## Fashion Show

Women's Club presented a fine show, "Spring Fashions by Carlota" for the opening meeting of the year. Over 300 persons attended.

President Sandy Linka, presided over the meeting and apologized for having missed the January installation. She had been away.

1st V.P., Jeanne Carlson, spoke briefly about the year's programs and asked for suggestions. She also announced that the March meeting would feature a talented lady and long-time resident of Ventura County, Madeline Miedema, who has a truly unique collection of slides on the history of the Oxnard area. In April, a brilliant young violinist will play for us. She is the granddaughter of Mrs. Freda Barston of V.19. Melissa Barston will graduate from the U.S.C. School of Music in June and will then go on concert tour.

Then it was "on with the show." The Program Ch, furnished the fashion comment. Models were: Hildi Lustig, Gertie Dorward, Evelyn Bennett, Betty Kirby, Bea O'Brien, Helen Stevenson, Sandy Linka, and Margarete Nayfack. They all performed like professionals.

Carlota had arranged a prologue--Gertie Dorward appeared in a beautifully designed white top decorated with a large American flag logo with military See FASHIONS.....Pg.8

## Current Issues

Tonight's (Fri, Feb 22) Current Issues Forum will be held in the AR at 7:30 p.m. Cynthia Cooke, founder of the World Affairs Council of Ventura County, will present views based on her four-week tour of the Soviet Union where she met with Soviet officials and Russian activists who are vigorously working to achieve much-needed reforms to prevent that troubled country from falling apart.

Corrections or changes for the '91-'92 LV directory will be accepted through March 8th. Please call Betty Sullivan, 484-3943 after 9:00 a.m.

## Recycling Begins In L.V.

The Leisure Village recycling program was launched during February. Handbills were distributed at all gates and at the Recreation and administration offices, giving pertinent details on home pick-up.

Besides the noteworthy goal of conserving our national resources, recycling programs have a second large aim. Landfill space is scarce and precious, so the California State Legislature passed a law in 1989 mandating that cities initiate recycling and waste reduction programs; cities must reduce the amount of waste they generate 25% by the year 1995, and 50% by the year 2000, or heavy fines can result.

For some time a handful of dedicated citizens in Leisure Village have been loading their cars with recyclables and then driving several miles to turn in the materials. Other residents had good intentions, but did not follow through. The City of Camarillo is instituting a recycling program which will take several months to phase in. The Leisure Village program is in place and operating NOW.

After several months of negotiations, the Village Board and General Manager Bob Cullati reached an agreement with Harrison & Sons, who already collect the usual Village trash on a weekly basis. Harrison will collect Village recyclables in special trucks, with convenient home pick-up occurring on alternate weeks, and separate from the regular trash days.

From your Emergency Services Committee here's more of those 70 items from "Disaster/Emergency - What Can We Expect?" Hope you've cut them out, or will, from December, January and this issue of ILV. Miss any call 987-1446.

22. The primary Police concern will be law enforcement; there will not be sufficient time or manpower to provide miscellaneous services.

23. It may be dark; there will not be enough generators or lights available. Those with an RV will be fortunate.

24. Portable toilets will be in demand; there will be no place to go, and if a place is found there will be six photographers to cover the event.

25. The perimeter will be difficult to control; citizens and media alike will offer good reasons why they should be allowed to enter the restricted area.

26. Search dogs will be needed early in the operation.

27. Documentation will be very important; there will be a multitude of requests for information later.

28. Riveted steel water storage tanks may fail. Ours up on the hill?

## • OPINION •

### Are You Guilty Of Apathy?

By Sandy Okum  
APATHY?

Are you guilty?

What is happening in LV? Is our population losing interest in what is going on in the Village? In health, education or welfare?

Your Neighbors Care Group has operated for almost 15 years for the overall welfare of LV residents---be the need health, health education, or just neighbor helping neighbor. In the past few years it has become more difficult to perform our duties.

In January only 15 residents---out of approximately 3800---showed up for our monthly lecture. A while back we would take the blood pressure of 150-175 persons at our monthly clinic. The last few months the numbers are down to 35.

It takes about 20 LV volunteers to run the clinic---and 35 LV residents show up; that's ridiculous! For a lecture we arrange months ahead for our guest speakers, have the AR set up---and 15 people show up. Our time and the lecturer's time can be spent more productively elsewhere!

The YNCG telephone girls now have to call as many as 12 neighbors to get someone to take a fellow neighbor to a doctor. It wasn't that way a few years ago. Aren't we interested in helping a neighbor anymore? You may be the next one needing help!

Are our lectures no longer interesting or educational? Is everyone's blood pressure normal now? Or is it that you just don't care what it is?

We get no response to the TV program "There Is a Doctor in the House," shown on our Channel 12. We take a doctor away from his busy schedule to produce this. We have to use Channel 12's camera and lighting crew to tape it, someone prepares the questions to ask. Is it worth it? Should we continue the program? Has YNCG outlived its usefulness in LV? All this is YNCG's problem, but the story doesn't end here.

Our LVA Board of directors has trouble getting an audience at its meetings; can't get volunteers to run for the Board or for the various committees to operate the Village. Your volunteering is necessary in order to keep our monthly fees down, keep our property values up and to give YOU a beautiful place to live.

The Current Issues Forum also takes a tremendous amount of work to produce and their attendance is down. The Channel 12 group performs a great service for LV, but how many of you watch it, or ever tell them what a fine job they do?

The editorial staff of *Inside Leisure Village* newspaper has worked for over 12 years producing a professional, informative paper that is a real asset to LV. How many of you have written a letter to the editor or stood up at the Board meeting to thank these hard working people? They aren't even an official organization of the LVA, but they perform a great service for the village.

We can go on---but should we?

WHAT HAS HAPPENED IN LV?

RECYCLING.....From Page 1

Half the Village will be serviced one Friday, the second half the next Friday.

Village residents do not need a collection of special containers to store and then move to the curb on their recycling Friday. All glass, plastics and metals may be put out in ONE container---plastic or paper bags from the market are fine---and Harrison will do the sorting later. Also flattened cardboard and bagged newspapers may be put out, each in a separate bag.

The volume of low value materials such as newspapers, non-redemption glass and plastic is much greater than the "paying" materials, but in order to attain the greater goal of total waste reduction everyone must recycle materials of all values.

Those residents who wish to continue hauling their recyclables to a redemption center can still do so, in order to collect small amounts of cash paid for certain glass and aluminium. However, most residents will figure that the time, effort and gasoline of the trips are not worth the bother.

Home pick-up of recyclables is a welcomed convenience to everyone concerned about our environment. So consult the information on the recycle date for your Village, available in the February Village Voice, received in the mail just this week, and join in the easy method to help save our environment.

Fridays are recycle days here in Leisure Village.

### Knowledge Is A Powerful Weapon

Political thinkers have consistently maintained that people tend to get the kind of government they deserve. If more citizens show concern and actively participate in the political process, we will inevitably get better government performance by politicians who are more aware of ethical principles.

This view affects the quality of health that concerned citizens desire in the conduct of government. It also reflects the quality of life we seek to pursue in our own daily lives.

Here in Leisure Village vigilant residents have the opportunity to participate in activities that will surely improve the quality of our lives. If we are concerned with the health of our society, we can enjoy the benefits of attending Current Issues Forum meetings where basic issues and values affecting our lives can be examined each month by listening to experts on current issues of interest.

If we are concerned with improving our own health, we have the opportunity to listen to doctors and experts in health care who can provide guidelines to help us improve the quality of our lives, physically and mentally.

The Current issues Forum meets the fourth Friday of each month at 7:30 p.m. in the AR. Your Neighbor's Care Group meets the first Monday of each month at 7:30 p.m. in the AR.

Information is our rich-

### Contributors Please Note!

ILV welcomes contributions from villagers. From the beginning the goal for this paper has been to be a reflection on the life styles and thinking of homeowners.

However, the editors have found it increasingly difficult to cope with those contributions which do not follow guidelines, especially those on little scraps of paper.

Please clip and save those guidelines printed on page 22.

### ABOUT NEXT MONTH

Coordinator for next month will be Lois Atz. Please follow guidelines and be as brief as you can. Deadlines for the March 29 issue will be Monday March 11. To arrange for a photographer, call coordinator at least 3 days in advance.

