c/o Los Angeles Examiner
Los Angeles, California

Dear Mr. Hearst:

Mr. McClure is going to be in Los Angeles this week end on some personal matter, and will bring you the Wynton base inventory from which the photo-stats are made, as showing the furniture at larger scale and with the pieces not in use marked.

I realize also that furniture in "The Bend" could be drawn on as the least fine are wonderful pieces.

If you would like me to follow up the changes in the Beach House furniture, I will do so gladly -- as it is something not easy to delegate on account of the variety of resources.

There is the possibility of gathering some lovely rooms by bringing together related pieces, a very light group in pear wood and painted wood or inlay -- as contrasted with a group very dark and rich in tone, etc.

Very truly yours,
