## Oxnard College Dual Tuition Fee

By Genevieve Leventhal,  
Ed.D., Ed-Rec. Comm.

On Monday, January 4, 1991, at the 1:30 p.m. Board of Directors meeting, the Board reversed its decision (re its November 1992 approval of The Education/Recreation Committee to maintain equal tuition for all residents taking Oxnard College classes) and approved the request of a group of residents to continue the Oxnard College classes based on the 1993 dual tuition schedule.

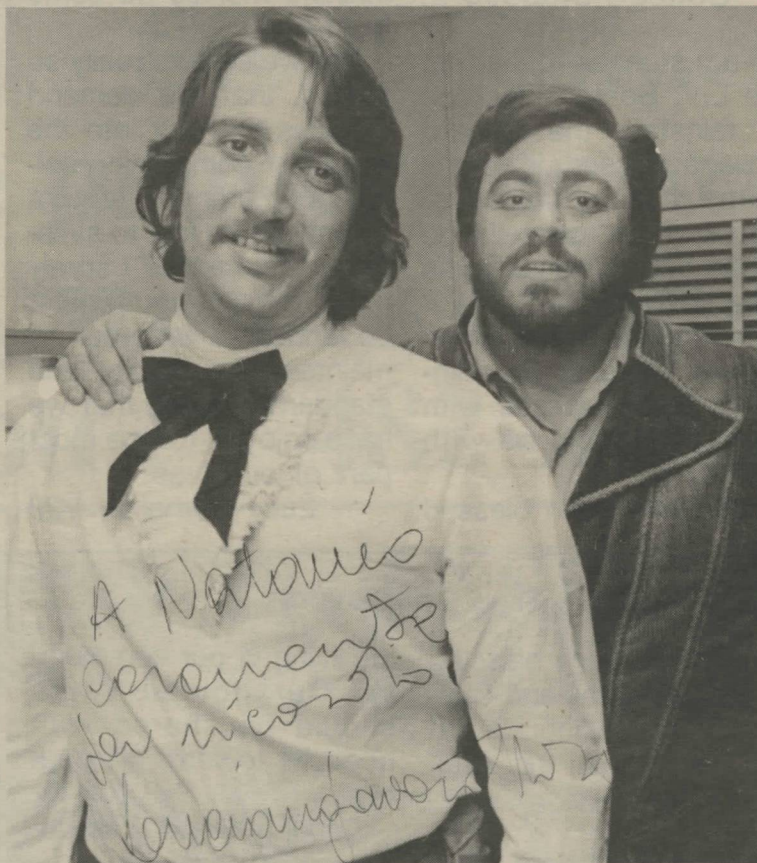

For the past three years Leisure Village participated in an academic program with Oxnard College. The tuition schedule was \$25.50 for three units per semester.

These academic classes were not to be confused with previous instructional programs (ie Adult Education, Community Services) offered at Leisure Village in past years.

In September of 1992 the Sacramento State Legislature passed SB766. This bill raised Community College fees from \$6 per unit to \$10 per unit. However, it included a differential fee that required any person who held a Bachelor of Arts Degree to pay \$50 per unit. Thus the tuition including a \$10 health fee became \$40 per three unit class for students who did not hold a Bachelor's Degree and \$160 per three unit class for students holding a Bachelor's Degree.

## Keyboard Club Coup

Nathaniel Brian Wine with a friend

By Jules Nayfack

Never in any flight of fancy could the program chairman of the Keyboard Club have hoped to bring such a fantastic talent as Nathaniel Brian Wine, American operatic tenor, to Leisure Village. Nobody of his caliber has ever appeared in the village.

Nevertheless, Nathaniel Brian Wine will be appearing on Friday, February 19 at 7:30 p.m. in the AR.

This could not have happened had it not been for the suggestion of the gifted Dorothy Weiss, concert pianist and accompanist to some of the biggest names in music, who arranged an introduction.

Mr. Wine has performed in operas with Luciano Pavarotti (see the approval evidenced by Pavarotti in the photo

above), Placido Domingo, Franco Corelli, and Richard Tucker. He will be singing operatic arias, Broadway melodies, and ethnic folk songs accompanied by the marvelous Dorothy Weiss.

You will be thrilled and moved to tears by the beauty of his offerings. Tickets, which are limited in number, are \$3.50.

## Chorale

By Jules Nayfack

The Leisure Village Chorale will be performing its first mid-year concert on Sunday, January 31 at 2:30 p.m. in the AR.

Enjoy the beautiful voices and music of your friends and neighbors in a potpourri of show tunes, folk songs and ballads,

## Jack Bennett Appointed

On January 18, the L.V. Board of Directors appointed Jack Bennett, V.32, to fill the unexpired term of Dan Davis who had to resign from the Board for medical reasons.

Bennett was the third candidate on the slate which ran for office in June 1992 when George Pisors and Moe Kadish were elected. Davis' term (and now Bennett's) expires in June 1993, when villagers will elect 3 candidates for two year terms.

## • OPINION •

### Learning Workshop For Seniors

Probably the only person who can say he never has an argument is a recluse who lives alone on a mountain top and is committed to silence. Even then some day a mountain climber is likely to provoke him to anger to make him forget his vows.

It is not surprising that sometimes controversies arise in a Village such as ours. The present one about Oxnard Community College classes should be easy to resolve. We are now committed to continuing classes for villagers and other Ventura County registrants in the Recreation Center until May.

The concensus of opinion (and the editors of ILV have spoken with many residents on the subject) seems to be that *college classes for credit are not necessary for people who are retired*. Lifelong learning is desirable, but the pressures from definite assignments and competition for grades are no longer a priority.

There is another way. Leisure Village is teeming with talented, trained people in almost any subject we might want to pursue.

Workshop and support groups are already being used in many instances in the Village. Workshops actually may be better suited for people like us because their structure allows a wider range of input than does instruction and lectures by one person only. Kids going to a community college may need this kind of beginning formal instruction, but we are beyond that in most instances.

The two courses currently being offered by O.C.C. are Readers' Theatre and Economics 101. Surely, here in LV there are several competent people in each of these disciplines who would be happy to chair, or co-chair a workshop group.

Workshops cost almost nothing and they have the added advantage of no need to admit outsiders, which have sometimes been an embarrassment to Security.

Potential leaders of such a workshop may hesitate because of a desire not to be tied down for a long period of time and thus prevented from travelling or other personal pursuits. This need not be a problem.

ILV has long used the policy of co-editorship. This has worked well because it has allowed each of us to "beg off" when needed, with two or three people left to help reduce the work load each month for the coordinating editor.

Perhaps such a plan might also serve other organizations.