## Current Issues Calendar

By Sol Robin

The next Current Issues Forum will be held on Friday, March 22, in the AR at 7:30 p.m. The subject will be "Unbridled Growth and the Preservation of Farmland and Open Space. Is Camarillo Community at a Crossroads?" Speakers will be Christopher J. Desales and Mike Mishler, experts on the problems of what happens to a community plagued by excessive expansion. If you are concerned with controlling growth in Camarillo and want to prevent runaway expansion in Camarillo so that we will be spared the evils of urban explosion, be sure to attend this important meeting.

est resource. Here in Leisure Village we have access to a high level of knowledge that will help improve our health as well as the health of our society.

Villagers are urged to take advantage of these rich sources of information that will make us better people in every conceivable way.

Sol Robin, V42

### Should LV Employees Be Allowed To Buy Tickets To Attend Performances?

The Happy Hoofers would like to bring a problem to your attention. About a year ago, the board of directors passed a ruling prohibiting employees from attending the stage performances which are so much a part of Village life. We ask that you reconsider this action.

Leisure Village is ad-

ministered and supported by the villagers, but it is the staff of employees who maintain the high standards established and required by them. We could not enjoy to its fullest the life we find so pleasant here without our efficient and fully cooperative staff. Our Village is a cooperative enterprise and the structure upon which we move through the daily routine where each entity falls into place is the table of organization of our employees from the general manager on down.

In keeping with these thoughts, we are convinced that the barring of our employees from attending our performances works against the very essence of our needs, which is for our workers to know what and who we are and what makes us tick. We allow outside visitors to come in and to enjoy what we do--why not our

friends right here who have helped so much during rehearsals?

We therefore ask the board to reverse this decision and suggest that seats be available for purchase to our employees on light days that are not normally sold out. Tickets go on sale four weeks ahead of time. Surely, we can offer those seats still available to our loyal crew three to four days ahead of opening night. It will let them know what we are, who we are, and what we do. Knowing the 'real us' will build greater understanding and consequently better service.

Thank you,

The Happy Hoofers  
Jean Parker, Pres.

Please double space copy for all letters either typed or handwritten.

### Thanks From The Camera Club

Recently, the Camera Club requested and received much needed extra storage space. I would like to express appreciation for those who were helpful in these efforts.

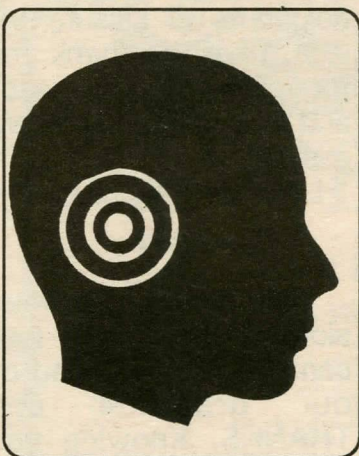

I would like to thank members of the Educational and Recreation Committee, especially John Russo and Max Schwartz, for their part in helping in this project. Also, I would like to thank our Board of Directors in giving their approval.

A special thanks to Bob Novick, one of our members, who performed the necessary labor in the storage space.

Last, but not least, we appreciate the efforts of Richard Mathes of our Recreation Office for his support and cooperation.

LETTERS.....From Pg. 3

The last two or three weeks during a bout with pneumonia, I have been on the receiving end of some of the cards, visits and phone calls I have read about in the ILV. I always wondered who would do all that and now I know. People really care and don't hesitate to tell you so. I've loved them all and can only say "thank you" which hardly seems adequate.

Bert Kunz, V15

I want to thank all my Leisure Village friends who have been so supportive to Adolph and me during my recent surgery and recuperation.

Your good wishes, cards, calls, tributes and food were greatly appreciated. Leisure Village is compassion.

Mildred Alexander, V6

There aren't enough words to express our gratitude and appreciation to all our Leisure Village friends and neighbors.

Your thoughtful expressions of sympathy upon the passing of my beloved husband Jim touched my family and myself very deeply.

Many, many thanks.

Tina Gucciardo  
and family, V41

I want to thank all our wonderful friends in Leisure Village, for their kind expressions of sympathy on the death of my beloved wife Minnie. She loved Leisure Village and her many dear friends who were so kind to her during her long illness. I will always be grateful to all you caring people.

Dudley Rigg, V31

Marty and I want to thank all of our friends for their cards, phone calls, and food during my recent surgery and recovery.

God Bless you all -- I'm well on my way back!

Chase Gregory, V32

Brodea and I want to thank all of our neighbors and friends for their kindness and good wishes following Brodea's stroke. She read each one of the cards herself and wants to express her thanks to all. The gifts are all being used and the foods, both baked and cooked, have been eaten with great relish. It's been good to know that we have so many good friends here in Leisure Village. We are very happy to have moved into a wonderful caring community.

Brodea and Gene Drogin,  
V4

I wish to thank our friends and neighbors for their care and concern during my husband's illness and operation. Also, his chess and card playing pals for their prayers, calls, cards, etc. that were a great comfort to me. I thank you one and all and God Bless!

Helen Dobrescu, V34

To my good friends and neighbors in Leisure Village, I wish to thank you for your many kindnesses and care during my recent mishap.

Leonora Vaughan, V14

Your sincere expressions of caring and love can only be exceeded by our gratitude and THANKS. Knowing you are out there for us helped so much. God Bless.

Lorraine & Allan Kaplan,  
V31

We wish to express our heartfelt thanks and appreciation to the many who sent cards and gave of themselves during the period when our beloved Bea passed on.

Your outpouring of love and support will long be remembered.

## We Remember Ruth Boyd

On January 19, Inside Leisure Village lost a special friend. Ruth Dahlstrand Boyd, V 18 died. In the first months of ILV she worked very closely with us, contributing art work and ideas. It was she who designed the first logo for our masthead on page one. We used it for several months before we adopted the simple one that we use today.

She made other logos for clubs and also a cover for the copies which we keep in the library at the Rec Center.

ILV staff extends our sympathy to her family.

## Nora Gardner LV's First Citizen

This month Nora Gardner, the very first move-in to Leisure Village, died. Although she was 102 years old it was only within the last year that this remarkable lady entered a local nursing home. She was alert and her bubbling sense of humor remained intact.

She had many friends in the village who miss her.

## My "Raven"

By Esther Robbins

I'm learning to accept the things  
I know I cannot change,  
Dealing with the many guilts  
That, unresolved, derange.

And yet I cannot seem to cope  
With terrors in the night,  
The monstrous yearning that begins  
When I turn out my light.

There's no one to assure me now,  
No one to dry my tears,  
No arms to hold and shelter me,  
No refuge from my fears.

My days I've learned to handle well  
With semblances of grace,  
But comes the night...it's back again,  
That need to see his face...

To feel, once more, his lips on mine,  
To love, and to be giving...  
A raven mocking "Nevermore"  
For me, the joys of living...

# Built with Safety in Mind

One of the most important considerations in choosing a retirement residence is safety. We are all looking for a secure, safe lifestyle and this is of special concern for seniors.

At The Victorian, soon to be Ventura's newest senior living community, our building will offer the most technological, state-of-the-art safety and security systems available.

## PERSONAL SAFETY

In each bathroom and bedroom there will be an emergency call cord that will bring you help 24 hours each and every day, and as you would expect there will be grab bars in all bathroom showers and tubs. Also available as an option will be a push button necklace device that sends a signal directly to the Paramedics. The phone system will provide for an emergency alert if the handle is off the hook for over 30 seconds, and a voice intercom

from each unit to the front desk will be an added benefit.

## DISASTER SAFETY

When The Victorian opens its doors for occupancy it will be completely equipped with a state-of-the-art fire detection and prevention system. This system will include smoke detectors connected with the central station, a sprinkler system and personnel on duty 24 hours a day to monitor all aspects of safety.

The Victorian is being constructed above state and local residential building codes. In fact, The Victorian is being built to exact state regulations that apply to health care facilities. These regulations include directives that doors, walls and interior dry wall will have extremely high fire ratings to prevent the spread of fire and smoke and that the amount of concrete and steel in the building along with the construction techniques used will make

The Victorian almost impervious to damage from an earthquake. What this all means is that in the event of an earthquake, fire or other disaster The Victorian could quite possibly be the safest house in town.

