DeAngelo named General Manager

Marilyn DeAngelo

By Jack Whalen

As a response to being named the first female General Manager in Leisure Village's 33-year history, a smiling Marilyn DeAngelo stated, "I am delighted to be named General Manager of Leisure Village. It is going to be a real challenge, and my every effort will be to keep Leisure Village as one of the finest senior developments in all of California. I am sure everyone joins me in wishing Randy the best of luck

in his new position in Las Vegas."

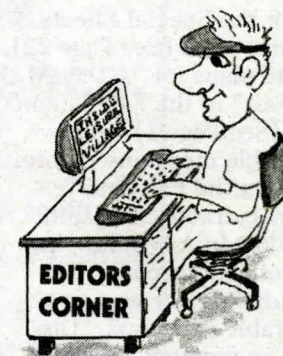

A nine-year veteran of LV, Marilyn started as our purchasing manager, then became office/purchasing manager and has been working closely with General Manager Randy Watkins the last few years, representing him as the Acting GM when required.

She brings much experience to her new position, as she has attended a number of schools and seminars to

earn her professional association certifications.

Her relationship with Leisure Village actually goes back many years to when her parents, Guy and Kay LaPrell, moved to Village 34 in 1979.

Speaking for the administration staff, Mary Hurt, Randy's executive secretary, stated, "I truly believe all of us fully support Marilyn and look forward to her having many successful years as GM."

The Camera Club won a number of awards at the Ventura County Fair. The story starts on Page 1.

Congratulations to our new General Manager, Marilyn DeAngelo. We all wish her well.

Camera Club members win big at County Fair

By Jerry Spector

The professional judges at the Ventura County Fair reviewed 2,000 pictures and awarded the Leisure Village Camera Club members 15 winning ribbons.

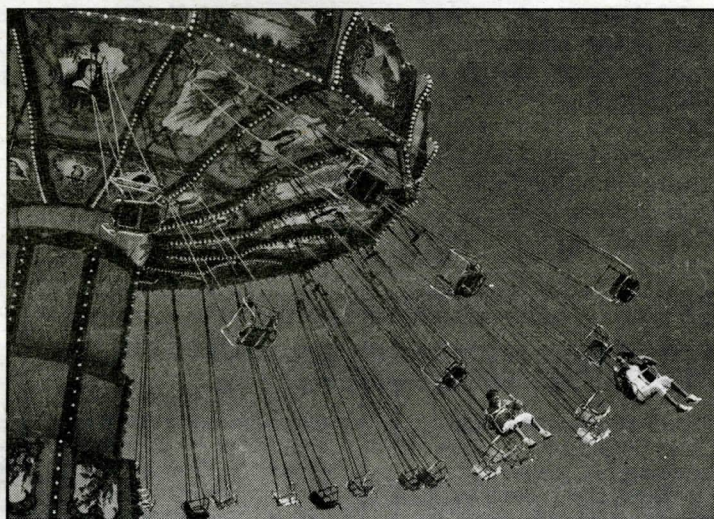

The club entered 83 photographs, and 18 percent of them were winners. Quite a nice job! The competition is tough, as everyone from Ventura County can enter pictures in the fair each year.

This year the Camera

Club had seven of its members win 15 ribbons.

In the black and white division, Vic Fledge won a first place for his picture "Whiskers" in the Animal class (See Page 2). Don Treadwell won an honorable mention for two black and white entries: "Ice Cream at the Fair" in the Child's Portrait class (See Page 21), and "Homeless Friend", in the Adult Portrait class.

Please see **CAMERA** on 2

Jerry Spector took second place for "A Day At The Fair" in the color Fair Theme class. Seven Camera Club members won 15 ribbons in the competition.

Judges to visit LV Sept. 29 to discuss November ballot

By Jack Whalen

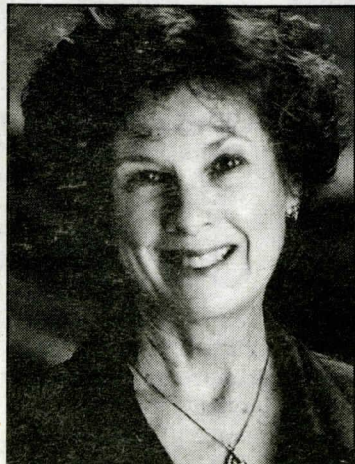

The Current Issues Forum is sponsoring the appearance of Judge Melinda A. Johnson (Ret.) and Judge Steven Z. Perren on Friday, Sept. 29, to discuss the many and varied bond measures and tax increases on the November ballot.

Never before has so much taxpayer money been

at stake in a California election. At ILV press time, there was a total of \$46 billion in five bond measures and four tax increases.

Of great interest has to be the proposal to put a \$2.60 tax increase on each package of cigarettes. Tobacco companies are expected to spend tens of millions of

The club members had winners in three of the 13 classes in the black and white division. Just goes to show you that black and white photography is still alive and well.

