

# Fate's Class

Dichele, your  
words were a  
blessing to my ears  
Keep on writing.  
Something good is  
going on. Our class  
was really captured  
by the readings.  
With much  
respect & Love

Keep that revolutionary  
spirit. We need  
change. part of  
that change is edu-  
cation. Your writing  
educates. Here is  
a drawing.