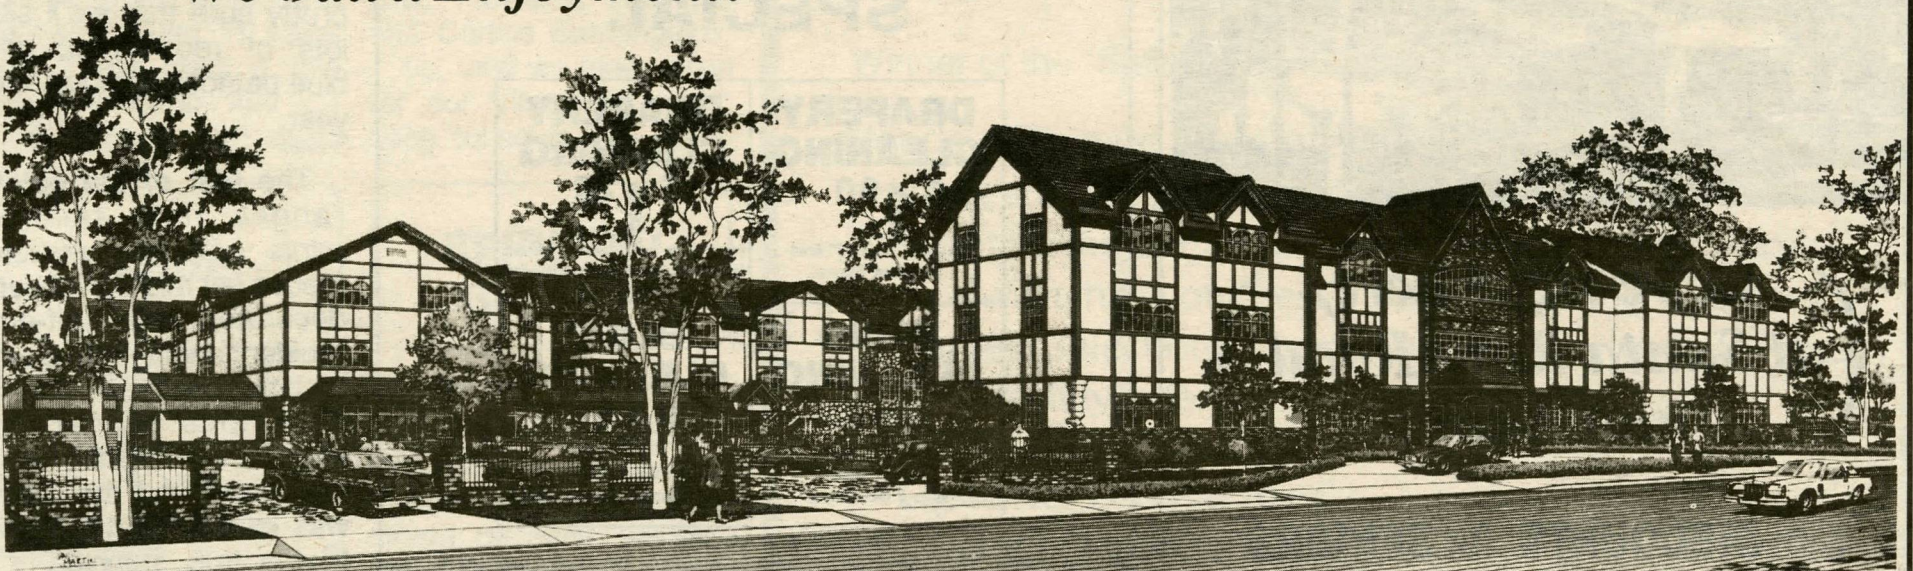

## SECURITY

There will be security television cameras strategically positioned in the complex, and all outside doors will be electrically monitored at the central station, as well as a security guard and other 24 hour personnel to insure safety and security.

So if you consider safety and security of the utmost importance in a retirement residence, The Victorian is what you are looking for.

hardware and worn with royal blue slacks as a reminder of how fashion is affected by current events. It seems to be pretty sure that we'll see lots of red, white, and blue patriotic symbols this year.

The rest of the outfits ranged from tailored pants suits to a beautiful mauve net mid-calf sheath decorated with self-embroidery and a mauve satin bow centered with a rhinestone clip at the knee. Bea O'Brien was the model and the dress was exactly right for her. It was truly stunning.

The rest of the outfits ranged from pant suits to many pleated print skirts with matching sweater tops. Some had matching scarves or beading. Favored colors seemed to be all the shades of blue from navy through royal, cobalt, periwinkle, or cerulean. There were also several dark purplish blues. Coral pink was another popular shade. The

-muted greens appeared as well.

Gentleman Assistants: Ken Stephen and Jules Nayfack helped the models down the center stage. Backstage helpers were Fern Joy, Mary Dullam, Jerrie Oeswein, Jeanne Parker, and Doris Gardiner.

Harold Wickham at the organ had spent the whole afternoon furnishing pre-program music and then switched to melodies for the models. He has done this for many shows and the Club is grateful.

Women's Club also thanks the technicians and Ch-12 as well as the

Recreation employees. Bob Novick and Max Klapperman are due many thanks for their photography as always.

Valentine refreshments were served by Gladys Haddock, Ch of the Refreshment Committee. She was assisted by Adele Mullick and Gladys Haddock.

Membership Ch Betty Walker is delighted to note that a record number of memberships were sold (for one meeting). Betty, Vi Haley, and Mitzi Ellmore sold 250!

Our next meeting is Thursday, March 7, 1:30, AR. Please join us.

# Women's Club Fashion Show All's Well That Ends Well

**BOOK  
REVIEW  
GROUP**

Book Review struck it lucky at the February meeting. The book chosen was "Dances with Wolves" by Michael Blake. It is a first novel for the author but by Feb. 14, its name was on many people's lips because of its numerous nominations for Academy Awards. In fact, the movie was showing in Camarillo just then.

It is a beautiful book--historical, Civil War's end and westward expansion. It is also a beautiful love story. The young veteran falls in love with a whole people (Indian) and a way of life. The descriptive portions are well done. Men and women will both like it.

Book Review meets every month on the second Monday, 10:00 a.m., in the G.R. Next month's meeting will be March 11. Program to be announced. Please come.

What Did I Come In Here For?

**By Jack Whalen**  
Tomorrow, February 23 on Channel 12 you'll be able to enjoy the Players' Guild Holiday Dinner of December 13 last year. It will be shown at 10:00 a.m. Saturday.

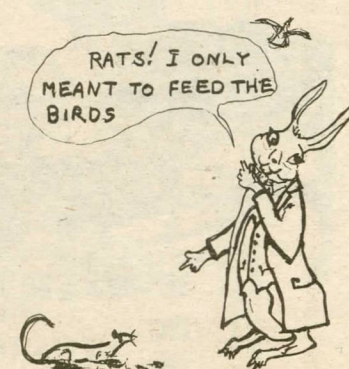

On Monday at 5:00 p.m. we'll show Your Neighbor's Care Group program of January 7 while Jeanne Carlson will review Charles Kuralt's new book on Wednesday at 10:00 a.m. That same day, February 27, at 5:00 p.m. the Current Issues Forum program, "Safety Tips" will be shown.

The first program of March will be a repeat showing of "Over Leisure Village By Balloon" with George Huddleston and Fritz Betts. This was filmed in October '88 and you'll be amazed at the changes in the area outside Leisure Village. Even the area where the balloon departed is now an industrial zone.

The March Board of Director's meeting will be televised live at 9:30 a.m. on March 4 with a repeat showing the following Saturday at 10:00 a.m.

Please remember, should you have comments, suggestions, and yes, even complaints, call us at 388-1243 and if no one answers, leave your name and number and we'll certainly get back to you.

## Happy Birthday

By Lillian Wallace

Inside Leisure Village  
Is having a birthday once again-  
It's still as informative and noteworthy,  
Now, as it was then.