### Letters

*ILV has obligated itself to publish all Letters to the Editor that are not profane or libelous, but views or statements expressed as facts are the beliefs of the writer and are not necessarily supported by the staff of ILV. We cannot accept unsigned letters.*

#### College Classes

I am stunned to learn of the L.V. Board's decision to reinstate the Oxnard College classes. It seems to me that the unrest resulting from cancellation of the Village classes was greatly overstated.

Perhaps it is time for us (senior citizens) to relinquish these classes with dignity instead of with hostility.

We have been blessed

to have had courses available to us, subsidized by taxpayer funds for a long time. It is time for us to allow these monies to be used by and for the education of the youth of Ventura County who will benefit far more by supervised instruction than we do.

No matter how much we pay for tuition, it never covers the total costs of the classes and the remaining monies do come from taxpayers.

Are we seniors really so greedy that we demand services that cut into the available community college funds for our Ventura County youth just to satisfy our own egos? I surely hope not. Our youth must be educated in order to maintain the quality and standard of living that we have enjoyed for the most part of our lives.

Lucy Gerhardt, V29

#### Tree Controversy

Holidays are a blessing to all. Christmas and Chanukah were celebrated at the same time this past December.

I have lived here since 1978 and during the past years my neighbors and I have trimmed the evergreen tree in our common area to create a festive appearance. All these years we have received many compliments from guests and villagers saying how great it was that the community tree was decorated in Village 32.

The second day of Chanukah there was a knock on my front door. I anticipated a messenger with greetings. Instead, it was Security. The young gentleman was embarrassed and didn't know how to convey his message from the office. He was reluctant to deliver the complaint (from Scrooge?) A call was received that it wasn't proper to have a tree decorated in the common area.

It is very sad that there are people who can't en-

joy living in our community. Our golden years should be shared with goodwill towards all people.

Security left. I was upset and disturbed.

Later that afternoon, I went to see Chief Max Moses. On my way, I saw several neighbors and stopped my car to greet them.

I told them the sad story about our tree. The three gentlemen were amazed at the incident.

At Chief Moses' office, he too was shocked. Perhaps next year there may be an alternative to the unusual complaint.

Thanks to all concerned.

Evalyn Green, V32 See LETTERS.....Pg 6

### Senior Legislature Candidate

In the February 28, 1992 ILV, an analysis of the legislative priorities of the California Senior Legislature (CLS) was published together with a brief summary of how the CSL functions. This vital agency is the watchdog over the elected officials in the state legislature on issues affecting seniors, and the noblest watchdog of all for the past 10 years has been Leisure Village's own Joe Gaynes. Joe has served for a full decade, six years as Senior Assemblyman, the past four as Senior Senator.

In a recent Camarillo Daily News "Senior Profile" by our own journalist Bernard Burton, Joe announced that he was stepping down to a well-earned retirement. And after a bit of discussion with Joe, it was agreed that I would run for his seat, placing my name before the Ventura County seniors in the March 9 election.

As a 16-year resident of Leisure Village, I seek the votes of my friends and neighbors in support of my candidacy. Throughout my life here and in the Los Angeles area where I was born, I have tried to be engaged in worthwhile community activities: in Leisure Village, the Security and Safety Committee, Emergency Services, the successful no-smoking drive, the (now discontinued) World Travelers of LV, SEASONS; in various charity and philanthropic organizations, and a continuing role with the Anti-Defama-

# COLLEGE.....From Pg 1

L.V. Education sub committee discussed this with The Education/Recreation Committee, various political officials, and Oxnard College Administrators. Our request was simple--we asked that the dual tuition fee be waived for Leisure Village residents--allowing all residents to pay the same (\$40) tuition fee. The college would not grant our request.

It became obvious that the original intent of this Leisure Village program had become flawed. We consulted lawyers who assured us that Oxnard College could grant our residents equal tuition without "breaking the state law"/endangering their funding.

We decided to contact two universities (UCSB and CSUN) who offered satellite programs in Ventura.

This entire discussion became moot when a group of our residents decided they wanted to continue this flawed Oxnard College program in Leisure Village. The inequity of the 1993 dual tuition fee schedule did not concern them.

With the approval of The LV Board, this group of residents requested a program that was based on the premise that if they could get 15 students in a class (at \$40 per student) then the students holding Bachelor's Degrees could sign up to audit the class at \$55 per semester. NEITHER THE BOARD NOR THIS RESIDENT COMMITTEE SPECIFIED WHETHER THESE FIFTEEN STUDENTS WOULD BE LEISURE VILLAGE RESIDENTS, NON-RESIDENTS, OR OXNARD COLLEGE REGULAR STUDENTS USING OUR FACILITIES.

Three years ago the duly appointed Education/Recreation Committee and The Education Sub-Committee agreed to bring an Oxnard College

academic program to Leisure Village for RESIDENTS. We believed then, as we believe now, that all residents of LV are entitled to participate in all LV classes, clubs, and groups on an equal basis.

ment. It meets on Mondays from 2:00-5:00 p.m. and began on January 25. Professor Ishita Edwards is the instructor.

The class in Readers Theatre taught by Dr. Mary Ellen Kazmark is scheduled for Tuesday from 9:00-12:00 a.m. Readers Theatre started on Tuesday, January 19.

## Budget Presentation

On January 14 the LVA budget for the period beginning April 1, 1993 was presented by the Board of Directors to approximately 75 residents in the AR.

The proposed budget of \$6,363,949 will be 2.6 percent greater than last year's budget of \$5,733,122. Homeowners' fees will increase by 8.26%, however, as a result of folding the flood and earthquake insurance into the monthly assessment. (This change was described in detail in the October issue of ILV.)

Salient features of the new budget include rebuilding the shuffleboard building, replacing the roof on the Recreation Center and completing the cleanup of the fuel tank leakage at the Administration Building.

Copies of the proposed budget will be mailed to all homeowners about Feb. 8.

### Surprise And Honor

By Bernice Epstein

In the 1960's Bill Himstreet was the Dean of the Undergraduate School of Business at the University of Southern California. In the spring of 1992, 25 of his former students during the 1960's, invited him for a get-together reunion party.

At the end of the enjoyable evening, imagine Bill's surprise and delight when the former students gave the University Representative at the party the sum of \$300,000 to name a classroom for him in the new School of Business Building, presently under construction at USC, to be known as the William Himstreet Classroom.

Completion date is still unknown, but Bill Himstreet is proud and

pleased to have earned this honor by his former students.

### Ballet Of The Autumn Leaves Random Thoughts on an Early Morning Walk)

By Gertrude Kern

How gracefully the leaf flutters from the tree to the ground.  
How gently the early Autumn breeze joins it with those that had gone before.  
Together they frolic, and are lifted and they dance.  
They dance the dance of life.  
The regeneration of Spring, the promise of Summer.  
The flowering and the fullness of life.  
A pale sun catches the loveliness of the autumnal colors, shimmering red and gold.  
Can one be saved from the withering winds of winter and decay?  
Swiftly I retrieve a falling leaf before it dances away with the corps de ballet.  
Forever it is mine.  
Inert in my palm it is still beautiful,  
But only in my memory will it dance again.

