A drivers license is getting difficult to get for many people in this area. The problems that are encountered is the reading of English or the understanding of English. There are ways for applicants to get the drivers license other than just taking the regular test of forty questions. There is an oral examination which is given with a record which asks the questions in English and there is also an examination in Spanish which is not used too often.

We have found that people have problems because they go to get their license a few days or weeks before the license expires. What then happens is that they might miss the test and must return. Sometimes it takes them several weeks to prepare for the test but then they stand the chance of getting a license that is good for only three years where it would have been possible to get one that is good for five years. If you let your license expire, you might have to even take a drivers test and be treated as though you have never had a license.

Below are a few questions which appear in the most recent tests. We give them as examples so you might judge for yourselves how well you know the law. To judge for yourselves if you might not benefit from a CSO program, we say CSO but it really is part of the adult education programs.

There is a class which assists those who have language problems and who have a tough time passing the test. This class is held each Wednesday but will change to Monday effective Monday, February 20. The class begins at 7:30 PM in Room 126 of the Roosevelt School on East Santa Clara Street. There is no cost. FREE TO ALL THOSE INTERESTED.

Below are some of the questions.

If your answer is yes, put an X in the box, if your answer is no, do not make any mark.

1. Does the law say that you may never park on the roadway side of another car which is parked at the curb or edge of the highway?.....()
2. Is it true that you cannot be considered to be a negligent driver if you have been convicted of no more than six moving violations in one year?.....()
3. Is it true that you cannot be arrested for driving too slow?.....()
4. Is it true that if you are driving at under the posted speed limit you cannot be arrested for speeding under the "basic speed law"?.....()
5. Do you need a special endorsement on your regular operators license to drive trucks that weigh 12,000 pounds?.....()

6. If the visibility is poor, should you drive with just your parking lamps lighted?.....()
7. Is it true that when two cars reach a corner at the same time, the car on the right has the right-of-way?.....()

It was thought that it would have been possible to give you some information on the road signs. It appears from the space that is left that this will not be possible. We however want you to remember the classes that are being offered.

Mr. Price Webb has been through the years one of those genuine persons whose concern is the total community. These classes help those who have problems with the English.

The Answers are as follows:

1-yes, 2-no, 3-no, 4-no, 5-yes, 6-no, 7-yes.

Efforts are being made for free bowling instructions for all Mexican-American bowlers at the Ann Darling Bowl in the near future. For persons now bowling in leagues, these instructions will be helpful in raising your average and to enjoy your bowling more. For persons not in leagues, formations of leagues are foreseen, depending on the turnout.

Anybody interested, leave your name at the bowling desk and you will be notified when instructions will begin.

San Jose Refrigeration, a last place team in the first half of the bowling season, has bounced back to gain a tie for first place in the 850 Handicap League at Ann Darling Bowl, along with Scardina Brothers. Both teams now have 17-7 records with Jose Rodriguez Orchestra third with a 15-9 record.

Bowling high games have been John (Chapo) Muraira who had a 229, Mario Vazquez 215, Frank Kennedy 215, Harry Lambert 225, Fred Checchi 217, Manny Flores 213, and Lalo Ruiz 219.

Also at Ann Darling, Club Del Mar is leading the league with a 20-12 record. Showing a beautiful style was Margie Coca, who Thursday the 9th, rolled another even 200 game. This is her second of the season. Abel Acosta followed with a 185 and Hank Paramo with a 184 game.

At the Bowlarium, Lalo Ruiz has bowled what to us is the impossible, two over 600 back to back. His first was a 606, followed by a 607 and a 587 series. Lalo bowls with his wife Elvira, a good bowler in her class, in the Mixed 4 on Sunday nights.

Also at the Bowlarium, George Kamphen, President of the California Bowlers Association, showed that he could bowl too as he fired a 244-207-215 and a 667 series. The next week he proved that he meant business as he came back with a 239, 213 and a 612 series. He bowls for Pioneer Pump & Welding Co. George's bowling has moved his team into a 3 way tie for first place with San Jose Bowling Supply and Carburetor Electric Co.

Frank Gioltari of McElroy Lumber Co. also rolled a 223 and a 617 series.

