Lucy Killea
Councilmember
San Diego

Dear CEWAER Member:

Your membership in CEWAER is due on your anniversary date,
December 1, 1980.

Past President

Marilyn Ryan
Assemblymember
51st District

I hope you agree that CEWAER is a challenging and exciting organization. This coming year should be even more so. For the first time since CEWAER began we are experimenting with maintaining a permanent CEWAER office in a central location. This will give us the opportunity and energy to emphasize regional meetings with some good informational workshops and, of course, local networking with elected and other professional women. We find this mutual support to be a source of growing strength among women in California.

Directors:

Frances N. Carr
Associate Justice
3rd Appellate District

Teresa P. Hughes
Assemblymember
47th District

I hope you will be able to participate and that you will keep us posted on what is happening in your area. This is vital if we are to be an effective statewide organization.

Sandy Motley
Councilmember
Davis

Esther S. Ono
Community College
Trustee, San Jose

By now you should have received your membership directory addendum. We will continue to make every effort to keep this up to date for you. Please make sure your own listing is correct and current by filling in all the information on the renewal notice.

Joy Picus
Councilmember
Los Angeles

Barbara Shipnuck
Supervisor
Monterey County

Yours for a great year -

Susie
