

minor below include Hist 2, 3, or 8, Anth 2, and Pl Si 1 or 2.

**MAJOR**

	<i>Units</i>
Hist 162, 163A-B, 164, 165B, 166 .....	6
Span 126, 153, 154, 176T, 177T .....	6
Anth 120, 121, Econ 188T, Geog 142, 143, Pl Si 146T .....	6
Electives (including any of the above courses not already used):	
Geog 280T, Hist 160A-B, 161, 165A, 169T, 183, 188 .....	12
	30

**MINOR**

A minor in Latin American Studies is recommended for a student who is completing a recognized college major in another discipline and wishes to indicate on his transcript a background in Latin American Studies.

	<i>Units</i>
Hist 162, 163A-B, 164, 165B, 166 .....	3
Span 126, 176T, 177T .....	3
Anth 120, 121, Econ 188T, Geog 142, 143, Pl Si 146T .....	6
Approved electives to be selected from any of the courses approved for the major, but not used to meet line requirements above.....	9
	21

**MOSS LANDING MARINE LABORATORIES**

The California State University and Colleges began operation of the Moss Landing Marine Laboratories, Moss Landing, California, in the fall semester 1966. This facility functions as a seaside extension of the campuses of five cooperating state universities (Fresno, Hayward, Sacramento, San Francisco, and San Jose). It offers full-time course work in marine biology, oceanography, and other marine sciences for majors in either the biological (botany, biology, zoology) or physical sciences whose objectives include further graduate study, teaching the sciences, or research in the marine sciences. Properly qualified upper division and graduate students may enroll on the Fresno State campus for a term of instruction at Moss Landing and earn resident credit for such course work. Since enrollment is limited, interested students should make early application. Consult the chairman of the Biology Department for details. See *Geology Department* for on-campus course work in general oceanography and geology courses related to marine science.

**COURSES (M Sci)**

*Note: The following courses are taught at the Monterey Bay location of the Moss Landing Marine Laboratories. For course descriptions see Biology Department.*

- 101. General Oceanography (4)
- 102. Marine Science Techniques (3)
- 111. Zoology of Marine Vertebrates (4)
- 121. Marine Invertebrate Zoology (4)
- 131. Marine Algology (4)
- 133. Micropaleontology (3)
- 135. Marine Meteorology (3)
- 136. Physical and Chemical Oceanography (3)
- 137. Marine Biogenic Sediments (3)
- 141. Geological Oceanography (3)
- 153. Marine Science Diving (2)
- 161. Marine Ecology (4)
- 180. Special Problems in the Marine Sciences (1-4)
- 181. Literature of the Marine Sciences (1)
- 185T. Topics in Marine Science (1-6)
- 262. Advanced Marine Ecology (3)
- 277. Human Geography and Ecology of Monterey Bay (3)
- 282. Seminar in the Marine Sciences (2)