In the color division, Jerry Spector won a first place for "Take 2 Dandelions and Call Me In The Morning" in the Special Effects Creative class (See Page 22), second place for "A Day At The Fair" in the Fair Theme class (See Page 1), and two honorable mentions, "Gotta Light" in the Patterns/Textures/Abstracts class, and "Window In A Window" in the Reflections class.

Judy Spector won two honorable mentions, "Disney Concert Hall" in the Architecture class and "Z Pathway" in the Scenic class (See Page 20).

Marlene Votion won one honorable mention for "Sidewalk Artist" in the Photo Journalism class (See Page 17).

Lora Treadwell won one honorable mention for "Water Lily" in the Flowers class (See Page 23).

Don Treadwell won one honorable mention for "Ascending Balloon" in the Transportation class.

And Ken Hendrickson

Vic Fledge won a first place for "Whiskers" in the black and white Animal class.

won three honorable mentions, "Peace Garden" in the Landscape class (See Page 16), "Bear Wading" in the Reflections class and "2006 Amgen Bike Racer" in the Special Effects Creative class.

The Camera Club members had winners in 10 of the 26 classes in the Color division. This shows the versatility of the members' skills in various types of photography.

As president of the LV Camera Club, I am very proud of these wonderful accomplishments. The

quality of all of the Camera Club members' photographs has increased tremendously over the past year. Not all the Camera Club members who submitted photographs in the Ventura County Fair this year had winners, but they all entered quality work, and the Village should be very proud of these talented photographers.

If anyone in the Village is interested in joining the Camera Club, please contact Jerry Spector at 384-9039. We are always looking for new members.

In regard to last month's issue of ILV, "Editor's policy repeated," printed on Page One, bravo for holding firm to presenting both sides of an issue simultaneously.

Several months ago, I had an issue with one of the Leisure Village committees, and I made my statement in a letter to the editor. I forwarded a copy of my letter to the chairman of the committee so he would have an opportunity to respond in the same issue. He did, both letters were published, and ideally both parties are satisfied, and the matter is closed.

As evident from last month's letters criticizing the editor for this policy, some individuals believe their opinions, charges, accusations, etc., are sacrosanct and unworthy of an opposing view alongside theirs.

When Mr. Schulman took over as editor, I cheered his policy because of all the vitriol contained in letters to the editor that was allowed to be published previously. Knowing Mr. Schulman personally and his dedication to fairness, I'm confident that he will not be intimidated by a letter-writing campaign. Those

unhappy with this consummately fair policy will just have to find another forum to vent their opinions.

— Stan Reshes, V. 30

This is an attempt to curtail the numerous phone calls I have been receiving. No, I have not moved to another village. Another resident with the same name as mine has moved into Leisure Village. Amazing! I have begun to use my middle initial in order to keep confusion at a minimum.

— Sylvia S. Stoller, V. 13

Is it safe to park in the West Parking Lot?

I'd had an orange ball on my antenna from the Union 76 station for a few years. One day the ball was removed from my car while parked in the West Parking Lot. I put another orange golf ball on my antenna, and it was removed again. The car was in the same lot. I had a board meeting and parked my car in the same lot. When I came out the front bumper had a hole in it near the license plate. No note was left. So all I can say is: "Is it safe to park in that lot?"

— Lou Schwab, V. 13

Deadlines for next month

The Display Advertising deadline for the October 2006 issue will be Monday, September 11, at 5 p.m. Deadline for letters, club news, stories, photos and classified ads is Saturday, September 16, at 5 p.m. Publication is scheduled for October 6. Typed copy, double-spaced, should be deposited in the ILV box in the Recreation Center hallway. Handwritten material should be submitted early to allow for typing.

Meet Betty Herrmann, LV's own Energizer Bunny

By Milan Weiss

If you think the Edison Company is a major energy source, you're right! But how about a greater source of energy which you can witness here in Leisure Village in the form of 5-foot, 2-inch tall Betty Herrmann.

She's Edison Company plus — the plus meaning Edison Company pales in the amount of energy they can produce in any given time and Betty will beat them time after time!

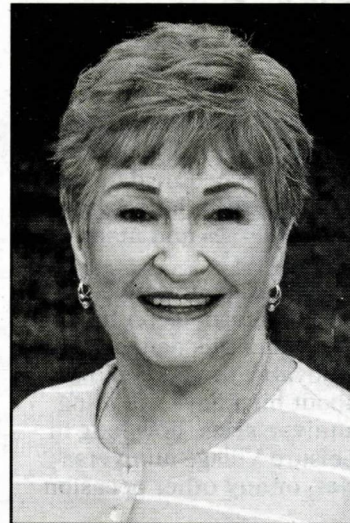

Betty must have several Energizer Bunnies in her genes because she never stops! The energy is ongoing, with no blackouts! The beneficiary of this energy is everyone who lives in the Village. She has been "lighting up" the Village as a resident for 11 years.

