COMMENCEMENT

California State University, Fullerton

33rd Annual COMMENCEMENT

FROM THE PRESIDENT

As President of California State University, Fullerton, I am pleased to welcome you to our 33rd annual commencement. Commencement is a very special time for degree candidates, families, friends and other members of the campus community. It is a time when we celebrate the successful conclusion of degree programs designed to foster the development of humane leaders prepared to meet the opportunities and challenges of a changing, diverse world.

During the seven individualized ceremonies on May 30 and 31, the university honors some 6,100 undergraduate and graduate students who completed degree requirements in January or who are scheduled to do so in June or August. It is fitting that recognition of your accomplishments should be in the presence of your professors, relatives and friends who have participated in a variety of ways in helping you attain your academic goals. As candidates for graduation, you are the proud products of our academic enterprise.

We hope that you forever will be lifelong learners dedicated to the pursuit of excellence and the importance of life issues.

On behalf of the faculty, staff and students of California State University, Fullerton, I extend heartiest congratulations to the Class of 1992 upon reaching this educational milestone. I wish each and every one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. The future is yours.

Milton A. Gordon
President

FROM THE ALUMNI

On behalf of the CSUF Alumni Association, I extend warm congratulations to the Class of 1992. As you participate in today's ceremony, the first to be held in our new sports complex, I am sure you will recall the many enjoyable friendships and experiences you've had at Cal State Fullerton. I hope your time spent here was rewarding and that you look forward to continuing your relationship with the university as alumni.

As an active alumnus, I encourage all graduates to discover the personal benefits of continued involvement with Cal State Fullerton. Your alma mater can provide opportunities for continued learning, volunteering and networking in your career field.

A university must have the active support of its alumni if it is to prosper. The CSUF Alumni Association has taken the leadership role in organizing alumni support and service to the university. By joining the Alumni Association in their commitment to helping Cal State Fullerton become a renowned state and national university, you are increasing the value of your own degree.

Once again, congratulations to each of you on your outstanding achievement! As an alumnus, I share in today's celebration, and I look forward to your future involvement in university programs. I'm certain you will find the experience is both fun and rewarding.

Michael Weiss ('71)
President
CSUF Alumni Association

Explanatory NOTES

LIST OF CANDIDATES: Students eligible to participate in the 1992 commencement exercises are January 1992 graduates and June 1992 and August 1992 candidates who filed for graduation prior to the announced deadlines.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade point averages follow: Honors, 3.5 to 3.74; High Honors, 3.75 to 3.89; Highest Honors, 3.9 to 4.0. Students who have earned honors at graduation have been awarded ribbons with medallions which bear the seal of the university: white ribbons denote honors; orange ribbons denote high honors; and blue ribbons denote highest honors. Program notations indicating achievement of these awards are based on the students' records at the end of the fall 1991 semester. Official award of appropriate diplomas and recognition of honors achieved (which are indicated on the diplomas as appropriate) are contingent upon the candidates having met all university requirements and related criteria.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. This program to recognize academic and extracurricular excellence is sponsored by the President's Associates.

FACULTY MARSHALS: The faculty marshal leading the procession in each commencement exercise has been honored as the Distinguished Faculty Member of that particular school. This distinction is bestowed by the president upon the nomination of fellow faculty members.

PHI KAPPA PHI: Among those participating in commencement exercises are students wearing a white ribbon with a zigzag design.

These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

THE CONSORTIUM OF THE CALIFORNIA STATE UNIVERSITY: The Consortium is a separate, fully accredited degree-granting entity of The California State University that draws on the resources of the 20 campuses to offer external statewide and regional degree, certificate and teaching credential programs. Consortium candidates who have pursued their studies at Cal State Fullerton have been invited to participate in any one of the commencement exercises appropriate to their field of study.

PHOTOGRAPHY: The CSUF Alumni Association has arranged for a commercial studio to photograph each graduate at the moment he or she crosses the platform. Graduates are informed during their exercise of how to receive a proof without obligation and how to order prints. Guests may take photographs during the ceremonies; in the interest of decorum, they are requested to do so from their seats.

FOOD SERVICE: For persons desiring to purchase food or beverages, refreshment stands located near the commencement site will operate Saturday, May 30, from 8 a.m. to 8:30 p.m., and Sunday, May 31, from 11 a.m. to 8 p.m.

ALCOHOLIC BEVERAGES: Alcoholic beverages will not be allowed at any time in the assembly area, at the commencement seating area or at other areas associated with commencement.

SMOKING: Please, no smoking during the exercises.

EMERGENCIES: Personnel from the Student Health Center and the Public Safety Department will be on duty to provide aid in the event of emergencies. The emergency telephone number is 773-3333.

REGALIA

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. Light blue gowns are worn by candidates for associate degrees in terminal technical curriculums. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves—or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of

the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

TRIMMINGS: Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters; and light coffee (drab), Business Education.

THE MACE: The mace is a ceremonial symbol of authority carried in academic processions at commencements and convocations. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity. The University Mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973, and Master of Arts in Art in 1976. The design of the mace reflects the university's architecture, colors (blue and white) and location—the site of the first commercially grown valencia orange grove. The stem is of cocobolo, a wood orange in color, while the university's colors are represented through the use of ivory and niello. At the top of the mace is the university seal.
