Baxters Coming For Organ Concert

By Lois Atz

Tickets are now available for the organ concert on Fri, Dec 1, featuring Eddie and Marty Baxter, sponsored by the LV Keyboard Club. The show begins at 7:30 p.m. in the AR, and holiday refreshment will be provided.

Ticket donation for the concert is \$3, available M-W-F mornings in the Rec Center lobby or from Keyboard Club members. Proceeds from the evening will go into the club's Piano Fund to purchase a new baby grand piano for the Village.

The Baxters played here 2½ years ago to a full house. The husband and wife keyboard artists each has his/her own style, experience and repertoire. Eddie's orchestral style is the result of his musical experience which included being pianist and arranger for Frankie Masters and Glen Gray's Casa Loma Orchestra; staff organist at KNBC, and TV appearances including the Johnny Carson show. Eddie has recorded many albums for Dot Records. His collection of organ arrangements, "Color My Song," was published by Hal Leonard.

Marty Baxter's background includes dance band and staff radio pianist and arranger, choral conductor and teacher of public school music and adult education organ classes. She has written commercial jingles and special material for TV and for Lily Tomlin.

Current Issues Calendar

By Sol Robin

The next Current Issues Forum will be held on Fri, Nov 24, in the AR at 7:30 p.m.

The subject will be "Our Common Future - Healing The Planet," including a discussion of the necessity for universal action by concerned citizens the world over to prevent our planet from being destroyed by industrial pollution and blind greed. The program will be sponsored by Beyond War.

Trim The Tree Party

This year's Holiday Trim the Tree party in the Village will be Mon, Dec 4, at 4:00 p.m. in the AR. Everyone is urged to help decorate the tree and enjoy the entertainment. The program will include taped music by Ed Abdelnour and an appearance by the Rhythmettes.

Punch and cookies will be served. Admission is free.

Call Ahead For Thanksgiving Passes

Thanksgiving Day is the busiest of the year at the front gate because of the many visitors. Residents are asked to phone in their guest pass names ahead of time. There will be a special file for Thanksgiving. Call the Main Gate with your names now.

YNCG Takes Blood Pressure

Your Neighbors Care Group staffs a free blood pressure clinic on Mon, Nov 20 from 7:00-8:00 p.m. in the AR.

Meet Your Neighbor

Bob Cullati, General Manager of LV, will speak at the meeting of Meet Your Neighbor coffee on Fri, Nov 24, at 2 p.m. in the GR. All villagers are invited, both new residents or long-time villagers, to this get acquainted session, complete with coffee and cookies.

Comedy "Social Security" Plays In Village

By Gertrude Kern

The play, "Social Security," a Broadway hit by Andrew Bergman, has recognizable characters, and family situations to which we can all relate. Brilliantly directed by Edythe Fahringer, the humorous and witty lines came alive as members of the cast truly became the characters they portrayed.

"Audience appreciation, the applause, the kudos, the inner satisfaction of a job well done, these are the rewards," said Director Edythe Fahringer, "of unending hours of studying lines, rehearsals, not to mention the discomfort of butterflies in the stomach as opening night approaches." Edythe Fahringer's own background includes a long list of acting as well as directing successes.

Several members of the cast came to the Village following long careers in show business. Don Pearlman, a member of AFRA, SAG and Equity, has made numerous stage appearances in Los

Angeles on TV and in the movies. Joan Johnson has spent a lifetime acting in vaudeville, movies and TV. And Marcel Lerner has an international reputation, having worked with such directors as Otto Preminger and Maurice Schwartz, and played in Vienna, Paris, New York and, of course, Los Angeles. Lorraine Kaplan, Bob Freedman and Carolyn

"Social Security" is in the middle of its run here in the Village. Tickets may be available for the Sunday matinee on Nov. 19. Call the Schonbergs, 484-8509, for information.

Cohen are well known for their performances here in LV and have generously given of their time and talent to many organizations.

The stage setting for "Social Security" was outstanding. This was created and designed by Jack Beardsley and his

This Sidewalk Is A Priority

At the November 6 Board meeting of Leisure Village Association there were several references made to the fact that the sidewalk renovation program is almost complete. Inside Leisure Village rejoices with the Village and congratulates the Board on this accomplishment.

However, we must not rest long on these laurels. By far the busiest street in the Village, both as to vehicular and pedestrian traffic, has never had a sidewalk! This is the corridor between the Recreation Center and the Main Gate on Santa Rosa Road.

This is a very dangerous area for pedestrians, especially since most people walk in the street with traffic, instead of facing it, which is the California law, thus increasing the risk to their safety.

This year in the July issue of ILV we discussed this problem in an editorial. At the very next Board meeting, in a report from the platform, there was the assurance that steps were being taken to incorporate this sidewalk into the master plan for the beautification of the entrance and the modification of the main gatehouse.

Although the last two are frequently mentioned, we have heard no further reference to a sidewalk to be constructed there.

ILV is aware of the difficulties posed in placing a sidewalk at this location, but we believe that the potential for accidents is so great that any delay should not be tolerated.

We must not make the mistake of thinking that all the sidewalks are finished!

ABOUT NEXT MONTH

Coordinator for next month will be Jeanne Carlson. PLEASE FOLLOW GUIDELINES AND BE AS BRIEF AS YOU CAN! Deadline for Dec. 29 issue will be Dec. 4. To arrange for a photographer call coordinator at least 3 days in advance.

Ann Levey's Comments Made At The End Of Nov 6 Board Meeting

I would like to inform all the residents that in reviewing and considering the coming year's budget, the Board is not doing it blind-folded. At the present time we are gathering as much statistical data from other condominiums and planned unit developments as we can for comparison, to compare fees and to see what other developments have and pay for compared to ours.

We have to recognize that we are living in a country club atmosphere. We have all the amenities you could want. Unfortunately, many do not take advantage of the amenities, but they have to pay the assessments fees to keep up the amenities.

The only alternative, I suppose, would be to sell their homes at a marketable profit, move into another, smaller development where they are not going to pay for services and amenities which they do not want or cannot use. That's a problem. Most of us who have moved here don't like the idea of having to move again, but for those who have the advantage of these amenities, we have to pay for them.

I am completely overwhelmed by the wealth of talent of the residents here, not only the talent they have, but the talent many give us free of charge. We have committee members who sometimes put in as much as 10 hours a day on Village business without pay. If we had to pay for their services, our assessments would increase five times over. (Loud applause from audience.)

I hope all of you here are performing and contributing. You other people who contribute nothing but only criticize, I wish you would remember that you should be productive and contribute something to the well being of the Village in order to be eligible to be critical. (More applause).

Letters

Opinions and facts expressed in Letters are the responsibility of the writers, and are not necessarily endorsed by ILV.

In his presentation in the October "Village Voice" John Lauten has outlined persuasive reasons why we need a change of direction and I strongly endorse the program he presents. I feel it is particularly important, as it is for any business, to pay wages and salaries sufficient to attract and retain highly qualified employees. Perhaps then we can procure and retain someone to service air conditioning and heating equipment in the homes,

an important service we no longer have.