## The Infra Red Ray For The Hearing Impaired

By Gabriel Barkley

For a long time there has been an unfortunate situation in Leisure Village that the hearing impaired have had to absent themselves from interesting meetings and performances in the Assembly Room simply because they couldn't hear the proceedings from the stage.

Now this problem is going to be solved. Herbert Marks, a continual hard worker for Leisure Village and a past member of the Board of Directors, has been championing the cause of the Hearing Impaired Support Group to the Education And Recreation Committee and to the Board of Directors in having the very latest system of the Infra Red Ray installed in the Assembly Room.

People with hearing problems who have attended the Ahmanson

Theatre, the Dorothy Chandler Pavilion and certain theatres and churches in Los Angeles, have had the rich and thrilling experience of listening to the performance with the aid of a head set with two ear plugs and a volume control switch. The sound coming from the stage is transmitted by an infra red ray from the stage to a head set.

There are some Village residents who have this mechanism attached to their TV sets. By wearing their head set, they hear well with a normal volume setting.

The funds needed to pay for this equipment will be from voluntary contributions from various clubs of the Village and from our membership. The Board recently approved the project. So, once total funding is achieved, the Directors will contract the installation. The beneficiaries wish to express gratitude to those who help.

We all have choices in life, and the smartest one we ever made was moving to LV. All the cards, goodies and contributions made in my name were the best cure-all (it even beats chicken soup) which by the way, helped a lot in my recovery. My thanks to all of you and I wish you all a happy, healthy New Year. My love to everyone.

Florence Farber, V39

How do you express your love and gratitude to our wonderful, caring friends in Leisure Village? Just a simple "thank you" is not enough for the food, mailbox twice-filled with cards, tributes, notes, plus gifts and flowers expressing sympathy. Abe's many friends and acquaintances through our fifteen years in the Vil-

lage have helped to lighten our sorrow.

I'll miss him dearly after 53 years of sharing and caring, but the support you have all given at this time will ease the sorrow and leave us all with the wonderful memories so we may go on with our lives. Gratefully and with love, Corky Milman, Bob and Judy, V17

My family and I wish to thank our friends and neighbors in LV for their thoughtfulness in this difficult time of the death of my dear husband, Bob Bell. Your cards, donations to charities, calls, food, etc., were greatly appreciated. You were wonderful.

Kay Bell and Family, V40

To all my good friends and neighbors in LV, I thank you all for the beautiful tributes and charity donations I received in memory of my dear beloved husband, Albert Meltzer. Your concern and support given to me during my time in need will always be remembered. Rose Meltzer and Family, V25

In time of sorrow, it's so wonderful to have so many friends and neighbors to count on for love, comfort and support. Many thanks to all of you from the Friedman family. Ruth Friedman, V44

Foot traffic through my front door was steadily bearing kindness and wholesome nutritional gifts. Heartwarming stimuli to hasten recovery from total knee replacement—that is what your thoughtfulness has meant to me.

My neighbors Hazel Sheridan, Isma Farragalli and Pat Stanfield kept constant vigil in the early weeks of confinement. I enjoyed the fine home-made food, nearly one hundred cards, phone

calls and countless prayers.

There is much loving understanding in our Leisure Village. Thank you, Claire Sortomme, V3

To All My Friends in LV: Words cannot express my thanks to you for all the wonderful cards, phone calls, donations and food that you gave me throughout the illness and passing of my beloved husband, Ejnar (Niel).

Once again, you have let me know how good it is to be in our lovely Village. I appreciate each and every one of you. With much love, Elsie Taylor Nielsen, V38

Our sincerest thanks and appreciation to all of our good friends and Villagers for their support and help during my recent hospital stay.

# WALK WITHOUT PAIN

You feel a sharp pain in your back. It won't go away.

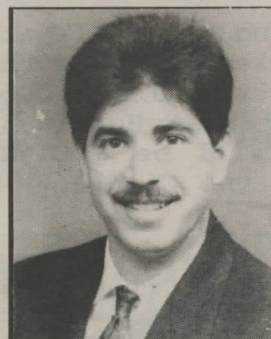

The pain can move down the legs, too, making even short walks a burden. Numbness, tingling, weakness of the muscles...more warning signs that there's a problem.

In nearly all cases, your pain may be the result of a pinching of the delicate nerves inside the spinal canal. But for most, there is a solution to the problem of "pinched nerves."

To find a good doctor is rare, one that finds the problem and solves it, instead of just giving you temporary relief.

Here in Camarillo is one of those doctors. Expert advice, treatment and relief is available right here from a qualified spine specialist.

Dr. Mitchell Goldberg graduated from Texas Chiropractic College with a chiropractic degree in 1988. In addition, Dr. Goldberg has completed Post Graduate training in athletic sport injuries and whiplash pain management.

Speaking for the Orchestra: We remember Harry. Harry Weiner, that is, who passed away on Dec. 23 after several months' illness. Harry was a fine musician, and he shared his talents with others.

He and Adele moved into LV about two years ago, and within a month Harry came to Orchestra rehearsal and asked me: "Do you have room for another clarinet player?"

He became one of our regular members until his medical problems interfered with his playing. Harry, the orchestra misses you and we hope other musicians in LV will follow your example and join us before it is too late.

**VILLAGE  
SWINGERS  
SQUARE  
DANCE CLUB**

By Cy Boynton

The Village Swingers Square Dance Club's board of directors held meetings on December 4, and January 8 to wind up business for 1992, and to discuss club activities for 1993. Dance themes for the new year were submitted and approved. Presidents Joan and Bob Guhl advised that guest callers and cuers for 1993 were being signed up.

The last business meeting and dance of the year was December 8, with dancers wearing the club colors. Sam Perren, Suzanne Stern, Hal Hudson, and Ken Nelson were recognized for having December birthdays. A proposal for simplifying the wording of the club By-Laws to facilitate change when deemed necessary was submitted and approved by a majority vote.

Theme of our December 15 dance was "clown faces". Our ebullient regular caller, Bill Kramer, and suave guest round dance cuer, Bill Burrier, arrived early to give us a "teach" on the current new round dance of the month. Attendance was great, the calls and cues

excellent, and the joyful holiday spirit was very much in evidence. Rawza Kramer, Vice-President of Activities, announced the club had collected a generous amount of food, plus \$61 in cash, both to be delivered to the Oxnard Mission in time for Christmas.

On December 22, our dance just before Christmas consisted of a delicious potluck dinner followed by dancing. Before starting to eat, a prayer of thanks was given by Sam Perren, for the Lord's blessing during Hanukah, and George Nolte asked for the Lord's blessing at Christmas. Dancers enjoyed an abundance of camaraderie, Christmas colors, and square and round dance music with an under-lying Christmas theme.