Each month on the appointed day,  
We look forward to its news-  
Oh yes, it keeps us well informed  
With Village problems, Village views.

Clubs and hobbies, a sad demise,  
Events that we should know-  
Lectures we can all attend,  
Of course a special show.

This doesn't happen by itself,  
They have a special staff-  
Sorting contributions,  
Some tear provoking, some bring a laugh.

Have we taken them for granted?  
Let them miss one issue, then-  
Watch for the reaction,  
We're sure it won't happen again.

And so, it is to this staff of volunteers,  
We would like to say-  
You all deserve great accolades  
Especially today.  
HAPPY BIRTHDAY INSIDE LEISURE VILLAGE.

## March 1 Deadline Nears For Cartoon Entries

One week from to-  
day, Friday March 1, is  
the deadline for sub-  
mitting cartoon sug-  
gestions which may  
win an original drawing  
from cartoonist/author  
Kern Pederson.

As reported in last  
month's ILV, villagers  
are invited to submit  
ideas that would work  
well into a single car-  
toon. Winners will re-  
ceive the cartoon  
drawing and the three  
winning entries will ap-  
pear in future issues of  
this paper.

Entries are to be put  
into the ILV mailbox in  
the east wing of the  
Rec Center, just out-  
side the sewing room.

## VISION LIMITED

By Sophie Brown

The February meeting of the Vision Limited Group had a very important message by Joe Gaynes. Joe, who is an active member of the group, is involved in a number of activities in the Village. He is also a Senator in the Senior Legislature.

Joe spoke on the "Experiences of a Senior Legislator." He related on the activities of the Senior Legislature and their efforts on behalf of the people, with emphasis on the Seniors. He discussed attempts to solve the health needs of the people.

The next meeting of the Vision Limited will feature Paul Dwork, local pharmacist. His talk will be Caution in Taking Medications, mixing medication, and the medicine cabinet. He is well known as an authority on these matters. An entertaining and informative afternoon is anticipated.

It will be held in the Lantai Room on Monday, March 4 at 1:00 p.m. The Vision Limited group is designed for those villagers who may have visual problems. However, all residents are always welcome.

BILLIARD CLUB

By Morley Goldberg

Let's go, Billiard Club cue mavens and non-mavens! Our ANNUAL TOURNAMENT is about to begin. Sign-up sheets and schedule of events are now posted on the bulletin board for both A and B players. You can enter one or all of the events, and all are open to ladies as well as men. It's only \$2 per event which is the lowest entry fee we've ever had. Sign-up now and remember, even if

AMATEUR  
RADIO  
CLUB

By Ellis King

At the February meeting of the FCC regulations on "no-code" licenses and waivers on the 13 and 20 word per minute requirements for certain classes of disabled persons were discussed. Documentation from the February issue of QST was supplied by Ellis King.

Ben Smithkin gave an interesting talk on his recent tour of the Los Angeles County Sheriffs Communication Center. Extensive use of packet radio, repeaters and com-

puters was discussed. Mina Maxfield distributed a club roster she had prepared categorized by class of members.

Ben Perry collected a few more 1991 dues and new members Monte Robson and Dick Griswold were welcomed. While individual members of LVARC support local repeater associations through membership, the possibility of Club support was discussed favorably but without any specific action being taken. The LVARC continues on Fridays at 7:00 p.m. on 146.58. Next regular meeting will be on March 1 at 10:00 a.m. in the Sun room.

are welcome. Reminder: dues are now payable.

Mark the date of May 23 on your calendars. That is the date of the annual Floral Arts Show which is the result of hard work and enthusiasm of the Garden Club members. The Show is always looked forward to by all Villagers and well attended.

This column will keep members advised of special programs which will be available from time to time. Marietta Pluim and Eleanor Nichols are co-planners of these events.

Our first meeting of 1991 witnessed a full-house attendance. To our 3 new members, we say "Welcome".

It won't be long now for our chairs to be completely refurbished. If you can handle a small paint brush and would like to help speed-up the renovation, see or call Russ Sievert. The more help Russ has, the sooner we will all be able to enjoy our "new" seating.

Did you enjoy the 3 cushion explanation given by Max Polley at our last meeting? If you have any suggestions for other programs at future meetings,

THE CERAMIC  
MOLD  
DECORATING  
CLUB

By Ruth O'Neill

The February meeting of Ceramic Mold Decorators Club, conducted by capable Marjorie Rice, was a pleasant Valentine social with Deane McDaniel acting as hostess. Several new members attended and were warmly welcomed. Plans were made for future projects and expeditions.

CMDC hobbyists enjoy working independently and help each other with suggestions and advice. Skilled ceramicists Kay Stichler, Deane McDaniel and Ellie Golly are always ready to give cheerful assistance when problems arise. Mold decorating is a very rewarding and inexpensive pastime. We work every Wednesday afternoon in the Ceramics Room, so stop in and see what we do.

Welcome back to Pearl Oloff who is recovering nicely from recent major surgery and Evelyn Boehm just returned from an extended Florida visit. Good to see you both.

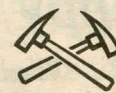

L.V.  
RACQUET  
CLUB

By Len Koenig

The Racquet Club held its meeting in the MPR on Jan. 9. Ushering in the New Year, President Max Farber welcomed the members. We are looking forward, as always, to the enjoyable annual contest with our friends from Mission Viejo. Tournaments can be fun. We will host them here at the village. Budd Samuel and Kay

President Bill Ross would appreciate hearing from you.

6 lottery tickets and 2 dinners were won by lucky members who attended our last meeting. Attend - YOU MIGHT BE A WINNER!

GEM AND  
MINERAL  
CLUB

By Don Holmes

The Gem and Mineral Club had a distinguished speaker at the January meeting: our own Senior Legislator, Joe Gaynes. He spoke on the problems of Seniors and what the State Legislature is doing about them. He explained the processes and functions of the Senior Legislature in relation to the regular legislature and why we should: (1) check the box on the State Income Tax form to provide funds for the Senior Legislators, and (2) Vote next Election (in June). The only money used for the Senior Legislators comes from that "box", and this just barely pays their expenses, and sometimes not even that. Would that our regular Legislators were so dedicated.

The February Meeting will be next Wednesday, February 27 at 7:30 p.m. in the MPR. The Program will be Betty and Gordon Wagner on "ROCK FORMATIONS, WITH ILLUSTRATIONS". Visitors are always welcome.

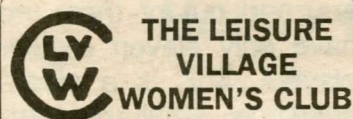

Bell urged all to start practicing for the big event. So--don't be shy--no need to feel embarrassed. Play at your own level. More information will be forthcoming as to time and date of the activities, including the dinner-dance.

Playing as partners, paddle tennis winners for Jan. 17 were: Eliot Leonard and Bob Kumler tied, as did Ernie Mueller and Max Farber. Art Rosner, Guy Moshier, Bill Morgan, and Sol Brejensky were the other winners.

Remember--tennis is good for your body, good for your health, good for your friendships! Join in! Let's wear out those tennis shoes!

"It Don't Mean a Thing, If you Ain't Got That Swing!"

By Betty Bruce

The L.V.W.G.A. congratulated our president, Donna Duke, for another hole-in-one on Wednesday January 16. This time it was on #13.

The regulation golf on January 17th was at Port Hueneme. The format was "3 blind mice". After 18 holes you found out which 3 holes you could subtract from your net score. It was fun and the weather warm but windy. The winners: F1. A. 1st place: Lindsey Merrill and Iolene Beach. 2nd place also a tie: Dorothy Caster and Irene Cunningham. F1. B: Pat Holly and Virginia Sowder. 1st. 2nd: Martha Nunn. 3rd: Marty Gregory and LaVerne Groves. F1. C: 1st: Mim Hockman. 2nd: Esther Malkin and Della Gageby. F1. D: 1st: Edith Dowsing. 2nd: Anna Snyder. 3rd: Mary Milewsky.