Will Schreiber, V 20

It was expressed in the Village Voice, dated Oct 28, 1989, by a Board Member that equity in owner's property is increasing \$10,000-15,000 per year and that is like money in the bank.

Note: it was also stated that the \$75-120 increase in assessments merely would reduce the money put in the bank by less than one percent.

Not true — money is not in the bank, just on paper. Also, I don't consider it good business advice, unless gambling to take out equity loans, de-

ferral of property taxes or reverse mortgages.

It is shameful to set up unnecessary increases in assessments for just aesthetic purposes.

I truly believe we should maintain our nice Village in such a way as to not let it deteriorate, but not to beautify it to the extent that some of our residents would be required to leave the Village because of high cost assessments.

I am not in favor of high increases in assessments!

Wm. C. Morgan, V 23

In the October "Village Voice" is an article by one of the Board members. When first I read it I thought that it was the opinion of the writer only, until I remembered that the "Voice" is the official letter of the Board, and so this letter represented the thinking of the Board.

The letter states that there is a consensus that the Village lacks color. Whose consensus? A few loud voices? I don't remember being asked. What is meant by "color?" What is wrong with what we have? Some of us like it the way it is and we certainly don't want it to look like a poor man's Forest Lawn.

In Point a, the only deficiency mentioned aside from the alleged lack of color is the bermuda grass problem, which should be handled by Maintenance, at no big expense. Highway departments handled the problem by combination reseeding/fertilizing pellets. No big deal.

In Point b: The Association IS responsible now for ALL exterior maintenance. True, sometimes the shrubbery gets a little long in the tooth, but that could be controlled by cutting down on the irrigation. I sometimes trim my shrubbery when it gets so high that I can't see my mailbox; my neighbors rarely trim theirs.

LETTERS From Pg 2

Years ago we had a blower that followed the lawn mowers to blow the clippings off the walks and drives. This was dropped to save a buck. I don't mind; if it is too bad I take a broom and get five minutes of easy exercise.

Point c deals with wages and salaries. I believe that the Board has a lot more sharps on this than I, but I don't see it as a major point. I do know, however, that we have lost several good people because they were not handled like persons.

Remember Marie, our never-to-be-equalled life guard/swimming coach/general helper? They wanted to get rid of her to save her salary, but didn't want to fire her because of the unemployment insurance, so they made life miserable for her until she quit.

We had a good Recreation Manager who quit for the same reason: Overload. The same thing is

going on at the present time. Used to be, we would hand our Ch 12 notices directly to Ch 12. This was changed; an improvement, I believe, so that the Recreation Secretary simply had to OK them. Then it was put on the Recreation Manager, who should not have been bothered with them, and now they have to go all the way up to the General Manager, who should not even be concerned about such things.

The point is, that wages aside, we have a tendency to say "In addition to your other duties.." and forget that there are only so many hours in the day and that people respond to being treated like people.

But points a and b are just so much wind, and matter naught. The disturbing part of the Voice letter is the suggestion that our assessments should go up 100% — yes, double, for some ill-defined "improvements,"

and that we should mortgage our homes to pay for it. The justification for this is that we can afford it because the equity in our homes has gone up 100%. This is silly reasoning. My equity has not gone up, and it is not money in my bank by any means.

This is like saying that my stocks have gone up so that now I can buy that new car. I can't pay for that new car until I sell my stocks, no matter what the market value may be, and this is the same with our homes.

We can't get a dime more out of them to pay increased assessments until and unless we sell our mortgage or otherwise encumber our homes, which we should not have to do for such a trivial purpose.

If, as is said, equity is money in the bank, why doesn't the Board use the increased equity of the Common property to pay for these proposed im-

provements in the Common Property?

I think the bottom line is, the Board is now authorized to raise assessments, 7-1/2% each year. This would not always be pleasant, but I believe that it is something that most of us could stand, and something that the Boards should live with.

There may be a few residents who, by force of unfortunate circumstances, would suffer hardship from this, but to deal with it, I would not object to a small percentage of my assessment being set aside to take care of those few problems. This would be better than increasing the assessments 100% for vague "improvements."

Don Holmes, V 6

Friday evening, Oct 27, I attended a meeting of the Current Issues Forum in the AR. The subject "Burning the Flag: Is it an act of desecration or an

exercise of free speech?" The speakers were Ed Tabash, an L.A. attorney, vs. Richard Nedry, a retired Navy flier.

The Current Issues Forum directors are a valuable asset to our community and deserve the support of all of us. They provide the Village with a service not available in most areas the size of LV. The subject matter at this meeting has reached all corners of our nation including the U.S. Supreme Court, the White House and Congress.

As I listened to Mr. Tabash, who apparently is not only a lawyer but a rhetorical intellectual, imbued with the unswerving protection of free speech, I became restless. The Current Issues Forum employs a format which permits the audience to phrase their questions on a 3x5" card and upon collection, the individual comments or questions are relayed to the guest

speakers by a Forum board member. This is commendable, since it keeps any potential personal confrontation under control and negates a possible embarrassment of the guest speakers by a member of the audience. I did not turn in a 3x5 message as the available writing space was probably one-tenth the size I needed.

I must say, however, that I am diametrically opposed to the pedantic interpretation by Mr. Tabash regarding the rights of Johnson (the infamous individual of flag burning fame) or the rights of anyone to deliberately burn or otherwise desecrate the flag of the United States.

One would have to be born in a foreign land, as I was, to fully appreciate the love and pride that I bear for our country. The U.S. has never been taken by granted by me.

When Reagan paid his respects to the Nazi military buried at the Belsburg cemetery and ignored our own dead nearby, I seethed with anger. This two-bit actor was playing politics with a former enemy, the West German government.

In summation, regarding the debate that night of Oct 27, I have this to say to the Supreme Court Justices and the Tabashes of this great nation - if enough vermin like that aforementioned "flag burner" are permitted, unabated, to continue the defilement of our democratic standards and with the tacit approval of courts of law and misguided approval of individuals like Tabash, one day we may not have a country worth fighting for.

However, regardless of this diatribe and I admit to anger at times, I will continue to support the Current Issues Forum. Their Board of Directors had no way of knowing in ad-

vance the actual comments employed by either one of the guest speakers.

New Survey Coming On Choices For Village Classes

A subcommittee of the Education and Recreation Committee recently collected the Oxnard College Survey forms for preliminary information on what type of classes villagers would like to see offered here.

A more detailed survey is being formulated, according to Lillian Hawthorne, subcommittee chairman. The new survey is expected to be included in a coming mailing of the Village Voice.

Plans are definite for the offering of a new Political Science class here. Education and Recreation Committee co-chairmen Sy Fisher and John Russo support plans to expand the scope and subject of classes to be offered within the Village.

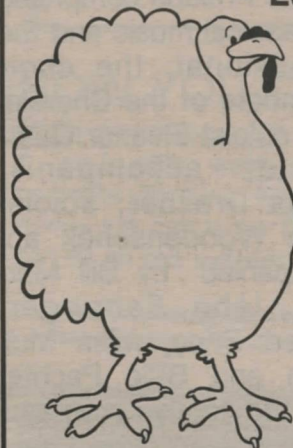

Clubrooms in LV are in full use during the morning and early afternoon hours, so new classes will have to be scheduled for late afternoon and evening hours.

