Vol. 29 No. 4

An Active Senior Community

Santa Rosa Road, Camarillo, California

April 4, 2008

2 new members join LV board

Two new members of the Leisure Village Board of Directors were installed Monday, March 17.

President Carol Sweetney-Zimmet and Secretary Harold Goldwasser tendered their resignations due to health reasons effective March 16. Gerald Rosen and Joseph Benti were appointed unanimously by the three remaining Board members to serve as interim directors through June 30, 2009.

The new makeup of the Board following the nomi-

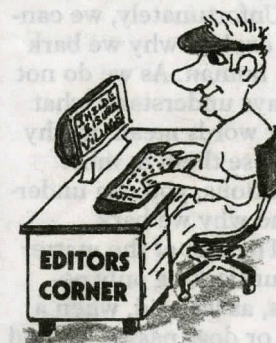

nations and acceptances are: Bob McQuivey, President; Gerald Rosen, Vice President; Ted Lansing, Treasurer; Marge Lorraine, Secretary; and Joseph Benti, Director-at-Large.

Goldwater expressed to Inside Leisure Village his regrets that health issues forced his resignation from the Board and his pride for the accomplishments that the previous Board made in service to the Village.

Please see Page 10 for a summary of McQuivey's comments.

The Leisure Village Board of Directors is now made up of, from left, Ted Lansing, Treasurer; Jerry Rosen, Vice President; Bob McQuivey, President; Marge Lorraine, Secretary and Joseph Benti, Director at Large.

New feature

Inside Leisure Village begins a new feature in today's edition: "Did you know that ..." Look for it on Page 9.

Reverse mortgages

A very controversial subject, especially to seniors, is the question of reverse mortgages. There was an interesting commentary in the March 11, 2008, issue of the Ventura County Star addressing this issue. The article was written by Lorraine Jones, a reverse mortgage consultant.

We emphasize that Inside Leisure Village makes no endorsements for or against financial matters. We call your attention to this article for information purposes only.

'The Butler Did It' runs April 23-27

By Al Schwartz

Players Guild of Leisure Village is proud to entertain you with the mystery-drama-comedy "The Butler Did It," featuring some of our Village's most talented performers. They have put in many hours to make this production one you will remember for a long time.

Tickets are only \$7 and the show will be presented five times, so there are plenty of good seats still available. Tickets are on sale in the front lobby on Mondays and Fridays from 9 to 11 a.m. and on Wednesdays from 1 to 3 p.m. If you are one of those who must wait until the last moment, tickets

can be purchased one hour before showtime.

Showtimes are Wednesday, April 23, through Saturday, April 26, at 7:30 p.m., and Sunday, April 27, at 2 p.m.

This is our blockbuster offering of the year. Bring your friends and family. Let them see what we Villagers can accomplish!

LETTERS

We apologize if we cause discomfort, but we would like to make our case.

You see, we are dogs, and our means of communication is barking. That's our language. We only bark when another dog or dogs pass our property.

Unfortunately, we cannot explain why we bark to a human. As we do not always understand what your words mean or why you use them in most situations, you can understand why we bark.

The fact of the matter is our barking only occurs, as we said, when a dog or dogs passes by, and that only lasts a minute or two. Oft times we do not bark because the owners of these dogs speak to us nicely. Oh, I must confess that one of us dislikes the mailman and UPS drivers, so she barks at them. This also lasts a very short time.

Just as humans speak to each other when they pass on the street, we sometimes bark at our dog neighbors when they pass us. It's just natural for us to do this. To try to keep our outside barking to a minimum, our owners let us out no earlier than 8 a.m. and have us back in

the house at sunset.

Again, we apologize for any discomfort we are causing, as our owners want to keep the neighborhood as peaceful as possible.

— Guinness & Sadie, V. 25

This is another word of warning when we have home service needs.

Too often, when we are alone, we are taken advantage of by contractors. We take these people at face value and expect charges to be honest, straightforward and on the level.

Some service people, unjustifiably, juggle agreements. Moreover, they will go into private spaces and use our items during service procedures, then take the items away with the debris. These contractors must have their own tools and equipment!