The Chili Bowl (also called Presidents Day) tournament held on Janu-

ary 20th was really delightful. It was a tribute to past presidents and current presidents of the LVMGA and LVWGA. On each hole was a placard of the two names and year they served beginning with 1973-1974. At the 19th Hole party all the past presidents were honored by the audience. The chili, with many thanks to Bea O'Brien and Irene Cunningham, was delicious. Beautiful organ music was provided by Bill Marvel. Thanks to Donna for planning such a wonderful, very pleasant day for all of us.

The Presidents Cup tournament is completed. Net scores as follows: F1. A. 1st: Alda Kroll. 2nd: Aggie Saltus. 3rd: Helen Schneider. 4th: Marie Story. 1st, 2nd and 4th matched cards. F1. C: 1st: Irene Helmstead. 2nd: Betty Morgan. 3rd: Nancy Whitaker. Congratulations to all.

Low gross for January won by Donna Duke. Low net won by Rose Fleiner. Donna had a 54. Rose had a 49.

out of focus as an illustration of how this method can be artistic and creative.

On January 24, the club sponsored an impromptu field trip at nearby Sycamore Canyon where members took pictures of the trees. This involved a short hike and members attending reported having an interesting and relaxing excursion.

In March, our assigned theme will be transportation. So get out your slides on this subject, or better yet, take some new pictures and attend the meeting on March 6 with your entry. It's fun to see what members will show on a particular theme and how original the entries can be. Even if you don't have an entry, come anyway. Everyone is welcome.

LV  
MEN'S GOLF  
ASSOCIATION

By Jack Whalen

January's monthly golf tournament was held at Los Robles Golf Course in Thousand Oaks and Harvey Shirk, always a good player in these events, fired an 86 to take low gross honors.

Ray Milewsky, who hits a long, long ball (although not always) took low net honors in Flight A.

Ed Evans won low gross in Flight B while George Fritz was first in low net. Herb Swartz was C flight low gross winner while Ernie Ohmstedt was low net.

January's Mixed Couples tournament found Les Boyd shooting a 57 gross for top honors while Charlie Basile took low net in A flight.

Flight B found a tie among low net winners. They were Sam Breitbart and Paul Eberle. Flight C also produced a tie between Harry Helmstead and Clary Morgan.

The L.V. male golfer who puts a bucket of used balls at the first tee each year just before Christmas, with the sign, "Merry Christmas, Please Take One," this year did it at the first of the new year. This time his message was "Happy New Year, Help Yourself."

Since he resides directly behind the first green, he is able to see golfers as they take him up on his offer. Things went well, he reports, and that's better than one year when someone told him: "If you can't put out new balls, don't put out any."

Our mystery donor, in the event you still don't know him, is also a past President of the L.V. Men's Golf Association and we are certain he'll be doing this generous treat again next Holiday Season.

PLAYERS  
GUILD

By Gertrude Kern

Oklahoma has been cast. Rehearsals are ongoing from now to opening night, May 1. The show runs through May 5. Oklahoma promises to be one of those super-spectacular productions of which Leisure Village can be proud, and is not to be missed.

A "Salute to Irving Berlin" was the theme of the February meeting. The lilt-ing, romantic, patriotic, toe-tingling tunes of the man affectionately called "The Magician of Music," were sung by a number of talented Villagers. The male contingent included Irv Leeds, Bob Freedman, Jack Beardsley, Bob Novick, Bill Fox, Bernie Solway, Jules Nayfack and Milton Mankoff.

As for the distaff side of the performers, Irving Berlin himself would have applauded Miriam Hasen,

Margaret Nayfack, Sally Yale, Jane Fine, Lillian Leeds, Hilda Freedman and Renee Greene. They sang the songs that have become American classics. Frieda Dresner was the accompanist. Gertrude Kern wrote the introduction and comments, which were narrated by Peggy Koster and Joanne Pearlman.

The March program promises to be entertaining and very different. We are to be privileged to hear Carol Fellman give a reading of her own work. Carol is a professional lyricist, having worked in Europe for many years, and earned recognition for her poems. She delightfully and humorously comments on the human condition, and with the sensitivity and awareness of the poet lets us know what she thinks of the current scene.

Remember, Thursday, March 21, 7:30 p.m. in the AR. Tell a friend. Bring a friend. Refreshments will be served.

SATURDAY  
NIGHT  
BALLROOM  
DANCE

By Anne Janoff

The Saturday Night Ballroom "President's Day" Dance will be on February 23, with Wanda Saari, Milt Dixon, Marion Travano and Sam Bianchino hosting. This promises to be another enjoyable evening for dancing and pleasant sociability with Village friends and neighbors, so plan to be there.

Those who attended the January 26 dance were treated to two intermission performances by the Cotillion Ballroom Dancers. It was a delight to watch this group of talented teenagers present their program of precision and formation dance numbers. They were applauded with well deserved enthusiasm by a "full house" audience.

Moving right along on the calendar, a "Western Dance" is planned for March 9 with Sylvia and Phil Belsky and Irving and Ann Dubin, hosts. This is always a fun evening, giving villagers an opportunity to don their 'Western' attire in keeping with the theme. Casual dress, if preferred, is equally appropriate. The next dance will be on March 30. Cy and LaRue Boynton will host.

Dancing from 8:00-11:00 p.m. in the A.R. Admission, fifty cents per person. Coffee, tea, punch and ice available. BYOB. New villagers and guests are always welcome.

CAMERA  
CLUB

By Marion Sevren

The second meeting of the month of the CAMERA CLUB on the third Wednesday, January 16, was a "Show and Tell" meeting at which members brought in slides that had a particular meaning to each of them. Sam Brown showed his slide, "Red Barn at Pumpkin Ranch" and described what attracted him to the scene. Milt Mankoff showed his good shot of "Birds on the Wing" and described how it was photographed. Sam Weinstein showed slides of one scene with a filter and without a filter to illustrate the difference that filters make. Sam also showed a slide deliberately taken

## THE SAWDUSTERS CLUB

By Dana Street

The Sawdusters' program for the February meeting reverted from techniques of other crafts, with possible use in combination with woodworking, to strictly woodworking, i.e. a tape by N. Abrams on building a slant top desk. The tape demonstrates proper use of the table saw in building the body of the desk, the lathe for the tapered legs, etc., and is available for anyone wishing to review it.

Also included in the program was a novel feature, the construction of the Secret Project. This has sparked considerable interest, since a number of members made parts for it without knowing what they were building.

The March meeting will be held at 2:00 p.m. on the first Thursday of the month.

## Orchestra

By Don Holmes

Last year the Leisure Village Orchestra played twelve concerts; so far this year we have played four. Two were for the LVA Board meetings (both with VERY small audiences), one was for the Oxnard Manor Convalescent Hospital and for the Camarillo Convalescent Hospital both with good audiences. We will be playing for both hospitals in two or three months, so if you know anyone in either, you could combine a visit with them with a "listen" to our concert. We play for about 45 minutes. Villagers Selma Simon and Kurt Godfrey both play the piano regularly at the Camarillo Convalescent, so you could visit then also.

We are putting out a call for Village musicians. There are nearly 4000 Residents (including rent-

ers) and out of them we have only eleven regular players. This is a disappointingly small percentage; we know of at least six more fair to good players who don't come for various reasons, and there certainly are many more out there about whom we don't know and who have all levels of skill. We feel that the Orchestra should be as much Leisure Village as possible, and yet three principal players are from outside the Village. Unless more Villagers play with us we are going to have to recruit players from "outside". Come share your talents and skills with lesser, or perhaps better, players. Thursday evenings from 7:00 to 9:00 in the MPR.

Right now we are putting together Raymond Overture, Victor Herbert Selections, Peer Gynt No. 1, and Don Holmes is arranging Selections from "Oklahoma" for the Orchestra.

As the L.V. Bowling League goes into the 2nd half of the season, competition is heating up, with team positions changing weekly.

To add to the competitive spirit, the in-league elimination tournament is under way, with some

high scores being rolled by the lower average lady bowlers.

Rose Weinberg and Ruth Kaptan had games of 170. Ann Bellante with an average of 111, rolled games of 167, 171 for a terrific scratch series of 475. Dora Polley 112 average won the weekly pot game with a nice 169 and Lois Kileen 166.

Other recent scores worthy of note were Marie Story 173, June Teres

182, Shirley Green 184, Mary Whalen 186 and Vee Flowers 190.

