Y.N.C.G. Health Fair

By Sandy Okum

The annual Y.N.C.G. Health Fair is set for Monday, Feb 3, from 7:00 to 9:00 p.m. in the AR. The following will be featured:

1. 24-panel blood test (\$20.00). This will include total cholesterol, HDL, triglycerides and percents. For an accurate triglycerides report you must fast 12 hours so eat breakfast only. The other parts of panel do not require fasting. (Pleasant Valley Hospital).

IMPORTANT -- The blood panel test will be done by number only as in previous years. If you are fasting, come early to receive your number.

2. Free blood pressure reading

3. Glaucoma screening (Dr. Stuart Heller)

4. Pre-cataract (Dr. Ragen)

5. Foot screening (Dr. Jon Williams)

6. Skin checks (Dr. Karpman)

7. Dental consults (Dr.

Snider)

8. Oxygen saturation tests (Pleasant Valley Medical Supply)

9. Allergy or pulmonary

screenings (Dr. Kanter)

10. Chiropractic exam (Dr. Bugh)

11. Sleep Evaluation (Pleasant Valley Hospital)

12. Computerized nutritional profile (Paul Dwork, Charter Oak Pharmacy)

13. Lifeline (Camarillo Health District)

14. Vial of Life (Y.N.C.G.)

15. Information and consultation with the following associations:

Livingston Memorial Nurses, Camarillo Hospice, Camarillo Health District, American Heart, Lung, Cancer, Arthritis, Diabetic and the A.M.C. Cancer Research.

16. Colon cancer test (\$24.00). This take home test to detect cancer of the colon is being made available by Dr. Rotenberg.

17. Peripheral vascular screening (leg pain); blood circulation in legs by resting ankle; arm blood pressure measurements.

See Y.N.C.G.Pg 4

Current Issues Forum Calendar

By Sol Robin

The next meeting of the Current Issues Forum will be held on Friday, Feb 7, in the AR at 7:30 p.m.

The subject will be "Camarillo: Present and Future Plans". Speakers will include Bill Little, City Manager of Camarillo; Charlotte Craven, City Council Member; and David Smith, City Council Member and Past President of the Camarillo City Council.

All future meetings of the Current Issues Forum will be held on the 1st Friday of each month in the AR at 7:30 p.m.

An Ounce Of Prevention Is the Cure

Guest Editorial By Gertrude Kern

When you read of a major disaster, or see pictures of devastation caused by earthquake or other forms of Nature exhibiting her power, do you ask yourself what would happen in Leisure Village should the predicted earthquake strike? The LV Emergency Services Organization has been preparing us to live through such a probability, but what about damage to the grounds, the buildings, to our homes?

What is the Association insurance coverage for such a possibility? In the panic and chaos that would ensue following a major earthquake, what provisions have been made for the re-building and/or damage repair to structures? How would the market value of Leisure Village property be affected and restored?

Thanks to a concerned, forward-thinking Insurance Committee, and a very knowledgeable and capable former insurance executive, George Parker, V 17, these questions have been answered. The Board appointed an ad hoc committee that has been working for several months and they are now prepared to present the results of their investigation to the residents of Leisure Village.

The ad hoc committee includes George Parker, chairman; Gertrude Kern, John Lauten, Mike Sherman, Herb Stern and John Russo.

An extensive study was made to determine the best financial preparation that could be made to restore common areas and dwellings after a quake. This study included talks with heads of government agencies in San Francisco, and others involved with the responsibility of handling after-disaster problems. Armed with as much information as could be gathered, the committee concluded that serious planning and financial preparation was absolutely necessary.

SERIOUS PLANNING

A review of the present CC&R's by legal specialists, the Insurance Committee, and the Board of Directors concluded that the language of the present CC&R's is not specific enough to define clearly and recognize the authority of the Board to handle effectively the financial aspects of a catastrophic emergency. Personal discussions with financial institutions, Federal Government Agencies, Insurance Industry organizations and a qualified legal firm, made it obvious that the LV Board of Directors must have indisputable financial authority to act on behalf of the Villagers. Therefore, an amendment to the current CC&R's is essential to provide this authority.

Imagine the time of disaster. There is chaos and a
See GUEST EDITORIAL.....Page 2

INSIDE LEISURE VILLAGE

• OPINION •

GUEST EDITORIAL.....From Page 1

breakdown of communications. Immediate, vital decisions are called for. Contacts must be made with the insurance carrier to arrange for repair and rebuilding. This requires an overall authority — and, for Leisure Village, that authority is the Board of Directors. THE PROPOSED AMENDMENT ONLY GOES INTO EFFECT AFTER A DISASTER. It gives the Board the authority to meet the deductible requirement of the insurance policy by declaring a special assessment to cover the insurance deductibles.

FINANCIAL PLANNING

Experts have estimated the reconstruction costs of Leisure Village to be \$176 million. This amount is reviewed annually based on the government's cost of construction index. The amount of coverage for earthquake damage is 75% of the \$176 million reconstruction cost of all structures, including dwelling units. This makes the earthquake coverage \$132 million, or \$13.2 million.

TV Special Will Cover Highlights Of Proposal

A proposed change in our current CC&Rs, certain to help us in the event of a major disaster, will be covered in a Channel 12 special to be shown tomorrow, Sat, Feb 1 at 10:00 a.m. and will be repeated Wed, Feb 12 at 10:00 a.m., the day before the Town Meeting.

Village 17's George Parker, a retired 35-year insurance executive and head of the ad hoc Insurance Committee, will be interviewed by channel 12's Jack Whalen.

The following is a list indicating the approximate maximum assessment according to unit model:

Model	Max. Assessment
Monterey.....	\$5,568
Brentwood.....	\$5,640
Coronado, Coronado II, Del Mar, Capri.....	\$5,784
Holmby.....	\$6,180
Amalfi.....	\$6,384
Valencia.....	\$7,164
La Jolla.....	\$7,500

(Assessments for other models would vary according to size of units)

Should the damage be less than \$13.2 million, such as \$1 or \$2 million, a smaller sum would have to be raised. The overwhelming odds are, that if an earthquake occurs, the damage will be less than the \$13.2 million, in which event the assessments would be substantially scaled down accordingly. EARTHQUAKE DAMAGE ASSESSMENT WOULD BE MADE ONLY IN THE EVENT OF A DAMAGING EARTHQUAKE.

Homeowner coverage for personal belongings can carry an "ASSOCIATION LOSS ASSESSMENT"

See GUEST EDITORIAL.....Page 3

Town Hall Meeting Feb 13

Closing the door after the horse escapes from the barn is no big deal. Anybody can do that. Anticipating a potential problem before it occurs and devising a solution is a unique talent.

George Parker (V. 17) and the ad hoc Insurance Committee know it is better to act than react and they plan ahead. Fortunately, all LV homeowners benefit from their problem-solving skills.

The problem that can occur is "How can LV homes and structures be rebuilt or repaired after a damaging major earthquake". As you have read in Gertrude Kern's guest editorial, the intensive study by the ad hoc insurance committee revealed that the present LV CC&R's do not empower the Board of Directors to effectively handle the financial aspects of a catastrophic emergency. Therefore, an amendment to the CC&R's is required to enable the board to exercise the necessary financial authority following a disastrous earthquake. Such an amendment requires approval of 75% of LV homeowners.

A Town Hall Meeting is scheduled for Thurs, Feb. 13 at 7:30 p.m. in the AR. The ad hoc insurance committee will be present and explain the proposed amendment at that time. Inside Leisure Village urges all homeowners to attend the Town Hall meeting.

Letters

ILV has obligated itself to publish all Letters to the Editor that are not profane nor libelous, but views or statements expressed as facts are the beliefs of the writer and are not necessarily supported by the staff of ILV. We cannot accept unsigned letters.

Since many residents have asked, I shall be accepting your Xmas cards again this year for reuse by a children's school in Boulder City, Nevada. Though this notice is a little late, many people have still not answered all those notes you received in your cards.