Betty is from St. Louis, Mo, and still calls it home,

even though she left there in 1950 and came to the Los Angeles area.

In St. Louis, she graduated from Ben Blewett High School. At school she spent four years as a cheerleader and was the captain of the Cheerleading Squad. She was also Homecoming Queen. She also spent time as a Candy Striper at the DePaul hospital there. And in her earlier life, when Betty was 5 to 6 years old, she worked on stage at the St. Louis Fox theatre and tap-danced for Fanchon and Marco in an Our Gang comedy. She also worked in St. Louis for the City Chief Engineer and an architect who worked in association with the City Chief Engineer.

Sometime shortly after graduation, she left the St. Louis area because she wanted to come to the Los

Betty Herrmann

Angeles area — Hollywood to be exact. And not long thereafter, she began marriage and family. She wound up living in the Granada Hills and Northridge areas. She has three children: a son who resides in San Di-

ego and two daughters who live in close-by Moorpark. She has six grandchildren: two boys and four girls ranging in age from 7 to 16 years old.

She has been to Europe twice, and Ireland is her favorite place, especially County Cork. She would like to visit New York in the future. She prefers the United States to Europe. Her favorite place to live is Leisure Village, right here in Camarillo.

In the Los Angeles area, she worked 23 years as the Office Manager and Executive Secretary for the General Services Superintendent Director of the 9th District. She also spent time raising her family, doing all the things mothers do, which is a major feat, as you all know!

Now hold onto your

hats, there's more to this energetic, interesting and lovely lady. She's a private pilot and flew Stinson and Bonanza airplanes. She and her husband owned the Bonanza, and Betty was backup pilot in the Bonanza for her husband. These two airplanes are hot general aviation airplanes. You need skill to fly them! She's still around! That says a lot!

Here is a partial list of Betty's participation in the Village and around Camarillo: Showtyme, Players Guild, Women's Club, Billiard Club, Racquet Club, Singles Club, New York Club, Bowling Club, Saturday Night Dance Party, Bocce Club, Womens Golf Club, Square Dancing and Line Dancing. Additionally, she is a member of the Red Hot Chili Peppers.

First sports film will air in 2 parts, Sept. 10, Oct. 8

By Bob Koster

The original Olympic Games were held in Olympia, a sanctuary of ancient Greece in Elis from 776 B.C. through 393 C.E. That means that the original Greek games lasted for 1,160 years, taking place every four years.

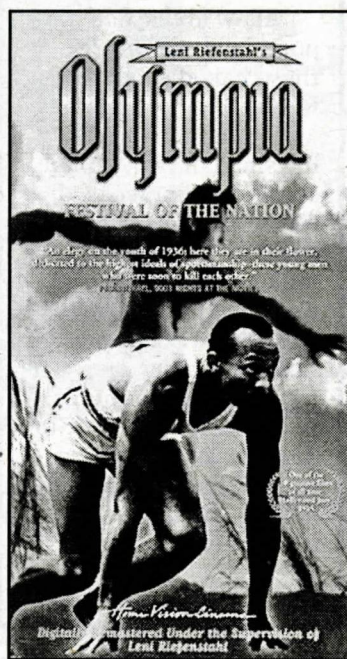

When the games were played, they took precedence over all else. Wars were put on hold, national events were postponed. Olympic Truce prevailed. All the Greek city-states participated, as did some of the surrounding territories.

The word "Olympiad" originally referred to the four-year period between games. It has drifted into English, erroneously, as the name of the games themselves. (Much like I just received some tickets to an event in the "AR Room."

There is no "AR Room." "AR" stands for "Assembly Room." So the "AR Room" would mean "Assembly Room Room," absurd on the face of it. Just like "La Brea" means "the tar." Therefore, "The La Brea Tar Pits" really means "The The Tar Tar Pits.")

Back to our subject.

In early years, the games consisted of mainly track events. Running, jumping, throwing the discus and the spear were all part of the original games. Speed and grace were highly prized. Competitors usually performed in the nude. Winners were lionized, celebrated in song and poetry, and statues were sculpted of them as the human ideal. Winners were also crowned with a wreath of olive leaves. The olive branch has remained ever after as a symbol of peace

and tranquility.

Eventually the power of Greece waned and Rome became ascendant. The games

took a bizarre turn when the Roman Emperor Nero decided to participate in the games in 68 C.E. He introduced chariot races because he intended to participate himself, and he was fairly good at guiding a chariot. Not good enough, however. He fell out of his chariot and bruised himself. Due to the large amounts of baksheesh he had distributed amongst the judges, he was declared the winner anyway. He also introduced poetry reading as a sports event. He won that as well.

Presently Christianity overtook the Roman Empire. The Emperor Theodosius outlawed the games as pagan rituals in 393 C.E., and they were dormant thereafter until 1896.