For the men, scores of 218 by Sid Katz, A.D. Flowers 212. Sid Weinberg 201, Al Sparkman 200 and Bob Anderson rolling a nice 201 and a 530 series, for his first 200 game.

So good to see Morey Gold and Abe Shanman back on the lanes after being laid up for awhile.

The Ceramics Plus Club celebrated its Tenth Anniversary in January with a Pot Luck Party, which included everything from Bagels to Zucchini, including a "Happy Tenth Anniversary" cake, in two colors. We should have Tenth Anniversaries more often.

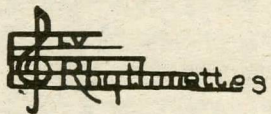

This month's meeting will be this Thursday, February 28 at 10:30 in the MPR with a film on Picasso. There will be no March meeting; most of the Club will be taking the Travel Committee's bus trip to the Armand Hammer Museum. In May the Club will be caravanning to Santa Barbara City College for lunch and a visit to the Ceramic studio.

**VILLAGE  
PAINTERS**

**By Mildred G. Oberg**

The February meeting of the Village Painters was held Wednesday 6 at 1:00 p.m. in the MPR. Judy Zeff, who knows a great deal about the famous French painter, Claude Monet, gave a short biography of his life, and then showed us an interesting video of his paintings. It was a very rewarding meeting enjoyed by a large group of members.

Next month we are privileged to have Gertrude Stern, a very talented artist, show some of her paintings with comments on values, subject matter and color, with some examples on how to achieve a good work of art. We look forward to this meeting on March 6th at 1:00 pm. in the MPR.

**By Trudy Orsan**

The L.V. Rhythmettes enjoyed a lovely pot-luck luncheon with plenty of Christmas/Chanukah cheer on December 18 and then we all "went on holiday" until January 10, 1991.

We are still looking for a

"steady" participant to play for us; but we are happy and ever grateful to Selma Simon, Ethel Belanger, and Maxine LaPorte who give us their time and share their talents on a monthly basis. On January 29 we were delighted to have our own member, Roie Beck, provide the music for us on the organ.

On February 1, members and their spouses

and guests gathered at McCarthy's Restaurant in Camarillo for an early dinner.

With the new year well into swing, we look forward to greater attendance and more musical camaraderie. A pot-luck dinner dance is in the planning stages for March 8. Come and join us on Tuesdays at 1:00 p.m. in the AR. New members are always welcome.

VILLAGE SWINGERS SQUARE DANCE CLUB

By Al Siegel

While January was slow getting started, because we were dark for the holidays, the Village Swingers finished the month in fine shape and headed into February with a full head of steam. Of special note for January was our guest caller dance. We hope you were not one of those who missed a really good dance when Bill Gibson, a new-to-the-Swingers voice, put us through our do-si-does. Many other new-to-the-Swingers callers have been booked for 1991. The 4th Tuesday is always guest caller night and live cueing of rounds is a part of that program.

The mystery of "Observation Dance" is solved. On January 29, Charlie Kent announced that two people, one man and one

woman, were, in some way, not quite themselves, and for those discovering the errant pair there would be outstanding prizes. There were a few moments of stir and hubbub while some ladies were checked to see if their sissy pants matched their outfit or if some man had his hair parted on the wrong side. However, in a short time, Suzanne Stern noticed that Elsie Banchik had an earring missing and Helen Quackenbush just as quickly discovered that George Nolte must have dressed in the dark because he had on two different shoes. So the first "Observation Dance" mystery was solved and the observant ones duly rewarded. We'll do it again, maybe you'll be the winner, but you'll have to be there.

The "Observation Dance", the new-to-the-Swingers voices are some of the things being planned to entice you to

attend our every Tuesday square dances. Keep your eye on Channel 12 and "Inside Leisure Village" for announcements of events for the month.

Looking ahead to March, we'll have a hobby and crafts night on March 5. Many Swinger dancers are also great hobbyists, and because we're all anxious to know our fellow members a little better, there will be this opportunity for them to show their wares. Charlie and Ruth Kent have more information if you need it. On March 12 wear something green for a St. Patrick's Day dance. We'll have a Jackpot dance on March 19 and the guest caller dance will feature an old friend, Don Schadt, along with Bill Burrier doing the rounds on March 26. We plan to be there and look forward to seeing you there.

Swing into Spring with the Swingers!

Bocce Club had an installation dinner. More on that later! New officers for 1991: Pres: Sy Blau, VP: Henry Carfagna, Treas: Kay Collier, Rec. Sec: Trudy Orsan, Correspondence Sec: Luella Kelwin and Trustees: Marie Bouton, Mary Deibler and Dorothy Fencel. Henry Carfagna transferred his presidency to Sy Blau on January 31.

There was a letter from the Happy Hoofers requesting a donation to help in replacing the stage floor with a wooden floor; it is now vinyl and badly worn. The Bocce Board will discuss and decide how much we can donate.

We also received a letter from LVA Board president, Al Bennett, advising us that the Bocce courts are to be reworked and painted in May or June--

## Funnier Than Ever!

Jean Clements and Emil Sitka will entertain the Bocce Club.

after the "rainy season".

Henry handed out Certificates of Appreciation to the following for their help during the year just past: (A) Members of the Bocce Board (and mini gavels), (B) telephone committee and (C) the nominating committee.

Piff DeSimone and Roie Beck were thanked for their background organ music this evening.

Master Chef Luella Kelwin graciously received a beautiful bouquet. She in turn thanked all the very capable volunteers who helped her serve this evening's dinner.

Next Board meeting will be March 12 at 7:30 p.m. in the Lanai room. The next general meeting will be Thursday, February 28 at 7:30 p.m. in the AR. All welcome!

EASY

CLUB

By Maury Ogens

January for the Easy Squares turned out to be a rather relaxed month. After the enjoyable holidays the dancers are now slowly returning to our folds. Our new caller, Don Hart, is getting us finely tuned to his excellent calling.

Our new square dance class is rather slow in taking off. To keep the new class going we need many new members.

We have a fine young instructor who will put you at ease and within a relatively short time you will discover a very social and fun way of getting exercise. You will get an equivalent of three to four miles of walking without your noticing it.

Ladies may dance with ladies as partners. We

HAPPY  
HOOFERS

By Dor Karlin

The Happy Hoofers have spent a very busy month. Many of us are involved with the Players Guild production of "Oklahoma!", including both of our dance directors, Helen Gold and Sophie Lebetkin. It was therefore necessary to put our plans for a "really big show" on a back burner until the middle of May. However, our busy little brains are forever hard at work searching for the ways and means to earn the money to replace the stage floor. If you have any suggestions, please let us know. It will truly help us to KEEP ON DANCIN'!!!

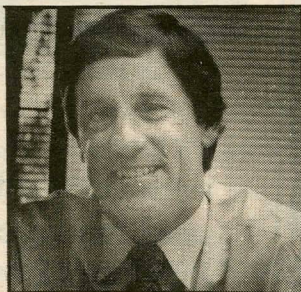

SHUFFLEBOARD  
CLUB

By Cy Maller

Next meeting of the L.V. Shuffleboard Club will be held on March 5 in the MPR at 7:30 p.m. The February meeting being the first of 1991 opened with a glowing report of the Holiday dinner held at the Basque. The food and service was excellent, the entertainment was terrific, all this thanks to the effort of Pres Nate Brod. Marge May will fill the term of Vice Pres for the remainder of the club year because of Betty Sullivan's resignation due to personal matters. A tournament committee was comprised of Mildred Harris, Eleanor Kramer and Louise Colbert. They will decide on the date and type of tourney. A pot luck dinner will take place on April 2 in the MPR. Nate Brod reminded the membership that elections are due to be held in May. The meeting closed and delicious refreshments were served.

## Women's Club Collects Labels

By Jeanne Carlson

We need more labels and proofs of purchase to contribute to our Las Colinas School drive. The Campbell Soup Co. will contribute teaching machines, typewriters, computers, and other teaching materials in turn for the following labels and coupons. This is a wonderful thing for the school and an easy way for householders to help.

Please remove labels from cans and bring them together with the other

proofs to the Women's Club Workshop, Tuesdays, MPR, 9:00 to 11:00 a.m. This is something we can all help with.