But theft comes in many forms and should be exposed to cut back on this particular pickpocket practice.

Therefore, I am forewarning those who need work done to be observant and, particularly, to get it in writing!

Expecting common courtesies and respect makes all the difference.

— L. Oberman, V. 1

Ex-Villager in the spotlight

Breathe easily this spring

By Lorraine Comer

It's April, and maybe some April showers will bring May's flowers. We want to be able to enjoy the weather and the time we can spend outdoors.

During each Better

Breathing session we discuss improving our breathing patterns so that shortness of breath isn't a problem. Hope to see all of you the second Wednesday of the month at 10 a.m. in the Sun Room.

Summer volunteers needed

There is a very worthwhile program to help seniors, the disabled and the blind who have low income and few assets to receive assistance from the state. These people must apply each year for this aid, and they need help in filling out their applications.

The program starts in July and ends in October.

Volunteers are asked to donate three hours once a week to set up half-hour appointments for applicants to this program. There is a brief training session at the beginning of the process. No special skills are necessary.

Call Mitzi Ettinger at 482-8361 for more information and to volunteer.

Spanish, ethics classes offered

The students of Marta Garya's Spanish Conversation class have asked us to arrange another eight-week class to continue in April and May in the MPR on Wednesday mornings between 9:30 and 11:30 a.m.

The fee will be the same, \$65.00.

New students are invited to come and join this enthusiastic group.

Also back by popular demand: Professor Carolyn Dorrance will be teaching a class in "Ethics," both the history of ethics and the ethics of our political system. It will be scheduled on Tuesday afternoons sometime in the fall. Information will be available at a later date.

Call Mitzi Ettinger at 482-8361 for details.

REALTORS CORNER

**By Sharron Parker
Troop Real Estate, Inc.**

In talking with a client recently, it was her understanding that federal tax law allows a seller of a primary residence an exemption from capital gains tax up to \$250,000 for a single person and up to \$500,000 for a married couple. She asked a very astute question, "What is the exemption amount if one of the spouses passes away?"

I posed that same question to a certified public accountant. The explanation to me is that if the home was the couple's primary residence — and depending too on how title is held — then the appraised value of the property at the time of death

becomes the cost basis for the home. So, if it is appraised for \$500,000, then there would be no capital gains tax to the remaining spouse. The same is true if it is appraised for \$1 million — no capital gains!

That information was quite important to my client in the continuation of her estate planning.

I am confident that there are limits and restrictions to these provisions of the Internal Revenue Service code, and you should always consult with your qualified CPA and/or attorney before making personal estate planning decisions.

Spring sale coming up

By Gertie Dorward, V. 1

Saturday, May 10, from 9 a.m. to 1 p.m., is the date for the annual Spring Cleaning Sale. It's the day before Mother's Day, so bring your family along. The sale is in the Pavilion area, next to the swimming pool.

Reserve your tables early. They really sell fast for the low price of \$5

each. This money is used to supply the free hot dogs and goodies that all the sellers and buyers enjoy.

As usual, all the monies that the sellers receive is kept by them.

If, per chance, the sellers do not sell all their goodies, the Salvation Army truck will be here for all your donations.

Car show planned for May

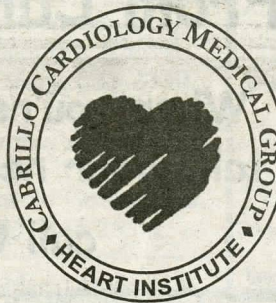

We received so many good reviews about our last car show in 2006 that we thought we would do it again!

So, what we're planning is another gathering of vintage, classic, new, unusual or unique vehicles in one of the Recreation Center parking lots on Saturday, May 17.

We are also expecting to have more special displays, music, food, a Best of Show award and a

surprise guest from a major automobile magazine to talk cars and present the award. This year, we have expanded the show to include entries from Village residents and their families, plus Village employees and their families.

If you or a family member has a classic, antique, hot rod, custom or hybrid car, a motorcycle or any unique vehicle, please call Tom at 445-4453 or John at 384-8508.