.....Caring!

You don't have to go to the bank to save money.

You Can Go To Your Water Heater.

Save 50% of your water heating cost with the revolutionary Efficiency II.

Saving money on your water heating is like money in the bank -- only better. With the E-Tech Efficiency II water heating heat pump, you can save at least 50% on the cost of heating water with electricity, oil or propane. For the average family of four this means a savings of \$200 per year for about a \$1095* investment. That is a better return on investment than any savings account, and best of all, those savings are tax-free!

How does the Efficiency II work

The unit connects to your present water heater tank and draws heat from the surrounding air to heat the water, a process that uses less than half the electricity that a standard electric water heater uses. Tests by utilities in all parts of the country have confirmed savings of 50% or more for the Efficiency II.

How much can the Efficiency II save you?

Call us today and we'll help you figure your savings, discuss your particular application, and let you see for yourself that the Efficiency II is an excellent investment in savings. You don't need to go to the bank to save money, you can come to us. Call us **today**.

DON'T WAIT GET READY FOR THE QUAKE

Are We Ready?

The Oct 17 earthquake in San Francisco brought into focus the need for everyone to be prepared for the next earthquake that may strike this area. We know that despite the best planning on the part of governmental agencies the ultimate responsibility for our survival rests with each of us.

Now is the time to re-read the LV Survival Guide and take care of those items that "I'll get around to one of those days." Have you set up

your family communication network, as recommended in last month's ILV? Is your white "I'm OK" flag easy to get to? Consider keeping a second flag to put on your neighbor's house in case they are not home when the quake occurs.

There will be a special meeting of all Emergency Services Committee personnel on Nov 30 at 9 a.m. in the AR. Coffee, juice and rolls will be available.

Members are asked to bring their copies of the LV Operating Manual and the Survival Guide to this meeting. The purpose of the gathering will be to incorporate information obtained by emergency workers from the San Francisco quake into our planning and manuals.

New Signal

LV residents who use the West Gate welcome the new electric signal at Alta Colina and Santa Rosa Rd. This signal will

make it much easier for vehicles to get onto and across Santa Rosa Rd. at that intersection.

Beautification

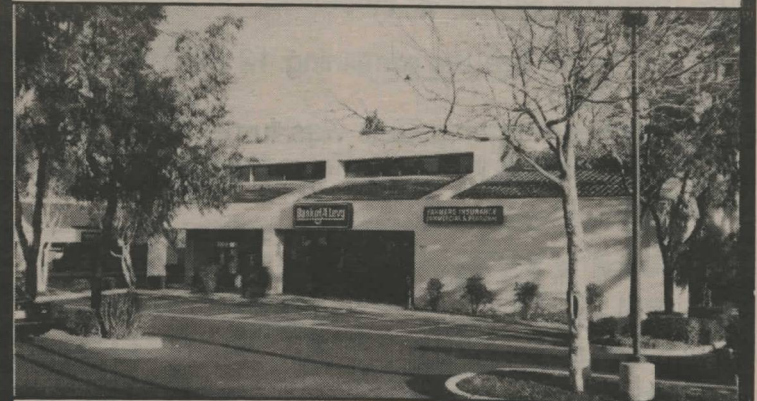

Planting of the grounds outside the Main Gate are being redone by LV landscaping crews. The three brick planters have been re-planted and more planting is expected by Dec 1.

Many residents have expressed a strong desire to have colorful flowers at the entrance, to welcome people into the Village. Some residents have put their money where their mouths are, and contributed hard cash towards the project.

The beautification project is under the guidance of the Buildings & Grounds Committee, with Bill Himstreet, chairman.

Canned juices and foods will keep after the refrigerator foods are spoiled. Do you have a hand-operated can opener?

ABSENTEE BALLOTS?

At the Nov 6 LVA Board Meeting one homeowner endorsed a new system of voting at the Village's Annual Meeting, held in the month of June.

Instead of the present unsatisfactory proxy method, he suggested, why not switch to use of a direct absentee ballot?

By Don Holmes

The winners in the Gem and Mineral Club's drawing at the Annual Show and Sell in October were: first Ed Donahue, cassette tape donated by Bill and May Brown. Second Louise Herbert, tape player/radio/headphone set donated by Bill and May Brown. Third Betty Murray, synthetic sapphire in gold pendant donated by Eunice Donahue. Fourth Mildred Sheets, rock clock, donated by Ed Donahue.

As per the club's annual custom, the first name drawn has the choice of any of the gifts; the second drawn has the choice of the rest of the gifts, and so on.

The speakers at the October meeting were Gordon and Betty Wagner, who displayed two tables of crystals and other geological formations, and explained each one. We hope to have the Wagners again. Watch Ch 12 and don't miss them the next time. They are very good.

One of the future speakers, possibly in March, will be Meg Easily, jewelry designer from Ojai.

There will be no meeting in November or in December. Instead, the Annual Dinner will be at Carrows in Oxnard on Dec. 13. Sign up with Eunice Donahue or Bill Huffman and get your dollar to them, so you can be included. The last count was around 30, and growing. Happy Holidays.

New Max

Board member Bill Blauer announced at the last Board meeting that a new MAX computer for Channel 12 has been ordered. The present MAX will be sent out for repair and will be returned to use as a back-up for use in programming Channel 12 messages. It will be linked to the new MAX.

While LV paid \$3184 for the present MAX, the new one was purchased for less, only \$2995. MAX runs Village messages on Channel 12 for 24 hours a day, 7 days a week, a very demanding schedule for a computer.

The Ombudsman Panel

By Bill Huffman

At recent Board meetings I have discussed the purpose and functions of the Ombudsman program. Perhaps a short written review is in order.

The reason for its establishment in the spring of 1986 was to ease the work load of the Board. The Board, now and in the past, must make many important decisions which take a lot of time, research and deliberation. They are also deluged with a myriad of lesser items, and due to the press of higher priority matters, these items have a hard time reaching the top of the list.

Our panel, not burdened with the time consuming weighty matters that confront the Board, can concentrate on individual grievances and complaints, and thus provide counsel and advice to our fellow residents.

We attempt to moderate the complaints that are bound to occur among our 3700 residents. If, for any reason, this mediation process fails or you are not satisfied with the outcome, the matter may be submitted to the Board for resolution.

Most of you know at least one and many know all of the present members, who are Karl Cannon, Robbie Karlin, Henrietta Joehnck, Edna McCormick and Bill Huffman.

Please don't forget we are here to help in any way we can and promise to devote all the time necessary to thoroughly investigate any problem that you believe requires or needs discussion with the Ombudsman Panel.

19th Hole Costume Party

Photo by Hayward

By Jack Whalen

Despite the fact that the monthly mixed-couples golf tournament for October was cancelled due to high winds, more than 100 men and lady golf members attended the 19th hole party starting at 4 p.m.

Some 50 of those attending arrived in Halloween costumes and judges had a difficult time selecting the top winners.

Alda Kroll, looking much like former President Ronald Reagan, took top prize. She was very "natty" with the Reagan face mask, sport jacket, and slacks.

