MISS JULIA MORGAN ARCHITECT MERCHANTS EXCH BLDG

SANFRANCISCO

PLEASE MAKE LOWER TERRACE OF A AS YOU THINK BEST I LIKE DRAWING VERY MUCH  
EXCEPT POSSIBLE QUESTION OF THAT SEMICIRCULAR FRONT IN MIDDLE IF YOU HAVE  
CONSIDERED STEEPNESS OF HILL AT THAT POINT DOUBTLESS THAT SEMICIRCLE WILL  
BE ALL RIGHT OR IT MIGHT BE MODIFIED NOT TO PROJECT SO FAR DO NOT THINK I  
WANT FOUNTAIN IN THAT CENTRAL PART HOWEVER WOULD PREFER FOUNTAINS IN SQUARE  
TERRACES AT SIDES WOULD NOT HAVE WALL STRAIGHT ACROSS THINK BEST PLAN  
OF ALL IS TO HAVE SQUARE TERRACES AT SIDES PROJECT AND HAVE CENTRAL PART  
STRAIGHT WALL THESE SQUARE TERRACES COULD HAVE BODE FRONTS OR NOT BUT  
COULD EASILY BE MADE TO PROJECT BEYOND STRAIGHT WALL AS GROUND THERE IS  
MORE LEVEL THINK YOU WILL FIND THIS INDICATED ON DRAWING WHICH YOU  
PROBABLY HAVE NOT YET RECEIVED
