W—No units allowed. Not included in progress point computation.

AU—No grade points or units allowed. Not included in progress point computation.

REPEATING COURSES

A student may repeat any course in which a mark lower than C was received. Degree credit will be allowed only once for any course. A repeated course is counted as units attempted and is credited with the appropriate grade points and progress points earned by the repetition. Although not recommended, a student may also wish to repeat a course in which he earns a C. Such repetition is recorded on the transcript but is not figured in unit or grade-point totals.

SCHOLARSHIP STATUS

SATISFACTORY SCHOLARSHIP

Satisfactory scholarship means at least a C average (2.0 grade-point average or twice as many grade points as units attempted) and satisfactory progress toward a degree (twice as many progress points as units attempted).

PROBATION

A student will be placed on probation if either his grade-point average based on total units attempted at all colleges is below a 2.0 (C average) or his grade-point average based on all units attempted at CSUF is below a 2.0 average or if he fails to earn at least twice as many progress points as all units attempted during that semester. A student will be continued on probation until both his over-all and his CSUF grade-point average are 2.0 or better, or until he is disqualified under one of the provisions of the disqualification regulations.

A student may be placed on Administrative-Academic probation for withdrawal from a substantial portion of a program in two successive terms or in any three terms; for repeated failure to progress toward a degree; or for failure to comply with an academic requirement or regulation which is routine for all students or for a defined group of students.

DISQUALIFICATION

A student will be disqualified under the following provisions: (a) if he fails to earn at least twice as many progress points as all units attempted during a semester while on probation; (b) if he is admitted on probation and fails to meet the conditions established at the time of his admission; (c) if he has a cumulative deficiency on either his overall or CSUF record equal to or greater than that indicated below.

<i>Freshmen, Sophomores</i> (0-59 units completed):	15 grade-point deficiency
<i>Juniors</i> (60-89 units completed):	9 grade-point deficiency
<i>Seniors</i> (90 or more units completed):	6 grade-point deficiency
<i>Graduates</i> (all students):	6 grade-point deficiency
	on post-baccalaureate units

A student who has been placed on Administrative-Academic probation may be disqualified if he fails to meet the conditions for removal of the probation; becomes subject to academic probation while on Administrative-Academic probation; or again becomes subject to Administrative-Academic probation for the same or similar reasons.

READMISSION OF DISQUALIFIED STUDENTS

A student disqualified from CSUF may be readmitted for a regular semester only by special action and if the facts in the case seem in the opinion of the appropriate university authorities to warrant such action. A disqualified student may enroll for summer session or extension classes without readmission.

Disqualified students wishing readmission must submit a Readmission Petition. Upper division students must also schedule an interview with their departmental adviser and request that an "Upper Division Student Readmission Recommendation" form be forwarded