Taking second prize was truly a mystery lady who can best be described as a Zulu cannibal. She wore a black wig with curly hair and a bone on top, a grass skirt, bands of beads on ankles and wrists and a ring in her nose. She carried a spear and playfully moved in and out of the groups of people and their tables. Hardly a soul knew who it was until she removed her mask: Winona (Mike) Mancusi!

Third place went to tall, stately Jane Warneke whose colonial costume was truly magnificent.

Fourth place went to the other half of the Kroll family. George, always fun both in disguise and without, had a clown outfit that was outstanding. He, too, fooled many friends.

Fifth place went to a werewolf who absolutely

fooled everyone, perhaps even his wife, Joyce. Yes, Gene Bookwalter was a smash hit until one heard that little chuckle of his.

Sixth place went to Tony Gregg who looked and acted the perfect part he played — that of an Arab.

The last-Sunday-of-the-month 19th hole party is held just about 11 months of the year, December being the exception. The 4 p.m. event follows mixed-couples golf play earlier in the day.

Non-golfers are cordially invited. There's but a 50¢ admission fee and that covers soft drinks, chips and nuts, dancing and usually some kind of entertainment.

Ted Rose deserves a round of applause for hosting this outstanding event.

Pruner Talk Reset

Villagers are urged to attend a special presentation sponsored by LVA and given by Pruner Ambulance. A film will be followed by a question and answer period, with information pertinent to all residents.

The presentation will be Wed, Dec 13, at 10:30 a.m. in the AR.

COURIER SERVICE AVAILABLE FOR RESIDENTS OF LEISURE VILLAGE

**THE LEISURE
VILLAGE
WOMEN'S CLUB**

By Jeanne Carlson

The November meeting of Women's Club is always well-attended because it is the traditional Appreciation Luncheon. By that time the Bazaar is over, Workshop is relaxing and it is a time to be discussing who will serve as new officers. It is a time to lay back, meet old friends, and enjoy an afternoon of friendship.

Five special male guests also attended. These were: Fred Dorward, Al Walker, Robain Heyerick, Roger LaPrell and Harold Wickham. These "good guys" have helped with the financial accounting, the Trading Post, entertainment and general support.

The catered luncheon was excellent. The Board had decorated the tables in autumn theme and had, in fact, spent the whole morning making preparations. Then Carol Heyerick, President, gave us the news.

The Bazaar had been a success and donations were listed, in keeping with the club's tradition of supporting of Village betterment, community relations and financial aid to children and needy seniors. Ch 12 will receive \$2,000 to use for a new Camcorder. Your Neighbors Care, which does so much for Village health and safety, received \$200. A donation of \$500 was given to Rolland Barbeau. This fund is to be used for Village residents who may have emergencies due to high prices, heating bills, sudden illness, etc.

Camarillo Academic Olympics was given \$750 for school children grades 4 to 8. Villager Bill Himstreet has chaired this event for several years and it is an excellent program to spotlight and motivate academic success.

Badly needed bicycles for young people at Camarillo State Hospital will be provided by a \$1,000 donation. A soccer game table was also purchased to help provide necessary recreation.

Gertie Dorward, Parl, reported on some changes in the Women's Club By-laws. It was felt that the office of 2nd VP had too many duties — workshop, ways and means, bazaar, etc. A change will confine the office to Workshop only, and the bazaar and other special events will be handled by a special representative appointed by the President. This was accepted by the membership.

Carol then announced that holiday treats will be delivered to Camarillo State Hospital. Club members are asked to bring cookies to Workshop on Tues, Dec 12. These treats will be packed and delivered next day to the children.

Next, the Nominations Committee presented its chosen slate of candidates for 1990 officers. These ladies are: Pres., Kay LaPrell; 1st VP, Renee Greene; 2nd VP, Dorothy Fencel; Treas, Kay Varley; Rec Sec, Marie Tutt; Corr Sec, Velma Cade and Parl, Eleanor Evans. Election will take place at the December meeting and nominations will be open from the floor at that time.

Further news and notes, looking ahead. The See's Candy Sale closes Nov 17. Delivery will be in early December. Buyers will be notified.

The next meeting of Women's Club will be Thurs, Dec 7. Members are asked to bring donations of non-perishable food items and cash at that time.

At the meeting a handsome holiday banner will be the award for a drawing. There will also be a mini-bazaar before the meeting.

Tickets for the January Installation of new officers for 1990 will go on sale at the December meeting (\$6.50). Place will be the Oxnard Hilton; date, Thurs, Jan 4.

The program for December will have a holiday spirit. Marguerite Abdennour and her dance groups will entertain.

After the luncheon, members settled to enjoy a most unusual program. The Liedeleers is a select group of singers who sing for their own pleasure. They do not consider themselves as a performing club. The leader is Selma Lich. Freda Drezner is the accompanist. The songs chosen are in several languages and they range in theme from comic to deeply religious — and all beautifully done.

Some of the selections were from "Fiddler On the Roof." Another very moving offering came directly from the Psalms — "By the Waters of Babylon" See WOMENS' Pg 15

In the LV Friday Bowling League, the race for first place is changing almost weekly with teams #5 and #21 on top and #16 and #17 moving up fast.

In the past few weeks there have only been 4 games over 200 bowled by the men, which is quite unusual. Those being rolled were by Barney Simon 204, Al Sparkman 201, A.D. Flowers 201, and George Huddleston 200. Might add that A.D. bowled a terrific 266 scratch in another league and hasn't come down to earth yet!

Some of the fair sex are really going to town lately and are bowling better scores according to averages, than the men. Maxine LaPorte had a 191 and a 553 series. June Slabotsky 198, Roz Weinstein 195, Lindsey Merrill 180, Marty Gregory 175, Conni Santangelo 170, Rosemary Cobb 166, La Verne Groves 164 and Anna Defusco 163. Pretty good bowling ladies, keep it up!

The tournament in progress now, and continuing until after the first of the year, always brings with it some exciting competition between the men and women. Match-ups are according to averages with handicaps, making it possible for the very lowest average bowlers to be on an equal basis with the top bowlers. It's always fun and adds interest to the usual weekly bowling.

A second tournament will follow, divided into sexes and classed according to averages, so be there!

Regulation golf in October found men from LV off to Ojai to play the popular Soule Park course, certainly one of the most popular on the tour circuit.

Chuck Thomas fired a fine 82 to take low gross while Bill McCrae took low net in Flight A.

Willis Sanders captured low gross in Flight B with Bob Stachwick taking low net.

Flight C found Bill Hayward and Al Koblin sharing top honors with identical 93's for low gross with John Lauten winning low net.

High winds forced cancellation of the Couples' End-of-the-Month tournament on Oct 29. However, it did not dampen spirits for the annual Halloween party that was held at 4 p.m. Ted Rose did a fine job hosting the party

As of now, our 1990 tournament is scheduled to begin Jan 15. Competitions in the various classes will depend upon how many sign up. Entry fee is \$3 per person per event. See the entry sheet and details on the bulletin board. Do it now to get started and finished on time.

Best wishes to our newly-elected officers for 1990. Let's give them our full cooperation, attend meetings and make 1990 a banner year.