Mike Opray of Carburetor Electric had a 212 followed by Mario Vazquez, an even 200 and 572 series.

At present, even though he does not have the highest average, Mario leads the Thursday Nite Owls League with a total pin fall of 10,721 in 63 games for an average of 170. Fred Checchi is next with 10,711 pins in the 170 average.

JUAN DIEGO el Mensajero Inmortal

de la VIRGEN de GUADALUPE
sera el GRAN SANTO de los MEXICANOS

Al asumir el cargo de representante de la revista JUAN DIEGO de la que es Director y fundador el mundialmente famoso escritor, historiador y conferencista, Padre Lauro Lopez Beltran en esta ciudad de San Jose, me propuse unificar el esfuerzo y encausar el entusiasmo de los mexicanos amantes y devotos de la Sma. Virgen de Guadalupe para ofrecerle como un homenaje nuestro empeño por elevar al honor de los altares, al dichosísimo y bienaventurado indígena que alla en las alturas del Tepeyac, hace mas de cuatro siglos tuvo la dicha infinita de contemplar su hermosura, y escuchar su voz dulcisima que lo llamara "Hijito mio a quien amo tiernamente como a pequeñito y delicado," y fue el intermediario entre su amor misericordioso y los hijos de la Patria Mexicana.

Pretendo que nuestras oraciones y nuestros trabajos se adunen a los que para el mismo fin, conseguir la canonizacion de Juan Diego, se estan llevando a cabo en Mexico.

Eso es lo que se pretende al buscar suscriptores para la revista JUAN DIEGO, y tal es el objeto a que se destinan los fondos que emdiante esas suscripciones se recaben.

Oportunísimo y completamente adecuado para este proposito juzgo el bello articulo que transcribo para deleite y enforvizamiento de los lectores, y que se debe a la pluma del eminente escritor salvadoreño Pbro. Baltasar Garay Martinez.

"Desde el ultimo rincon de esta bella America, la mas hermosa de todas las parcelas del mundo, se eleva un himno gigante que en acorde sonoro repite bajo todos los cielos el nombre querido del indio Juan Diego, y que es tan solo el grito de toda la raza indigena americana, que en una grandiosa conjuncion de anhelos y esperanzas, pide un altar para colocar en el a un santo que lleve en sus venas, mejor dicha, que sea todo sangre indiana.

Nosotros nos postramos reverentes ante los santos que regaron la lluvia del milagro en otras tierras, las que tambien perfumaron con el gratisimo aroma de sus virtudes, pero pensamos que son flores extrañas cuyas virtudes nos es casi imposible imitar, porque esta fuera de nuestro ambiente y fuera del medio en que nos ha tocado nacer; y que necesitamos de un modelo que haya sabido de lo obrasante de los soles de nuestros tropicos, de lo duro del trabajo en nuestros "huacales", de la penuria de nuestros bohios, de

los miseros jornales con que nuestra gente del campo tiene que contentarse para ir continuando una dura existencia, y tambien que haya soñado bajo la belleza unica de nuestros paisajes, en el rimar de nuestros rios, en la musica sibilante de nuestros pinares, y en la perenne ambrosia de nuestros balsamares costeros; que haya sabido de la lucha ciclopea que ha menestar las tempestades del espiritu en estas latitudes abrasadas por los fuegos del tropico que agigantan el incendio de las violentas pasiones y de los indomables instintos, en contraposicion con los paises en que el frio externo enfria con sus oleadas hasta las brasas del alma y las llamas del corazon; asi que surgir un santo de estas volcanicas y llameantes tierras, es en si un milagro mas portentoso que una teoria de almas selectas y perfectas de otras heladas y distantes regiones donde se agrupan grandes comunidades de fieles cristianos; de aqui la sublime alteza de las virtudes de aquel indio que por su belleza de alma, por el acopio asombroso de virtudes eminentes, por lo victorioso de su lucha contra sus pasiones y no por lo bronceado de su tez se granjeo todo el cariño de la excelsa Reina de los Cielos, que se entretuvo con el en dulcissimos coloquios que solo escucharon a orillas del Texcoco, mudas de asombro, purisimas cohortes de espiritus angelicos.

