Dear Jane:

I want to offer my congratulations on your selection as a member of the Muskie Delegation.

As you probably know, I have been supporting Senator Muskie publicly for well over a year. I am confident that Senator Muskie will win the California primary if you and I do our job between now and June 6. Our campaign will depend largely on volunteer efforts. We must work district by district and precinct by precinct to organize this state for Senator Muskie.

As a member of the National Committee, I have devoted myself to the fight to reform the delegate selection process and insure that the 1972 convention will be open and democratic. I am, therefore, particularly proud of our delegation and the manner in which it was selected. I am confident that when we go to Miami we will be the most effective and most representative delegation at the 1972 convention.

If you have any questions concerning the convention or the arrangements, please get in touch with me. The convention sessions will be held on the evenings of July 10 through July 13. Low cost housing will be available as well as regular hotel accommodations. There will be a day care center for children. You will receive further information later regarding charter plane flights.

On to victory in the primary and at Miami Beach.

Best wishes.

Sincerely,

Stephen Reinhardt

*Jane -