Extra door prizes at our October meeting of lunch at Furrs and dinner at Otavios were won by the Catalognes and Trindls respectively. Winners of lottery tickets were Dan Bryan, Henry Carfagna, Ralph Greene, Lou Okun, Irv Loew and Sally Gianetoni.

Thanks to Sally Gianetoni, our hostess with the mostest, for overseeing the social after our last meeting.

The next meeting of the Racquet Club will be Wed, Dec 13 at 7:30 p.m. in the MPR.

The "Annual November Bash" is another wonderful club memory and we now have the "December Wine & Cheese" to anticipate!

The winners of the "President's Cup" First Annual Trophies Tournaments (both paddle and tennis categories) will be announced at this meeting.

The officers-elect for 1990 are: Pres Max Farber, VP Wanda Saari, Treas Herb Warneke and Secy Sylvia Morrison. Let's usher them in with total cooperation and commitment!

Golf Tournament To Benefit Food Share

By Rolland Barbeau

Camarillo Springs Golf Course is sponsoring a golf tournament to benefit Food Share on Thurs, Dec 7.

For an entry fee of \$50 (tax deductible) each player will be entitled to green fees, cart, prizes, lunch, beverage, including beer and hors d'oeuvres to end a fun day.

Mulligans cost \$1.00, Putting strings \$1.00. Come take a shot at \$10,000 for a hole-in-one. It will be a round for fun and for food.

All monies go to Food Share to help feed our 70,000 less fortunate friends in Ventura County. What a wonderful way to share during the Holiday Season.

LV men and women will participate. Your help is greatly needed and will be very much appreciated.

The LV Bingo Games continue to draw near capacity crowds. The camaraderie at the games is amazing. At one of our recent sessions, Rebah De Ryk, a member of the Bingo committee, called five BINGOS!! Marion Tavano, chairperson of the games, says though no records are kept, she cannot recall any player having more bingos at one session. When Rebah called Bingo on the final game of the evening she was given a standing ovation. That is camaraderie!

For a great evening of fun, join your friends and neighbors, play Bingo each Wednesday at 7:00 p.m. in the AR.

The Leisure Village Women's Golf Association regulation golf was played Oct. 19 at the revamped Camarillo Springs Golf Course and truly enjoyed by all. Each player received a gift golf ball from the management and the game was Two Best Balls of the Four-some.

Lois Kissinger is to be congratulated for a hole in one on #14 which also gave her an eagle and closest to the pin.

The Sunday end of the month couples golf tournament Oct 29 was blown out of bounds by a Santa Ana and was cancelled. Happily, however, the 19th hole Halloween party proceeded as planned and was well-attended and much fun.

Low net of 51 for the month of October was won by Iolene Beach and Shirley Green, with low gross to Shirley Green with a 63.

The LV Keyboard Club will meet at 1:30 p.m. in the AR on Fri, Nov 24, in spite of the holiday. Musical theme is "Winter Songs." Both pianists and organists will play on the Village instruments, and listeners are also invited to attend.

The Baxters, Eddie and Marty, will entertain the Village in Concert on Fri, Dec 1, at 7:30 p.m. in the AR. The husband-wife organists played here 2½ years ago to a full house. Tickets for a donation of \$3 each are available M-F-F mornings, or from Keyboard Club members. Proceeds from the musical evening will go into the Piano Fund.

Search for a new baby grand piano is beginning, with a committee composed of Bill Marvel, Kurt Godfrey and Pres Jules Nayfack participating. Recent contributors to the Piano Fund are the Men's Golf Assn, the Solo Club and Evelyn Krohn.

The Piano Fund is spearheaded by the Keyboard Club. The piano may be purchased before the full amount necessary is collected. If so, then fund-raising events by the Keyboard Club will continue.

A change of program brought Jerry Sortomme of Santa Barbara City College to the Garden Club on Nov 9. He spoke enthusiastically about present plans in the fields of agriculture and horticulture for reversing the despoiling of planet Earth.

The destiny of our grandchildren involves better use and less abuse of our resources. Educators and scientists are implementing remedial measures concerning the ozone layer and greenhouse effect. Plans for the brand new millennium demand cooperation by individuals, groups and all countries of the world.

The only Garden Club event in December will be the Holiday Luncheon on Thurs, Dec 7 at the attractive Doubletree Hotel in Ventura, where installation of new officers will be the highlight of the day. Tickets are available for \$13.50 from Louise Coddington (987-5870) and Louise Herbert (482-5239). Be sure to get your tickets for this gala event by Nov. 30.

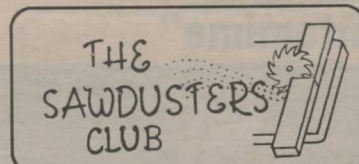

The Marathon Bridge Group will hold its annual awards luncheon and bridge party at the Saticoy Country Club on Jan 18.

Tickets will be available at the Holiday Luncheon or from Lucille White (987-1218) and Joyce Bookwalter (987-7480). All Garden Club members are invited.

At the November meeting of the Sawdusters Club, we were treated to a most interesting presentation by Bill Huffman on his hobby of making wooden ship models. He showed us a "dinghy" he had made many years ago, as well as fully rigged three mast and four mast sailing ship models.

All of the 35 members and guests who attended were impressed with the quality and dedication of Bill's work. It is indeed an intriguing hobby and Bill may have gotten some converts.

During the "Show and Tell" portion of the program, Clary Morgan showed and described a successful approach to picture framing and detailed the use of a versatile jig that belongs to the woodshop. Morris Lefkowitz showed several toys he had made in the past month including a unique "waddle duck." Carl Sparks displayed some wooden toys he has made from scrap wood. Jack Reeve showed a small e-piece shelf for wall bric-a-brac displays that he had put together in a short time.

Our December meeting is scheduled to be a video tape on Wood Turning by Richard Raffan; he will describe six different projects. We also will have the usual "Show and Tell." Guest are always welcome.

hopes that everyone will help to make it a center of interest and rest.

In case of earthquake, remember that flying glass is one of the most likely hazards to your safety. Only your sliding patio doors are likely to be of shatterproof glass.

At the October meeting of the Ceramics Plus Club, Al Pachter showed some video tapes of ceramic work. One of them was a demonstration of working on the Potters Wheel, by Sheila Steele, a professional potter.

The camera work was done right here in our Ceramic shop, using our potters wheel; it was all very well done.

The other tape was a professional one on "The Basics of Clay," for younger people, who, after learning the simple fundamentals of clay work, went ahead with their own ideas and designs. They produced some remarkably good work.

Because Thanksgiving fell on a regular meeting day, the November meeting was held a week early, with Irma telling about her recent travels.

Next month Chanukah and Christmas fall on the weekend near the club meeting date, so it too will be held a week early. Watch Ch 12. The Annual February Picnic will be held in January next year. What? Next year already? Happy Holidays!

VILLAGE PAINTERS

Solo Club members and friends will get into the holiday mood with a pre-Christmas turkey dinner on Fri, Dec 8. Happy hour at 5:30 p.m., followed by dinner at 6:00 p.m. in the AR.