How to get the tax rebate

Seniors need to be aware that those who would not normally have to file a tax return need to fill out only a couple of lines on their tax return for 2007 to get their rebate checks under the econom-ic stimulus package signed into law a few weeks ago.

Those receiving Social Security and/or veterans' benefits need to file form 1040 or 1040A to note only their names, ad-dresses, Social Security numbers and the amount

of that income on line 20a of Form 1040 and 1040A. Low-income filers may be able to use Form 1040EZ to simply note that they earned income of at least \$3,000.

Low-income and moderate-income tax-payers can get help from VITA, Volunteer Income Tax Assistance, at (800) 906-9887. Filers who are 60 or older can call AARP Tax-Aid program at (888) 227-7669.

McQuivey hails departing board members

This is a summary of Bob McQuivey's comments at the March 17 Open Board Meeting:

On behalf of the three remaining Board members, I would like to take this opportunity to sincerely thank Carol Swee-ney-Zimmet and Harold Goldwasser for their many years of service to Leisure

Village, and in particular their willingness to serve in the past as members of the Board of Directors.

Irrespective of whether or not you agreed with their political viewpoints, decisions as Board members or any other aspect of past involvement, I can assure you that both served with a dedicated interest

of maintaining and improving the community in which we live.

Because of this willingness and dedication, will you please join me in sending a sign of our appreciation to both Carol and Harold, and also in wishing them both good health in the future.

Thank you.

Food Share can harvest your fruit trees

By Susan Amerikaner

Yes, it's true. You can get your fruit trees gleaned for free and do a good deed for those in need!

As I walk the Village, I am sad to see so many trees laden with lemons, oranges and other fruit left to ripen and fall to the ground. The fallen fruit attract rodents, too.

Food Share, Ventura County's Food Bank, will

come to your home and harvest your overflowing fruit trees at no charge.

Lance Ferguson, head of the program, says, "We would love to come to homes in Leisure Village."

Lance would instruct his helpers (all volunteers) to leave a small bag of fruit for the resident, too! It doesn't matter how tiny or tall your fruit tree, all you need to do is call for an

appointment.

To make an appointment, call Food Share at 983-7100, ext. 135. This gets you directly to Lance or his voice mail. Don't forget to call the LV Main Gate on the appointed day to let them know that Food Share will be coming to your house.

This is what I call making lemonade from too many lemons!

More about bionic teeth — dental implants

By Dr. Saj Jivraj, DDS
Second in a series

What can go wrong with dental implants?

There are really not too many things that can go wrong with dental implants. They can fail to integrate into the bone and come out. They can fracture and break. There can be problems with the connection between the implant and the prosthesis. There can be an infection or an inflammatory condition in the soft tissue and sometimes in the bone as a result of the implant placement. There can be damage to the nerves in the lower jaw, and there can be damage to the maxillary sinus or

the nasal cavity.

All of these complications are rare and usually account for less than 5 percent of all dental implant treatments. These complications can usually be easily corrected.

Whom should you see?

Before implants, you went to either your general dentist or, if you wanted a specialist, to a prosthodontist. It's the same today.

If you want to replace missing teeth, talk to the people who do that job and they will be glad to discuss the use of dental implants in that process. If you decide that dental implants are for you, then your general dentist or

prosthodontist will refer you to a qualified surgeon, usually either an oral surgeon or a periodontist, for that phase of treatment.

How long after a dental implant is placed can it be used to anchor my new teeth?

The original protocol states that we must wait three months in the lower jaw and six months in the upper jaw before we can begin to construct the new dental prosthesis that will be supported by the implants. In recent years, however, there has been a movement to sort of speed up this process.

Is Fido ready for a quake?

By Joe Foraker

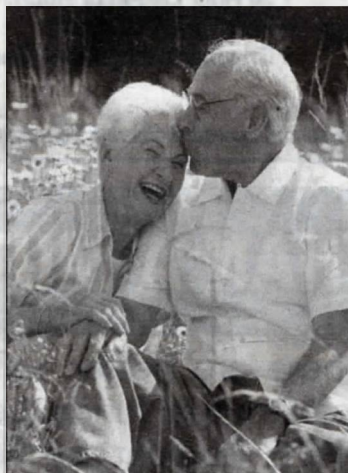

Have you included the family dog and cat in your earthquake preparedness plans?

