CONGRESS... LEADERS ALL. It has been said that the body corporate, be it political, economic, or social in character, is but the manifestation of its individual leaders. In the United States, no assemblage of leaders exerts greater influence than Congress. The dedication, the sense of responsibility and the moral conviction of its senators and representatives affect every facet of our free society. It is to their credit that our society remains the strongest, foremost democracy in the world. **LITTON INDUSTRIES**, Beverly Hills, California.

# Pedigree will make you unhappy

(with your present Scotch)

Why? Because Pedigree brings you the flavour you've been searching for (consciously or unconsciously).

Pedigree has character, but not impudence.

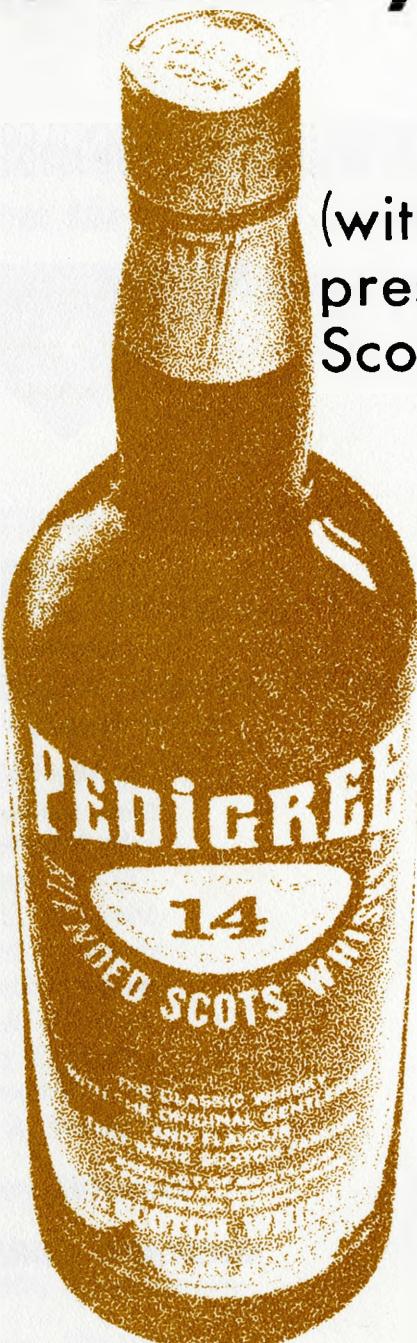

Body, but not belligerence.

Subtlety, but not pusillanimity.

□ Fourteen of Scotland's most respected distilleries contribute to Pedigree's character. Ten of these offer the heritage of Highland malt whisky, three the quieter pleasures of Lowland whisky, one the richness of Islay whisky. □ Go ahead. Try Pedigree.

You'll be very glad to be unhappy with your present Scotch.
