Mrs. Jane Tolmach, Chairman
Ventura County Democratic
Central Committee

Oxnard, California

Dear Jane:

I appreciated your kind letter of May 19,
and was especially pleased for the recent
opportunity to visit with you.

The event is one of the musts on my early
fall calendar, and you can expect to be
hearing soon from my staff when the August-
September calendar is prepared. The
itinerary you prepared sounds very good, and
I am certainly looking forward to it.

My warmest personal regards remain with you
and all of my friends in Ventura County. I
shall be looking forward to seeing you early
this fall.

Sincerely

EDMUND G. BROWN, Governor