You should have at least a one-week supply of pet food and adequate water for the same period.

Severe earthquake damage may require temporary shelters for hundreds or thousands of people. The high potential for animal problems — nervousness, aggression and unpredictable behavior — has led emergency planners to declare that pets will not be allowed in the temporary shelters after a major earthquake.

Devise a plan now for your pet that can be used following an earthquake emergency. Remember that the welfare of your pet is your responsibility.

— Joe Foraker's earthquake preparedness columns ran previously in the Orange County Register.

MARY

Continued from 1
profession.

Mary was born April 10, 1909. Theodore Roosevelt had recently turned the presidency over to William Howard Taft. So far, Mary has experienced the inaugurations of 17 U.S. presidents.

John Earnest and Gertrude Dullam, Mary's parents, immigrated from England. Mary was the

third of five children, all of whom live or have lived in Leisure Village. Mary's "baby" sister, Hilda Serr, resides in Village 17.

Earnest was employed by John Hancock, who owned several thousand acres in the La Brea Tar Pits area. Earnest managed 300 acres planted with barley and oats hay.

At age 14, Mary started driving her parents' Model-T Ford. In her 20s, she upgraded to a Model-A.

Mary's higher education began at UCLA in 1929, and in 1933 she was a member of UCLA's first graduation class. Her degree was in home economics and education. She taught fourth through sixth grade in Castaic, Torrance and West Los Angeles. Retiring in 1972, she received an Outstanding Elementary Teacher of America certificate.

During school summers and after retiring,

Mary traveled to many countries; England, to visit family; Africa; Egypt; France; Switzerland; Italy; Norway; Sweden; Finland; Tokyo; and Hong Kong, all of which added to a very well-rounded life.

During World War II, Mary was a very active member of AWVS, American Women's Volunteer Services. In the '50s, Mary's family moved from Los Angeles to Oxnard.

In Leisure Village,

Mary's activities included the Women's Club, Garden and Golf Clubs.

Longevity is in Mary's genes. Her mother lived to celebrate her 99th birthday, and Mary is closing in on the century mark. Those who have the privilege of knowing her regard her as one of the loveliest and brightest residents in Leisure Village.

Shop Ahoy helps those who can't get to market

By Barbara Yago

Do you find it difficult to leave home to shop for groceries due to physical limitations? If so, Shop Ahoy is for you.

Shop Ahoy is a non-profit, volunteer-based grocery shopping and delivery service for home-bound adults. A volunteer will call the customer on Sunday or Monday of each week to take their grocery

order. Another volunteer shops on Tuesdays at our local Vons, and the order is delivered and paid for, along with a small contribution to help the system stay in operation.

We also need volunteers to shop or deliver groceries. If you are in need of our service or are interested in volunteering, please call me at 388-0419.

Are you uncomfortable with current markets?

If you are concerned about current market conditions, you may be surprised to learn that you can invest in securities, known in the marketplace as "Principal Protection Notes", that offer similar return potential as traditional investments, yet also provide principal protection against a market decline when held to maturity (subject to the credit risk of the issuer).

The Workshop had an early March Spring Fling Sale which was well attended by Villagers who bought our handcrafted

items. Also, fabrics were sold in the Sewing Room. In addition to our daytime sale, we were open in the evening from 5:00 P.M. to 7:00 P.M. to offer the working folks a chance to see the items available.

The Workshop is a Tuesday group meeting at 9:00 A.M. in the MPR. All interested in knitting, sewing and doing crafts are invited to join in or visit.

Coming up May 1st will be our annual Fashion Show. Save this date as it is always a great time with lovely fashions and preview of summer clothes, colors and styles. Refreshments will be served as always. The fashions will follow our General Meeting at 1:30 in the AR. There will be a \$2.00 charge for guests.