The Swingers held the last regular dance of the season on December 29. Dancers were obviously in good spirits, and when caller Bill Kramer gave us a short teach on The Western Line dance "Collegia", almost all dancers came out on the floor to give it a try. The evening ended with a glass or two of champagne to toast the approaching new year.

The Swingers up-coming dances are not listed here because they will appear regularly on CH 12.

The Rhythmettes are back from their winter holiday. Again the AR is filled with music beginning at 12:45 on Tuesdays. Practice usually begins with a warm-up on some of the old tunes, then progresses into something more challenging, making everyone put-out with their best sound and rhythm.

The Rhythmettes were fortunate for quite awhile,

in having Maxine La Porte, Ethel Belanger, and Selma Simon as rotating accompanists. Trudy Orsan filled in when one of them was not available. Now, we are at the point where accompanists' time for practice is uncertain. (Maxine has moved away, which narrows it down.)

There are many talented people right here in our Village. If you enjoy playing the piano, why not play with the Rhythmettes? Music is available. Give it a try! At least call Piff De Simone and talk about it. Phone 482-8414.

## SATURDAY NIGHT BALLROOM DANCE

By Anne Janoff

The Saturday Night Ballroom Dance committee is pleased to present at their Valentine's Day Dance February 13, the encore appearance of The National Cotillion's Dancers. This young group of teenagers is outstanding in their performance of precision and formation dance numbers. Their presentations have received high marks at National Cotillion U.S. Championship competitions as well as at many civic and charitable events.

We want to encourage all villagers and especially new residents to come and enjoy our dancing evenings with us.

## HAPPY HOOFERS

By Rawza Kramer

Another year 1993, and the Happy Hoofers must continually keep practicing. Like any athlete, we dare not stop what we have been doing or we will lose all we have gained in the past. All of our dances are memorized and in or-

der to keep them we must go over them again and again. We practice every Monday, Tuesday, Thursday and Friday. Our lessons are on Tuesday outside the Village.

On Monday January 25, the Hoofers danced for members of the City of Hope, at the St. Columba's Episcopal Church on Las Posas Road. The L.V. Cloggers joined us on the program.

## SWING DANCE GROUP

By

Marquerite Abdelnour

Swing Dance Group, and co-hosts Irv and Anne Dubin, started the New Year with a surprise party for all villagers who attended the "Welcome to 1993 Dance", held in the AR January 2.

Every birthday should be a celebration, especially when you reach your 80th. You certainly are entitled to brag in a big way,

and that's exactly what Anne Dubin did.

Many happy returns, Anne, in good health.

In the absence of Director Ed Abdelnour, Henry Carfagna and Paul Kelwin managed the Swing Dance tapes.

Ed hopes to be back for the February "Sweethearts Dance", and February 20 "Young At Heart Dance".

Donation 50¢. Music is free. Refreshments. BYOB.

# Women's Club Officers For 1993

By Jane Warneke

The Women's Club Installation Luncheon was held January 7 at Rueben's in Thousand Oaks with a large attendance despite the raindrops. Our thanks to Carol Heyerick, who was in charge of the well-planned luncheon. Table centerpieces were both attractive and drinkable by the lucky winner!

President Piff De Simone applauded the 1992 officers and committee chairwomen for creating a most successful year. The outgoing officers were introduced, with some returning for 1993, while newcomers to the board were also welcomed. Maxine Himstreet, as Parliamentarian, duly installed the 1993 officers: President Piff De Simone, 1st V.P. Renee Greene, 2nd V.P. Dorothy Fencl, Secretary Alma Locke, Treasurer Eleanor Odenberg, Corres. Sec. Mitzi Elmore, Parl. Jannette Andreasen. Gertie Dorward will again head our valuable Trading Post.

Please check Channel 12 for the program at our next meeting to be held February 4 at 1:30 p.m. in the AR. Come early for the Trading Post and bring \$5 for the 1993 dues. See you Feb. 4.

## TRADING POST

Trading Post is under the watchful eyes of Gertie Dorward and her hard working ladies. They all work so hard, driving around to pick up donations, storing, and then removing it all for sale. They are a major contribution toward Women's Club finances.

We are glad to see that our articles pull. Last month several people called about the gorilla suit and one man called from Oxnard about the underwater ant farm.

This month's special item is several quarts of Aunt Maggie's pear cactus pear conserve (she keeps the spines on for added flavor), and a magnet and flashlight kit to carry in the newer cars with such intricate interior arrangements that it is hard to retrieve mislaid items.

If you are interested call Gertie Dorward, Trading Post Den Mother 484-5509. Also call her if you have a contribution. Gertie can sell anything!

## VISION LIMITED

By Sophie Brown

A special treat is in store for those who attend the next meeting of the Vision Limited Group on Monday, February 1 at 1:00 p.m.

In addition to the speaker there will be a display and discussion about the latest in visual aids.

## BOOK REVIEW GROUP

The Book Lady was so pleased to see old friends who were present at our first meeting of the New Year -- weather is always a problem this time of year. The book was "Vows" by LaVyrle Spencer, as was the last book of last season. There are a number of Spencer books but for next month we may switch to Maeve Binckley who has a new book out about the people on the Lavender Bus. We are trying to avoid the more salacious authors for the time being and always welcome suggestions.

Book Review always meets in the Garden Room at 10:00 a.m. second Monday of the month. Hope to see you.

For more information and registration, call Naomi Balfour 987-9851, or Viola Emmerson 388-2524.

## VILLAGE PAINTERS

By Mildred G. Oberg

The Village Painters have a special treat for the February meeting on Wednesday February 3 at 1:00 p.m. in the MPR. A group called The Collection will give us an unusual program. Five young women who have various creative talents will bring their beautiful things to show and to demonstrate how the work is done. There will be silk painting, jewelry designs, hand

weaving, textile painting, and hand knitting. The textile artist does silk scarves and free-hand painting on garments. There are finely crafted jewelry items, clothing and accessories. Members are encouraged to bring friends to enjoy this rare display, and sale. For more information please call Marion Jayne, Ch. 484-5112.

The January meeting was most successful and inspiring with a Joyce Pike video on rose painting, and a tape on our art show. The paintings in the Library are by Lee Ervast and Erna Hessen.

## INDOOR OUTDOOR GARDEN CLUB

By Emma Norvig

At the January 14 meeting of the Garden Club, Larry Stallings, who is retired from Ventura County College horticulture and landscape department, spoke to members regarding care of house plants. Larry has his own nursery and supplies other nurseries in the area so he is very knowledgeable on this subject.

Membership dues for 1993 are now payable in the amount of \$6.00 per person or \$9.00 per couple. Membership co-vice

presidents Goldie Bernstein (482-9966), Mary Nelson (482-6148) and Anita Stierer (484-9311) are collecting the dues.