Pierre de Frédy, Baron de Coubertin, was inspired by the recent discovery of the

site of the original games at Olympia in the early 1890s. He had been looking for a means of bringing the youth of the world together in peaceful competition to keep them from making war. To publicize these plans, he organized an international congress on June 23, 1894, at the Sorbonne in Paris. There he proposed to reinstate the ancient Olympic Games. The congress led to the establishment of the International Olympic Committee (IOC), of which de Coubertin became the General Secretary. The first of the modern games was held in Greece in 1896.

Interestingly, only one major event in 1896 was won by a Greek: the Marathon, so named because of the great achievement of

VILLAGE HAPPENINGS

LV residents bids farewell to departing Randy Watkins

The following is a note sent to departing General Manager Randy Watkins from Bob Koster of Village 24:

Dear Randy:

I and a couple of thousand other people here in the Village are very sorry to see you go.

We understand your other job offer, and not a person among us would act differently than you. I'd jump at the chance myself. Of course, you are far more qualified than I am.

By your tenure here, you have defined the job of General Manager. We'll be very lucky to find anyone with all your qualifications. Some, yes, but all? I doubt it.

You managed a staff of around 100 employees in various fields. There are landscape artists, water specialists, maintenance people, office staff, plumbers, painters, accountants, legal eagles, each of whom is an individual with individual needs and goals. And you did so with great good humor and (from personal observation) very even temperament. Not an easy task. I know. Been there, done that, in another field.

The important thing is that it all worked, and very well, too. Your sure hand guiding the machine was nearly invisible in the background, giving us help when needed, keeping a distance when necessary, but always keeping a sure hand on the ship's wheel and a true eye on the binnacle. You set up and ran an excellent machine for such a diverse group.

After all, there are 2,136 homes here, about 3,500 people if not more, all individuals, all "getting on" in age, each with his or her own likes and dislikes, each with very strong opinions formed over decades of work and personal relations. As we grow older those opinions become more and more fossilized until eventually we find it difficult to com-

promise. But you found a way to carefully thread your way through that particular thicket, and with grace and humor. You deserve the admiration and thanks from all of us for that.

We hope you'll keep us in mind from time to time, and maybe even in touch when you have a spare moment or two. Best of luck to you and your family, my friend, and thanks again for the many times you helped us, especially at Channel 12, 8, er, 25.

With great respect,
Bob Koster

Selling real estate is simple, but it is almost never easy. Having an open mind and never looking at two transactions the same is critical for me. Everyday is a learning process for any Realtor because the real estate world changes constantly. Ask a Realtor when was the last time C.A.R. updated or change a policy? What are the interest rates today? How about market trends in your area? See my point? I enjoy this occupation of being a Realtor, because I found the ingredients of a specialized professional early in my career. Knowledge. Experience. Confidence.

I have had so many opportunities to meet new people, I had the privilege to represent new home Buyers and also to demonstrate my experience with Sellers who felt it necessary to be in good hands before hiring a Realtor to sell their home. I like to assist my friends who are also Realtors. These experiences can be priceless. I know because I work in the trenches everyday with everyone from the Clients to the Realtors to the Professional services we choose in all our transactions.

I look forward to meeting you. I look forward to satisfying your real estate needs. I look forward to hearing you say thank you!

Some facts you may not know about the Village Woodshop

By Sid Alweiss

DO YOU KNOW what the Woodshop Committee has been doing? The Woodshop Committee, on Tuesday and Wednesday mornings, has been repairing all kinds of wood items for Villagers, occasionally repairing other items such as lamps, shoes, games, walkers, art items, ceramics, frames etc. They have built many ramps for disabled people in the Village so they can use their wheelchairs.

DO YOU KNOW they have been making and repairing many items for the Village and clubs? The Garden Room and the Multi-Purpose Room improvements both included woodwork by the Woodshop Committee. The kitchen upgrade in the Multi-Purpose Room was installed by Roger Williams, with the help of a few other members — and that work included both the cabinets and tile work.

DID YOU KNOW the

Woodshop Committee made many items for the Players Guild stage sets?

DID YOU KNOW the Woodshop Committee made the cue racks and repaired many stools in the Billiard Room?

DID YOU KNOW they made message wall boxes for the Golf Club and for "Inside Leisure Village?"

DID YOU KNOW that whenever Susan Rockwell asks the Woodshop to make something for the Village they always do? They made such items as a rack for the Exercise Room, items for the Channel 25 room and repairs for other areas of the Rec Center.

DID YOU KNOW the Woodshop Committee makes items for the Women's Club to sell for their charity work? Cost of the materials came out of their own pockets.

DID YOU KNOW that the Woodshop Committee builds items for children's schools

that result in goodwill for Leisure Village?

DID YOU KNOW that those wooden voting boxes that the Village wasn't able to buy were made by Roger Williams and Sid Alweiss?