Nosotros, los que llevamos sangre autentica del indio, de ese indio maltratado y vilipendiado en los tiempos de la colonia, de ese indio humilde y de recio caracter, que no lo abatieron nunca ni las derrotas, ni los desprecios, ni los infamantes maltratos y agotadores trabajos, no dejaremos un punto en nuestro tenaz empeño de venerarlo un dia aureolado con diadema de fulgurante luz, sobre un altar hecho con las madres preciosas de nuestras montañas, y cuando hayamos agotado y todo se nos haga adverso y se haga como inutil tanto trabajo y futil y sin miedo esta dura e incesante lucha, sin darnos por vencidos nunca, esperemos todavia en la hermosa y alentadora promesa de la Inmaculada Reina del Tepeyac que un dia, teniendo por testigos a los angeles del Paraiso, le dijera mimosamente: "Mira que te lo pagare muy bien." Con esta divina esperanza que ha aguardado nuestra humillada estirpe y que no quedara sin cumplirse, a pesar de que ya hayan pasado cuatro largos siglos desde aquel momento grandioso de aquella sin igual madrugada en que fueran pronunciados por unos labios maternos, que nos trajeron un mensaje de los cielos que quedo impreso en la TILMA venturosa del indio JUAN DIEGO como un divino documento, escrito no con plumas terrenas sino por "pinceles que no eran de aca abajo;" y si ni aun esto que no puede fallarnos, fallara, entonces alzaremos un monumental altar con millones de almas sobre un gigante pedestal de corazones para colocar alla en la cima la morena imagen de nuestro Juan Diego, para venerarla asi con la sinceridad de nuestro amor y devocion ardiente, no con homenajes externos y solemnes como el merece, sino en el secreto intangible de nuestros espiritus, perennamente y sin mengua y sin ocaso y sobre otro Tepeyac luminoso y a la par de la Virgen Morena, mientras levantan un himno estruendoso y pujante las veintiuna naciones de la America de Colon.

San Jose--- After Isais (Friday) Aguilera claimed Miss Vickie Mora as his bride in nuptial rites here, they traveled for their honeymoon to Ensenada, Baja California, Mex.

The couple exchanged vows and rings in a 12:00 noon Sept. 28th, 1961 ceremony conducted by the Rev. John Amaya in the San Jose Apostolic Church in the Faith of Jesus Christ.

The daughter of (the late) Mr. Ezequiel Mora & Mrs. Mary Mora of Gilroy, Calif. was given in marriage by her mother. Her gown of Chantilly lace over white silk chiffon was enhanced by flower detailings with a three stranded pearl necklace around the neckline and a bodice formed in lace was adorned with the brides shoulder-length illusion veiling.

Honor attendants were Mr. and Mrs. Louis Rocha. Mrs. Rocha wore a blue organza dress enhanced by a blue crown and veil, blue satin shoes and carried a bouquet of medium blue carnations.

The son of Mr. & Mrs. Leopold Aguilera was given in marriage by his father and mother. He wore a white dinner jacket and black trousers combination, with a white daffodil bud on the lapel.

Completing the wedding party were the bestman Mr. Louis Rocha, who also wore a white dinner jacket and black trousers combination, with a white carnation on the lapel, the child Dorothy Rocha, 6 yrs. old who served as flower girl and the cushion bearers Mary Ann Mapalo 5 and Leo Aguilera age 6.

Vickie attended Gilroy Union High School and Friday graduated from James Lick High here in San Jose.

Introducing L to R. Mr. and Mrs. Leopoldo Aguilera parents of the groom and Mrs. Mary Mora mother of the bride Vicky Mora.

Appearing L to R (rear row) are the bride of honor Mrs. Sarah Rocha, bride, Mrs. Vickie Aguilera, groom Mr. Isaias Aguilera, bestman Mr. Louis Rocha.

(Front row) flower girl Dorothy Rocha, cushion bearers Leo Aguilera and Mary Ann Mapalo.

In this photo appear the Bride and Groom applying the final touch to the reception with the cutting of the cake which all of us enjoyed tremendously.