Georgia Griswold (388-1383) and Sylvia Christensen (484-4084) are handling arrangements for the bridge marathons commencing in February, so interested members should contact one of them.

Georgia is also in charge of field trips this year.

Our speaker at the next meeting on February 11 will be Sue Mills, Master Gardener and member of the Farm Advisory Board of Ventura County. She

## Palette Pals

Palette Pals is a new painting group for beginners and intermediates who want to learn more about oil painting. Individual instruction is given by Lee Ervast, a professional artist. Lee has a master's degree in education and has been teaching art for many years.

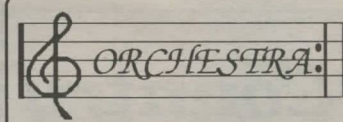

The purpose of the class is to learn the fundamentals of art by painting completed pictures with your choice of subject.

No fees but voluntary donations are welcome. If needed, oil painting supplies except your canvas are provided on a trial basis.

Painting is a fulfilling, creative activity. The desire to paint is more important than talent. Palette Pals meet 1:00 to 3:30 p.m. each Tuesday in the Sun Room. For more information call Lee 389-0787.

## LV ROUND DANCE

By Bob Vanicek

"Long journey begins with first step" says Confucius. Six months ago LV Round Dance Club was formed and took its first shaky step -- luckily in a positive direction. It's apropos now that we glance back quickly to that time.

Since then we've moved from Easy-Level into a firmly established Intermediate group of progressive round dancers with a repertoire of over 55 dance numbers -- and we are adding more each month.

We have been guided and sparked by a personality-plus "Cuer," and Mentor, Carol Archer. Webster defines Mentor as a wise teacher, trusted adviser, and coach -- most certainly she has been all three to us.

The two dance parties, held last year in the AR, attracted advance-level round dancers like Al and Ruth Siegel, Kay and Betty Murray, and John Bravos who were envied for their polished techniques as they glided effortlessly to the strains of classic numbers like "Answer Me," "Cheaters Waltz," and the popular "Axel-F."

Meeting each Sunday

morning, right after the "Intermediates," is a dedicated group of "Easy-Level" round dancers. They will now accelerate their pace, under Carol Archer's concentrated tutoring, toward becoming Intermediates in a shorter time. Elaine Jaffe, who heads the "Easy-level" group, has been very influential toward this end.

Both Intermediate and Easy-level groups are looking forward to a happy round dancing year. Feel welcome to listen to some good music and to watch our classes each Sunday morning, starting at 9:30 in the AR. see you there!

By Cy Maller

The L.V. Bingo Games committee is looking forward to 1993 as another banner year. Inflation still has not affected the Bingo games. The buy-in is still a nominal \$1.50 and for this you get to play many interesting games plus four jackpots where the payoffs are an average of \$11.

A recess-coffee break is held at the half way point. Before the start of the second half the popular "Paper Game" is played, where the payoffs are \$10 for one bingo, \$15 for two bingos on the same card and finally \$25 for the coverall. Papers sell for 25¢ and four are the maximum that a player can purchase.

Come to the AR on Wednesday evenings, the games start at 7:00 p.m.

## INTERNATIONAL FOLK DANCE CLUB

## Writers Round Table

By Cele Porges

The Writers Round Table held its two meetings in December, even though it was a very busy holiday month.

December 8 opened on a cheery note. Photocopies of a humorous article were distributed, and these led to a lively discussion of what makes humor.

Do you know what the differences are between "pot-boilers" and other works of fiction? Had you been in the Lanai Room at 1:30 you would have learned -- or had some idea.

Those who read were Sylvia Streisand on a childhood memory, which we hope she'll expand; John Callas, some pages from a novel he's developing; Larry Sawyer, a short story of an adventurous trip to Tahiti. After discussion, criticism and ideas were tossed about. Then came the poetry segment.

Photocopies on *Writing the Short Short Story*, for a future project, were handed out.

On the 22nd we discussed originality in plots, and how to write the short short story. Viewpoint was emphasized.

Larry Sawyer, with the assistance of Gertrude Kern on dialogue, read his short short story. He left the ending as a cliff-hanger. Which way will it end?

Gertrude Kern read a poem about man's development from a simple creature to a destructive force in the world. Jim Rogers read a piece he plans to include in the memoirs he is writing for his grandchildren.

We hope 1993 will bring in more Villagers who want to write. Our next meetings are Feb. 9 and Feb. 23 in the Lanai Room, 1:30-3:30. For information - Irwin Porges, 482-0142.

Add one more special day to February, the month of celebrated dates. Thursday, February 18 is Players Guild meeting night and it's cause for celebration.

A Valentine special will highlight the evening and Cupid's arrow will touch everyone in the audience. A heart-warming program of love ballads, musical comedy and specialty numbers, ballet and dance, comical skits and orchestral selections will imbue everyone with the Valentine spirit.

The celebrated Valentine cast reads like the "Who's Who of Stage Talents." Taking turns in the spotlight will be Anne Janoff, Carolyn Cohen, Irv Goodnick, Bob Freedman, Dor Karlin, Helen Gold, Sophie Lebetkin, George Goldfarb, Saul Kramer, Bob Novick, Miriam Hasen and the LV Orchestra conducted by Connie Andrews.

Of course, an award-winning Valentine Special doesn't just happen. Many active Guild members have shared their skills. Producer of the show is Players Guild program Chairman Milt Mankoff and the potpourri of Valentine performances is being directed by Miriam Hasen. The supporting cast includes Lorraine Friedman and Dor Karlin -- script; Robbie Karlin -- narration; Manny Shultz -- props; Irv Ellison -- lights; Jerry Knopf -- sound; and Joan Johnson -- show tape and technical assistant.

If you haven't joined Players Guild, memberships for 1993 priced at \$3.00 will be available at the meeting. Now's the time to become part of the most stimulating group in the village.

The Ceramics Plus Club held its Annual Brunch for 1993 on Thursday, January 28, with an informal program by the members

in relating the various projects on which they have worked in the past year. These projects included making ceramic ware to be sold at the Annual Bazaar last October.

## Hearing Impaired SUPPORT GROUP

By Gabriel Barkley

The Hearing Impaired Support Group monthly meeting on December 23 was a holiday party for members and spouses. Every chair was filled. Everybody brought goodies and beverages. A lot of funny jokes were told which made all of us forget our problems. Then we were delightfully entertained by Irv Rogers and Harold Wickham playing the electric piano with renditions of both classical and popular music.

The next meeting will be on Wednesday, February 24 at 1:00 p.m. in the Lanai Room. Mr. Lawrence David Yates will be the guest speaker. Mr. Yates is a graduate of Louisiana State University with a Bachelor Of Science Degree in Psychology.