DID YOU KNOW that the committee recently remodeled the Woodshop so that is safer and cleaner? Committee member Ted Lansing planned the room upgrade and did some of the work, as did the committee members. They include Sid Alweiss, Roger Williams, Ron Stave, Bob Power, Chuck Russell and James Ronge. Additional active members include Onni Manni, John Beech, Irwin Kress and Glenn Eidum.

Every volunteer for the Woodshop Committee has proven valuable to the Village. But with the Committee, it is the personal help they give to all that really counts. They're happy that they can do the job and do it well.

BETTY

Continued from 3

She was a volunteer at the Camarillo Hospice for eight years and volunteered to pick up and deliver Meals on Wheels, which she did for seven years. Her generosity is boundless.

Here are additional items, equipment, decor and services Betty provides:

She stores and loans to the LV clubs and LV parties decorations for tables, stage and walls for holidays like the Fourth of July, Thanksgiving, Christmas and New Year's.

She furnishes flowers, which she grows in her beautiful garden.

When requested, she will

shop for a suitable caterer, buy goods and food, suggest festive room design and involve herself in party preparation plans.

She loves to work, and she loves to play. She makes some time for herself to participate in swimming, play paddle tennis and go bowling. She loves to read, do decorating, gardening, go to the movies, see plays and decorate her house at Christmas — big-time, with a Christmas tree in every room in the house.

She loves to cook many cuisines but prefers Mexican food. Her favorite restaurant is the Red Lobster. And she has written her request for her last meal on earth: Champagne, Lobster Tails, King Crab Legs, Artichokes and Chocolate.

Betty lives with two cats, whose names are Dryer and Taylor. She loves them!

One of her major wishes is to see all her grandchildren married. She loves a big family!

Betty has a purple VW

Bug that goes everywhere. When she first got it, a young man leaned out his car window and hollered, "Hi Toots!" It was a memorable occasion.

This always cheerful, creative lady, who loves people, states that she considers herself the "Shyest Extrovert!"

A big round of thanks for all the things she does and for all the pleasures she provides for all Villagers.

Better breathing

By Lorraine Comer

Summer is almost over, and as the weather changes, we need to understand how to best take care of ourselves during the upcoming holidays. As we all get a little older, better breathing techniques become more important. Hope to see all of you looking to improve your everyday life the second Wednesday of the month at 10 a.m. in the Sun Room.

dollars to defeat the measure.

Your reporter noted a year ago, when these two judges were here discussing the special California tax proposals, that many Villagers brought with them a small notebook and pen, making many notes. May we suggest you try doing this?

Both judges are highly regarded throughout the legal community, and if you have a computer and/or have a friend who has one, simply go to www.google.com. Put either name in and you'll find dozens upon dozens of articles relating to their accomplishments and rewards.

Judge Perren is well-known here because his parents, now deceased, were longtime residents in Village 3.

Please mark your calendar, because this important event is exactly four weeks from today.

Current Issues Forum promises there will be ample time for questions and answers.

Pheidippides after the Battle of Marathon in 490 B.C. The traditional story relates that Pheidippides, an Athenian herald, ran the 42 km (26 miles) from the battlefield by the town of Marathon to Athens to announce the Greek victory over Persia in the Battle of Marathon (490 BC) with the word "Nenikékamen!" ("We were victorious!") and died on the spot. The 26-mile run in 1896 was won by the Greek favorite, Spiridon Louis, against all odds. The Greek patois for being victorious when victory is seemingly impossible is still "Going Louis" to this day.

Motion pictures had been invented shortly before 1896, and a few brave souls

brought cameras to some of the early modern games. But it wasn't until 1936 that the Olympic Committee decided to commission a memorial film of the games. They contacted a former dancer and actress named Leni Riefenstahl. She had directed several films before, including the celebrated propaganda film about Adolf Hitler, "Triumph of the Will."

Nothing was spared in the production of "Olympia." She had literally over 100 cameramen covering every event from every possible angle. She invented the dolly on rails for tracking shots, and it has become a staple of films and TV shows ever since. She used it to track with the runners and other participants as they competed.

Dog owners: Listen up

Many Villagers love to walk early in the morning. There are many Villagers who are still sleeping. Sometimes when you have loud conversations they are very close to people's bedrooms. Please try to keep the noise level down, especially when you are calling your dog.

In fact, Leni Riefenstahl invented the sports film. Sports films produced in 2006 are all in imitation of what she achieved 70 years ago. Even TV shows, with their immediacy, are artistic shadows of Riefenstahl's work.

The movie is four hours long — four fascinating, riveting hours of historical footage, beautifully photographed and amazingly edited. We will see the first part on September 10 and the second part on October 8. We will watch the horsemen of all the countries attempt the steeplechase; the diving experts perform an aerial ballet, all accomplished by Riefenstahl's masterful editing; and the amazing sights of Jesse Owens winning his gold medals.

