Dear Patricia:
Greetings from your Mom.
She & Motty came in this P.M. & brought
me a fresh kettle of soup - Good -! Better
than the first.
As you generally are away on Tuesday
P.M.s. we weren't able to contact you.
Nor was I able to get you by phone later
in the P.M. But that, I believe is typical
of your regular Tuesday P.M. I didn't really
expect to reach you. However, to bring

you up to date, This is my second day of
normality so tomorrow I shall go over to
the College for a while - renew my contacts &
get caught up myself on a few things.
I'll not go before 9:30 so, before you head for
parts unknown, give me a call so we can
agree on dinner time, if you want it any
other time than 6:30 especially.

Dale & Dorothy Lauer for months told me of a
place called Sahl's. Dale says the "only place
in Aliso Viejo" they think is outstanding. Perhaps we
could take a look at it - or any other place you
say. Anyway I'll be listening for a call from
you in the morning & it will be good to hear you
once again. Love as always - Carl.
I got my language records in Vietnamese!