Please deliver them to my residence at 34009 V34. It would be helpful if you cut off the message part of the cards. Any questions? Call 484-3943.

Betty Sullivan, V34

We wish to thank our friends, and neighbors for their caring actions in sending us cards, calls

ABOUT NEXT MONTH

Coordinator for next month will be Lois Atz. Please follow guidelines and be as brief as you can. Deadlines for the Feb. 28 issue will be Monday Feb. 10. To arrange for a photographer, call coordinator at least 3 days in advance.

GUEST EDITORIAL..... From Page 2

rider at a nominal cost, i.e. \$9.00 per year for \$5,000. NOW would be the time for Villagers to check with their insurance agents to determine if their policies contain this rider. George Parker, chairman of the ad hoc Insurance Committee, wisely reminds us, "Being prepared is a much more sensible state of affairs than being sorry you weren't prepared."

PROPOSED AMENDMENT TO THE CC&R's

Because of their wide experience in doing similar work for other community associations, the legal firm of O'Melveny and Meyers was retained to develop the amendment. It prepares Leisure Village financially for an emergency situation to eliminate the possibility of a delay in reconstruction, and **ONLY GOES INTO EFFECT AFTER A DISASTER OCCURS.**

Leisure Village residents enjoy a unique lifestyle, living in safe, well-cared-for surroundings at a cost below other California senior communities. This has been due largely because over the years management has anticipated future needs and prepared for them.

During the past two years California has experienced three major catastrophes ... the San Francisco earthquake, the Santa Barbara fire, and the recent Oakland fire. It is hoped that Leisure Village will continue to be spared any such horrors.

George Parker summed it up, "As a Village resi-

dent," he said, "it just makes good sense to decide how we are going to restore our homes, maintain our lifestyles and the value of our properties before anything happens. After, is too late." He continued, "The Committee is making preparations to present the amendment to the Leisure Village community for their approval. There will be a Town Hall meeting and all questions discussed."

The date for the meeting will be February 13, 7:30 p.m. in the Assembly Room. Reminder notices will be posted.

Ballots will be mailed to all homeowners asking them to approve the amendment to the CC&R's. After residents receive the Ballots there will be another question-and-answer open meeting, date and time to be announced on Channel 12.

The LV Board firmly believes the approval of the amendment to the CC&R's is vital to the property protection and market value of every homeowner, and hopes there will be a representative turn-out at the February 13 meeting.

very comforting to live in Leisure Village surrounded by so many kind and caring people.

Sincerely,
 Mary Ralph, V31

We will never forget him or each of you for your kindness to him and to this family for being there for him in his hour of need. Thank you.

Mrs. Kathleen Kelley,
 Hawaii

To the Sawdusters and all friends and neighbors of Carl H. Sparks

Vincent & Dorothy Lega,
 Louisville, Ky.

We would like to express our sincere thanks and utmost gratitude to each and everyone of you who extended comfort and solace to our brother, Carl H. Sparks, during his bereavement and his subsequent stroke and illness.

There is no way that we can adequately express our thanks for your care and compassion, but be assured that we will never forget your kindness.

Our family was always close in thoughts but separated by many miles. It was a great comfort to all of us to know that Carl had such caring people to help him and to do the things we were not able to do for him.

He spent two very happy months with us for which I am grateful. He was a wonderful friend and brother. It has been said that no one ever truly dies as long as there is someone to remember.

I am writing this at the request of Dorothy Kleber, V 44, who is not well enough to do it herself. She is recovering at her daughter's home in Malibu, and wants to thank all her L.V. friends for their kind, caring calls, cards and best wishes. Their encouraging notes have greatly eased her lengthy illness and are most deeply appreciated.

Connie Andrews, V16

Nominating Committee Begins Search

The Nominating Committee is beginning its search to find candidates to fill two forthcoming vacancies on the Leisure Village Board of Directors. Bob Atz, Pres, and Guy Moshier, VP, will be leaving the Board in June 1992, when their two-year terms expire.

The Nominating Committee, directed by Guy Moshier, is considering potential Board candidates.

The Committee will be meeting regularly after February 11, 1992 to accomplish this task. Residents interested in running for the Board are asked to turn in applications beginning the latter part of February.

Forms for this purpose will be available at the Association office and at the Recreation Center office.

Eye Physician and Surgeon

YOUR EYE CARE

OVER THE COUNTER EYEDROPS

Brian Strange, M.D.
Eye Physician and Surgeon

You should not treat a red, scratchy-feeling for more than a day or two, as these symptoms could indicate a more serious problem for which delay in seeing a doctor may result in permanent loss of vision.

There are many eyedrops and eye remedies available over-the-counter in drug stores and supermarkets. Though most are soothing, they are rarely necessary, since the normal eye takes pretty good care of itself. Yet at times they can be helpful for assorted mild irritations and allergies.

In buying eyedrops, you might be confused as to the different types. Over-the-counter eyedrops fall primarily into two categories: decongestants and lubricating drops, with eyewashes as a lesser known third group. Within groups, most brands have the same basic ingredients. Thus, the most expensive product offers no advantage over the least expensive.

Decongestant Eyedrops

Decongestants whiten the eyeball. Eyes become "bloodshot" when the blood vessels in the conjunctiva (outer membrane) dilate. There are many non-serious causes of bloodshot eyes: allergies to substances in the air such as pollens and dust, irritation from cigarette smoke and atmospheric pollutants, tiredness after prolonged reading, and so on.

If the cause of bloodshot eyes is not serious, they will look and feel better after using decongestant eyedrops. The main active ingredient temporarily shrinks the blood vessels and cause the conjunctiva to shed excess fluid. The effect may last two to four hours. Some decongestant drops include an additional ingredient, such as zinc sulfate or an antihistamine, that relieves itching.

Decongestant eyedrops should not be used more than three or four times a day. Excessive use sometimes causes "rebound" - the eyes may become even more red and irritated when the drops are stopped.

Lubricating Eyedrops

These are known as "artificial tears." They provide moisture and soothing lubrication to the eye's membranes, relieving feelings of dryness and irritation. They are especially useful when the eye produces too little moisture on its own or is exposed to dry, windy, or dusty environments. Almost all brands include methyl-cellulose as a major ingredient. These drops do not decongest blood vessel, and they may be used as often as desired without complications, unless you are - or become - allergic to one of the preservatives in the solution.

Eye Washes

Eye washes, sometimes called "collyrium" drops (an old-fashioned word for eye wash) do not decongest or lubricate. They contain various compounds such as boric acid or very dilute percentages of menthol, and can give a soothing feeling to the eye. Having no decongestant, they cannot make a bloodshot eye look whiter. These drops have no real usefulness and are not recommended.

IF YOUR HAVE ANY QUESTIONS ABOUT OTHER EYE CONCERNS. CALL OUR OFFICE FOR MORE INFORMATION

How to make sure your family lives forever.

Don't let those precious family stories die. They're the most valuable gift you can give. Now, and for the generations to come.

You've been wanting to do it. Now it's easy. With a Voice Portrait, the stories of your life on audiotape.

All it takes is you, in the comfort of your home, and a skilled Voice Portrait interviewer, who knows just the right questions to ask, in just the right way.

Imagine, right now, being able to hear your mother telling you stories about her mother. Then you'll know how important it is to call Voice Portraits today and set up an appointment. Call (310) 457-1433.

You hold the key to your family's future in your hands. Because you hold the key to your family's past.

THE STORIES OF YOUR LIFE ON TAPE

By Paul Kelwin

Let me explain the ESO (Emergency Services Organization). This article is for all LVers, whether here a short time or longer. We cannot expect our Security personnel OR the City of Camarillo (Fire, Police Depts., etc.) to fully respond to a major disaster that would encompass 2136 homes and over 3700 residents.