This outstanding event was climaxed with a surprise dance that was held at the American Legion Hall at White & McKee Rds. here in San Jose in benefit of the Bride and Groom where all of us enjoyed ourselves very much from early evening to the early hours of the next morning.

CLUB San Felipe

Tony Carvajal

HERE 'T IZ, another sneaky account of the latest tragic and happy happenings in San Jo! What in the world is in the gossip pot, not much, but after the account has been given, Sayonara, I'll be on my way to the moon.

DIZ N' DAT:

Irene Reyes laments for someone that left..... guess who?????

Everybody had a grand time at the "Baile Ranchero" it was certainly a success.

Licha (coily) Coca constantly seen talking to Jess Ramirez San Jose's Elliot Ness. Making it a trisome is the Mexican Marilyn Monroe Anna Dominguez.

A private farewell party in honor of Joel Reyes, son of Mr. and Mrs. Pedro Reyes, was held at my home. We had a very fine group. Among the people who attended was Trudi Jimenez, Art Cuellar, Vickie Gutierrez, Claudia Vitela, Tony Guillen, Candy Veliz, Joe Gonzalez, Dolores Sanchez, Amparo Sanchez, Cesar Isais, Virginia Jimenez, and many others.

A typical Zanzaree party was held last Friday---- so I heard. Five to ten guys to each girl and as Eleanor Solarez says "that was the idea."

Club Elite's girls were really having a ball at our "Baile Ranchero" Diane Barrera, Shirly 'Carlotta' Perez, Gloria Fuentez and Vickie Gutierrez really played the typical Texan role, while the more conservative Connie Rodriguez and Rachel Andres looked more like dudes.

A Bachelor party was thrown by San Felipe members for Joe 'Paye' Sanchez who will very soon wed Miss Lucy Walker. Gil Solarez and Paul Chavez were San Felipe's guests for the night.

Vickie Gutierrez did not stop to choose her words when she was telling Candy Veliz how much she thought he was worth. Boing! Boing!

To top it off (poor Candy) Mr. Veliz waited and waited for someone who never came----- guess who-----none other than the yesterday's blonde and today's purple-headed Eleanor Solarez. (Let's face it Candy you are a victim)!!!!!!

If you see Gloria Porras coming you better step aside-----she has been acting very devilish lately. She has been nicknamed 'The Townsmover'. She just won't pass a chance to cut anybody down.

Miss 'Nose in the Air' Anita Collins finally admitted being from Texas, and San Antonio is the spot.

A staff of bridesmaids composed of Elite members and escorted by San Felipe members were late to the

wedding ceremony of Mr. Ruben Ortiz and Miss Mary Nobel, the panting group arrived when the couple had already been married. The FOOD was DELICIOUS.

The Cha Cha contests at the Rainbow Ballroom are really something to see----the contestants are competing for cash--a reminder don't forget to include it in you income tax.

Also the dances at the Rainbow are certainly getting to be a specialty. See you gang next Saturday.

The picture is the group that represents the United Food Drive. The drive will be on Feb. 25 and 26. It is conducted by the clubs and organizations of San Jose. Plans have been made for a talent show which will take place at the Liberty Theatre on Feb. 25, from 9 to 12 noon.

San Jose City Health Department

A unique opportunity is being offered to residents of this area to have free eye tests to find glaucoma in its early stages.

This disease is an affliction which strikes about 2 out of every 100 persons over 35 and is the most common cause of preventable adult blindness in the United States. Blindness is caused by a build up of pressure within the eyeball which slowly destroys the optic nerves. Glaucoma is painless in its early stages and is without other detectable symptoms without seeing a doctor. Caught in time, it can be kept under control.

The Glaucoma Detection Clinic is sponsored by a non-profit community agency called The Sight Conservation Research Center with support from the Santa Clara County Medical Society and the San Jose City Health Department. The clinic is open twice weekly, Tuesdays and Fridays from 12:30 to 3:00 P.M., in the San Jose City Health Department Building in the Civic Center. Any person over 35 years of age desiring FREE EYE TESTS to find glaucoma in its early stages may make an appointment through the San Jose City Health Department, Cypress 2-3141, Extension 460. There is NO residence restriction.

