Anna,
 Always a delight to hear from you.

I went to school with Leonard Ortiz, I have lots of High School and Saticoy stories to share with you about him; he has always been the leader in this family. We have talked a few times - during family gatherings.

My best get together dates are: **Wednesday, July 24th or Friday July 27th**. A student of mine (when I used the name Sister Mary Consuelo) will be visiting the week of July 30 to Friday Aug. 3rd - and am not sure what our schedule will be - Monday July 30th we will be going to visit the Channel Islands.

Another consideration would be week of August 6th - **Wednesday July 8th or 9th or 10th are free** - my sister Rosie will be visiting in Las Vegas so you and Maria can come to my house at [REDACTED] in Oxnard for the continued taped interview; taping at home will allow me to share lots of personal items - you and Maria might like to take for the Museum. Just a thought.

Lupe,

Sorry I hadn't emailed or contacted you about meeting last week but I go inundated with work at the museum. I hope to have some free time later in the week or the beginning of the following week. Let me know how your week looks.

Question: Do the know the family who has the business, Ortiz Trucking? It was started by Crescencio Ortiz in 1952 and is now being run by his sons, Manuel, Leonard and Frank. Another son, Joe died in 1999. Anyway, Leonard is a fairly big contributor to the museum and I need to be aware of whether his family history has been done by the museum or not. I will check with the librarian on Tuesday (he's not there on Monday). It's always good to keep someone with a little "clout" in your corner!

I think they are from Saticoy, so I wondered if you knew them.

Hope you have been fine and keeping busy. I have missed talking to you!

Anna