ESO is a group of about 300 volunteer LV residents, many with professional emergency service skills who have organized to cooperate with other emergency agencies to minimize effectively the impact of a peacetime disaster upon Leisure Village.

The ESO during a Declared State of Emergency, will, under the

direction of the Board of Directors and the General Manager, augment the Security Department and outside agencies to render assistance to residents displaced or requiring medical or other attention brought on by the disaster.

A Declared State of Emergency does NOT mean we do nothing until we receive a Declaration. It would be such an occurrence that any sane person would recognize as a STATE OF EMERGENCY!

The City of Camarillo is responsible for the safety and welfare of Camarillo residents during a Declared State of Emergency. During a locally proclaimed LOCAL emergency or state proclaimed State of Emergency, the City Manager of Camarillo becomes the Director of emergency activities. The General Manager of the Leisure Village Association, with the cooperation of the City Manager of

Camarillo, will utilize LV ESO to minimize and alleviate effectively the impact of a disaster on LV residents.

To carry out the foregoing, we need trained volunteers on our rosters. Especially needed are those in First Aid and CPR. This is imperative as our resident LV professionals (Medical Doctors, Nurses and related professional medical people) are NOT allowed to serve on/in the ESO. This is due to the sue-mania of our present society. Leisure Village Association had to pass a resolution to this effect. It protects these medical professionals and the LV Assn. from a suit that our insurance company and a legal firm whose practice consists of 85% malpractice defense, from a suit that were the plaintiff(s) to win, would raise the monthly fees for all of us. A retired professional might have his estate wiped out, with no chance to recover or recoup it!

We're asking for those of you with your experience from living a long life to contact the following: Sandy Okum for First Aid/CPR classes, 482-8125. Elmer Eymann, the "Father" of the ESO, with interested others in the early 1980's, can best explain our set-up (Phone: 484-8422). Or call me, Paul Kelwin at 987-1446.

ESO is made up of the Communications, Couriers (on foot, bicycles, mopeds, motorcycles), First Aid Unit, Informational Unit, Public Safety (ex-Police, Fire &/or public utility personnel), Recreational Vehicle Unit, Village Coordinator-Alternates ("Block captains") and Your Neighbors Care group.

Disasters are happening all around us, - fires, toxic spills, and scientists are predicting a catastrophic earthquake within the next few years. So please join those of us who believe it is imperative to be as prepared as possible.

Spring Sewing Classes

By Louise Young
Registration for Spring Sewing Classes will be held on February 4 in the Sewing Room. The morning class meets from 9:00 a.m. to 12:00 noon and the afternoon class from 1:00 to 4:00 p.m. The fee for the semester is one dollar. Thelma McHenry is the instructor. Come early to register.

Free Tax Help

Free Tax Assistance sponsored by AARP and IRS is available every Friday from February 7 to April 10 at Camarillo Covenant Church, 5800 Santa Rosa Plaza from 1:00 to 4:00 p.m. No appointment needed. Bring 1990 tax returns. Your tax prepared by trained counselors. For information call Mike Shapiro - 987-5825.

MEET YOUR NEIGHBOR

By Carol Heyerick
Start the New Year right - come to MEET YOUR NEIGHBOR January 31. We meet in the Garden Room at 2:00 p.m. We welcome new arrivals to the Village as well as all other residents.

The speaker for our January meeting will be Margaret Jones. She is Administration Manager and will tell us about her role in the financial set-up in our Village, plus other interesting facts.

We were most fortunate to have Lt. Jim Moore as our December speaker. He is a Security Officer and was most anxious to tell us about Security in our Village.

Hildi Lustig, Chairperson, and her Committee wish everyone a Healthy & Happy New Year.

Paramedic Update

Paramedic services in Ventura County was the subject of the January 3 Current Issues Forum coordinated by Rube Davis, V 41. On the panel to explain the need for paramedics in all of the county's fire stations were: Maggie Erickson Kildee, Chair, Ventura County Board of Supervisors; Joe Gaynes, V 9, Ventura County Senior Senator; Ken Maffei, President, Professional Firefighters' Association of Ventura County; Captain Ken Carter, Camarillo resident and firefighter paramedic, on staff of the Torrance fire department; and Lou Okun, V 41, representing the ad hoc Paramedics Committee sponsored by Current Issues Forum and Y.N.C.G.

Supervisor Kildee said the vigorous campaign to create a county-backed paramedic program has sparked her interest toward changing the present system. She has promised full cooperation in getting all data needed and exploring all the options in establishing a county-wide paramedic system in the fire stations.

A task force committee is being formed including an LV nucleus, the Firefighters' Association, and active leaders from throughout the county. Sandy Okum urges and welcomes your participation.

HAPPY VALENTINE DAY

By Lillian Wallace

Let's paint a great big heart,
To show the world it can be done-
That if we try, we can share
Love, with everyone.

We'll float its symbol on the air,
To touch each one, and say-
Why can't we all share our love,
It's Valentine today.

By Gertrude Kern

Leisure Village had a great send-off for 1992 with a Los Angeles Times feature article in the Ventura County Section entitled "The Gray at Play". The Players Guild received recognition for the part it plays in the community life of the Village. The writer, Christopher Reynolds, attended a rehearsal of GIGI and apparently was impressed.

The cast has been chosen and under the direction of Joan Johnson and Jackie Solway responsible for production, the Village can look forward to a great show scheduled for April 29 through May 3.

The cast includes Miriam Hasen, Don Pearlman, Irv Leeds, Doris Siegel, Carolyn Cohen, Dorothy Karlin, Jack Silver, Irwin Steinhart, Bill

Fox, John Bravos, Anne Janoff, Sandra Weisbrot, Irv Weiss and Blanche Follen. That talented and delightful "Hoofer", Helen Gold, is the choreographer.

The December Holiday Party was festive and fun, thanks to Lorraine Kaplan and her committee. One of the events was the Installation of Officers with Dorothy Karlin the Installer. The current Board was re-elected. Jackie Solway remains President; Lorraine Kaplan, Exec. Vice President; Don Pearlman, 1st Vice President; Gertrude Kern, 2nd Vice President; Herb Schmidt, Treasurer; Jim Holthouse, Secretary; and Ruth Weiss, Corresponding Secretary.

The January meeting featuring Dorothy Karlin was, as is to be expected, clever, funny and thoroughly enjoyable. Her lip-synching of Streisand, Liza Minelli, Cher, Pearl Bailey, Madonna, and her story

of Cecelia Sisson and her sister were hilarious.

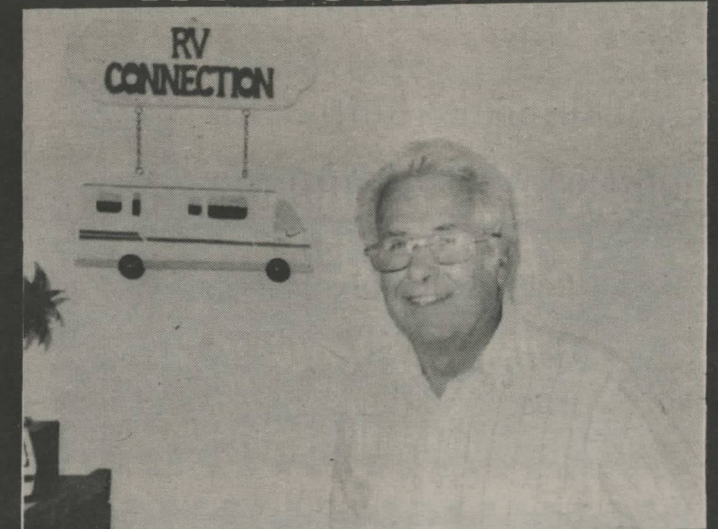

The program for February will be announced on Channel 12. Don Pearlman, vice president in charge of programming, can be depended upon to continue the excellent programming enjoyed at every meeting/workshop during 1991. The February meeting is scheduled for Thursday, Feb 20, 7:30 p.m. in the AR. Tell a friend. Bring a friend. Refreshments served.