Much nonsense has been written about Riefenstahl's "Olympia," that it was a Nazi propaganda film, that it was commissioned by Hitler, and so forth. Nothing could be farther from the truth. The film is a celebration of sports and of the human body in motion. It is almost

L.V. Mens Golf Association

By Mannie Abbate

The next monthly meeting of the Leisure Village Mens Golf Association will be Tuesday, Sept. 12, at 2 p.m., with social time starting at 1:30 p.m.

If you are interested in the Solvang outing, you should call Mannie. This is not an official club outing but rather a time for members and their ladies to enjoy a few days in Solvang. The trip will be held October 25 to 27. We have rooms reserved at the Royal Scandinavian Hotel and have tee time at the Alisal River Course on Thursday morning. We have a dinner planned for Wednesday evening and an Awards Dinner party at the hotel on Thursday evening.

If you are interested, call Mannie or Ernie. There is a memo available with all the

pertinent information. Call Mannie and he will e-mail you a copy or make a copy available for you if you don't have a computer. This outing is available for LVWGA members too. Copies of the info was presented to the ladies at their July meeting.

The Tee Timers Luncheon sponsored by the Women's Club was a big success. There were more than 93 men and women there. Meriam Laird went above and beyond expectations to make this one of the best ever. Meriam gave credit to Barbara Swartz for her contribution to the success of the luncheon. The two of them prepared the meal and cooked it from scratch. They did all the purchasing too. Of course, this event required help from a large number of people who say that all of our members should pitch in and get involved too. Why don't you let the board members know that you are willing to help?

On September 26, there will be a mixed tournament with the LVWGA in the morning and a picnic in the park in the afternoon starting at 1 p.m.

Joe Smith has announced that we will host the 2nd Annual Harvest Golf Tournament and Picnic for Men & Women golf members and their families on Tuesday, Sept. 26. Advanced sign-up is required. Continental breakfast will be

served at the 1st Tee at 7:30 a.m. A chipping contest will be held before the first tee-off time at 8 a.m. Golf fee will be \$1 tickets. Pairings will be honored if you want to put a foursome together, men and women or four men or four women where possible. Luncheon in the park fee will be \$4 for barbecued hamburgers and hot dogs, baked beans, salad and chips and dessert, as well as coffee, beer and soft drinks.

Tickets will be available at the 1st Tee on Tuesday and Wednesday mornings. Get there early and don't miss out on this event. If you have questions, call Joe Smith at 482-3038.

The next Regulation Golf Tournament will be at Mt. View Golf Course on September 21. A check for \$20 should be put in the white box at the course.

Saturday Night Dance

By Milan Weiss

Almost every month, the Saturday Night Dance Party features a Country-Western night where you may see your fellow Villagers dressed like they just got off a stagecoach. As they glide or stomp their way around the dance floor, all it takes is a wave of the hand and a friendly "howdy" and you should be OK for the rest of the evening.

These C-W nights usually draw the larger crowd, so the band usually mixes it up a bit! Although a lot of the music is C-W, not all of

CLUB NEWS

Continued from 16

This last month, Don and Gerre Miskowicz of Village 16 had part of their large close-knit family here celebrating all sorts of events, including the 17th wedding anniversary of their daughter Lisa, who is married to Brian Kans. Their granddaughter, Megan Coburn, was also here for her bridal shower. She will marry Oliver Young this month in Bozeman, Mont. They also had four of their grandchildren ages 4 through 15 here to celebrate. There is no question, they can all boogie through an evening of dance!

Are you ready for this? The one and only Lillian Schwartz will be celebrating her 100th birthday at the Saturday Night Dance Party on October 7 with music by Jerry Dokken. She will have a party of approximately 40 people, family and friends, here to celebrate this occasion. Lillian has been a "regular" at the SNDP events. Everyone knows her, she loves to dance, and she is a wonderful dancer. She really lights up the place!

Here is the SNDP schedule for September: Sept. 2, Caravan; Sept. 9, Moore Music; Sept. 16, Wyatt Haupt; Sept. 23, Tunes R Us; Sept. 30, Rick Tucker, Country Western. All dances are \$5.00 per person. All dates are Saturday. All dances start at 7:30 p.m. in the AR.

The September dance schedule should provide the enjoyment you look forward to at the SNDP. Try each weekend to attend. Enjoy the evening, dancing, friends, listening and watching people celebrate nice events. It rubs off! Come to the party. You too can celebrate, it's your call! See you there!

L.V. Chorale

By Elise Perlmutter

Attention: The LV Chorale will start its new season on September 11. We meet on Mondays from 12:45 to 2:45 p.m. in the MPR. Come sing along with us. Tune up

your vocal cords and have some fun. We are in need of all ranges of voices, male and female. There are no auditions, so come and try us out.

For more information, call 484-2492.

Single Active Seniors

By Zelda Greentree

Kudos again to the SAS Board, but especially to Bobbie Comer and Anne Haas for putting on the best yet annual summer picnic so far. DJ's does an outstanding job of catering, and everyone just loved it! Next year again! Oh yes, can't leave out Sharon O'Conner and Alan Caldwell! Thanks!

