### Advising Notes

1. CR/NC grading is not permitted for courses in the Spanish major except for those taken Credit by Examination.
2. Students must receive a minimum grade of C in each upper-division course used toward the Spanish major.
3. A maximum of two courses from one department may be used simultaneously to satisfy the General Education requirement and the major requirements. If the Spanish major is the secondary major in a double major (see *Double Major*), this limitation does not apply. Consult a faculty adviser for additional details.
4. Spanish majors who have studied Spanish in high school or who by culture or experience can speak Spanish at a certain level of proficiency must consult with a Spanish adviser to determine which lower-division courses, if any, may be waived. (Also see *Credit Allowance in Foreign Language*.) Spanish majors who are eligible to enroll immediately in SPAN 1B, 2A, 2B, 3, or 5 are not required to make up the lower-division units waived. Waiver of required units for the major does not reduce the total number of units required for the awarding of the bachelor's degree. All Spanish majors are required to take Spanish 4A and 4B as prerequisites to upper-division Spanish courses. These prerequisites can be challenged through Credit by Examination.

5. Students majoring in Spanish cannot count Spanish courses for G.E. Integration IC.

### Minors

Depending on the specific minor, the student is responsible for 21-24 units. The minors also require a 2.0 GPA and 6 upper-division units in residence. Consult a departmental adviser for planning your program. See *Classical Studies* and *Humanities* for their minors.

### Graduate Program

The Department of Modern and Classical Languages and Literatures offers the Master of Arts degree in Spanish.

The Master of Arts degree program in Spanish language and literature serves several categories of students: those anticipating doctoral studies, those teaching or preparing to teach in high school and community college, and those interested

in further study beyond the baccalaureate degree. For specific requirements, consult the departmental graduate committee chair. For general requirements, see *Division of Graduate Studies*.

### Master of Arts in Spanish

The Master of Arts degree in Spanish is awarded upon satisfactory completion of a 30-unit program of study. For the culminating experience, students may select either a thesis/project or comprehensive examination.

**Program Prerequisites.** Admission to the M.A. program in Spanish requires a minimum 3.0 GPA and assumes an undergraduate major in Spanish but is open to others with a bachelor's degree who show intellectual promise and ability to perform at a satisfactory level during their graduate studies. Students lacking the B.A. in Spanish will be required to make up deficiencies prior to acceptance into the M.A. program.

(See also *Admission to Graduate Standing, Advancement to Candidacy, Program Requirements, and Criteria for Thesis and Project*.)

**Admission Prerequisites.** When making application for admission to the program, students must submit a copy of their GRE scores.

**Program Requirements.** Students meet the Graduate Writing Requirement by preparing three study questions for the qualifying exam. Students must write three five-page essays in English - a minimum of 15 pages - which are assessed in content, organization, and writing style. For more information, please contact the graduate program coordinator.

In order to achieve classified standing, students must demonstrate an acceptable level of competence in Spanish by passing a written departmental examination. In addition, under the direction of the graduate adviser, students prepare a coherent program. Each student's program of study must include at least 24 units of 200-level work.