Bring labels from Campbell Soup, V-8, Prego products, Vlastic's Pickles, Marie's Salad Dressing. Bring food purchase seals from all Swanson frozen food products, all Pepperidge farm product seals, Mrs. Paul's Quality Pledge, and Soup/Combo UPC symbols.

The school and children will certainly be grateful.

## Friendly Village 32

By Sylvia Streisand

As the saying goes "A good thing is worth repeating." Village 32 had a Valentine Pot-Luck Dinner meeting Sunday evening, February 3, in the Multi-Purpose room which was greatly enjoyed by everyone. There were around 50 of us present. This Pot-Luck Dinner was very nostalgic as our very first potluck dinner was held in the same room 11 years ago. There were a few newcomers since that first potluck dinner and again

the food prepared by our residents was exceptionally good.

I know that other Villagers wonder and comment "how do we do it?" Well, Bea Allen, President of Village 32 Club, again gave an outstanding performance.

At the conclusion there were a few humorous storytellings by Jack Bennett, Warren Eastham, A.D. Flowers, Leo Igel and Connie Santangelo.

So, until we meet again for our Village 32 party, keep tuned in.

### BINGO

By Cy Maller

The L.V. Wednesday Bingo games continue to be our villager's favorite pastime. Near capacity crowds have resulted in more interesting games and larger cash prizes. The games start at 7:00 p.m. and usually are finished around 9:00 p.m. Free coffee is served at intermission time. The buy-in is only \$1.50, if you call one BINGO you have a profit. We urge you all to give it a try and you will surely become a steady player.

### SPIRITUAL GROWTH

By Dorothy Holcomb

The Spiritual Growth Group met at the home of Vi Shirk, V 9, during the month on each Tuesday at 9:30 a.m. Check TV Ch 12 for meeting place in March.

We are continuing the study of the "Harmony of the Gospels". We are so pleased to see the interest in the study and also welcome visitors.

Please leave the upper right hand corner of your paper free for office notations.

★★★★★

No matter what your communication, your name, address, and telephone number in the upper left hand corner is essential.

★★★★★

The first rule in journalism is to put the name of the organization in the opening sentence. "Our club" or "We" is not appropriate.

★★★★★

A clean typewriter makes a better typist.

★★★★★

Try to eliminate extravagant adjectives from your copy. Adjectives such as "nice", "lovely", "fine" mean nothing when used loosely, yet have specific meanings which will enhance your writing. Consult your dictionary.

★★★★★

Every month, ILV work is done in several places. Materials are passed between the editors' several homes and the Daily News office downtown. Articles written on smaller than full sized (typewriter size) sheets of paper are very apt to get lost!

★★★★★

Please observe margin rules and paragraph indentations (5 spaces) in typing your copy.

★★★★★

Please use both upper and lower case type. We must retype copy presented to us in all capital letters.

★★★★★

Please observe deadlines printed on page 2 of the previous month's paper.

## Farmer's Market Sets Grand Opening For March 2

The Camarillo Certified Farmers' Market will hold its grand opening Saturday, March 2, from 8:30 a.m. to noon. Sponsored by Camarillo Hospice and Pleasant Valley Hospital Auxiliary, the market will be located in the parking lot of the Senior Nutrition building on Ventura Blvd. in Camarillo. Featuring locally grown, farm fresh fruits, vegetables, and flowers, the farmers' market will be held every Saturday morning after the grand opening festivities.

"A certified market means that growers must undergo inspection by the county agricultural department," explained John Willits, chairman and manager. "It also means that the growers are the producers of the products displayed."

In the planning stages for over a year, the Camarillo Certified Farmers' Market benefits the community in numerous ways, Willits pointed out. It enables local residents to purchase natural and wholesome produce at reasonable prices; the profits from the market will be shared by the two nonprofit sponsors to further their service to the community; it benefits local growers by providing them with a location to sell farm grown produce; and it contributes to the revitalization of Ventura Blvd.

Teachers from the L.A. area will remember the benevolent psychologist, Erich Frome, who often reminded us that we should be kind to one another, for we're all having a hard time.

This may be especially true as we grow older.

## MEET YOUR NEIGHBOR

By Mary Erbsen-Kent

February 22, will be the time of our next meeting in the GR at 2:00 p.m. when Hildi Lustig, chairperson, will introduce Robert (Bob) Atz, the Secretary of Leisure Village Board of Directors, who also serves as liaison to Security and Safety, as our principal speaker. Bob will advise us as to the reasons for, and the function of, the Security and Safety committee. In addition Bob will explain the importance of the Emergency Services Organization (ESO).

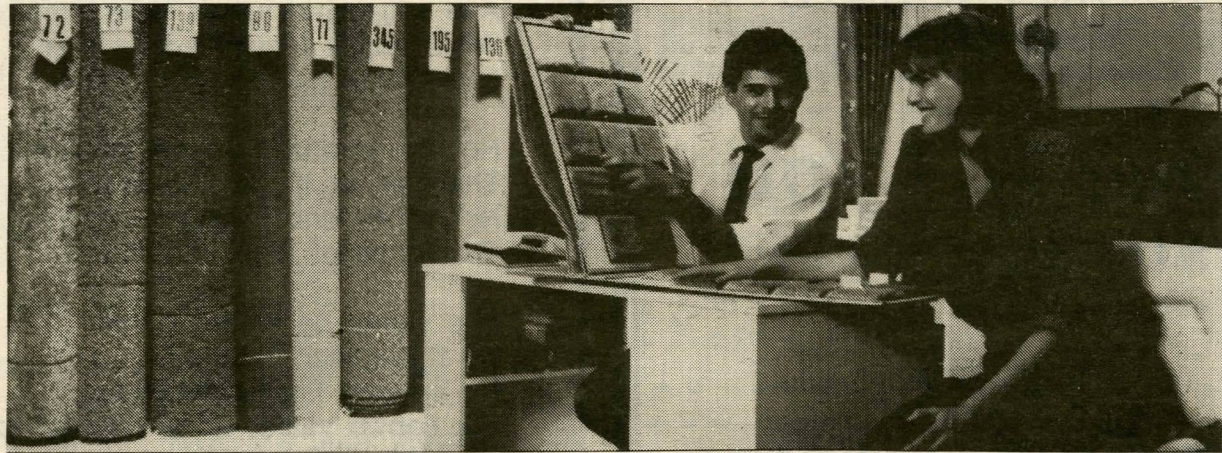

At our January meeting, Bill Blauer, Chairman of Channel 12, gave us an overview of the workings of our own television station which disseminates the local news and happenings. In addition we had the opportunity to view a tape which showed the numerous activities available to residents.

Meet Your Neighbor presents an opportunity for new residents to meet villagers who have been here for a while; a chance to ask questions; and, to make new friends, while enjoying coffee and cookies. Everyone is welcome. Both old and new residents. Please join us.

These days there are many flags flying in Leisure Village in support of American troops in the Gulf. Are you remembering to fly yours?

# Carpeteria. The Right Choice For All The Right Reasons.

## LEADERSHIP

Carpeteria's leadership in selection, service, expertise, volume purchasing, and installation gives us the edge on other floorcovering retailers. We've been committed to bringing our customers the very best in products and services for more than 30 years.

We are one of the leading floorcovering retailers in the nation because we deliver value. Carpeteria has covered more than a million rooms and that adds up to a lot of satisfied customers. With a track record like ours, we're the best choice to satisfy your flooring needs. **Carpeteria is the largest floorcovering retailer in the Western United States with over 70 showrooms.**

## FULL SERVICE

Starting from the moment you enter our showroom and through the many years you'll enjoy Carpeteria Flooring in your home, you can be sure that Carpeteria will be there for you. We will help you choose the right flooring for your taste, needs, and budget. Then, if you choose, we'll install it and advise you on proper care and maintenance procedures. And with Carpeteria's Advantage Guarantee, your complete satisfaction is assured.