Now for September's activities. On September 5, we will have "News & Views," so bring in current topics to discuss in the MPR at 7 p.m.

Also in the MPR, on

Marlene Votion won an honorable mention for "Side-walk Artist" in the color Photo Journalism class.

September 12, our resident "astronomer," Dr. Martin Ettinger, will give a talk called "Sun Dial and a Little Astronomy." It will be fascinating.

Our movie for September 19 is "16 Blocks." This is a three-star movie with Bruce Willis, who plays a tired, middle-aged detective with

a booze problem. Who can't identify with that? It's in the Annex at 7 p.m.

Our card players will meet on September 26 in the Annex for another exciting game of Manipulation.

Have you or someone you know fallen recently? Well, in October, we are very pleased to present an

expert on gait and balance (walking and balance). He is Ron Seitz, who has worked in numerous rehabilitation hospitals, including our own Pleasant Valley Hospital. His knowledge will be invaluable to us.

Look for our posters and Channel 25 for all of our activities. Tuesdays are great days!

By Martin Alfred

Our next Veterans Club meeting will be on Thursday, Sept. 28, at 7:30 p.m. in the MPR. Watch Channel 25 for the program.

Bingo

By Charles Donnel

Entering our seventh year of playing Las Vegas-style Bingo, our Wednesday night sessions are bringing record attendance and distributing generous prizes. Bingo affords Villagers an opportunity to spend an enjoyable and often profitable evening with friends without having to leave the Village at night.

The past fiscal year, we collected a total of \$56,293. Payouts for the year equaled \$54,427, with individual payouts averaging between \$30 and \$130. Attendance for the year totaled 6,115, or an average of 125 per night.

Everyone who enjoys Bingo is welcome to come Wednesday night. The doors open at 5:15 p.m., and the games start at 6 p.m. For a small buy-in of \$6.00, you

can enjoy approximately three and a half hours of fun with your friends with the possibility of taking a generous amount of money home.

Woodshop

By Martin Alfred

The committee members continue to be busy repairing residents' furniture and other wooden household items. We can use some additional workers, so if you're interested, come to the shop on a Tuesday or Wednesday morning or call Sid at 482-5341.

If you still have the old keys to the shop and the equipment and want to continue its use, you need to come to the shop on a Tuesday or Wednesday morning to be checked out and get new keys. For more information, call Sid.

Keyboard Club

By Anne Shane

The Keyboard Club welcomes all LV residents, family and friends to our next meeting on Friday, Sept. 22, at 1:30 p.m. in the AR. We meet the fourth Friday of each month. Our programs feature outstanding musicians playing popular,

classical and jazz music on a variety of instruments. Come and enjoy a delightful afternoon of music. Refreshments are served.

Information: Anne, 484-3977.

Happy Hoofers

By Ida Zeller

Some groups take a hiatus during the summer, but not the Hoofers. There is still plenty of bathing suit weather left. So what better way is there to help slim our thighs than tapping? We are now learning two new routines while polishing old ones. So look for us in the AR every Thursday from 9:30 to 10:30 a.m. Find out what fun it is to keep on dancing!

Showtyme

By Phil Kamens

Showtyme presents on Monday, Sept. 18, at 7:30 p.m. Lella Rose, a wonderful entertainer singing songs we all know and love. This will be another great performance, so mark your calendars. Hope to see all of you at this meeting.

The Shelly Berman show on August 20 was well-received. The show had three acts, and each one was excellent.

L.V. New York Club

By Gerry Schulman

Our entertainer for the Thursday, Sept. 7, meeting will be Bonnie Bowden, coloratura soprano. She has a wonderful voice and will be singing songs we all know and grew up with — Broad-

way tunes of the '40s and '50s. As a bonus she will be singing a couple of opera numbers as only she can. So please, mark your calendars and don't miss her performance. She is another one that will get a standing ovation, of this I am sure.

The New York Club picnic on August 6 was a huge success. Hot dogs and hamburgers made this an old-fashioned "New York Style Picnic." Music was furnished by Bent Mygger, who played the guitar and sang.

The Travel Committee has planned a Mystery Theater night on Sunday, Oct. 29, at 5 p.m. The evening includes a complete dinner at The Side Car in Ventura. Transportation is by your own vehicle. Call Irene Gary at 388-7089 for further information and tickets.

There will be an Ice Cream Social on Thursday, Oct. 5. The entertainment will be the song and dance trio, "3 For The Show."

Only paid-up members will be admitted to the meeting. Come early as seating is limited by the capacity of the AR.

If you haven't paid your club dues, please do so. They are only \$5 for the pe-

riod January 1 to December 31. Your dues help the club put on the great entertainment that we continually enjoy. It also permits attendance at members-only events.

Players Guild

By Stan Reshes

On Thursday, September 21, at 7:30 p.m., the Players Guild Workshop will take you back in time to the halcyon days of old-time radio as they recreate one of the most popular programs of that era: "The Shadow," in "Death by Chapter".

