

To whom it may concern:

Hi my name is Sandra Fuentes.
I'm 18 years of age. I live in El Monte, Cal.
I just finished reading the book of
Mrs. Michele M. Serros "Chicana Falsa",
and I thought it was a very fascinating
book to read. It really did make sense
to me. I myself am Chicana. I was
born in Carson, Calif. Both my parents &
sister are from Guadalajara, Jalisco.
I really like writing poems about
myself and what happens to me. I
just wanted to know if you can
please take some time to read some
of my work. I would like to be a
lawyer, but at the same time I
would like to make a book and
have people read what I write. I
know Mrs. Serros maybe did the
same and that's why if it's not too
much to ask if you could respond
to my letter and I could send in
my poems you can maybe help me
out a little bit. Mrs. Serros once
took her time to go to the school I
attend El Monte High. I didn't
attend that day but I would really
like it very much if this letter
would get to her. ^{also} I admire her
very much and her work. I just
hope I'm not asking for much.
Well so I won't take up much of
your time I'll end my letter here.
I would appreciate it very much
if you do respond to my letter with
a yes or a no so I could know this
letter reached to your hands. Thank
you for your time. With Much Respect,
Sandra Fuentes.