- SATISFACTION GUARANTEE
- BEST PRICE GUARANTEE
- LIFETIME INSTALLATION GUARANTEE
- ACCURATE MEASUREMENT GUARANTEE
- QUALITY & WEAR GUARANTEE

see store for complete details on Carpeteria's Advantage Guarantee

## SELECTION

Every Carpeteria showroom features the most extensive selection of quality brand name floorings you can find. More styles, in more colors and patterns, than you can imagine. Including quality carpeting of **Anso V Worry Free Nylon**. **Anso V worry Free carpets feature the latest in soil and stain protection, so durable, they're warranted for a full 5 years.**

## EXPERIENCE

Serving the public for more than 30 years, Carpeteria is unsurpassed in experience and reputation. From helping you select the best value in flooring to suit your lifestyle, to expertly installing your purchase, Carpeteria people make the difference.

Our knowledgeable sales staff and installation teams are thoroughly trained and constantly updated with the latest developments in the industry. All this training and information is designed to provide you with the highest standards of professionalism and experience.

## VALUE

Carpeteria is your best choice for outstanding value for three important reasons.

As one of the country's largest retailers, we purchase in volume and pass the savings on to you. The buying power of 70 stores is on your side.

Our sales staff is trained to precisely measure every angle of every room inch by inch. They will show you in writing, exactly how much material you need. No unnecessary seams and little waste - exactly enough for a first class job.

Carpeteria carries only those products that meet our high standards. No matter what your taste or budget, you are always assured of getting the finest quality product for your money.

## INSTALLATION

One of the most critical and demanding aspects of new flooring is the installation. Carpeteria employs only skilled installation teams to ensure that your flooring looks great in your home.

These professionals have worked in thousands of homes and from that experience we have developed a pre-installation checklist for you to ensure that the installation goes smoothly.

Carpeteria will also arrange installations convenient to your schedule, not ours.

We are confident that you will be completely satisfied with the installation on your new flooring. In fact, we stand behind each and every installation with our complete labor guarantee.

## Desert Sand

By Lillian Wallace

Her prayer was very simple  
As she stood beneath the sky-  
Her thoughts beyond the mountain tops,  
On soft clouds moving by.

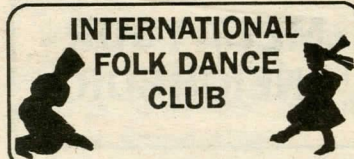

Each tear mingled with a sob,  
And whispered words were soft-  
While hopes moved ever higher,  
Bringing all her prayers aloft.

How does one translate the tears  
That fall for those who serve-  
How does one heal scars and wounds,  
That none of them deserve?

She wants no eternal flame,  
No folded flag, to hold-  
No spoken words of honor,  
For barren years, when time is old.

The sun is now about to set,  
A whispered thought hangs high-  
Her banner, made of hope  
Is for those moments going by.

Will time stand still long enough,  
So all will understand-  
Home is where the heart is,  
And that's not desert sand.

### Tutors Needed: Training Begins March 13

By Jim Holthouse

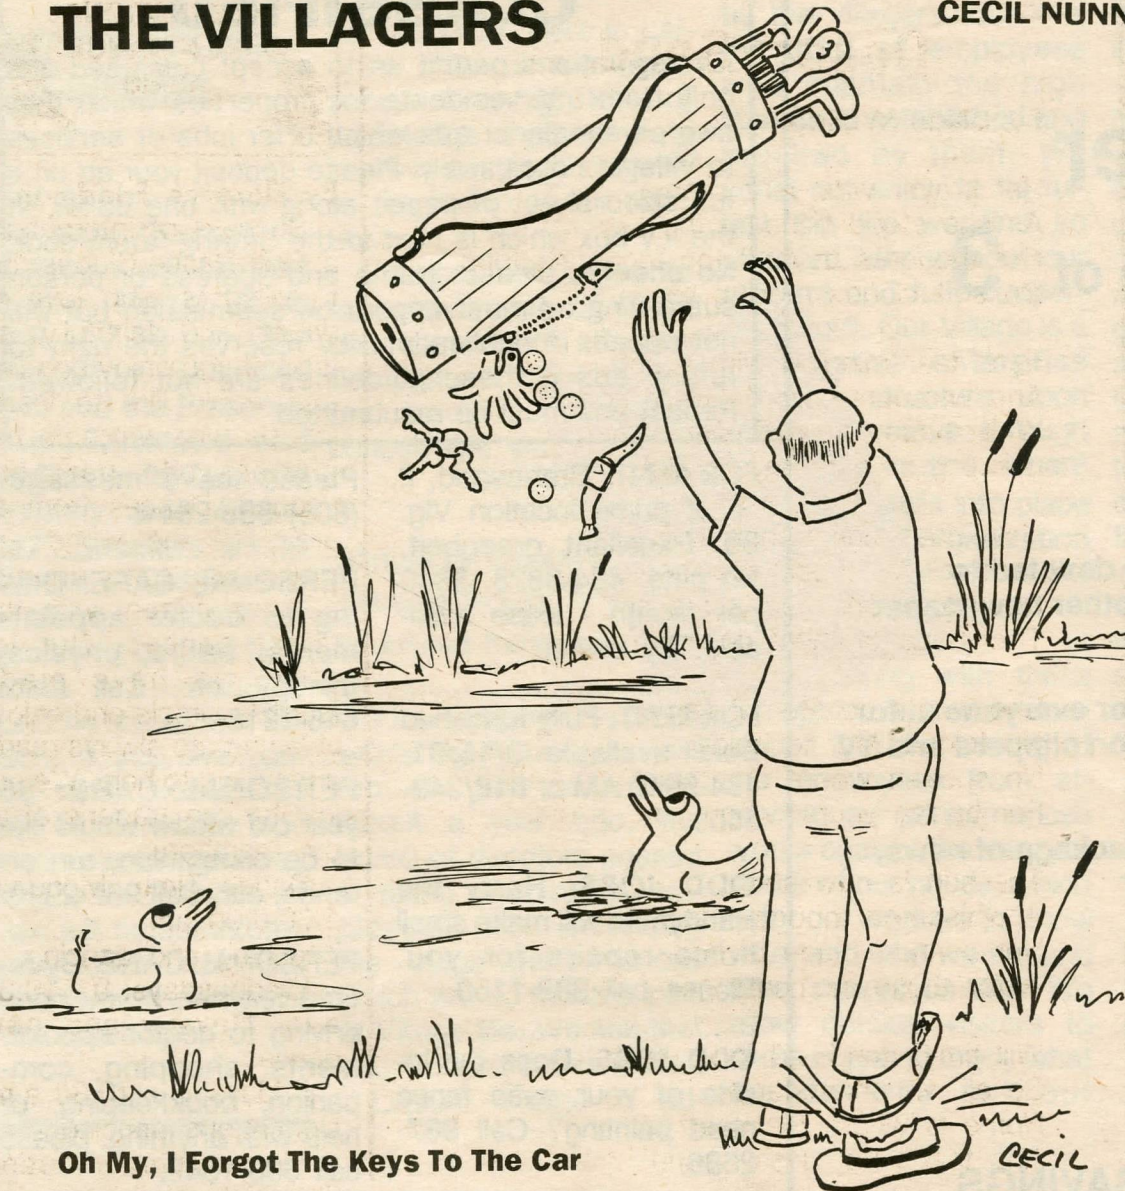

The Camarillo elementary school tutoring project needs more tutors. A training seminar is scheduled for 3:00 pm on Wednesday, March 13 at Trinity Presbyterian Church, 2304 Antonio Avenue at Los Posas Rd. Additional information can be obtained by calling Sarah Beth Tennison (482-2285) or Norma Maidel (482-1694).

This tutoring project was launched last fall in Valle Lindo School for grades 3 - 6. The tutoring station at Valle Lindo has achieved significant results with students and strong support from parents and educators. Similar stations are now being planned for Santa Rosa Elementary School and Somis Elementary School.

*"Yesterday, I had cataract surgery..."*

*...Today I can't believe my eyes!"*

A new method of cataract treatment now lets you return to your normal lifestyle almost immediately after surgery. With SingleStitch™ surgery, the cataract is removed and a foldable lens is implanted through an opening so small it takes only a single stitch to close. (Compare that to the six or more stitches required by traditional cataract surgery.) This smaller incision means your naturally heals faster. And the quicker recovery means a quicker return to the things you love most in life!