Testing for glaucoma is relatively easy. First, clinic visitors are tested for visual acuity and side vision. Then a physician examines their optic nerve and uses a tonometer to check the pressure in the eye. The tonometer is a very sensitive pressure gauge which is placed on the subject's eyeball after his eye has been momentarily anesthetized. This combination of tests gives a clear indication of when glaucoma may be suspected. The person suspected of glaucoma is referred to his own doctor or one he selects for more complete examination and treatment. The glaucoma clinic gives no treatment itself.

The clinic which has been in operation for a month and a half has already uncovered seven confirmed cases of glaucoma whose ages ranged from 38 to 80. These are cases which the clinic referred to private physicians who confirmed the diagnosis.

Although the clinic uses San Jose City Health Department facilities, it is run with some volunteer help and through the efforts of its sponsoring members. Its Board of Directors includes nine local physicians.

United Food Drive

Gil Solarez

Watch for the 25th and 26th of Feb. On the 25 the United Food Drive Committee will feature a talent show at the Liberty Theater from 9 to 12 in the morning.

This year we're sure you'll enjoy the entertainment especially the youngsters. Some acts on the show will be donated by Club Elite, San Joaquin, Bachelors, San Felipe, and Lew's Village.

REYES BALDERAS will sing a few songs. His style closely resembles that of Miguel Aceves Mejia.

DAVE GARY & THE LATINEERS will make their third Talent Show appearance. This is the best rock 'n roll combo in the Santa Clara Valley!

We urge each and everyone of you to attend and please tell your friends about this wonderful show.

The 26th is the big dance at the I.E.S. Hall in which four outstanding bands will sound off with the most popular cha cha chas, boleros, corridos, mambo, and what have you.

The popular BOBBY ZAMORA BAND will play the first shift at the dance, followed by JOSE RODRIGUEZ ORCHESTRA, CORONADO, and another band yet to be selected.

The dance will begin at 2 p.m. sharp.

Make it to the Talent Show! Make it to the Dance! Remember only you can make this dance a success and aid others less fortunate than yourself.

At this moment we from the United Food Drive would like to thank the ones who have made our job much easier, Mr. Humberto Garcia, Publisher of EL EXCENTRICO MAGAZINE, K.N.T.V. Channel 11, Richard Diaz, photographer, Bill Pedigo of the Union Gazette, San Jose Mercury-News, Shopping News, Night Letter, Father Jose Peña, and of course the El Excentrico staff, Shirley Perez, Mario Vazquez, Esther Medina, Maria de la Luz Sanchez, Joel Aguilera, Tony Carvajal, and Dave Sierra.

Thanks a million for your co-operation!

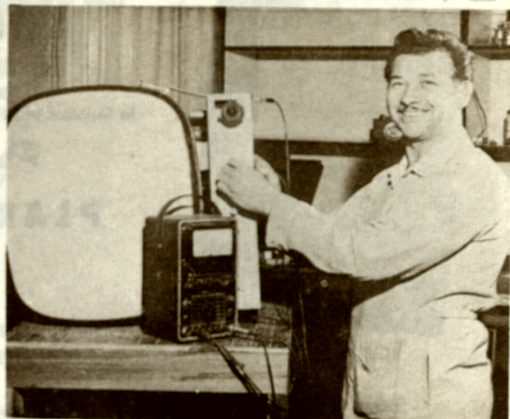

Admission for the Talent Show and Dance will be either non perishable food or money donations, for needy families.

*"It's
No Secret"*

I can truly say that this year's United Food Drive will be bigger and better than in previous years. The two-day drive will commence with a talent show Sat. Feb. 25 at the Liberty Theatre from 9 till 12. Show chairman Hank Paramo promises some terrific acts.

The climax of the campaign to collect food for the needy people will be a seven hour dance at the I.E.S. Hall Sun. Feb. 26th where four well known bands will donate their services. They are Rudy Coronado, Los Caudillos, Jose Rodriguez, and the fourth is yet unknown.

Candy Veliz is doing an extraordinary job as chairman, and Joe Gonzalez is head of the dance. Lena Manriquez has been very generous with several donations. The United Food Drive committee is wholeheartedly working to make it a success. We feel we're doing our share to help all those needy people who are unemployed, so how about helping us by attending both of these events, a can of food will get you in, although we'll be real happy if you bring more.