The presentation of this thriller uses the music and sound effects of the original production. Our stage becomes a radio station studio with a program that captivated and held its listeners spellbound for years.

Produced by Bob Freedman and directed by Milt Mankoff, it features a sterling cast of Village thespians. Will the forces of evil succeed? Will truth and justice prevail? "Only the Shadow Knows!" Join the fun in the AR, and stay afterward for the refreshments.

Judy Spector won an honorable mention for "Z Pathway" in the color Scenic class.

Village Painters

By Aurelie Zachary

At our meeting on August 2, Kelso Chandler spoke about how he became involved in the art depart-

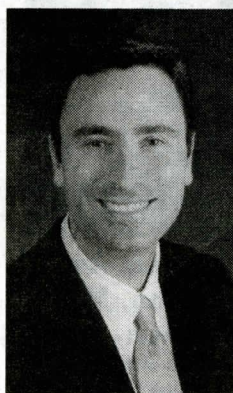

ments of the motion picture studios, where he occasionally ran into movie stars. He painted the pedestal Cher stood on, met Jackie Gleason in a restaurant, etc. He was also hired to paint

the walls and ceilings of the Getty Villa in Malibu, which may be seen next time you visit the villa. His story about his art career was most fascinating.

L.V. Exercise Group

By Milt Mankoff

Cool and sunny mornings greet members of the Leisure Village Exercise Group as they participate in this program devised for senior adults. Under the able direction of Vice President Jerry Cohen, exercises are led by member volunteers. These include Shirley McQuivey, Hannah Huber, Della Carmona, Bill Fox, Evelyn Lerner, Lil Mankoff and Shiprah Maller. New participants are thus able to learn and follow along more easily. Doing these exercises properly ensures getting maximum benefit.

The program was set up originally by physical therapy specialists. The goal is to promote cardiovascular assistance and help to improve coordination and balance. Flexibility of muscles and body joints is an additional benefit. Consistency is the key to good results.

Friday, Oct. 27, is the date set for the Annual Halloween Potluck dinner. This gala event allows each table of 10 to make up its own menu of favorite foods. It makes it possible for all to eat at the same time and avoids waiting in line to be served.

The evening is capped by the colorful and exciting costume parade. Attendees will decide on the winners, who will receive prizes.

The final social event of the year is the annual visit in December to the Camarillo Convalescent Hospital. Small, personal gifts will be distributed to patients. This has been an ongoing visit for quite a few years. President Shiprah Maller heads up the arrangements for all these events.

Exercises are held Monday through Friday from 8:30 to 9 a.m. at the Pool Pavilion. Annual dues are only \$4.00 and are being collected now. Former members are urged to renew

September has a four-

week Ringer Tournament, giving us all four weeks to improve our score. Dates are Sept. 6, 13, 20 and 27. It's a great tournament for our inconsistent talent. After four weeks of adjusting, the scores will look pretty good!

Our regular monthly meeting will be Wednesday, Sept. 13, in the AR at 2 p.m. Come early for the "social time" starting at 1:30 p.m.

To all new residents: You're all invited to join our golf club. You'll enjoy the camaraderie and improve your golf skills, not to mention enjoying the fresh air and exercise that will keep you healthy!

Racquet Club

By Anne Wolfson

The Racquet Club meets the second Wednesday of the month in the Multi-Purpose Room at 7:30 p.m. All Villagers are invited to come to play tennis, paddle tennis and table tennis and to come to our lively meetings!

Our dues are \$5.00 a year, and, if you want to have your name in our book, please get your dues in now! Our treasurer, Kay Bell, will be glad to take your checks or cash.

Our speaker for tonight was our own member, Macon Epps, who spoke on a very timely topic, "The Foreign Policy Club" in Leisure Village. This is a national organization with members all over the country. Macon is the president, and Paula Lite is the Vice President. There are 22 members in this group, and dues are \$5.00 per year. They start the meetings with a DVD and refer to a book called

"Great Decisions," and they discuss the pros and cons of what's going on in the world, such as geothermal energy and gas mileage. This was a very interesting discussion.

Our September meeting, on Sept. 13, will feature a guest speaker from the city of Camarillo, who will discuss our new library and will pass out charts of the floorplan so we can find our way in this new facility.

With refreshments like homemade cookies and apple pie, you don't want to miss our meetings. See you on Sept. 13!

Square Dance

By Raye Gabriel

Arlen Miller, known up and down the coast, calls for us Tuesdays from 7 to 9 p.m. in the AR. Refreshments are served. Call 484-9928 or 987-5674 for more information.

International Folk Dancing

By Raye Gabriel

We dance to 2:30 p.m. on Mondays in the AR. As usual, Valerie will start at 12:30 p.m. to give beginners the extra time.

You can thoroughly enjoy the ethnic music from countries around the world with others in like spirits.
