Dear Jane and Dan,

I want you to know just how very much I appreciated your thoughtfulness in sending holiday greetings.

Your expression of good will and encouragement is a great source of strength as all of us face a new year of challenges and opportunities.

It was wonderful to hear from you. All the very best to you in 1976

Very sincerely,

Alan Cranston

*Have you going great, Jane.
Sorry I couldn't make that date,
but I do look forward to getting with
you.*