Price of the dinner is \$10.50. For reservations, call Monica at 987-5477; deadline is Dec 1. Entertainment will be provided by the Golden Age Songsters and The Royal 80's, a group of "older" barber-shoppers.

There will be no regular brown-bag luncheon meeting in December.

Watch Channel 12 for information about our Bridge Players Round Robin.

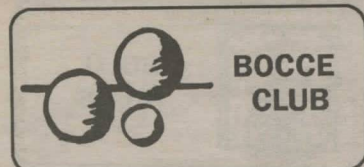

The November Book Review consisted of two reviewers reviewing two very different First Ladies. Erma Hopkins, guest volunteer, dealt with "A Woman Named Jackie", by Heyman. This is, of course, the unauthorized biography of Jackie Kennedy. Your regular reviewer brought a brand new bio "Simply Barbara Bush" by Donnie Radcliffe. The subjects are two very interesting ladies.

Since Book Review does not meet in December because of the holidays, our next meeting will be Mon, Jan 8, 10:00 a.m., GR.

Return Engagement! It's a riot! Jean Clements and Emil Sitka will present a "Comedy Pantomime" at the movies approximately 8:00 p.m. in the AR following the general meeting of the Bocce Club Thurs Nov 30, 7:30 p.m.

The Bocce Club celebrated its 14th Anniversary Dinner-Dance on Oct 26 to the music of accordeon player Poker Bill Gattios. Door prizes of champagne, lottery scratch offs plus a beautiful shawl made by Connie Mayer and a robe by Trudy Orsan, were awarded.

Checks were presented to the following winners of the Bocce Men's singles: 1st place John Buccieri, 2nd Henry Carfagna, 3rd Sam Bearman. Mixed doubles will take place on Nov 13-15 Mon-Wed, 10:00 a.m. No-show will forfeit except for rainy weather. Fee is \$1.00.

By Irwin Steinhart

No meeting of The Village Players was scheduled for November because of the presentation of the Edythe Fahringer production of the recent Broadway hit "Social Security."

The next meeting of the Village Players will be in the AR on Thursday Dec 21 and at this final 1989 gathering, the new slate of officers for 1990 will be installed.

The Annual Holiday Party for the combined members of both the Village Players and The Variety Guild will take place in the AR on Thur Dec 14. Tickets for this eagerly awaited event will go on sale in the Rec Center starting Nov 27.

O.A.C.

By Mary Kovach

The LoVe Round Dance Club had its 5th Sunday Party Potluck Anniversary dance on Oct 29 in the AR. The Warners from Santa Maria cued the dances to both the Advanced and Intermediate classes, and also included a few (over our capabilities) for the benefit of guest dancers.

The Potluck lunch, as usual, was outstanding, delicious and plentiful, under Bea and Sam Perren's direction. Sam is indispensable; besides serving as VP, he also supervises the weekly refreshment and coffee duties.

Pres John Quackenbush turned over the Nominating Committee duties to Bernie Zwiebel, who re-installed John, Pres; Sam Perren, VP; Mae Gregerson, Treas and Mary Kovach, Secy. These members consented to retain their office for another year.

The Board presented "Founder and Past President" badges to Bernie and Edie Zwiebel. On Nov 1987, the Zwiebels were elected as Presidents of the newly-formed LoVe Round Dance Club. A constitution and by-laws were adopted, and in the ensuing months, meeting with the other officers, such things as membership, dues, refreshments, club dresses, name badges (which they designed) were discussed and re-discussed, all under the tutelage of these two dedicated people, and done in a quiet, professional, non-explosive manner.

Since then, our Club has grown from the original class (Advanced) to an Intermediate Class, and now a Beginners class is taking shape. Thanks, Zwiebels! We are dancing today because of you!

**HAPPY
HOOFERS**

By Vi Cohen

November is a time for rehearsing some of the Happy Hoofers' latest routines. We are also busy sewing on our newest costumes for upcoming shows we will have in December.

Helen Gold, our designer par excellence, lassoed us into the Sewing Room, and measured each Happy Hooper, and cut the

fabric for our Western costumes, with the assistance of Kay Collier. All we have to do is sew the pieces together. We'd rather be dancing.

Why do we rehearse our routines week after week? There is a truism, "If you don't use it, you lose it," and we aim not to lose it.

And what better way to work off the extra calories accumulated during this holiday season, than by dancing to exciting music. Happy Thanksgiving, you all!

class is dancing on Sunday in the AR from 1:00-3:00 p.m., and Saul and Rawza Kramer are helping them with their "homework" on Wed, 5:00-6:00 p.m. All of you dancers who were waiting for this class to progress a bit more—time to join now!

Thanks are in order to the Kramers who also

"work-shop" the Intermediates from 4:00-5:00 p.m. on Wed in the AR.

Residents are welcome to come in and watch these Round Dance classes on Sunday, anytime from 9 a.m. to 3:00 p.m. in the AR, or watch some Round Dancers in action, between tips, at the Village Swingers Square Dance on Tuesday nights starting at 7:00 p.m.

The Rhythmettes enjoyed a happy time the afternoon of Halloween. Claire Endelman, social chairman, and her industrious committee, put together a special luncheon. The food was contributed by members.

The highlight of the day was the costumes worn by those who chose to dress up. The theme was song titles. The six winners chosen by hand clapping were given prizes by Claire.

After the festivities, everyone tried to settle down to practice. The Holidays are upon us, and not many practice days left before the Village Tree Trim Party Dec 4 at 4 p.m. in AR. All residents and guests are invited to trim the tree and listen to Rhythmette music under direction of Piff De Simone, accompanied by Selma Simon at the piano.

There will be practice as usual Dec 5 in AR. Dec 12 board meeting at 12:30, business meeting at 1:00 followed by practice.

Coming close to the end of our seventh year and looking forward to our eighth; it's nice knowing we will be continuing not only with our dancing, but enjoying the camaraderie of our fellow villagers and making new friends.

Our board of officers, which includes our instructors, is always ready and willing to help each and everyone of us.

Beginners are welcome. Join us and participate.

Dance times: Mondays 1:00-3:00 p.m. teaching and dancing; Wednesdays, 9:00-10:30 a.m., review and new dances; Fridays 9:00-10:30 a.m. continuous dancing.

Membership meeting is the first Wednesday of the month in the AR at 10:00 a.m.

DANCE WORKSHOP

By Evelyn McKay

Dance Workshop's Halloween party, held Oct 30 in the AR, was a huge success. After a lively dance session, traditional refreshments were served. Many members dressed in colorful costumes which not only added to the festivities but were enjoyed and appreciated by all.

The annual Christmas party is scheduled for Mon, Dec 11 at 3:00 p.m. More details will be announced after the general meeting where plans will be discussed further. We urge members to set aside that date and join in this holiday celebration.

Dance Workshop meets every Tuesday in the AR at 3:00 p.m. If you enjoy dancing, join us and dance for joy and good health.

Tribute To Rube Davis

By Sol Robin

Over 400 people gathered on Tues, Oct 17, for the 1989 Ventura County Reception for the Anti-Defamation League. A recognized leader in its field, ADL is dedicated in purpose and program to translating this country's heritage of democratic ideals into a way of life for all Americans. Its history is an inspiring record of working for the security of all minority groups within the framework of the democratic process.