Women's Club News

Women's Club Installation

Leisure Village Women's Club held its 1992 Installation Thurs, Jan 9 at Reuben's in Thousand Oaks. The affair proved to be a very pleasant one. The setting was attractive, the food excellent, the friendship close.

After a short business meeting, new officers for 1992 were installed by Bernice Knebel, who performed a most inspirational ceremony. New officers are Pres, Piff De Simone; 1st VP, Renee Greene; 2nd VP, Sandy Linka; corr sec, Janette Andresen; rec sec, Helen Stevenson; treas, Eleanor Oldenburg; parl, Maxine Himstreet.

Outgoing officers are Pres, Sandy Linka; 1st VP, Jeanne Carlson; 2nd VP, Kay La Prell; corr sec, Janette Andresen; treas, Kay Varley; parl, Carol Heyerick.

Outgoing President Sandy thanked her board and presented them with a remembrance. Kay La Prell then presented Sandy with the traditional Women's Club medallion engraved with name, date, and office. Kay made a graceful little speech to the effect that the medallion was pure gold and so was Sandy.

Looking ahead: The next meeting of Women's Club will be Thurs, Feb 6, 1:30 p.m., in the AR.

Don't forget your new membership and watch Ch-12 for the program of the meeting.

Don't forget Trading Post.

Companions-R-Us provides affordable personal home care services for families caring for functionally impaired adults or children, as well as assisting the adult living alone.

For more information contact Camarillo Health Care District, 388-1952, 8:00 a.m. to 4:30 p.m.

ASE CERTIFIED MASTER AUTO TECHNICIAN

One-Stitch cataract surgery was a miracle for me. I drove to my art class two days after the surgery and was able to knit, crochet, and read comfortably almost immediately. Most importantly, I was able to pass my driver's license test with flying colors. Modern cataract care has helped me maintain my independence and the easy recuperation from One-Stitch cataract surgery kept me from having to rely on others for help around the house. If you are thinking of having cataract surgery, I recommend you contact Dr. Ragen for a consultation. He and his staff are just wonderful.

CAMERA CLUB

By Sam Weinstein

The Camera Club's 1992 slate of nominees for office was unanimously accepted at the December 18 meeting. Officers for 1992 are Howard Cohenour, pres; Sam Brown, VP; Max Klapperman, secy; and Milt Mankoff, treas. The program chair is Dora Cronyn and publicity is shared by Marion Sevren and Sam Weinstein.

The above officers have demonstrated their ability and devotion to the Camera Club and an interesting year of fun and activity is in store for members who share their enthusiasm for photography and love of good pictures; enjoy attending interesting "learning meetings" and an occasional field trip.

The meeting adjourned for our annual wine and cheese party, probably the favorite event of the year. If Blue Ribbons

were awarded for home baking by the Camera Club, Imogene Gregory would be the winner for the beautiful, colorful selection of cookies she baked for us.

We cannot end the old year without a note of thanks to past-pres Sam Brown for keeping the momentum going and for his work with the Recreation Committee and the LV Board to gain two important improvements the club long needed. Through Sam's efforts we now have exclusive use of the entire closet in the CR and the Picture of the Month display area was moved to a much more exposed and prestigious location, one which many more villagers pass, view and enjoy.

We urge all our drop-out members to rejoin us this year and partake in the coming excitement, learning, camaraderie and competitions. Oh yes, dues are still \$4 per family and our meetings are still held on the first and third Wednesdays of each month.

AMATEUR RADIO CLUB

By Benson Smithkin

The L.V. Amateur Radio Club meeting began on an interesting note. Our president Marge May suggested we take turns telling where we were on December 7, 1941 when Pearl Harbor was attacked.

Cliff Appell took his first solo flight on that very day, and then was grounded when news of the attack came in. A long stint in the merchant marine followed.

Herb Arnold was already in the military at that time and eventually was awarded 9 combat ribbons and 3 presidential citations. Incidentally, Herb is now the new VE (volunteer examiner for radio license) at the Camarillo airport.

Ben Smithkin didn't know where Pearl Harbor was except that it was far from the Bronx. He later found out when he was stationed there.

Good news! We are ordering badges for all paid-up club members, all to be paid out of our bloated treasury of \$69. White letters on a black background...can hardly wait.

Discussion evinced interest in a display case for the atrium containing new and antique radio items.

Two new members were present, George Schneider (W6VNJ) 24136 V-24 a ham for 54 years, and Mac McLeod (W7IZG) 25218 V-25. Welcome guys!

The LVARC net is on the air every Friday at 7:00 p.m. on 146.58 mhz, and the next club meeting will be on Friday, February 7, 10 a.m. in the Sun Room. All are welcome.

INDOOR OUTDOOR GARDEN CLUB

By Emma Norvig

On January 9 the L.V. Garden Club commenced its new year with a fine program presented by Barbara Nichols of Pacific Palisades. Ms. Nichols has traveled around the world several times and is keenly interested in the Earth Watch program. The main theme of her talk was Rain Forests, concentrating on territory in the southeast panhandle of Alaska which is in the Temperate Zone, and the Tropical Zone in Borneo in Indonesia.

Garden Club dues are now payable for 1992 -- \$6.00 per person or \$9.00 per couple. Co-2nd Vice presidents Goldie Bernstein, Eillen Evans or Louise Herbert will be glad to receive your checks. You will then be listed in the new membership roster and be entitled to join in the field trips and other activities offered from time to time by the Club.

Next meeting of the Garden Club will be February 13 and we will hear Barbara Schneider of the Horticulture Division of the Ventura County Fair speak on the timely subject of "Pruning". Prior to the meeting in the MPR, refreshments will be served at 9:30 a.m. All Villagers are welcome.

Library Notes

The Library committee says THANK You to --

*The donors of the variety of magazines received recently. Check our shelves for recent news magazines: NEWSWEEK and TIME; boating magazines; BETTER HOMES & GARDENS; and scientific journals.

*Doris Achterkirchen for joining our Library Committee. She will reshelve your returned books.

THE SAWDUSTERS CLUB

By Miles Perlis

The Sawdusters Club December program was an unusual "assemble it before your eyes" presentation by Clary Morgan of what was humorously termed a "pregnant woman's utility stool". The tall upright handle permits the stool to be painlessly used without bending over - hence the name. Clary's demonstration included an accompanying discussion of shop safety and reference to the machines used in building the stool. It was a practical demonstration of the use of the drill press, jig saw and band saw. A completed stool was offered as a door prize and was won

by Miles Perlis.

It was announced that the fiscal year, which heretofore was the calendar year, would henceforth begin in July, thus delaying for six months the date that dues become due for current members. For new members who join between January and next July, the dues will be \$1.50.

Program chairman Morris Lefkowitz encouraged the membership to bring their handicraft to "show and tell". Jack Reeve's contribution this time was a gilded wooden lion. Jack said that he didn't know what it would be until it was finished. The next meeting will feature a videotape on the use of the scroll saw.

Please join us the first Thursday of each month.

R.V. CLUB

By Art Kaufman

The RV Club had its gala Christmas Dinner Dance before the holidays. The only order of business was to confirm the nominating committee's recommendations for officers. The new slate was reported in last month's ILV.

The new board has already set up a program for the year which will be discussed at the next business meeting. Among

the issues to be decided by the club are the changes to be made in the manner of choosing trips and naming of "Wagon Masters". Since the "Roamers" are now integrated into the RV Club, all members of the Club are welcome to join in all the trips.

Regular meetings are held on the third Tuesday of the month in the MPR at 7:30 p.m. All owners of RVs (whether a member of the club or not) are urged to attend, and all interested persons are welcome.

