## COMMITTEE ON RULES

May 13, 1976

Chancellor Glenn S. Dumke  
California State University and Colleges  
5670 Wilshire Blvd.  
Los Angeles, CA 90036

Dear Chancellor Dumke:

For months I have been contacting members of your staff together with Senator Omer Rains, Supervisor John Flynn and Ventura College Trustee Tom Jolicouer concerning post secondary education plans for Ventura County. We have explored innovative concepts which hold significant possibilities for better serving present and future higher education needs.

Although I have gone along with the administration's proposal to dispose of the state college site in Ventura County, I am committed to make every effort to utilize the money from the sale to foster a joint effort with Oxnard Community College.

Please assist me in arranging a meeting in Ventura County with you and your staff to fully explore this matter.

Sincerely,

J. K. MAC DONALD