Two awards were presented on this occasion but only one of the recipients was present. Channel 4 news anchor John

Rube Davis

Beard was unable to appear for his First Amendment Freedoms Award due to the San Francisco earthquake which had occurred earlier that evening, necessitating his presence at NBC all night.

The ADL Distinguished Community Service Award was presented to Rube Davis of LV by Ed Pollaine, local ADL Chairman, for his efforts in furthering ADL goals and outstanding community service. Awards to Rube were presented by Sandi Bush, Mayor of Camarillo; Maggie Erickson, County Supervisor; and Craig Premo, aide to Assemblyman Tom McClintock. An award to Rube was sent by Congressman Elton Gallegly.

Rube's extensive contributions to the community have included his serving as Vice President of the LV Community Relations Committee, organizing and chairing the LV School Speaker Committee and developing human relations by visiting the ministers of most of the churches in the Camarillo area where he distributes the ADL Date and Calendar Books each year.

Rube is also on the Executive Board of the local AARP Chapter where he serves as Chairman of the Health Care Committee. He is Chairman of the LV Current Issues Forum which provides informative lectures to LV residents.

Rube Davis embodies those qualities of compassion and concern which translate the ideals of his heritage into community action that will benefit the greatest number of those in need.

**VILLAGE
SWINGERS
SQUARE
DANCE CLUB**

By Cy Boynton

The Village Swingers Square Dance Club held four enjoyable dances in October, two of which were outstanding.

We anticipated the dance called (and sung) by guest caller Gary Dane, with rounds cued by Bill Burrier, would be great, and it lived up to expectations as witnessed by greater than usual attendance.

The Halloween-Sadie Hawkins-Box Lunch-Social Mixer dance was fun, with interesting costumes, and big smiles.

The members were being very hospitable to a little grandmotherly lady we had never seen at one of our dances before, but we were later surprised by the revelation that she was no stranger, but our past President, Harold Sterns, wearing a wig, a dress, and a padded bra!

Earlier in the month, 40 of our dancers were guests at a square dance organized by the "Twisters and Blisters" club in Woodland Hills. Those who attended enjoyed themselves and ranked it as one of the nicest square dances they had ever attended.

Our club's board of directors held a monthly meeting at the home of Mort and Fran Linick on Nov 1. The main subjects discussed were the possibility of a Christmas potluck dinner-dance, and some minor revisions to the club by-laws.

Dancers, watch Ch12 for some interesting dances scheduled for December.

Has your family set up an emergency communication network, preferably with a hub in another state?

**EASY
SQUARES
CLUB**

By Maury Ogens

October proved to be a very fine month for the Easy Squares. We welcomed a number of visiting dancers who bolstered our attendance. We encouraged them to return often as their experience fitted in very well with our group.

One of the couples consisted of two ladies dancing together and doing a great job. This is the second couple of two ladies in our club.

The Easy Squares are very proud to be the first square dance club that has started this pattern of dancing.

We dance at a fun level and are not bugged if any error in our dancing may occur. It is always something we can laugh about and our great caller Paul Diffenderfer quickly cor-

rects and has us dancing again.

Round is enjoyed by many couples to the tune of recordings deftly handled by John Quackenbush.

So all of you ladies that would like to square dance, take a cue from the "Easy Squares" and pay us a visit any Sunday night. See for yourself. It's easier than you think and square dancing is very good for your health in a fun way. Visitors are always welcomed.

Happy Thanksgiving

Tribute To A Man Behind The Curtain

Leisure Village, if it were given to boasting, could certainly brag about the multi-talented individuals in our midst. No matter in what area - music, dancing, acting, crafts, governing our Village, there are those who share their gifts with the rest of us.

One area that comes readily to mind, includes the several productions which the Village is treated to each year. Behind the writing and the performance itself there is another aspect many of us might not be so conscious of. It's the SCENERY.

Those in-the-know tell us that to produce scenery for a play requires:

1. A designer to create the idea.
2. Artist to execute the idea.
3. Engineer to make plans and working drawings.
4. Construction crew.
5. Scenic artist to paint the actual scenery.

These final efforts enhance the production and improve the quality of the performance.

A big order. Imagine one person doing all of this?

The man, Jack Beardsley, V. 44, is that artist who volunteers his services. Jack is not the only one who has worked on this phase of the production - he has volunteers. Without his leadership and expertise, however, we who sit in the audience would not be able to appreciate the good quality of the production.

Thank you, Jack Beardsley, for sharing your talents with us.

It is even more important when you do not type your contributions to ILV that you follow our guidelines; especially that you leave a full space between lines and DO NOT use all capital letters.

Big homes for people with big interests.

Let your imagination soar. Your talents expand. Your friendships bloom. Move to a beautiful new Private Villa Home™ at Leisure Village Ocean Hills. Big and completely detached.

With a floor plan designed for freedom, exciting new uses of space, privacy inside and out.

And no matter how big your interests, there's even more room to develop them in The Ocean Hills Country Club®. Try your hand at Photography. Or Bridge. Learn to square dance or tango. Enlarge your portfolio in The Wall Street Club, your muscles in The Nautilus Exercise Studio. Swim. Play golf, tennis, bocce.

But an even bigger reason to move to this magnificent Aegean village, minutes from the blue Pacific in Oceanside, is the feeling of security that comes from a 24-hour attended entry gate.

So even if your interests lean more toward growing bonsai trees and collecting miniatures, drive over to-day, visit our five gorgeous models and plan your move.

This is your time to grow.

Villagers Can Aid Environment With Re-cycling Efforts

To take papers, glass and aluminum to the Camarillo Recycling place, go on Santa Rosa Rd. towards the freeway, where it becomes Pleasant Valley Rd. Continue south and west around the bend towards Camarillo airport, across Lewis Rd. and Dawson Rd. to Calle San Pablo. Turn right on Calle San Pablo a short distance to the end of the road to Camarillo Recycling Center. Their sign is small so drive to the back of the building, for that's where the action is. An attendant will unload your car for you.

By Ruth Mary Crowell

Are you as concerned about throwing away your newspapers as I am? Are you worried about the problem of our bulging landfills? There is a way that we in LV can help.

Piff De Simone at 11232 V 11 is collecting aluminum cans to raise money for the Sweet Adelines' trip to New York to sing at Carnegie Hall on May 8, 1990. Please take her your aluminum cans.

Vons market will pay 1¢ for glass and plastic bottles marked "CA Redemption." Just carry them to the front near the manager's desk as you enter and they will take them. There is a machine outside Vons where you may dispose of your aluminum cans and receive a few pennies for your effort.

It was easy to put the papers out for the Boys and Girls Club to collect. Now that they are no longer providing this ser-

Childrens Services Auxiliary Seeks Volunteer Tutors

By Betty Murray

Children who have been placed in foster homes often need extra help in many areas. Abuse and neglect are frequent reasons for being placed away from their parents. As many as 600 children are cared for in Ventura County alone.

The Childrens Service Auxiliary, a volunteer organization, provides summer camp experience, gathers clothing for the clothes closet (foster parents are given \$60 just once, for clothing), they arrange holiday gifts and parties for the children, and give friendship and love on a one-to-one basis. As many of the chil-

dren are below level in their school work, volunteer tutors are badly needed.

