McGeehon at 384-0049 to set up a time to get your stones drilled and to learn how to do it yourself.

Regular classes for beginners and intermediates resumed on Tuesday, Aug. 3, and will be followed with each of the weekly scheduled classes on Wednesday afternoons at 1 p.m. and on Thursday evenings at 6:30 p.m.

Country Line Dance Workshop

By Ida Kubica

Dance Workshop meets on Tuesdays from 3 to 4:30 p.m. in the AR. At 2:45, Betty Dean leads a review of the dance steps used in the dances. It's also a good time to get help with a particular dance you may have trouble with.

Regular attendance is key to learning the steps. Remember, if you are new to our workshop, it takes time to master the dances.

Various styles of dances are practiced: rhumba, foxtrot, jitterbug, waltz, etc.

At this month's meeting, it was decided to donate \$50 to the Livingston Memorial Visiting Nurses Association, one of our favorite charities.

Membership is only \$3.00 a year. All membership money is donated to charity. We now have a total of 67 members, with many new members.

Call Rhoda Smithkin, our dance instructor, at 484-8132 for any questions you need answered.

Bocce Club

By Jan Tamburro

The Bocce Club held their annual tournament on June 21 and 22. The winners were as follows: first

place, Tony Ferraro; second place, Sy Blau; third place, Bob Hawrylo; and fourth place, Irv Cohen.

Our Bocce Picnic, catered by DJ's, was held on June 24, with more than 40 people attending. A delicious meal of tri-tip, barbecue chicken, baked beans, salad, dessert and beverages was served. Cash prizes were awarded to the tournament winners. Raffle prizes were won by Jack Prosen and Mark Stone.

Diane Fleisher, our Bocce president, announced that there would be no meeting in August.

In September, there will be a dinner, catered by DJ's, hosted by Jan Tamburro and Susan Kusak.

In October, there will be a potluck dinner meeting. More details will be available later.

Anyone interested in joining our Bocce Club, call Sy Blau at 484-8080. The cost is still only \$5 a year. If you are interested in getting your morning exercise and having fun doing it, come to the Bocce Court on Monday and

Jazzercise

By Bettie Twa

For those of you who haven't given Jazzercise a try, this is an open invitation to come and check us out. Our instructor is a highly qualified teacher with 20 years of experience as an instructor and eight successful years right here in Leisure Village. This is a low-impact class especially choreographed for our age group, starting off with a gentle warm-up, gradually leading into a light aerobic workout, some strength training and a gradual cool-down to a gentle finish. However, understand that we do get enough of a challenge to get our heart rate up to a healthy level before starting the cool-down process.

I have found in my own over 25 years of doing Jazzercise with a variety of instructors that Renee is the best I've ever had! She is an

expert in keeping us motivated with her encouragement and humor. Our welfare and improvement are her personal goals for us. This is truly a class for anyone who enjoys moving in a healthy way to a variety of music. It is so heartening to hear the success stories that come from this class.

Renee constantly reminds us how to modify what we do to suit any restrictions we may have and always emphasizes safety. You don't have to jump or wiggle anything to get a good safe workout if you don't want to. However, we are encouraged to put our own little bit of style into it, if we choose to do so, just for the fun of it.

She gives us all the latest health information she can as things come up in regards to the latest exercise fads and diets. We laugh a lot, enjoy some fun music and know we are getting a safe, healthy workout.

I actually had Jazzercise recommended to me by my cardiologist, many years ago.

It should be noted that we have

By Sue-Ellen Colp

The next dance will be tonight, Aug. 6, from 7:30 to 10:30 p.m. in the AR. The lesson will be at 8:15 p.m. Dave and Esther will be teaching the barn dance. This dance is easy and can be done by everyone.

Last month we had a line dance taught by Marshall and a couples dance, the Texas two-step, taught by Sue-Ellen, and they seemed to be enjoyed by all. Just come on by and join the fun. Cost is \$5. Bring a snack to share, and punch and water

will be provided. We will review the dances we have taught in the past so everyone can catch up and review. So come on down and meet new people and bring friends.

Thank you again to everyone who brought snacks and for coming. BYOB. For more information call Sharon O'Conner at 389-6834.

Tulips

By Anne Prowizor, V. 31

Do you believe in miracles?
If not, just watch the tulips grow.
They awake each spring from earthen graves,
Like Lazarus from his dark dank grave,
And grow towards Heaven straight and tall.
They're glad to feel the sweet warm air —
Free, at last, from their sunless tombs.

Their blooms glow like fluorescent paint
Vivid as any firework display.
Gaily they sway with each slight breeze
Nodding bright heads as if to say,
"Stop! Look at our dazzling display."
So feast your eyes, refresh your soul.
True miracles are where the tulips grow.

Roses can't replace you

By Mindy Gail Learn, V. 5

Roses can't replace your smile,
Your look, your voice, your touch.
I never dreamed I'd have the task
Of missing you so much.
Spring is here, and I am here
And melted is the ice.
I look outside the window
And the daffodils are nice.
But oh, that I could see your face
Outside my window sill,
My eyes would not be crying
And my heart would not be still.
But I am here and spring is here
And I call you on the phone.
Then you tell me that you love me
And here feels more like home.
