I am enclosing herewith your first allotment of tickets for the Kefauver Dinner. You will find 13 tickets with this letter.

As quickly as you sell same, please return the money. But in any event please bring all money you do not return with you to the meeting of the Central Committee on September 21.

I shall forward more tickets shortly. Let's make this dinner something that we shall talk about with pride for many years to come!

This letter also constitutes notice of the Central Committee meeting at 2408 East Main Street, Ventura, at 8:00 P.M. on the 21st of the month.

Incidentally, would you please advise whether your ticket purchasers will want beef or fish at the dinner so that we can advise the restaurant.

See you at the next meeting.

Democratically yours,

Irwin J. Nebron, Sec.