Mature people are very desirable as tutors. Anyone in LV who would like to help a child in this way can call 654-3447, the Ventura District office.

Mimi Chuntz, V 25, is Ways and Means Chairman of the Auxiliary. LaRue Boynton is a past-president of the group and is on the Speaker's Bureau; Betty Parker serves as secretary.

A long term goal is to build a Crisis Shelter for Children at the Camarillo State Hospital — a multi-million dollar dream.

RECYCLE..... From Pg 26

vice, it is up to us to dispose of the newspapers. The recycle center on Calle San Pablo will unload your car. They will accept newspapers, cardboard, glass and plastic bottles, and aluminum cans. Calle San Pablo is located one block west of Dawson Drive and can be reached only from Pleasant Valley Road. Turn right on Calle San Pablo and drive all the way to the end as far as is possible. The pickup is in the rear of the building marked CA Redemption Center.

We were devastated this summer to see the slaughter of the Santa Fe National Forest in New Mexico where our cabin is located. The clear cutting of the forest was as brutal as the huge fire in 1971 that burned 16,000 acres. This year upon our return from New Mexico we decided not to take the LA Times but to share it with my father in V 9 and sister in V 7. When we are urged to start the paper again we will tell them we will take it again when they use recycled paper. We must urge all newspa-

pers to use recycled paper.

I want to leave the forests for my grandchildren to enjoy. I want to leave them a world that is clean. At the present rate of growth of the world's trash, if we don't take action, our grandchildren will live in one huge landfill. Talk to your neighbors and help with taking recyclable items to these places. Yes, we in LV can help.

Self Awareness Group

By Maxine Fritz

The LV Self Awareness Group meets on Thursdays, 7:00 - 9:00 p.m. in the GR.

Meditate, pray or relax deeply in some way each day. Do something creative, have a hobby. Exercise often, it relieves depression.

Mental exercise is a must, also. Work crossword puzzles, solve puzzle problems, take classes to learn something new, read for knowledge and really THINK!

Eat a well balanced diet with plenty of fresh foods, avoiding fats and sugars. Drink lots of water every day. Set goals, mini daily ones as well as future and follow through on them.

Laugh often...have fun and be fun to be with! Socialize with happy people often. Avoid being critical and judgemental of others, be accepting of others choices and opinions.

Do volunteer work, club activity or help a neighbor. Sleep well without the aid of pills.

Get in touch with your feelings and share them. Experience joy - the feeling of "it's great to be alive!" Practice a positive attitude, enjoy each day to the fullest and do something that you have always wanted to do!

SPIRITUAL GROWTH

By June Case

The Spiritual Growth Group met at the home of June Case, 11235 Village 11, each Tuesday in November.

On Dec 5, the group will have its annual Christmas luncheon at Mercury Savings and Loan, and will then adjourn for the balance of the month to resume Tuesday meetings in January.

Please watch Channel 12 for any changes or call Vi Shirk, Chm. 484-2389.

He Isn't There

By Lillian Wallace

He rocked in gentle motion,
His eyes looked into space
My tears flowed in frustration
Staring at his vacant face.

Did he feel me tremble,
As I stood beside his chair
And gently ran my fingers
Through the stubble of his hair?

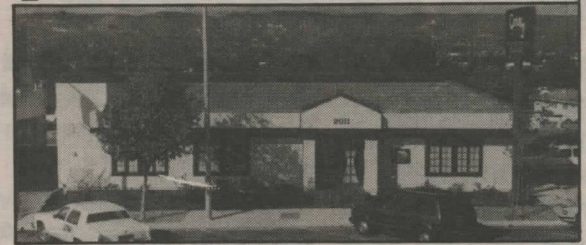

I placed a kiss upon his cheek,
And wondered, would he smile
His gentle stare gave nothing back,
Though, I knew that all the while.

There was no thought of time to be,
No hope of now and then
Time's essence was a world now void
Of dreams to dream again.

I watched his twitching fingers,
And as he looked at them, I thought
"Tis only I remember
The love and kindness that they brought."

How can I walk away and leave
Him to his empty stare?
How can I let him know I love him,
When I know he isn't there?

CAMERA CLUB

By Sam Weinstein

The membership of the LV Camera Club voted to join the newly formed Tri-County Council of Camera Clubs at our October meeting. The T4C, as it is known, consists of Camera Clubs in Ventura, Santa Barbara and San Luis Obispo Counties and has the stated objectives of supporting inter-club activities, sharing resources, disseminating club news and promoting the common welfare of all member clubs, to the mutual and photographic benefit of club members.

This sounds like the beginning of something which should work out well for all concerned. The next T4C meeting will be held in Santa Barbara next February and LV Camera Club delegates will attend.

The meeting also saw the continuation of our "Learning Series," as guest speaker Bob Denny, of the Channel Island Photographic Society, presented his famous seminar, "The Zone System of Exposure for Better Color Photography." Bob provided us with copies of his paper which were distributed to the membership. He brought charts, graphs and slides to illustrate his thesis.

It was a thought provoking session and those who carefully followed Bob's exposition to the colorful end will be further rewarded if they apply Bob's teachings when taking future color photographs. All in all, a very good meeting.

Our Nov 1 meeting was a competition meeting with the themes "People" and "Open." Our judge was Jean Haven, a graduate of the "Judges In Training Program" and an excellent photographer in her own right.

Jean brought a thoughtful, concise approach to her scoring and the critiques she presented, as each slide was shown, provided an aesthetic overview which many of us sense but cannot express. Coupled with her technical tips, it was a good learning experience for all.

Sam Weinstein took first place in the "People" category and a print of his winning slide will be hung in the Recreation Building hall as "Picture of the Month" in December. Sam Brown took first place in the Open category with a well done shot of a beautiful yellow butterfly sipping nectar from a hibiscus blossom (now get this) in his neighbor Sam Weinstein's tree. These Sams really have us coming and going!

High scorer of the evening was Imogene Gregory who took three ribbons, a second place and two third places. See you at our next meeting.

The Leisure Village Orchestra will play at 9:30 a.m. before the Dec. 4 Board meeting.

The Leisure Village Orchestra played its Annual Free Concert in the CR during the Anniversary-Bazaar in October. We had a good audience, the small group of seats being always filled. Some even stayed for the entire hour-long performance, and others stood outside in the Atrium and in the passage-ways.

Two major works played were Brahms' "Hungarian Dance No. 6," and one of Johann Strauss Jr.'s lesser-known works, his "Morgenblatten Waltzes," otherwise known as "The Morning Papers."

After lunch our pianist, Selma Simon, played an hour-long concert in the AR for the bazaarists. Really, we shouldn't claim Selma as our very own, as she accompanies the Rhythmettes as well as several individuals. How she gets all the time and energy, we'll never know.

Among the new music we'll be playing for you, we have Sousa's "Liberty Bell March," another almost unknown Strauss number, his "I Tipferl Polka," and Percy Granger's "Children's March". Rehearsals every Thursday and most Tuesday evenings. Happy Holidays!