GEM AND MINERAL CLUB

By Don Holmes

If you have been watching the Gem and Mineral Club's "frames" on Ch 12, you will have seen that May Brown talked to the Club on "Rainbow Tourmalines", at the January 22 meeting. One usually thinks of tourmalines as either black or brown, but many other colors are known, includ-

ing pink, blue, and green, the latter being the most expensive. One of the most famous tourmaline mines in the world is just south of us, at Pala, California.

The next meeting will be on Wed, Feb 26, at 7:30 p.m. in the MPR, when Eunice Donahue will talk on "Sapphires". Then in March, Wednesday the 25th, the National Geographic film on "Gems Around The World" will be shown.

Visitors are always welcome.

L.V. RACQUET CLUB

By George Nolte

The Racquet Club met Jan 8, in the MPR, with Al DeFusco presiding. There was a good turnout, assuring A-1 support during the coming year.

There were no paddle or tennis tournaments in December due to the holidays. However, Mike Shapiro, Paddle Tournament Chairman, expressed his interest in preparing for the Mission Viejo Tournament. Zo Simmons and

Max Farber are tennis tournament co-chairpersons.

Speaking of Mission Viejo, Bob Hasen reports that the Mission Viejo Tournament is scheduled for Sat, April 25. This will be a 3-day, 2-night outing which is always great fun. Stay healthy and participate in the monthly tournaments. Let's bring the trophy back to Leisure Village.

Following the meeting, refreshments were provided by Anne Wolfson. Anne works very hard at this endeavor and deserves all of our support.

By Vee Flowers

The end of the first half of the Leisure Village Bowling League went right to the wire in position week, with Team One edging out Team Nine for first place.

Team Nine, captained by Charlie Bellante, was on top for most of the season and looked like a shoo-in, but Team One coming up each week had other ideas. Thanks to Don Dance's two games of 200 and 204 and a little help from his team mates, Team One won 3 games with total pins for the day and walked away with first place.

Besides Don, the team consists of La Verne Groves, Anna DeFusco and Vee Flowers. They will play the winner of the second half in late April for the overall championship.

Team 17 was a close contender and finished third with high games of 233 by Teo Kamola and 202 by Joe Kremer.

More high games the past month were rolled by Al Sparkman 213, A.D. Flowers 210, Don Dance 208, Chet DiLallo and Sam Wiegert 203.

The fair sex has been bowling some pretty good

games of late, including Helen Mamula 193, Fran Gold 174, Roz Weinstein 169, Anna DeFusco and Vee Flowers 165 and Doris Wiegert and Mary Whalen 164.

More close competition is expected in the second half so good luck to all.

The Channel 12, 30 minute tape made last year of the Bowling League, will be run again on Monday, February 17 at 5:00 p.m. featuring the humorous and sensational antics of the players.

Bob Vanderhaven, who shot the film, is planning to tape the bowlers again this year looking for more highlights and lowlights while displaying their skills.

Bowling Tournaments

For those LV Bowlers interested in joining in the fun and competition with new acquaintances at Harleys Camarillo Bowl, weekly sessions will start Wednesday, February 5 at 1:00 p.m.

The first week of the month will feature "Bingo Bowling"; the second week "Monte Carlo"; the third week the popular "No Tap Tournament"; and the fourth week will be up to the bowlers, with suggestions invited.

The charge for the three games will be \$5.50 with many prizes in the offering. For further information call 482-0747.

L.V. MEN'S GOLF ASSOCIATION

By Herb Warneke

December is usually a quiet month for LVMGA. George Nolte created some excitement by scoring a hole in one on #2 and collecting the pot which had not been claimed for some time. George used a pitching wedge but when told it was the wrong club, he just smiled and pocketed the money. Congratulations, George.

The regulation golf tournament was held at Elkin's on December 11. Low gross in Flight A was won by Dewey Hoyle with a 90, one stroke better than Willis Sanders who captured low net with a

EXERCISE GROUP

By Shiphrah Maller

On December 20, eight of the members of L.V. Exercise Group played Santa Claus to the one hundred plus patients in the Camarillo Convalescent Hospital. We had collected over one hundred lovely gifts from our members and wrapped them festively. Many of our members baked all kinds of cookies and other goodies. Everything was distributed to wonderful, thankful patients while Kurt Godfry played the piano and Lorraine Kaplan cheered everyone up with her singing and dancing.

Our next event is our Whale Watch trip on Feb. 6. Marion Tamkin is still taking reservations for \$16.00 per person. The Group will be supplying brown bag lunches for everyone. Come on down and join us with our healthy, low key stretching exercises, Monday-Friday, 8:30-9:00 a.m. at poolside. Wishing everyone a Very Happy New Year.

70. Second low net had three golfers tied at 73--Syl Horwald, John Rice and Paul White.

Flight B low gross winner was Don Dance with a 95. Low net with a 69 was Chase Gregory, followed by Hugh Gary with a 71. Ernie Ohmstedt scored 100 which was good for low gross in Flight C. Low net winner was Chuck Spurlock carding a 73, one stroke better than Joe Scheck.

The slope system will now be used to handicap our regulation golf tournaments. Each of us will be assigned an index which will translate to specific handicaps for specific courses. Depending on the severity of the course this handicap may be more or less or the same as your present handicap. I understand that only two people in the world understand this concept. One sits atop a mountain in India. Fortunately the other is in our club. Thank you,

L.V. WOMEN'S GOLF ASSOCIATION

By Betty Bruce

The L.V.W.G.A. were giving out congratulations to our ladies who had a hole-in-one lately. Donna Duke had yet another one on Wed, Dec 4 on hole #4. Marcella Westerhout had hers on Nov 20 on #11. Martha Nunn received her trophy and bag tag at the regular meeting for her hole-in-one on #17 on Nov 17.

The L.V.W.G.A. hosted the Holiday dinner dance on Dec 6 in the AR. It was a wonderful party, attended by 183 people. The decorations were colorful red tablecloths with a bag of prizes at each place setting. The band played various kinds of music to suit our dancing styles.

The catered dinner was delicious. This was the nicest party ever. Everyone enjoyed the friendly

Alan Bruce, for your work on this system.

Slope was in effect for our Jan. 9 tournament at Los Robles. Ray Milewsky scored an 89 to take low gross honors in Flight A. John Rice with a net 71 was low, followed by John Dawley's net 74.

Flight B had Gene Bookwalter the low gross winner with a 94. Low net with a 72 was Chase Gregory (also see Elkins above), one stroke better than John Lauten.

Flight C had close scores for low gross with 105 by Bill Sauers and 106 by Carl Santangelo and Walt Whitaker. Carl won low net with a 71 while Walt's 75 net took second.

Please check the board to see if you are a starter. For February the regular meeting is Tuesday, Feb 11. The Scotch Twosome will be played Tuesday and Wednesday, Feb 18 and 19, with the women hosting.

atmosphere. Many thanks to Joy Hess and all her helpers who made this a very happy, festive and satisfying event.

Our holiday golf tournament on Dec 11 was partners best ball with surprise holes. On the 9th and 18th greens there were two flags to shoot for and circle holes on #2 and #16. One mulligan could be bought for 50 cents. The winners were Billie Mueller and Millie Mullery. Billie had birdies on #6-7-11-15. They had 42 net.

The regular golf meeting held in the AR after golf was very enjoyable. Hors d'oeuvres, cookies, champagne and coffee were served. Thanks to Rose Fleiner and her staff. After the meeting we had a "white elephant" exchange of presents. A delightful party!

Low gross for December was won by Donna with 59; for the niners, Erma Hopkins won with 32.

DANCE WORKSHOP

By
Marguerite Abdelnour

Dance Workshop proudly sponsors the Topa Topa Indian Dance Troupe of Lodge #291. These young men, ages 11 through 18 years, are a credit to our Ventura community. Their dance advisor, Bob Swaney said that "The most important requirement of these boys is that they maintain good grades in school."

