## Constituent Survey

Dear Friends,

All of us are affected by events in Washington, D.C., but we don't always have time to sit down and write to our elected leaders. I hope you'll take a few minutes to fill out the enclosed survey on current issues now being debated in Congress.

Just circle the answers that are closest to your point of view — every one will be counted. Then re-fold the ballot with my Washington, D.C. address showing, stamp, and drop it in the mail. Please don't hesitate to add to your views — on these or other issues — by letter, phone, or a visit.

Your assistance is appreciated.

Sincerely,

*Robert J. Lagomarsino*