DILLY DALLINGS.....

The Zanzaree Valentine Party was a real blast and everyone had a ball. Everyone was there and the shindig was anything but dead. That's what I call letting your hair down and enjoying yourself. Rudy Moya with Susy. (They are secretly engaged) got the report that he finally conked out. Gloria Montañes dancing with Chon Hernandez who was wondering where everyone came from..... By the way many thanks to the Hernandez family for their cooperation and use of their home.

Frank Gomez left embarrassed over the incident with the cute redhead.

Charlie Molina getting caught on Helen Solarez's dress, very frustrating, huh Charlie?

The famous pair Hank Paramo and Gil Solarez making it with the pose. Irene Sandoval and Norma Reyes talking to all the boys.

Angie Jaramillo even had two dancing partners, how do you do it, Angie?

Roy Ordóñez didn't make it cause he's busy with Millie Vega.

Cesar Isaacs calling up a certain girl at one o'clock in the morning.

Candy Veliz going to see Eleanor Solarez at her job in his pajama top.

See you at the Food Drive.

Esther

C.S.J. HOOPSTERS EDGE BACHELORS 37-35

Coach John Madrid's Club San Joaquin varsity basketball team edged The Bachelors 37-35 on Sunday, February 12th in a game that his players had vowed to win, OR LEAVE THE CITY.!!!!

Dave Salazar, Bonie Villegas, Frank Serrano, Jess Aguilar, John Zamora, John Madrid, and Ray Silva were instrumental in getting CSJ their first UCC win of the 1961 campaign.

AROUND THE U.C.C. SCENE:

Hey John Gonzales, aren't the Señors taking a helluva chance of losing by forfeit by playing Phil Zuniga? Happens to be ineligible due to having played on last year's San Jose City College state champions. Here's a tip: Play him against Casa Mañana. Al Velasquez is just itching to turn Gerry Gilbert loose on you cats. If one is eligible, so is the other, and two can play that game!

Six members of Club San Joaquin would like to thank the lady sitting on the south side of the gym, in the grey dress, for the stimulating display of her gams. Prettier than Larry Brady's jump shot!!!!!!

CASA MAÑANA 60-54!

Coach Johnny Zamora's CSJ bees turned in one of the most startling upsets in the three year history of the U.C.C. B Class Basketball League, turning back Casa Mañana 60-54 on Friday, Feb. 10th.

Sharpshooting by forwards Bobby Samarippa and Manuel Garcia, and big center Bob Garcia, paid off in victory No. 2 for Zamora's men.

Controlling the backboards for CSJ were Ken Saucedo, Eppie Gallego, and Bob Garcia.

C.S.J. members give blood for valley girl

Fifteen Club San Joaquin members bared their upper arms at the American Red Cross Blood Donor Center, 440 North First Street, San Jose, two weeks ago, extending a long helping hand to Miss Yolanda Cisneros, a 17 year old Tipton (San Joaquin Valley) girl who recently underwent a delicate heart operation in Children's Hospital, Fresno.

Miss Cisneros underwent the open heart operation, only the third of its type ever performed at Children's Hospital, a few weeks ago and is today convalescing at her Tipton home.

Hospital spokesmen said a team of doctors had done research for over a year before daring to attempt the extremely delicate operation.

In an open heart surgery, the heart is laid bare. To enable surgeons to work on it to correct, what is known technically in this instance as an interatrial septal defect, the heart lunch machine takes over and the blood is kept in circulation, but bypasses the heart.

Yolanda's defect was about the size of a dime, preventing her heart from functioning normally. The attractive Tulare Union High School student has been troubled since her 8th birthday and by the time she was eleven years old a definite heart murmur was detected. She has been handicapped since.

Yolanda is the daughter of Mr. and Mrs. Hilario Cisneros of Tipton. She has three brothers, Hilario, Jr. 10, Ruben 15, Johnny 12, and a married sister, Mrs. Senaida Garcia.

The entire membership of Club San Joaquin hopes that you recover completely, Yolanda, and as most of the boys said after donating blood, "ANYTIME... ANY TIME."