At all meetings See's

2nd Vice President John Palmer and his helpers provide refreshments every Tuesday at 7:30 a.m. before the scheduled tournament, followed by soft drinks and beer when we finish playing. On

meeting days we have coffee, juice and buns at 7:30 and either a putting contest or a chipping contest with prize money for the winners. All you have to do is show up, even if you don't play in the Tuesday tournament.

Every Tuesday morning we have a tournament in the Village. You can bring a potential member and play with him if you make arrangements a week in advance at a weekly tournament before play starts. Speak to Don Hamilton so he can arrange the schedule for you.

The Tee Timers Tournament and luncheon will be held on April 15. Tickets are \$5 for the luncheon and \$1 for the golf tournament.

Once again the 9-ball tournament provided much excitement for the players and spectators alike. In the "SA" group, Bob McQuivey edged out Aleta Trogdon in a tight final matchup to take the first-place trophy. Aleta received second place, and Jack Quinn got third place.

The "A" group had some fun matches, with Frank DeSimone winning first place. Howard Koehn settled for second place and Bob Cryder third.

Undefeated Betty Herrmann happily took the winning spotlight in the "B" group. Ilya Keslin won second place, and Janice Runnels honorably took third place.

To keep the excitement going, the traditional 1&15 8-ball tournament starts on April 28. Look for signup sheets to be posted.

More lessons will be forthcoming. This month's meeting is Tuesday, April 22.

a dance we will be doing in the class that afternoon.

The class is again returning in full swing. Hopefully, we'll all stay well this year.

We have a few new dancers with us. One is a very handsome gentleman who is determined to stick it out until he masters the dances. Good attitude!

Rhoda, our dance instructor, introduced us to a new slow dance called Western Rock. It's nice and easy, with lots of body movements. But we do the fast stuff too, like "Juke-box Junkie." We have it all for your dancing pleasure.

Repetition is the sure way to learn the dances, so plan to come to the

dances regularly. It's good for the body and good for the brain.

Any questions, call Rhoda Smithkin at 484-8132.

Saturday Night Dance

By Milan Weiss

The Leisure Village Saturday Night Party had a five-dance month in March. This happens from time to time and just gives you more hours on the dance floor with friends.

We saw Art and Jean Thomson on the floor, and they really epitomize smooth dancing. What a pleasure!

Mannie and Rose Abate brought two guests: Bridget, who is Rose's sister, and her friend and dance partner, Kent. They were also just wonderful to watch.

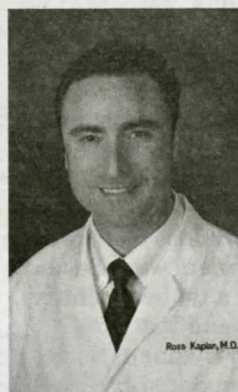

Walter Greenberg, who dances four to five nights a week, was there, and Walter loves to dance. He dances with several ladies and always seems to be doing the right step at the right time. He is truly an accomplished dancer.

We're fortunate in Leisure Village to have this activity by so many people who love to dance.

At our March meeting, our guest speaker was Monroe Kaplin. He brought his collection of Norman Rockwell's artwork on the covers of the Saturday Evening Post — later called The Post — and advertisements in other magazines. He had quite a story to tell about the artist.

Ruth Miller continues her classes in the Lanai Room on Tuesday afternoons from 1:30 to 3 p.m. It is very interesting and informative. The class is free. We suggest a small donation for the supplies.

The Monday afternoon workshop is open from 1 to 4 p.m. All are welcome.

At our Feb. 28 meeting, after a brief business meeting, we viewed a tape on "Ceramics in Other Countries" that Gil Chuck recorded in various countries that he visited. It was most interesting.

interested should sign up in the Ceramic Room. He feels that once one is familiar with clay, he or she can do anything.

Louise Waln brought paper "toys" for each person present. Her origami classes are every Monday afternoons from 1 to 3 p.m. All are welcome.

Our next meeting will be "Show and Tell." All are welcome.

change to the day of the week on which Keyboard Club meets. Friday seems to be a problem for a variety of reasons. We are also considering evening instead of afternoon meetings, or maybe alternating between evening and daytime. Please attend the next Keyboard Club meeting for further details.

