Dear ~~State~~ Committee Member:

Congratulations on your appointment to the Democratic State Central Committee. I look forward to working with you in the crucial years ahead.

I am seeking the office of State Women's Chairman and would like to ask for your support. Should I achieve the post, I pledge that I will devote my full energies to it in the belief that the next two years will determine the destiny of the Democratic Party in California.

The recent Primary campaigns attracted impressive numbers of new volunteers. Maintaining their interest by providing meaningful opportunities for them to continue as political activists is a top priority matter if we are to have a viable Democratic Party in our state. This infusion of enthusiastic new blood presents an unprecedented opportunity and an unequalled challenge to us all. I welcome the opportunity and accept the challenge.

I look forward to seeing you this week-end in Sacramento at the State Committee Meeting, and hope that I can count on your vote.

Sincerely,

*Adele Leopold*
