Dear Ms. Tolmach:

As you know, the State Senate has confirmed your qualifications for appointment as a member of the Board of Governors of the California Community Colleges. The signing of your second commission is a reaffirmation of your selection to fulfill this responsibility.

I have always considered the power of appointment a serious public trust. I take pride in the diversity and quality of my appointees.

Thank you for joining me during my term in office. I have deeply appreciated your willingness to contribute as an advocate and guardian of the public interest. As you continue to serve, you have an opportunity to make a difference in California government and in the lives of our fellow citizens. Best wishes to you in the future.

Sincerely,