Wow! What a party! Keyboard Club sponsored a St. Patrick's Day Party. We had 338 guests. We collected four large barrels of non-perishable food items for Ventura County Food Share. There were door prizes, snacks and beverages. The room looked as though it had been transformed into a first class Irish dance hall. There were a lot of guests wearing green and a few in Irish attire and hats. Everyone was in the mood to party and be entertained.

The evening began with our "one man orchestra" Stan Vansant playing while Ann Steigerwald sang, "I Can't Give You Anything But Love." The highlight of the evening was the 17-piece band, Seniors of Note. Our own Leisure Village resident, Sam Arouesty, was the featured sax soloist.

The band played many of our old favorites. During the band break, Stan Vansant played the piano, words to a variety of Irish tunes were projected on the screen, and Irene Olson led us in a sing-a-long.

The LV Line Dancers Betty Dean, Piff DeSimone, Betty Herrmann, Susan Burke, Mary Kovach, Kathy Wirtz and Andrea Moran danced to "Pot of Gold."

The evening ended with the last of the door prize raffles. Based on the number of dancers there were on the floor and the amount of LV's Famous Punch that was consumed, we believe everyone had a

great time.

The Keyboard Club usually meets on the fourth Friday of the month. The AR is not available to us the fourth Friday of April because the play "The Butler Did It," presented by the Players Guild, will be showing in the AR. Get your tickets now! You will be advised about date and time of the April Keyboard Club meeting. Keyboard Club members will be called. If you are not currently a member and want to know about our April meeting, please look for the announcement on LVTv.

Attention all musicians: We know you are out there. Please don't be shy and don't make us beg. Even if you are not available to play for our regular meetings, please let us know you are out there. If you play any musical instrument and would like to volunteer to entertain, please contact Fred Grayson at 482-8889. A grand piano and organ are available in the AR.

Come join the Keyboard Club. Don't miss out on the fun. Tell your friends.

Racquet Club

By Anne Wolfson

The Racquet Club meets the second Wednesday of the month in the Multi-Purpose Room. We are a very active group of tennis, paddle tennis and table tennis players and welcome all Villagers to join us!

Our speaker for March, Dr. Ksenija Peharda, spoke on "Beating The Odds With Physical And Mental Exercise." She was introduced by Naomi Brill, who also introduced Dr. Arnold Bresky, medical director at Camarillo Springs Holistic Medi-

cal Center. They both spoke on the importance of physical and mental exercise in the prevention of Alzheimer's or forms of dementia. They stressed the importance of taking Vitamin D, as the normal person does not get enough through foods and sunshine! Also, it's been found that curry, used in flavoring food, helps the brain cells function better and helps prevent dementia. The doctors can be reached at the Camarillo Springs Holistic Medical Center if you would like more information.

Our program for April 9 will be a film shown by Phil Kamens of comedian Rita Rudner. This is a very amusing film and you won't want to miss it. Lots of laughs!

As usual, refreshments will be served, so mark your calendar now for April 9 at 7:30 p.m. in the Multi-Purpose Room.

Writers Club

By Lois Keeler

The Writers Club has been working on grading the papers I mentioned last time. We have no results as yet but will keep you posted. It has been very interesting, and these young people write some very great stories. We will probably be showing you some of them later if it is allowed.

We are still getting some new people and hope this continues. Remember, we love all types

of writing. Some people write something every week, while others just contribute when they feel like it. Spring is upon us, and feel free to tell of your fancies.

We meet every Monday at 1 p.m. in the Sun Room. See you there.

Sing-a-long Group

By Anita Lind

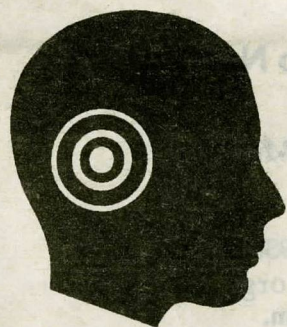

Sing-A-Long meets on the second and last Monday of each month in the AR from 7 to 9 p.m.

