Dear Ms. Tolmach:

We are planning to issue press releases on the people who are serving as County Chairpersons for Senator Cranston's re-election campaign.

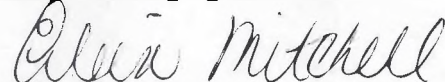

We would like to include in those press releases some statement by each person about why he or she is working for Senator Cranston's re-election. Why do you feel it is important that the Senator be re-elected? Are there reasons which have to do with your local area?

We feel some statements from you would be of interest to the media and the media audience in your areas.

I will be calling you next Wednesday and Thursday, August 28 and 29 to ask for your comments.

Thank you very much for your help.

Very truly yours,

Eileen Mitchell