R.V.  
CLUB

By Art Kaufman

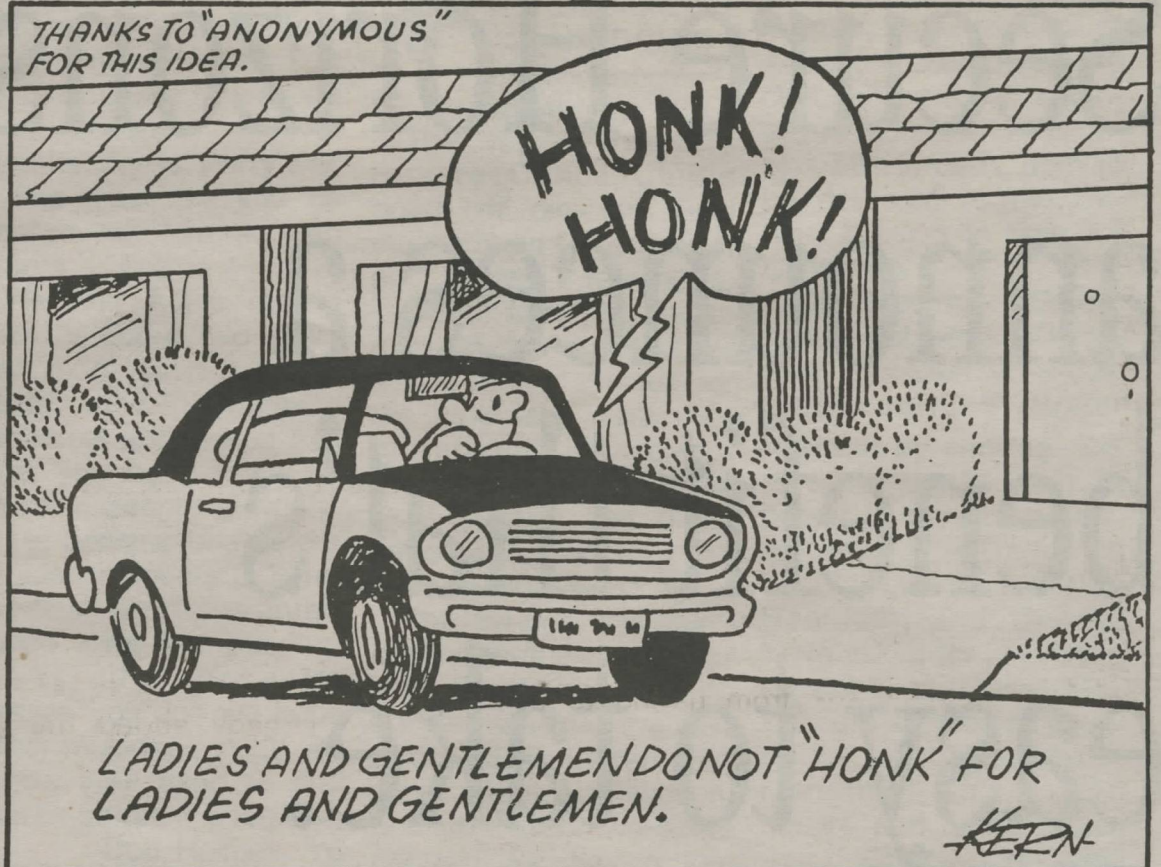

The LV Recreational Vehicle Club was started in 1979 for the purpose of uniting owners of recreational vehicles in a common bond. There were issues to be solved that were of interest to all owners of recreational vehicles.

RVers enjoyed taking trips together and this brought about the formation of the "Roamers," a sub-club of the RV Club. The trips are now planned by a travel committee of the RV club.

Even if you are not a member of the RV club, you will find the meetings informative and interesting. There are always either speakers on subjects allied to RVing or a tape on travel. The meetings are the third Tuesday of the month 7:30 p.m. in the MPR. Join us there!

L.V.  
RACQUET  
CLUB

By Mary Giesler

L.V. Racquet Club met January 13 in the MPR Room, George Nolte presiding. Activities for December were limited due to the holidays and no tennis tournament was held. The paddle tennis tournament proceeded as scheduled.

Awards were presented by Jerry Doctrow to Rosalie Miller, Bill Cohen, Bill Fox, David Ovadia, and Arnold Rich.

The next tennis tournament was held on January 21, with results to be told next month. Paddle tennis will have no tournament per se but will have four teams playing Mondays and Thursdays in order to build the best possible combinations for our annual skirmish with our arch rivals from Costa del Sol. This will take place on March 26 and 27. The teams will be supervised by Jerry Doctrow and Bob Kumler.

A reminder also that payment of dues is necessary in order to engage in Racquet Club activities.

For members' names to appear in the Handbook/Membership book, dues must be in no later than March 2.

At the L.V. Board Meet-

ing on January 4, a long struggle was resolved. The decision was made to remove the five large trees on the east side of the tennis courts.

### OOPS! MISTAKEN IDENTITY

Hugging Santa on page 1 of the December ILV was not Eleanor Odenberg, but another pretty white-haired admirer, Trudy Orsan. We do get mixed up sometimes. Sorry, Eleanor. Sorry, Trudy. Sorry, Tony (Santa Gregg). Watch it, Max (photographer Klapperman)!

### "Discourse"

By David Goldstein

The January meeting of the Discourse Group discussed differences of opinion on what our obligations are to the world community and to ourselves with the increased awareness of Somalia, the Balkans and other trouble spots. Who has first claim on our hearts

and treasure, they or us? Should we be the "fixers" of the world and pour out our goods and talent or take care of our real needs at home?

You are welcome at the monthly meetings the first Saturday of each month at 10:00 a.m. in the MPR. Next meeting, February 6.

**AMATEUR  
RADIO  
CLUB'**

**By Benson Smithkin**

The LV Amateur Radio Club membership unanimously produced a new slate of officers at its last meeting.

Wayne "Mac" McLeod accepted the presidency, Mina Maxfield, vice president, George Schneider, treasurer, and Ben Smithkin, publicity and historian.

Mac McLeod reminded us that the purpose of the club was fourfold: To help us enjoy our hobby to the fullest, to expand our knowledge of radio, to bring us in contact with radio clubs and hams outside the Village, and to have a line of communications available in the event of a disaster in our area.

In this vein, Mac reported he had a 2200 watt power unit in his garage for our use which will be stored in our anticipated new ham shack in the shuffleboard court area. Paul Kelwin reported on the recent meeting of CB'ers and hams in the MPR, led by Jack Myers, who assigned the CB operators to the 11 Village area posts. Paul advised that the radio communication network material is ready to go to print.

Mina Maxfield requested the vice-presidency despite a tight schedule working at the Reagan presidential library, where the media recently pictured her cutting the cake at the first anniversary of the library.

Cliff Appell turned over his treasury records and money to George Schneider, who promptly collected the \$2 dues from all present.

