

THE VICE PRESIDENT  
WASHINGTON

20510

April 25, 1967

Dear Jane:

Now that I am back in Washington, I have been told that you and other state leaders had an excellent meeting when you were in town. I regret that I could not have been with you. There is much work to be done in preparation for the coming elections, and I had looked forward to discussing these things with you.

But my visit to Western Europe was stimulating and, I think, helpful. I was able to reaffirm old friendships and hopefully to improve our communications with our European partners.

As I could not be with you, I am sending along under separate cover a little gift which I thought you might enjoy -- something for your husband, too, who certainly deserves our appreciation for his understanding.

I am looking forward to working with you in the coming months. With all best wishes.

Sincerely,

  
Hubert H. Humphrey
