

Hi Patricia! Aug. 13, 1966

I brought in several things for you from your Mom's - Venetian blind, etc. but you weren't in so I have them home. I'm leaving now (4:15) for the ranch for Lindy's party - Will not be home until late - as last night. If you light

is on I'll buzz you, I can
bring the things over tonight or
tomorrow A M (probably better).

Did Mom tell you she was out
of eggs? I took her a dozen but
she'll want her big order of
crooked ones soon. She's doing OK,
drank a big glass of ~~celery~~ juice &
relished it - said it was good!

Well, I'll see you soon

Love - Carl.