All members and visitors please take note of our new club meeting date, time, and place. Please join us on the first Tuesday of the month, 7:00 p.m., in the Lanai Room. See you all on Tuesday, February 2.

## **DON'T WAIT (GET READY) FOR THE QUAKE**

**By Paul Kelwin**

This month, as Chairman of the Emergency Services Committee, I am requesting suggestions for those messages you see on CHannel 12. There must be a new one every second week. Also, how about suggesting subject(s) for this column, or even a guest columnist? I'd welcome a respite from having to think up and write something.

Also, when my wife, Luella, is off the LV Board July 1, we are going to do a lot of traveling. We may be gone for months at a time. Therefore, the Emergency Services Committee needs a full-time Chairman. No one from the present committee wishes to take over; they only wish to continue as Coordinators of their individual units. We'd like someone to join us now and ease in to learn what's going on, to make it a smooth transition for the new Chairman.

This column is not only to keep all of us in the Emergency Organization in touch with each other but to get all Villagers to do as our logo above urges "Don't wait for the quake." All of us in the ESO are on standby. Although there are some who say we should have a DPX (Disaster Preparation Exercise) at least once a quarter or every six months, others say, "I'll be there IF I'm needed. Let me alone until then." So, in the past we've had a DPX once a year. We are refining our radio communications abilities and will soon hold a drill for just that unit. It will involve both CBers and our radio amateurs ("HAMs").

I wish herewith to thank Malcolm and Louise Herbert for their donation of

two 40 channel hand-held transceivers. They will be put to good use in the Village. If anyone else has communications equipment he is not using, and wishes to donate it, call me at 987-1446.

I was given a good idea recently. Wish I remembered who it was so I could personally thank her here. That lady suggested that all of us add at the top of page EE of the LV phone directory, just under the title WHEN IT STOPS: "Fill your bathtub with water." This would be very useful. Of course, that would depend upon water being available through our water pipes. I've already added the suggestion to my directory and will submit it for our next directory.

Happy New Year to all and just hope we won't have to use those pages AA through HH in our LV phone directory. However, please review them now and occasionally during this new year of 1993.

# DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIPS

(As required by the Civil Code)

CALIFORNIA ASSOCIATION OF REALTORS® (CAR) STANDARD FORM

**ED WILLIAMS  
REALTY  
987-5755**

## DUPLICATE BRIDGE

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

### SELLER'S AGENT

A Seller's agent under a listing agreement with Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller:

- (a) A Fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Seller.

To the Buyer &amp; the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.  
(b) A duty of honest and fair dealing and good faith.  
(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of property that are not known to, or within the diligent attention and observation of, the parties.

An agent is not obligated to reveal to either party any confidential information obtained from the other party which does not involve the affirmative duties set forth above.

### BUYER'S AGENT

A selling agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer:

- (a) A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Buyer.

To the Buyer &amp; Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.  
(b) A duty of honest and fair dealing and good faith.  
(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties.

An agent is not obligated to reveal to either party any confidential information obtained from the other party which does not involve the affirmative duties set forth above.

### AGENT REPRESENTING BOTH SELLER & BUYER

A real estate agent, either acting directly or through one or more associate licensees, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

- (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either Seller or the Buyer.  
(b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, the agent may not, without the express permission of the respective party, disclose to the other party that the Seller will accept a price less than the listing price or that the Buyer will pay a price greater than the price offered.

The above duties of the agent in a real estate transaction do not relieve a Seller or a Buyer from the responsibility to protect their own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction.

This disclosure form includes the provisions of article 2.5 (commencing with Section 2373) of Chapter 2 of Title 9 of Part 4 of Division 3 of the Civil Code set forth on the reverse hereof. Read it carefully.

As January's ILV is smaller than usual, editors have had to shorten many of the stories. We are sorry.

## THE SAWDUSTERS CLUB

By Miles Perlis

The Sawdusters again showed their spirit and pride in Leisure Village by building yet another wooden "something" to serve their fellow villagers. In the past there have been innumerable display cases built and miscellaneous repairs of wooden equipment — all cheerfully accomplished by members of the Sawdusters Club.

Currently, Clary Morgan

is prime "builder-in-residence" of a better system for handling monthly LVA checks. The system consists of a removable deposit box that can be transported to the LVA office to permit emptying in the privacy of the office.

"Show and Tell" at the December meeting consisted of a holder and six coasters made of oak and walnut by Phil Farber. Dana Street displayed not one, but two better mouse traps.

So please beat a path to our door when we meet again on Thursday, February 4 at 2:00 p.m. in the MPR.

## BILLIARD CLUB

By Anita Trindl

The festivities are over and we have settled into 1993, but lest we forget a few remarks about the L.V. Billiard Club holiday party. Unfortunately, at the last moment, Dave Robbins, President, and Bob Selvidge, Vice President, were unable to attend. Larry Trindl, unaccustomed as he is to public speaking, did a pretty fair job of filling in as M.C. He reviewed the past year and most importantly, introduced our new president-elect, Irene Cunningham, and she in turn presented the 1993 Board to the audience.

Kay Gregg presented

Reg Topping and Aleta Elrick with gifts and many thanks for all the help and instruction they have offered their popular, ever growing classes

Various prizes were won by several Billiard Club members and a lovely program of songs was presented by Eric Del Torto.

Matches between the Cue T's and the Poolettes, our two women's teams, are well underway.

The men have formed four teams: The Bums, The Deadbeats, The Hustlers and The Hot Shots.

Don't forget it is time to pick up your 1993 Membership Cards. The dues for the year are \$5.00. Be sure to contact Donna Duke, Jim Dobbins, Irene Cunningham, Russ Sievert or Larry Trindl.

to Roy Zhe who shot a 92. Paul Moyer had a 65 for low net. In second place was Hal Pedersen with a 73.

A gross of 104 was good for C flight honors to Carl Santangelo. Ken Wilson was low net at 72, while Dave Sohr's 75 was good for second.

The hard work of Ernie and Barbara Ohmstedt and all their volunteers was evident when almost 200 people arrived in the AR for the joint Golf Associations' Holiday Party on December 11, 1992.

## L.V. WOMEN'S GOLF ASSOCIATION

By Betty Bruce

The Women's Golf had another different tournament on December 9. It was called 1-2-3 and was a 4 person team event. First-best score on #1, second-best scores on #2, third-best scores on #3, then start over. We found it quite interesting and fun.

Our regular golf meeting, December 9, was attended by over 100 ladies. Shirley Johnston prepared a holiday sing along with Ruth Smith who accompanied us beautifully on the piano. Marty Gregory did a great job leading the singers. Then we had our gift ex-

change which is always fun. The cookies and other refreshments were greatly enjoyed. Kay Gregg, her staff, and the cookie volunteers do a wonderful job to make our meetings special. The video of the final putting tournament was shown. The four finalists were Shirley Johnston, Liz Neumeier, Donna Duke, and Corky Milman, with Donna the winner. Thanks to Jack Whalen for filming this for us, and for his "Putting" commentary.