The Sing-A-Long Group owes a special thank you to Dick Guttman. It is because of his hard work, organizational skills and enthusiasm that

the Sing-A-Long Group has survived the change in leadership. Sandy, we thank you for your patience and support. Thank you both for being there for all of us.

Dick Guttman combined 21st century technology with a 17th century form of entertainment. The first projector invented in the 1650s was known as the Magic Lantern. Magic Lantern Theaters were a traveling show, including a slide show of projected pictures and words on a screen or wall, a live showman and a musician. Dick found a source on the Internet that has restored some of the Magic Lantern slide shows from the late 19th

CLUB NEWS

Continued from 25
and early 20th century.

The LV Magic Lantern Theater made its debut performance. The old-fashioned projector was replaced by a combination of computer and a modern day projector displaying the pictures and words on the large screen in the AR. The showman, Dick Guttman, told the story. The musician, Irene Olson, played the piano, and the Sing-A-Long enthusiasts sang the words to the songs projected on the screen, much in the same way as many audiences did 100 or more years ago. It was as much fun in the 21st century as it was so many years ago.

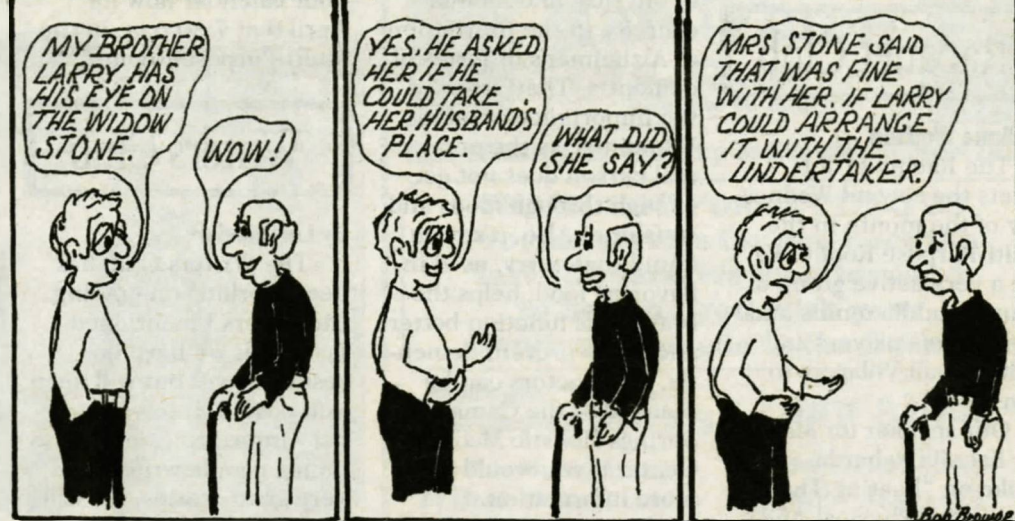

The Sing-A-Long en-

thusiasts look forward to the return of the LV Magic Lantern Theater.

Straight from 1954 singing their biggest hit, "Mr. Sandman," The Chor-dettes surprised us with their grace and talent. What a lot of fun to see Sid Sharron, Fred Grayson, Aaron Weiss and Alan Caldwell in wigs and boas singing "Mr. Sandman" for us. We laughed and sang, and a good time was had by all. Sid, Fred, Aaron and Alan: Thank you for being such good sports.

You never know what will happen. Come join the Sing-A-Long fun and bring a friend on Mondays, April 14 and April 28, in the AR from 7 to 9 p.m.

THE GOLDEN YEARS

THE LIGHTER SIDE

Today, Dear Lord, I'm 80, and there's so much I haven't done.

I hope, Dear Lord, you'll let me live until I'm 81.

But then, if I haven't finished all I want to do,

Would you please let me stay awhile until I'm 82?

So many places I want to go, so very much to see.

Do you think that I could manage to make it to 83?

The world is changing very fast, there is so much in store.

I'd like it very much to live until I'm 84.

And if by then I'm still alive, I'd like to stay 'til 85.

More planes will be in the air, so I would like to stick

And see what happens, when I turn 86.

I know, Dear Lord, it's much to ask, and it must be nice in Heaven,

But I'd really like to stay here until I'm 87.