By Margaret Hines

The Rhythmettes started out the year with their usual enthusiasm. Piff De Simone, director, is always right in there with new ideas for sound and musical variety. The members appreciate the time donated by Maxine La Porte at the organ and Ethel Belanger at the piano, although the lines are still out hoping to catch a permanent pianist to be with us every week.

The main events coming up for the Rhythmettes are two special days in February. Valentine's Day, Feb 14, will be observed on Feb 11, our regular Tuesday practice day. Claire Endelman, hospitality chairman, will think of something heart-shaped and sweet, to nibble on at break time. On Feb 28, 5:00 to 10:00 p.m. is a reserved date for the Rhythmettes to use as they wish. The first thing to come to mind, of course, was food. The variety decided on will be the "buy something, make something" dinner with Baja chicken as the entree, similar to the installation dinner last June 28. Work up your appetites, dig down for a few dollars, and be there for food, fun, and entertainment.

The Indian Dance Troupe performs Friday, Jan. 31 at 7:00 p.m. in the AR.

Artifacts will be on display, and there will be a period of Questions and Answers on Indian Folklore.

You are invited to stay for refreshments after the show and to meet and talk with the young men.

If you're looking for a dance class, consider Dance Workshop each Tuesday at 3:00 p.m. in the AR. Join us for Country Line Dancing. Dance for good health and joy.

DANCE CLUB

By Cy Boynton

At the Village Swingers first square and round dance of 1992 held on January 6, our members apparently adopted the Post Office's slogan "neither rain, hail, sleet, nor snow will prevent us from keeping our appointed rounds" as was evidenced by a greater attendance than was expected, as we sallied forth on one of the first rainy, blustery nights of the rainy season in our club costumes, to enjoy squares and rounds before settling down to our regular monthly business meeting. Our regular caller Bill Kramer gave forth with a pleasing selection of calls --- not too difficult, and not too easy, as also did our round dance tape master, Al Siegel.

Jack and Lenore Brode surprised us with a gorgeous cake in celebration of their 50th wedding anniversary.

Some upcoming events: February 8 - Swingers will visit the Happy Hoofers in Simi Valley, with Mike Seastrom calling. February 11 - Valentine Day Dance (many of our couples have been married over 50 years).

Watch Channel 12 for upcoming events.

On the House

with Marie Young
Century 21 Pleasant Valley Properties

IS IT TIME TO MOVE?

Sometimes the need for a move may be obvious. For instance, your work might require you to transfer to a new city. Others times, the changes in your life and your housing needs may be less obvious. You might have twins, the last child in your family may be leaving home, or you might receive a big increase in income.

If you notice that your house or condominium is no longer serving your needs, it may be time to call in a professional realtor for expert advice. He or she may suggest that you remodel your present home or find one that's more suitable to your current lifestyle.

If you do decide to move, what should you consider before listing your home and beginning the search for a new one? You'll want some idea of how much you can expect to get for your present home and how much you can afford to spend for a new one. You'll also need information about financing and the multitude of loan programs that are now available.

Put your trust in number one. For solid advice on buying or selling real estate, please call Marie at 482-8981 or 388-5900; or consult the professionals at Century 21 Pleasant Valley Properties Inc. Our address is 2011 Ventura Blvd., Camarillo.

LOOKING AT
CHANNEL 12

By Jack Whalen

If you failed to attend the Town Hall meeting on January 3 concerning the proposed Paramedic Services and then failed to see Channel 12's repeat 2-hour showing, you missed an interesting discussion featuring talks by Supervisor Maggie Erickson Kildee as well as fire department officials. Again, we wish to mention that checking the Ch 12 "pages" for 15 minutes two or three times a week will keep you posted on the timely as well as informative programs coming your way.

In the planning stages at this time are such diverse programs as Donna Duke's featurette that may well be featured on a new NBC coast-to-coast program titled "Against All Odds," a bowling feature by Bob Vanderhaven,

that will even surpass his highly-acclaimed show of 1991 and an unusual show to be filmed at George Pisors' garage. He has built a machine that can only be described as a giant pin-ball machine. It has to be seen to be believed.

February's Board of Director's meeting, Mon Feb 3, will be telecast live at 10 a.m. with a repeat showing the following Sat at 10 a.m.

The very popular 1991 bowling special filmed at Wagon Wheel Bowl will be shown again on Monday, Feb 17 at 5:00 p.m.

Cameraman Bob Vanderhaven made many trips to the Oxnard Bowl to garner several hours of tape which he edited into a fast moving, eye-pleasing story of the many valiant LV bowlers.

VISION LIMITED

By Sophie Brown

Sheri Main was the main speaker at the Vision Limited meeting on Monday, Jan 6. Ms. Main, who represents the State Department of Rehabilitation, discussed services that are available to those who are blind or partially sighted.

Ms. Main, who is blind herself specializes in training the blind to adjust to their circumstances and teaching them to be self-reliant. Included in her services are methods for the low vision people to perform household duties such as cooking and washing. She demonstrated methods of labeling measuring devices, washing machine dials, cooking utensils, and other common home items.

She also spoke of counseling for such services as shopping and "getting around" with suggestions for walking and using buses. Added to these are the services of the Braille Institute and the use of their equipment and supplies.

Also mentioned was a long list of services that are available at no cost to clients of the Department of Rehabilitation. These include such items as talking clocks and alarm clocks and several types of white canes. There are also free consultation with optometrists that specialize in low vision work and arranging appointments with the Center of the Partially Sighted in Santa Monica.

The Department of Rehabilitation offers many other services, supplies and consultations at no cost to the blind or partially sighted. Those that are interested can contact Ms. Sheri Main at 805-385-2400.

Residents are urged to watch Channel 12 for details of the next meeting of Vision Limited.

It isn't a secret anymore!

"Mom, grandpa told me he doesn't have any teeth, but then he smiled... and he has beautiful white teeth."

The little lady is right, grandpa does have bright, white beautiful teeth. They're called **dentures**. In days past, dentures were something we hid in the medicine cabinet.

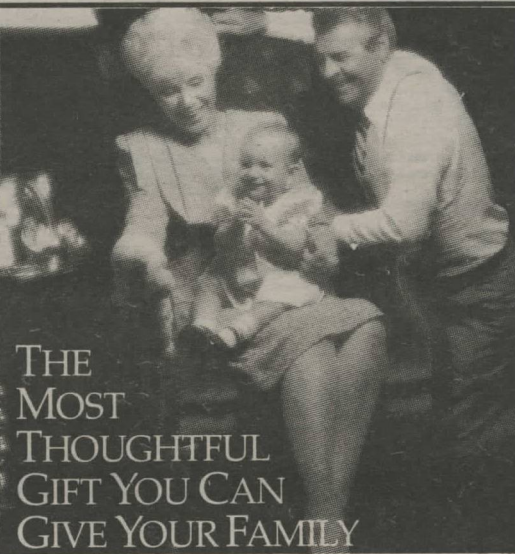

Come out from hiding and join millions of others who enjoy being with their friends, eating most foods and, best of all, doing it all... **with a smile!**

It isn't a secret anymore, new dental technologies can help you obtain a comfortable, natural looking full set of teeth. **Call us today.**

Pierce Brothers
Griffin Mortuary

1075 EAST DAILY DRIVE, CAMARILLO, CA 93010
(805) 482-2711

By Don Holmes

The Leisure Village Orchestra is off and running for the new season, with a firm date to play at the Oxnard Manor Convalescent Hospital; a tentative date with the Club Camarillo, which, as you know, is part of the Camarillo Health Care District; and our friends at the Camarillo Convalescent Hospital will be booking us soon.

Speaking of programs, we have new music to work on. I spent the holidays copying borrowed music - borrowed because it is out-of-print and cannot be purchased. We have Selections of Rudolph Friml, arranged by Ferde Grofe; the 5/4 movement from Tchaikowski's "Pathetique Symphony", and my all-time favorite, Beethoven's "Egmont" Overture. I enjoy this because I can conduct it from memory, without using the music. I also spent some time arranging the lighter music of other composers so that we can play them with our small group. In an effort to get more musicians, I have inserted publicity write-ups in both Camarillo newspapers, inviting outsiders to come

play with us. We shall see.