The Holiday dinner dance held on Friday December 11, hosted by the LV Men Golfers was a definite success. Ernie and Barbara Ohmstedt did a great job planning for this event. The decorations were beautiful (thanks to Barbara), the music great, the dinner enjoyed, the service excellent

Our regular tournament on Wednesday December 16 was low gross and low net. In flight A the low

gross was won by Donna Duke with a 61, 1st low net won by Adeline Littenberg with a 49. Irene Cunningham took 2nd, 3rd low net winner was Carra Hatfield. In flight B, Dora Cronyn won low gross with 73. There was a tie between Hattie Stern and Roz Golin for low net with 57. Kate Ward and Joan Johnson tied for 2nd low net. Doris LaPrel took low gross honors in flight C with 76. 1st low net went to Gertie Dorward, 2nd to Jane Gifford. In flight D, Betty Moore and Evelyn Bearman tied for low gross with 78, Liz Neumeier took 1st low net with 52. In the niners, flight A low gross won by Kay Bell, 1st low net Katie Anderson. In flight B Millie North won low gross, Fran Geisler took low net honors.

Low gross for December, Donna Duke with 57. For the niners, there was a 3 way tie between Jackie Filbry, Margaret McDonald and Vicki Scheck for low gross honors.

## SHUFFLEBOARD CLUB

By Cy Maller

The LV Shuffleboard Club held its annual Holiday Dinner in the MPR, catered by Cinnamon West who transformed the MPR into an exquisite dining room. The menu was truly gourmet right down to the cheesecake dessert. Soft dinner music was supplied by Robert Freedman and his stereo equipment throughout the evening.

Preceding the dinner, officers for the '92-'93 term were duly installed by Louise Colbert, who is no longer living in our Village but who will always be remembered for her many years of service to our club. Ms. Colbert installed Eleanor Kramer as president, Delma Smith as VP, Mary Decarlo as secy, and Dave Robbins as treas. The latter part of the evening was given over to Robert Freedman who led a sing-a-long.

Special thanks to Shiphrah Maller, who made all the negotiations with Cinnamon West.

## BOWLING

By Jack Whalen

Bowling Team #1, with an impressive 46 wins and only 14 losses, clearly was the top team of the first half of the 1992-93 season. The team of Vee Flowers, Roz Wienstein, Anna De Fusco and Sam Wiegert really posted an impressive record.

Team #8 with Ann Bellante, Shirley Johnston, Chase Gregory and Al Sparkman had a 40 win, 20 loss for second place while Team #2 with Steffi Kamola, Ruth Friedman, Norm Page and Sid Weinberg with a 38 win and 22 lost finished third.

With just 14 of the 15 games completed for the first half, and with a paper deadline at hand here's a posting of some of the excellent scores.

In the male division Bar-

ney Simon, with a fine 245, topped all men, with Charlie Bellante's 223 second and Joe Kremer's 221 third.

In high score series, Joe Jacobson's 630 was in a class by itself with Joe Kremer second with a 588 and Mike Mamula a 566.

Barney Simon took high average, Al Sparkman high handicap and Sid Weinberg high handicap series.

Among the ladies, Roz Wienstein with a 209 high score game topped all others with Marty Gregory taking second with a 203 and Nancy Moyer with a 196.

Lindsey Merrill scored 516 in high score series, Marty Gregory with a 500 and Helen Mamula with a 498.

In high average again it was Lindsey Merrill, Steffi Kamola and Shirley Johnston taking high handicap series.

## L.V. MEN'S GOLF ASSOCIATION

By Herb Warneke

Soule was the setting for the LV Men's Golf Association Regulation Golf Tournament on December 9, 1992. John Neumeier was on his game and took A flight low gross honors with an 83. Wayne Wisehart won low net, carding a 69. Charlie Bellante and Ray Milewsky tied for second with net scores of 72.

B flight low gross went

## CAMERA CLUB

By Sam Weinstein

The Camera Club's December 2 meeting was a competition meeting judged by Thousand Oaks photographer and innovator John Peele, Jr. We have seen John's superlative work several times and were delighted to have him back, this time in the role of competition judge instead of guest speaker. The assignment was "Action" and it was an evening of rodeo, surf, beach and pounding wave pictures.

The winners in the assigned category were: first place and Picture of the Month to Sam Weinstein for "Fast Pigs" (now on display in the Rec Center hallway); second place to Marion Sevren for "Working Out" and third place to Ed Pollaine for "Rock Climbing".

The winners in the unassigned category (Open) were: first place to Sam Weinstein for "Moon Bridge", second place to Sam Brown for "Desert Flower," and third place to Milt Mankoff for "New York-Top to Bottom".

The Camera Club's 1993 candidates for office were unanimously accepted at the December 16 meeting. Officers are Howard Cohenour, pres; Lil Mankoff, V P; Ruth Pollaine, Secy and Milt Mankoff, Treas. The Program Chair is shared by Dora Cronyn (Competitions) and Sam Brown (Program Meetings), Publicity is shared by Marion Sevren (Channel 12) and Sam Weinstein (ILV) and our Field Trip Chairman is Bill Carr.

The January 6 meeting was our monthly competition meeting judged by professional photographer Dan Murphy, proprietor of the "All About Faces Studio" in Camarillo.

The assignment was

Architecture and we showed slides ranging from simple doorway details to the splendors of the Taj Mahal. The winners in the assigned category were: first place and Picture of the Month to Sam Weinstein for "Pueblo Door"; second to Milt Mankoff for "Observation Tower" and third to Selma Seps for "Taj Mahal".

The winners in the unassigned Open category were: first place to Bill Carr for "Merced River"; second to Sam Weinstein for "Beautiful Dump" and third to Milt Mankoff for "Long, Long Trail".

The competition theme for the February 3 meeting will be Transportation. This is a popular, imaginative theme and the competition will be hot and fierce. Join in the fun and come to our meetings. We meet at 7:30 p.m. in the CR every first and third Wednesday. Watch Channel 12 for program announcements. Visitors are always welcome.

## Self Awareness Group

By Maxine Fritz

The Self Awareness Group meets on Mondays, 7:00 to 9:00 p.m. in the Lanai Room.

## EXERCISE GROUP

By Shiphrah Maller

The LV Exercise Group visited the Camarillo Convalescent Hospital in December with over 100 gifts for both men and women and many dozens of homemade sugarless and regular cookies. We had a marvelous time singing Christmas Carols while Kurt Godfrey played the piano.

Then the six of us passed out our little gift bags to grateful patients and had a party with our cookies, juice, and ice cream.

Our Feb. 2 trip to "The Price is Right" is sold out.

Our exercises continue M-F, 8:30-9:00 a.m. at poolside. New members are welcome.
