CARL A. LARSON  
REGIONAL REPRESENTATIVE  
2365 BRYAN AVENUE  
SALT LAKE CITY, UTAH

Mrs Jane Tolmach, Chairman  
Ventura County Democratic Central Com.

Oxnard, California

Dear Mrs Tolmach:

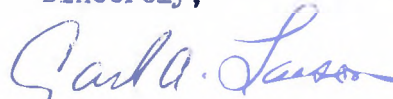

Just a note to express my appreciation to you for the courtesy shown me when I was in Ventura County. I enjoyed very much meeting with you and your county committee, in fact, my entire stay in Southern California was most enjoyable.

We had a most successful Western States Conference at Albuquerque. We are now looking forward to our Regional Leadership Conferences at Spokane and Denver. I certainly hope that it will be possible for you to attend one of these. There is much to be gained by sharing ideas and organization methods with party leaders from other states.

While I was at your house I believe I mentioned our County Leaders Workshop program. I am mailing you one of the kits under separate cover. This program ties in very well with our Precinct Workers Training Program but it is complete in itself and can be used independently as it is or can be adjusted to fit the needs of a particular area. The program as outlined takes six hours, if time is limited a good workshop meeting can be developed using parts 1, 2, and 3 and then adding the parts you feel will best apply depending on conditions and the people involved. The Ladies of the Democratic Women of Northern California are using it in their Leadership Conference on March 5th.

I am very anxious to receive your evaluation of the Workshop material. I will be in California next week and will be driving from San Francisco to Los Angeles on Thursday. I will be in Oxnard late Thursday and will call you at that time if I can be helpful in any way.

Sincerely,

Carl A. Larson