We had a distinguished visitor in January. On January 2 we had three birthdays to celebrate, which we traditionally do with a little party. Selma Simon was hostess, and with Barney, furnished two cakes and other fixings. We had a surprise guest - Arthur Kates, who founded the orchestra. Look at the plaque in the Lobby for a thumbnail history of the group. Arthur is playing baritone saxophone now, and we hope he can find time to join us.

The orchestra will be dark the first two weeks in February.

THE CERAMIC PLUS CLUB

By Don Holmes

The Ceramic Plus Club's meeting of January 23 was in the nature of a "Thank You" brunch for those members who helped to make the past year a successful one. New "Member Phone

Books" were distributed, and plans were discussed for the coming year. We have new supplies, new members, and everything looks good.

The February meeting will be on the 27th, at 10:30 a.m. in the MPR, when we will have a "Show and Tell" by the members, and discussions on what to do for the Annual Sale.

VILLAGE PAINTERS

By Mildred G. Oberg

The Village Painters monthly meeting will be a Critique in any medium for members. This on Wed, Feb 5 at 1:00 p.m. in the MPR. We always look forward to the excellent review Marion Jayne gives each painting with her wide professional background. Bring your paintings finished or almost completed. Guests are always welcome. Dues are

due.

Marty Ettinger of the Sawdusters gave a very good lecture with his beautiful pieces of wood carvings on display, showing where he started years ago and progressing to fine sculpture pieces. His impressive collection has been on display in the Atrium.

The new officers for the year are: Marion Jayne, pres., Isabel Petrov, VP; Elna Street, treas., Erna Hessen, secy; Mike Mancusi, party chair; Mildred Oberg, publicity; June Aylward, membership chair.

NOW DON'T BE LATE

By Bill Fox

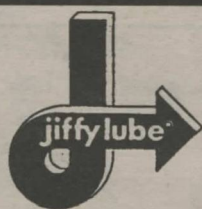

There is a group of tennis players That play up on the hill. Every morning they meet in the parking lot And then they wait for Bill.

Now Bill is not a player, That they all seem to know. But whenever they see Bill coming, They know it's time to go.

Bill is like an alarm clock, As he goes to exercise. About 28 minutes after 8 He passes by these guys.

One morning it was getting late. They all began to sweat. He was already a minute late And there was no sight of him yet.

At last he came into view. Now they would no longer grieve. For these poor guys if they didn't see Bill, Wouldn't know what time to leave.

By Florence Friedman
International Folk Dance Club celebrated its tenth anniversary party and installation of new officers for 1992 on January 20 in the AR. New officers are: Lillian Bein, Pres; Bella Levy, VP; Trudy Orsan, secy; and Evelyn Lerner, treas.

We had a delicious potluck luncheon made by all our members. Our hospitality chairpersons were Blanche Miller, Betty Chartuff, Ida Zeller and Ruth Helfer.

Dance times are: Monday, 12:30-1:30 p.m., for beginners; 1:30-3:00 for regular class teaching and dancing; Wednesday, 9:00 - 10:30 a.m. review and new dances; Friday, continuous dancing in the AR.

General membership meeting on Wednesday, February 3 at 10:00 a.m.

By Cy Maller
The LV Wednesday Bingo Games returned after a two week holiday observance. It was with renewed fervor that the players converged in the AR hungry for BINGO ACTION!!

Once again we must remind our players that cash prizes are related to attendance. The more players, the greater the cash payout for regular games and jackpots.

We start the New Year with an excellent panel of callers. A special mention is in order for Bernie (two = two) Silverstein who is always there to call the second half of our program. Marion Tavano and her committee are looking forward to a gala 1992, wishing all our friends a Happy and Healthy New Year.

HEARING IMPAIRED

By Cynthia Maier
Meeting December 18, the Hearing Impaired Support Group enjoyed a group discussion, ably led by our president Lillian Doran, on dealing with the traumas of the Holidays. In keeping with the holiday theme, refreshments were served. Late in the meeting Judy Bascue joined the group and explained Sign Language and taught group members several signs (Merry Christmas and Happy Hanukkah).

Maury Berkly will speak on "Enjoying the Wonders of Infrared Hearing Devices" at the group's next meeting on Wednesday, February 26 at 1:00 p.m. in the Sun Room. All are welcome to attend. More information may be obtained from Lillian Doran at 484-5437.

DUPLICATE BRIDGE

By Lou Dektor
LV duplicate bridge winners for the month of December: Individuals tied with three wins each for first were: Eleanor Girard, Lucille Golden and Ed Hawthorne.

Two teams tied for the most partnership wins. They were Jane & Joe Selber and Midge & Lou Dektor.

For the full year of 1991 there were four teams tied for first in the partnership category; Eleanor Girard and Marge Peet, Mitzi & Marty Ettinger, Sally Lubin and Ed Hawthorne and Midge & Lou Dektor.

The grand winner in the individual category was Mary Talan.

Everyone is welcome to the duplicate bridge games which are held four times weekly in the GR. Times are Mondays at 1:00 p.m. and 7:00 p.m., Thursdays at 1:00 p.m. and Fridays at 7:00 p.m.

SATURDAY NIGHT BALLROOM DANCE

By Anne Janoff

The Saturday Night Ballroom Dance Committee is pleased to present at their Valentine's Day Dance, February 8, the encore appearance of The National Cotillion Dancers. This young group of teenagers is outstanding in their performance of precision and formation dance numbers. Their presentations have received high marks at National Cotillion U.S. Championship competitions as well as many civic and charitable events.

Their program will take place during the two intermission periods that evening.

Admission, payable at the door, will be \$1.00 per person, 8:00 - 11:00 p.m. in the AR. Special refreshments will be served in addition to the usual coffee, tea, punch and ice. BYOB.

The President's Dance, celebrating the birthdays of presidents Washington and Lincoln, will be on February 22.

HAPPY HOOFS

By Jean Parker
ACTION! ACTIVE!
ACTIVITY!

The Happy Hoofers are in preparation for their next show February 17, 1992 for the National Council for Jewish Women at Trinity Church in Camarillo at 1:30 p.m.

Those active tapping feet are going into action for that future activity.

