

## ADMISSION TO THE UNIVERSITY

Requirements for admission to California State University, Fresno, are in accordance with *Title 5*, Chapter 5, Subchapter 2 of the *California Administrative Code* as amended by the Board of Trustees of the California State Colleges on November 24, 1970. A prospective applicant who is unsure of his status under these requirements is encouraged to consult a school or university counselor or the university admissions office.

### LIMITATION OF ENROLLMENT

Applicants for admission are notified that, pursuant to Section 40650 of *Title 5* concerning limitation of enrollment, admission to CSUF does not guarantee admission to a major or to any courses required for that major. Although every effort will be made to notify students of majors which are at capacity, such notification cannot be guaranteed.

### APPLICATION PROCEDURE—CALIFORNIA STATE UNIVERSITY, FRESNO

Applications are accepted under provisions of the California State University and Colleges common admissions program. It is preferable for applications for a fall semester to be filed during the preceding November. Applications for a spring semester should be filed during the preceding August. Applications will normally be accepted until at least one month prior to registration except for majors in which enrollment quotas have been filled. Early submission of the application and supporting documents is important to allow time for processing of application materials. (See *Application Procedures—CSUC System*, in the following section.)

For undergraduate admission to CSUF a student must:

1. Submit a current application with the nonrefundable \$20.00 application fee to the Admissions Office.
2. Upon receipt of a space reservation, request institutions formerly attended to forward directly to the Admissions Office transcripts of credits from high school and colleges. College transcripts are required in duplicate. Failure to include all colleges attended may result in cancellation of the student's registration. All transcripts submitted by matriculated students are retained by CSUF.
3. Take the SAT or ACT and request official scores be sent to CSUF, if a lower division applicant. TOEFL required of all foreign applicants.
4. Take any additional proficiency or placement tests required.

A veteran should, in addition, file a photostatic copy of his *Notice of Separation* (DD 214) from the armed services with the Office of Admissions. He will be allowed credit for service time and service schools completed as recommended by *A Guide to the Evaluation of Educational Experiences in the Armed Services*. He may also be given selection preference under conditions outlined on the application form.

Applications will not be accepted after admissions categories have closed. Eligibility for admission cannot be determined until *all* required documents have been received. Due to staff limitations, an evaluation of transfer credit will generally not be available until at least a month after admission.

Degree credit may be granted for work completed satisfactorily in another accredited institution of collegiate grade subject to the restrictions imposed on work taken at this institution. Questions concerning acceptability of a course from another institution should be addressed to the Evaluations Office.

A maximum of 70 semester units is allowed toward the bachelor's degree for work completed in a community college. No upper division credit is given; however, community college credit in excess of 70 units may be used to satisfy subject requirements.

A maximum of 6 units will be allowed for "Agricultural Projects" courses and 4 units for "Work Experience" courses. Remedial English and mathematics courses are not accepted for degree credit.

For limitations on extension and correspondence credit, see *Extension Classes*.

Students interested in university housing or financial aid should file special applications with the offices concerned as soon as possible.

For admission to graduate study, see *School of Graduate Studies*.