I know by then I won't be fast, and sometimes I'll be late,

But it would be so pleasant to be here at 88.

I will have seen so many things and had a wonderful time,

So I'm sure that I'd be willing to leave when I'm 89.

Just one more thing I'd like to say, Dear Lord, I thank you very kindly,

But if it's OK with you, I'd love to live past 90.

THE LIGHTER SIDE

Get out of the car now!

An elderly Florida lady did her shopping and, upon returning to her car, found four males in the act of leaving with her vehicle.

She dropped her shopping bags and drew her handgun, proceeding to scream at them at the top of her lungs, "I have a gun, and I know how to use it! Get out of the car!"

The four men didn't wait for a second threat. They got out and ran like mad.

The lady, somewhat shaken, then proceeded to load her shopping bags into the back of the car and got into the driver's seat. She was so shaken she could not get her key into the ignition.

She tried and tried, and then she realized why. It was the same reason she had wondered why there was a football, a Frisbee and two 12-packs of beer in the front seat. A few minutes later, she found her own car parked four or five spaces farther down.

She loaded her bags into the car and drove to the police station to report her mistake.

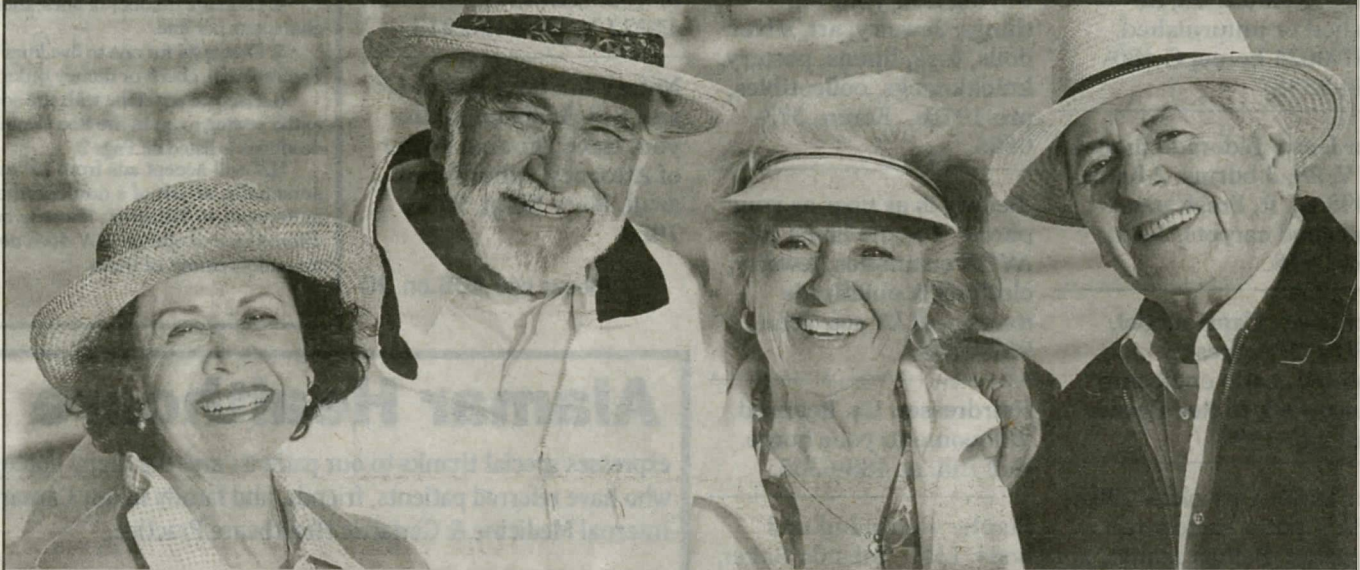

The sergeant to whom she told the story couldn't stop laughing.

He pointed to the other end of the counter, where four pale men were reporting carjacking by a mad, elderly woman described as white, less than five feet tall, glasses, curly white hair and carrying a large handgun.

No charges were filed.
Moral of the story?

If you're going to have a senior moment, make it memorable.