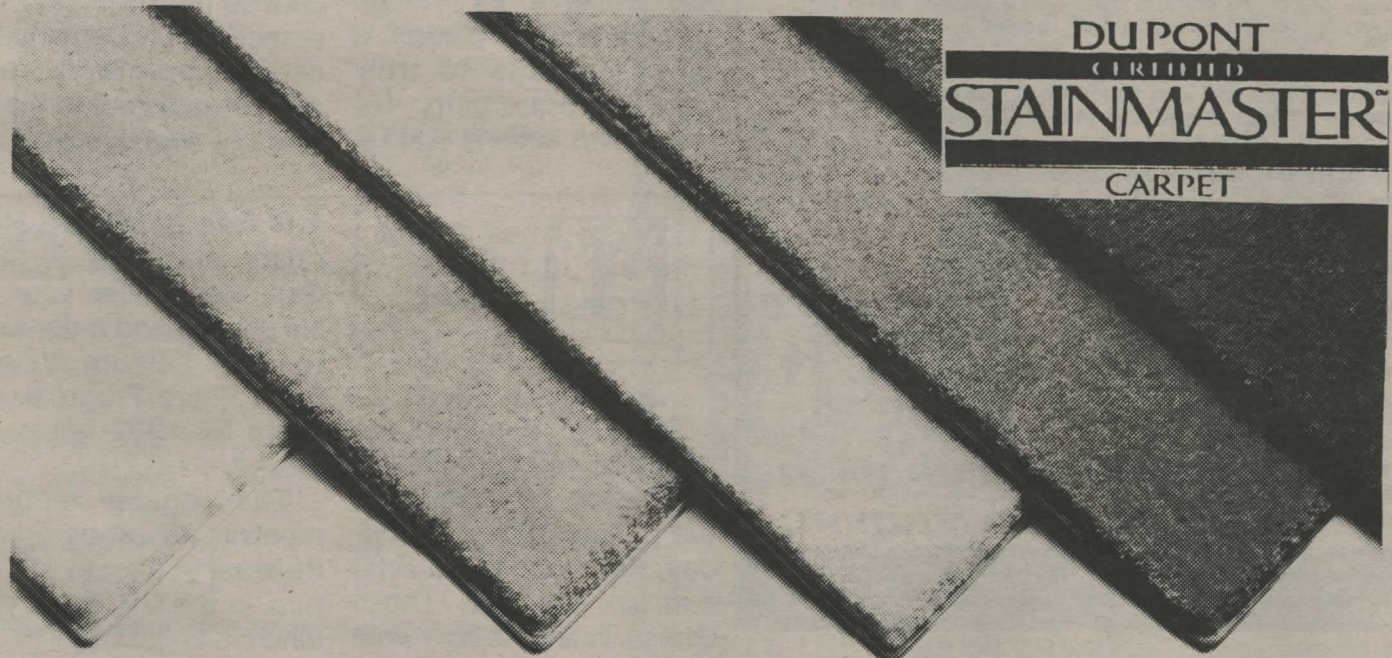

With the new year upon us, our Hoofers starlets also have birthday celebrations--January 1, 1992 Rawza Kramer and February 11, 1992 Helen Gold. HAPPY BIRTHDAY--stay young and keep that energy on a constant high!

Take Nutrition Seriously!

Arby's has led the fast food industry in nutrition for over the last two decades. Unlike ordinary burger places, Arby's offers a variety of fresh sliced meats including roast beef, chicken, turkey and ham.

You can eat away from home and still eat healthy.

- Arby's roasts its meats daily and slices them fresh when you order your sandwich. Instead of a burger, Arby's has roast beef sandwiches piled high with 88% fat free, tender, slow-roasted lean roast beef. Like the tangy Beef and Cheddar and the French Dip, served on a long, hearth-baked deli bun with hot savory au jus.
- No burger place has chicken sandwiches cooked three ways. But at Arby's you can choose grilled, roasted or fried.
- Finally, if you want a light alternative for a change, Arby's has three different light and lean sandwiches -- chicken, turkey and roast beef -- all 94% fat free and under 300 calories.

The most nutritious in the industry! Check around. No one else offers a completely 94% fat free sandwich. But we do! And not just one, but three choices!

50¢ OFF
Any sandwich with this coupon.

Buy up to 2 with this coupon. Cannot be used in conjunction with any other coupon or promotional offer. Good at Camarillo location only, thru 2-29-92. CDN/ILV

Self Awareness Group

By Maxine Fritz

The Self Awareness Group meets on Mondays, 7:00 to 9:00 p.m. in the Lanai Room.

To be self aware, one must have an open mind and be completely honest, to be willing and able to step outside of one's self, sit along side and listen and observe as though you are another person. It takes courage to truly take responsibility for one's own actions and re-

actions.

If you are having a problem with another, ask yourself "what part have I played and am I playing in this scenario?" Remember, we cannot change anyone else, we can only change ourselves. We cannot fix another person to fit what we believe is the correct and proper way of life.

It is our birthright as well as our constitutional right as Americans to choose our own way. Tolerance and acceptance of other opinions and choices can lead to the release of anguish and guilt.

SOLO CLUB

By Monica Alves

Solo Club members are invited to celebrate Valentine's Day by coming to the potluck dinner on Friday, February 14, at 6:00 p.m. in the AR. Those whose names begin with

A-G take a dessert; H-O, salad; and P-Z, a main dish. Remember your table service and a donation for the Leisure Village Food Share Program. Officers for 1992 will be installed.

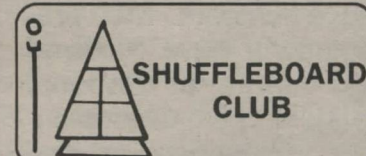

The regular monthly meeting will be on Friday, February 21, at 12:30 p.m. in the GR. Pack your lunch and join us.

SPIRITUAL GROWTH

By Dorothy Holcomb

The Spiritual Growth Group will meet each Tuesday at 9:30 a.m. during February at the home of Belle Smith, 6120 V.6. All village women are welcome.

For further information call Vi Shirk, Chm. 484-2389.

By Cy Maller

The LV Shuffleboard Club closed out 1991 as a very successful year. Here are some of the highlights. Membership increased, thanks to Eleanor Kramer and her fine committee. In April we held our annual Pot Luck Dinner, another huge success. All contributors outdid themselves with delicious ethnic dishes. May brought the return of open play on Thursdays at 7:15 pm. June was the month for installation of officers. In July we held our annual picnic. This was a gala function with a great turnout.

August and September meetings were conducted by Sarah Brown, in Nate Brod's absence. Sarah filled in admirably. September was the month for the County Senior Olympics. Our club had 3 representatives -- Louise Colbert, a former Gold Medal recipient; Eleanor Kramer and Shiphrah Maller. They all gave a very creditable performance and are looking forward to the '92 games. December was the month of our annual Holiday Dinner.

More "shufflers" are attending our M-T-W open play at 9:30 a.m. and Sat and Sun at 1:15 p.m. With this renewed interest in Shuffleboard, we are all looking forward to a super year in 1992!

Camera Club To Hold Snap-Shot Clinic

By Sam Weinstein

In response to many questions asked of Camera Club members by villagers, such as, "Why aren't these pictures sharp, I'm using an auto-focus camera?", or "What is this doo-dad, what does it do?", or "Why are the flesh tones in these prints purple?", the LV Camera Club will hold its first Snap-Shot Clinic on Wednesday, February 19 at 7:30 p.m. in the CR.

"The purpose of this clinic", program chair Dora Cronyn stated, "is to give all villagers an oppor-

tunity to learn a little more about taking better pictures by dealing with specific problems in non-technical detail". All interested villagers are invited to attend this free clinic and bring their snap-shots, questions, equipment or whatever. Camera Club members will work with villagers to help solve their problems and provide understandable, easy to follow instructions to prevent recurrence.

Camera Club president Howard Cohenour further extends this Snap-Shot Clinic invitation to villagers

who do not have problems taking good photos and would like to bring in some samples of work they're proud of and share their creative moments and memories with us.

Max Klapperman, one of the Camera Club stalwarts and an "Inside Leisure Village" staff photographer, will conclude the clinic by presenting a brief talk on "Using Snap-Shots to Tell a Story".

Refreshments will be served. Make a note of the date, February 19, 7:30 p.m. in the CR.

"55 Alive" Driving Course

By Naomi Balfour

The A.A.R.P. defensive driving course "55 Alive" will be offered again Feb 20 and 21 from 1:00 to 5:00 PM in the MPR, at a cost of \$8.00.

The certificate you receive after completing this 8-hour course entitles you to a reduction on your automobile insurance for 3 years. Those who have taken the course 3 or more years ago may want

to repeat it. Check with your insurance company for the deduction.

You must be pre-registered. Call Gene Bookwalter 987-7480 or Naomi Balfour 987-9851 for registration.

NEW SERVICE

BLIND CLEANING SPECIAL

\$12⁵⁰ EACH

Any size blind, up to 8 feet.
Includes: Removal and reinstallation.
5 blind minimum.
Not Valid With Any Other Offer

After thoroughly looking into the methods available to clean blinds, we chose what we believe to be the most advanced process possible today. It is called the HPA System 90, and is the safest way to clean your blinds and verticals without any chance of the paint being removed. When we rinse them, we use a special water that will not spot. This process is a step ahead of ultrasound and power wash currently being used.
